Co-President's Letter

Dear Fellow Alumni,

Hello and welcome to the 2011 Hornell Alumni Association News Journal. We hope that this year finds you happy, healthy and up to date on your Alumni dues.

Despite the economy being what it is today, this has been another year of overwhelming response from both our Alumni and the community to our HAA scholarship fund. We all know that a scholarship can change a life or even sometimes shift the chosen path of a recipient. You have continued to support our scholarship efforts with your donations. Last year seventy-two (72) of our graduating seniors received \$125,000 in scholarships and grants to help them pursue their academic goals. We would like to thank all of you that are responsible.....Alumni, local merchants and organizations. We are so very grateful for your continued support.

We want to take this opportunity to thank the HAA Board members for their support. It is the energy and enthusiasm of this great group of people that keeps this organization strong. Because we have an overwhelming number of alumni who have expressed an interest in joining the Board of Directors,

we are asking that if you are interested, please submit a letter to us. This letter can be brief, but should include the date, your full name, your HHS graduation year and your signature. As vacancies on the Board occur, we will refer to our letters of interest to select new members. We encourage your involvement in this group! We are hard-working, but very much like a big, happy family that enjoys working together throughout the year.

On behalf of the HAA Board of Directors and its members, we would like to cordially invite any graduate who has been out of high school for seventy (70) years or more to this year's HAA Annual Banquet. You would be attending as our honored and special guests. It would be a wonderful way to acknowledge and pay tribute to you. Last year, we had several graduates that were recognized with a well-deserved standing ovation. If anyone is interested, please feel free to contact either one of the Co-Presidents.

Our congratulations to the Hornell High School Varsity Football Team along with Head Coach Gene Mastin & his staff as "repeat" New York State Class B State

Champions. Being NYS Champs two years in a row is a testament to how hard all of our coaches and players have worked. Also, it should be noted that both the Varsity Girls and Boys Soccer Teams won Sectional Titles in their Division. What an awesome job! The teamwork, dedication, and determination that all of you have shown has made your community proud! Many of us have enjoyed watching you play and respect the sportsmanship you have shown both on & off the field. Alumni can read more about this group of champions in the sports section of the Journal.

Finally, we are hoping that you will join us as we remember the days gone by at our Hornell High School Alumni Association Annual Banquet on June 25, 2011 at the Knights of Columbus. We will be honoring the classes of 1961 (50th) and 1986 (25th). Your reservation card is enclosed in this Journal as well as your Alumni dues renewal card. We hope to see you there.

Always a Raider,

Robert Rosell '56

H.A.A. Endowment Fund

The Hornell Alumni Association is a recognized charitable organization under the rules and regulations of the I.R.S. The Alumni Association is a 501 (C) (3) charitable organization so that donations made to it are deductible.

Since approximately 1995, the Alumni Association hired the Steuben Trust Company to provide investment management services through a Trust Agreement for some of its excess money. The fund has grown in value

due to its diversified investments between fixed income and equity investments. Since it has grown in value, it enables the Alumni Association to grant more scholarships.

For people who want to make a deductible contribution to the Endowment Fund, make checks payable to the Hornell Alumni Association and mail to:

Congratulations, good luck, and best wishes to the HHS Class of 2011!

Please Note: The HAA memberships run on a fiscal year beginning June 1st – May 31st. Your annual dues are \$5.00/year. The membership form is located in the center of this newsletter.

Welcome New Members!

Eric Buisch graduated from Hornell High School in 1985, Corning Community College in 1987, and earned his Bachelor's Degree from Elmira College in 1993. He has been employed with the Arc of Steuben since May of 2003 where he is the agency's Director of Medicaid Service and Guardianship Coordinator. Eric and members of this committee serve as Legal Guardians on behalf of six amazing individuals. Eric currently resides in Arkport with his wife Laura and their two children, Elizabeth and Evan. He joined the Board last fall and looks forward to many years of service.

Pam LaVerde is a proud graduate of the class of 1967. She previously served as an HAA director from 2003-08 and is so happy to be back on board. Pam has two grown sons, Arlie '88 and Jamie '94. She is the proud grandmother to her two beautiful grandchildren, Maylen (7) and Reese (4). Pam is looking forward to working with

the Alumni Association. She finds it very rewarding to be able to share in the future of our up and coming HHS graduates. Pam also enjoys seeing and reminiscing with her old high school classmates when they return to the area year after year.

Wendy Lecceardone Pollinger is the youngest child of the late Leslie & Gilda Lecceardone's eleven children. Wendy graduated from St. Ann's School in 8th grade and from HHS in 1985. She has a Culinary Arts Degree from Alfred State College where she taught Bakery Production & Management for several years. Wendy continued her education at Alfred University and Elmira College earning a degree in Elementary Education and Home Economics. She currently teaches second grade at Bryant School. Wendy is married to Richard "Heinz" Pollinger '80. They have two sons, Sam and Ben. She and her husband have been involved in helping Boy Scouts as well as assisting the Hornell Marching Red Raiders. Wendy is looking forward to being part of the HHS Alumni Association.

How Are Scholarship Recipients Chosen?

The Hornell High School Alumni tradition strives to encourage and support life-styles that have strong work ethics, public service and academic achievement by rewarding students who exemplify these characteristics with recognition and financial assistance for their education.

A silent committee serves at the pleasure of the President of the Alumni Board. This group is always kept confidential.

It may come as a surprise, but this is truly a secret committee and never discussed. Board members don't have a clue! A meeting is called by the Superintendent of Schools and the President of the Alumni Board.

The Silent Committee, school officials, teachers and guidance counselors meet for the first time. Every senior is offered an opportunity to fill out an application.

The Superintendent provides a detailed resume of all students: student class ranking, financial need, student activities, desire for higher education (school choice), cost, student character, personality, and potential leadership.

All selections are final. No records leave the school and resumes of the students are returned and kept confidential.

THANK YOU HORNELL AREA CHAMBER OF COMMERCE!

The Hornell Area Chamber of Commerce sponsored the 11th Annual LaVerne "Short" Brown Golf Tournament on August 5, 2010. Once again, they had numerous volunteers, hole sponsors, contributors, and players. Due to the large turnout and generous donations, they were able to raise enough money to present three \$1000.00 scholarships to the Hornell Alumni Association. These awards will be distributed during the 2011 graduation ceremony in June. To date, the Hornell Area Chamber of Commerce has raised and donated approximately \$30,000.00 to the HAA Scholarship Fund in memory of LaVerne "Short" Brown. Due to this economically stressful time, it was decided by the Chamber Board of Directors that the tournament would not be continued next year. On behalf of the HAA and its members, we would like to thank Jim Griffin and his entire staff for their hard work, thoughtfulness, and generosity in supporting the future education of our HHS graduates the past eleven years. It is truly appreciated.

Katherine Coleman, Justin Brown, and Alexandria Argentieri were the 2010 recipients of the Hornell Area Chamber of Commerce LaVerne "Short" Brown Memorial Grant. Each graduate received \$1000.00 to be used towards their future educational expenses. **Row 1:** Relaxing on the ground is Jimmy Brown. **Row 2:** Katie Coleman, Justin Brown, Allie Argentieri, and Lynda Nasca Losecco. **Row 3:** David Parks, Carol Tibott Parks, John Brown, Shelly Nasca, Patti Nasca Pascarella, and Stephanie Parks Smith. **Row 4:** Jim Brown, Sandy Brown, Bill Brown, Margaret Brown Nasca, Sally Taylor Brown, Nancy Brown Watt, Eric Eason, Billy Coleman, and Jeff Brown. Congratulations to these HAA scholarship recipients.

"Dear Hornell Alumni Association Members!"

(Thank you notes from the 2010 scholarship recipients.)

Dear Bob, Ray and the entire HAA,
I am still on a high from the wonderful graduation ceremony. A huge reason it was so special is because of the amazing pool of grant money your organization offers and the large number of students it reaches. I've been telling people that I felt like a game show host as I announced the donors and award winners. You do amazing work as a team. On behalf of the Hornell High School, please accept my sincere gratitude for the commitment of time, interest, and energy that each of you bring to this organization.

Sincerely,
Lisa Sanford
HHS Principal (10th-12th)

Dear HHS Alumni Association,
Hi! I would just like to say thank you for the scholarship money that was awarded to me during graduation this past June. It will greatly help me with my college expenses and is truly appreciated. I look forward to pursuing my college education.

Dear Alumni,
Thanks for awarding me the Class of 1938 Grant in Aid. I was surprised and honored to receive this scholarship. Also, I want to thank both the HAA and Jim & Jodi Testani for awarding me the Elianna Testani Memorial Scholarship. This entire family has been a big part of my life. I was lucky to have known Princess Elianna and miss her very much.

Many of you might not know that my brother Justin and I were out-of-district students who transferred to Hornell High School to play football. My father played football for HHS and it is a passion of mine, too. My time spent at the high school was positive. I had so many great experiences and have no regrets transferring schools. Hornell is a great school with great opportunities. Being a co-captain of the State Championship football team was awesome!! So, with everything that I learned, my dream is to move on and do great things with my life. My goal is to work in the criminal justice field in the future. I'll be attending ASC in the fall and will use these scholarships toward my college tuition. Thank you for your commitment to all Hornell students. I will do my best to make you proud.

Thanks again,
Cody James Recktenwald

Dear HAA Board,

Thank you so much for selecting me for several scholarships this year. I was truly humbled to be the recipient of both the James J. Dagon Memorial Award and the Ernst H. Weyand Memorial Award. Mr. Dagon and Mr. Weyand were impeccable role models in the community and known for their character & work ethic. I was also honored to receive the Frank Fawcett '68 and the William '37 & Grace Coogan Dailey '41 Memorial Grants. Thank you to the families who have contributed to these funds and making these grants possible. I would be remiss if I didn't thank the Hornell Athletic Booster Club who is most charitable and dedicated to our Youth in Sports. I would like to acknowledge receiving both the Lance Cpl. Zachary D. Smith '08 Scholarship and the Dillon McCormick '09 Scholarship. Although given directly through the families, these awards had a profound and personal meaning for me at my 2010 graduation. Not only were Zach and Dillon HHS alumni but they were best friends of mine. Words cannot express their loss. I feel very fortunate to be a graduate of Hornell High School. I applaud the Alumni Association for their endless time and devotion. The HAA newsletter is second to none. It is a true testament of Hornell High School's personal connection to the past, the present, and into the future. Once again, my sincerest gratitude to all of you. I only hope I can pay it forward someday.

Sincerely,
Austin Dwyer

HHS Student Council

This year the Hornell High School Student Council decided to put forth their efforts to aid those men and women in uniform. All of the members feel that it is important to remember those that are serving our country. The Student Council sponsored a Hat Day on November 12, 2010 which encouraged students and faculty members to either donate

something that could be shipped or to make a cash donation. In return, each person received a yellow ribbon to pin on their shirt and could wear a hat during the school day. The Club encourages local businesses and organizations to join them in their effort by donating goods or money to help the Student Council furnish the care packages. Once everything is

collected, they will be sending them to alumni of HHS who currently serve for our country in both combat and non-combat units. Student Council has done this in the past, and plans on continuing this tradition in the future. These wonderful men and women serve our country. Why shouldn't we serve them? God Bless America!

Meet the HHS Pep Band

The Hornell High School Pep Band, which plays in support of the Boys and Girls Varsity Basketball teams, has continued to expand over the years. Started four years ago by former Hornell math teacher Charlie Locke, the Pep Band now boasts 25 members and a wide variety of music. Co-advised by HHS Band Director Ed Belin and Social Studies teacher Gary Kelleher '04, the Pep Band plays a wide array of music, from traditional cheers like "Go Big Red" to modern pop songs by artists like Lady Gaga and the Black Eyed Peas. The Pep Band should continue to be a force at Basketball games in the future, as this year's young group will graduate only three seniors, Natalie Crosby, Chelsea Lovell and Brianne Gray. The 2010-2011 version of the Pep Band wrapped up its successful season with its first ever non-Hornell event, when they were invited to play at St. Bonaventure University on March 5th.

Members of the HHS Pep Band are **Row 1:** Gary Kelleher '04, Quillan Speed '13, Andy Purcell '12, Kaley Murphy '14, Luke Morgan '14, Seth Fuller '10, and Justin Bush '10. **Row 2:** Maria Santiago '15 and Tatiana Cavalletti '13. **Row 3:** Isabel Dunning '13, Brianne Gray '11, Chelsea Lovell '11, Natalie Crosby '11, Matt George '13, and Ed Belin. **Row 4:** Jorge Palacios '15, Rayne Bossard '15, Derek Burritt '12, Cullen Davis '12, and Trevor Stiles '13. **Row 5:** Josh Buchholz '12, Andy Hover '13, Elena Wallace '13, and James Cipriano '13. **Missing:** Kaitlin Alfred '13, Catie Drake '13, Haley Drake '16, Nate Marino '15, Dylan Moore '12, Emily Shepard '13, Anna Weyand '16, Audrey Weyand '12, and Austin Zanghi '15.

The Mu Family Reunites

Pictured above is a photo of several members of the Mu family that joined the class of 1970's pre-reunion festivities last August at the Hornell Golf Club. They must have set a record with the number of attendees from one family at a high school reunion! The photo was taken on the front steps of the Hornell Golf Club. Their father, Salvatore "BoBo" Mu '38 loved the old Hornell Country Club. He was a long standing member and a hardworking Board member who helped to keep it thriving for many, many years. His daughter Anne stated, "I'm sure my dad was watching 'from above' and was very pleased that we were all together at his 'home-away-from-home'". Our family has such wonderful memories of good 'ole Hornell." This group also had the opportunity to golf earlier that same day. Pictured are Diane Mu Ashby '78, Anne Mu Miller '70, John Mu '66, Dorie Kellogg Mu '70, Dick Mu '68, and Theresa Mu Thiel '70.

The HAA Board would like to thank John Castiglione for donating several old yearbooks to our archives that belonged to his dad, Lori. We truly appreciate it!

Irish Eyes Are Smilin'!

The 23rd Annual St. Patrick's Day Parade took place on Saturday, March 12th. It was estimated that over seven thousand people gathered in the streets of Hornell and participated in the many festivities that took place. Mayor Shawn Hogan led the parade riding an 1898

electric car owned by John Walsh. The car was originally constructed in Hornell by the Conderman brothers. The St. Patty's Day celebration seems to get bigger and better every year. It was a wonderful day with beautiful weather surrounding the Maple City.

Back in August of 2010, the Hornell Show & Jazz Choirs won a competition which was hosted by the radio station 95 The MET. They had an opportunity to perform with the band FOREIGNER at Tag's Summer Stage in Big Flats.

The group was comprised of twenty-three (23) Hornell High School students ranging between 8th and 12th grade. They were selected based on a previously recorded concert they had given in Chicago, Illinois that had earned them a 1st Place Gold Award. At Tag's on August 28th, the students performed the hit song *I Want To Know What Love Is* on stage before a crowd of over 6,500 people. This is, by far, the largest crowd any Hornell choir has been placed in front of! Hundreds of their hometown supporters were in the audience to cheer them on, too.

The HHS choirs, under the direction of Chris van Leeuwen and accompanied by Eric T. Prentice, can be seen all over Hornell performing for senior citizen homes, Memorial & Veteran's Day ceremonies, parades, Hornell home basketball games, graduation & baccalaureate services, and, at times, during their summer vacation. They can also be heard, along with the Hornell Senior High, Junior High, and Women's Choirs, at the annual December & May concerts held at the school every year.

Members of the Hornell Show & Jazz Choirs that performed were Matt Amidon, Natalie Crosby, Josephine Crusier, Zach DeGaetano, Kaelyn Dessena, Ryan Gaffney, Ahren Henby, Jessica Hess, Caroline Hooker, Joe Horton, Chloey Kellogg, Katlyn Kelly, Laura Koehler, Stacey Koehler, Ignatius Marino, Dylan Moore, Alex Poklinkowski, Dani Jo Pryll, Jared Raish, Kali Spicer, Morgan Tobin, Mackenna Weakland, and Aubrey Wilkins. Congratulations to this wonderful group of entertainers.

"The Great American Trailer Park Musical"...
...a naughty, bawdy, outrageous musical comedy.....was presented in May 2010 at RBI Sports Pub on River Street in Hornell.

The Hornell Community Theater production, under the direction of Penny Smith '77, followed the adventures and romantic lives of the residents of Armadillo Acres, a trailer park in Florida.

"This show was edgy. It was written for a mature audience as it contained strong language, controversial subject matter, and adult conversation," according to Smith. "It was hilarious and the music was wonderful! The score contained everything from down home country to disco. The audience definitely had a good time!" The show, with music and lyrics by David Nehls and book by Betsy Kelso, featured the talents of HHS Alumni Debbie Fitzpatrick Bossie '77, Kathy LaBarron-Roberts '87, Dan Connors '83, and Dan McManus '89. The show also featured musical direction by Eric Prentice '85.

Hornell Community Theater's next production, also directed by Penny Smith '77, will be

"Six Women with Brain Death or Expiring Minds Want to Know". The adult musical comedy will be held on May 5th, 6th, & 7th and May 12th, 13th, & 14th at the Hornell Elks Lodge. The cast will include HHS graduates Michelle Sutfin '95 and Deb Fitzpatrick Bossie '77, with Eric Prentice '85 acting as musical director.

Front row: Katie Robinson-Hall, Debbie Fitzpatrick Bossie '77, and Kathy LaBarron-Roberts '87. Back row: Talia Herdman, Dan Connors '83, Karen Johnson, and Dan McManus '89.

Surprise! Surprise!

Pictured are Cheryl Tillman Mastin '77, Gene Mastin, and Greg Connors '88 at the Super Bowl XLV stadium.

Greg Connors and his wife, Jeni, made a surprise appearance at the Hornell Football's end-of-year banquet. Greg graduated from HHS in 1988 and is a former 'Red Raider' football player. Just before the banquet ended, he took the podium, congratulated the 2009 & 2010 State Champions, and shared a few of his own memories of playing for Coach Gene Mastin. Greg's message was very inspiring and came directly from his heart. In closing, he stated that he wanted to show his appreciation to his high school coach with a gift. Greg invited Gene and his wife, Cheryl, to spend the weekend in Dallas with him. He then reached into his pocket and presented them with two tickets to the Super Bowl XLV! They graciously accepted and flew to Dallas last February. The Mastin's enjoyed themselves so much and stated that it was an experience of a lifetime. Gene truly appreciated the generosity and thoughtfulness of his former player.

Greg had a successful football career in Hornell and at Alfred University. He is also a member of the Board of Trustees at AU. Greg is currently an attorney in Rochester where he resides with his wife and two sons, Will and Luke.

This initiation took place in the meeting room at St. Ann's School in Hornell.

The Hibernians hold a couple of major fundraising events each year. These include the Irish Fest in August and the Irish Open in September. A scholarship fund was started in 2008. They have sponsored a baseball team in the Challenger Little League Program of the Southern Tier since 2007.

The Hibernians look to preserve and defend their Irish-Catholic heritage as well as educate and enlighten others of the culture, history, & breadth of the Irish in America. They look forward to continuing their annual fundraising events as well as sponsorship of other worthy causes.

Along with the dedication of the Post Office, Smith's football jersey was retired last October during halftime of a football game. The framed #56 jersey will be hung next to Larry Gleason's #28 in the front lobby of the high school. These are the only two retired jerseys in the history of HHS athletics. "Larry and Zach were very similar," said HHS athletic director Gene Mastin. "They came from great families, they lost their lives in the line of duty, and both were very well regarded and remembered by friends & peers. They obviously were tremendous representatives of our community. We wanted to honor Zach's service and his sacrifice. The obvious way to do that was by retiring his jersey."

On August 3, 2010 more than 500 people lined Genesee St. as the Hornell Post Office's name was officially changed to the Zachary Smith Post Office Building in honor of Lance Cpl. Zachary Smith who gave his life while defending his country. "I'm very honored to look and see the community that has

Stewart's Service Celebrates 50 Years!

Doris and Harold Stewart '44

Scott Stewart is an HHS graduate of 1981. He is currently running his family's business, Stewart's Service. The business has been a big part of the community for over fifty years. In 1960, Harold and Doris Stewart bought the Esso Service Station on the corner of Big Creek Road and Seneca Street. Six years later, it became an Exxon station. In 1974, the business moved to its current location at 188 Seneca St. and began offering a towing service. Scott and his wife Debi '83 purchased the family business on November 1, 1990. While the business has changed over the years from a gas station to a 'one stop center for all auto-related business', it still has remained in the family. Scott and Debi manage to stay in business because of the loyal customers in the community. When asked about the future of Stewart's Service, they jokingly suggested that their grandson(s) might someday be the future proprietor of the business. Congratulations to Scott and Debi for reaching this milestone. Good luck and best wishes in the future years to come.

A Successful Rock and Roar

Fran "Poncho" Gallichio, HHS graduate of 1957, is the event chairman and director of the Arkport Harley Owners Group. With the help of thousands, he made the 10th Annual Rock and Roar a successful turnout. Gallichio stated that 1,044 people paid to participate in the 120-mile motorcycle ride that started at the Maple City Bowl, going through Elkland and Westfield, PA, and back up to Hornell. Many showed their support in honoring Kenneth "Skip" Cole who was the founder

of the event. Ken had passed away last year. The money that was raised went to the Zach Smith Scholarship Fund and also helped pay for area children who cannot afford to attend scouting camps. Gallichio described the Arkport HOG as a very dedicated group of people who help make this event successful year after year. With the tremendous amount of hard work and money raised for great causes, the 2010 Rock and Roar was truly a hit.

Hornell Raceway Memories

Hornell policeman Red Towner with his winning race car in 1959.

Paul Amidon built a raceway in Hornell that entertained thousands of people in the early 1960s. It remains the only track that Hornell has ever had. It was paired with a concession stand and an occasional ice cream truck. Although today there are no traces of the track, many memories of it remain. The cheering crowds and racers all admired and respected Paul Amidon and his well-run track. The raceway kept this area a fun and interesting place for Hornell citizens to reside.

HHS Grad and Local Doc Helps Flood Victims

Dr. Ismail Mehr, right, with flood victims in Pakistan.

Six missions down and who knows how many more to go. Dr. Ismail Mehr, an anesthesiologist at St. James Mercy Hospital and graduate of HHS class of 1991, traveled to Pakistan for a weeklong trip he took for the Islamic Medical Association of North America (IMANA). Mehr, chairman of the IMANA relief committee, led a team of six doctors to treat flood victims.

"It was not just a normal flood," said Mehr. "These were flooding rivers. It was like a continuous tsunami for weeks." Mehr and his team set up mobile health facilities. They would travel to different villages every morning and treat about 1,500 patients for skin fungus and infections. The United Nations said that the number of people affected makes this disaster worse than the 2004 Indian Ocean tsunami, the 2005 Kashmir earthquake, and the Haiti earthquake combined. On one of the final days of the visit, Mehr and the other members met with Pakistani President Asif Ali Zardari who thanked the team and also listened to some of IMANA disaster relief recommendations.

Search leads to a 1930 Hornell graduate

More than a year and a half ago, Marseena Harmonson began researching the first African American to graduate from Hornell High School. After Harmonson published an article in The Tribune, Helen Evans Reid contacted her. Reid is a 1930 graduate of HHS and the second black student to earn a degree from the district. Reid, who is 98-years old and lives in Lugoff, S.C., moved to Hornell in 1918. After finishing high school,

Now: Helen Evans Reid at her home in South Carolina.

Reid enrolled in the Hampton Institute where she earned her bachelor's degree in 1938. Reid worked at the Tuttle & Rockwell Department Store. The Evans family was embedded in the com-

munity according to Reid. When Reid came back to visit Hornell, she said she was surprised to find it was relatively different from the early years, mainly due to the 1972 construction of Maple City Drive. It's been more than a decade since she's been back to Hornell.

According to Harmonson's research, Harold Peterson Gibbs went to HHS from 1921 to 1925 and is the first African American to graduate from the school. The third, she believes, is Lualma Lankford who graduated in 1931. Harmonson wants students to know that they can look back into the yearbooks and records to see who came before them.

The BOSS program addresses the issues for a single soldiers quality of life. It helps to boost morale which can lead to greater combat readiness. Perkins' program was recently awarded best medium-sized installation of a BOSS program in Europe. It also won the 'Best Event' category at the EURO BOSS conference last May. The program volunteers in the community at the local Patrick Henry Elementary School, Army Community Service, and any other locations that they might be needed. Perkins is currently working on a project with students from the German Englichesches Institute Grundschule. Vice-President SPC. Alexandria Durazo says, "Bill has good leadership skills and is very outspoken. You can tell he is very motivated about his job and very dedicated to what he does. He truly loves his profession."

Hornell Graduate Celebrated a Century-Long Lifetime

Dorothea Alderman, Hornell High School alum from the class of 1928, turned 100 years old on December 21, 2010. Reaching this milestone birthday had taken Alderman through many amazing events in her life. She recalled childhood memories of seeing the

introduction of both cars and electricity to the Hornell area, as well as celebrating the end of the First World War. Alderman became a teacher after graduating from high school. She was married to Floyd Alderman on November 27, 1930 which was Thanksgiving Day. She and her husband went on to raise eight children together.

Alderman had lived in the Hornell area for almost her whole life. She had watched the area grow and change. She also spent time in Houghton & Scottsville, and winters in South Carolina with hobbies like sewing and reading. Alderman had a big family with the addition of 26 grandchildren, 45 great-grandchildren, and 2 great-great grandchildren.

Sadly, Dorothea passed away prior to publication of this News Journal on Thursday March 17, 2011.

Tony Gallichio's Musical Accomplishments

Tony Gallichio, a graduate of the HHS class of 2002, is certainly a developing musician on the rise. Within the past year, he and his band, *The Compromise*, shared the experience of opening a concert at the Blue Cross Arena in Rochester. "It was the best gig I ever had," Gallichio said. The concert featured *The Temptations* and *The Four Tops*. Gallichio, who has been a music enthusiast since he was ten years old, plays the keyboard in the band.

Tony Gallichio practices at his Hornell home.

In addition to his commitment to *The Compromise*, Gallichio also plays in a local band called Funknut. He says his inspiration has always been his father, Dominic Gallichio. Good luck and best wishes to Tony on his future endeavors.

Making Dreams

Pictured are Kevin Tully and John McHenry

Kevin Tully, a 1988 graduate of Hornell High School, is currently turning a 1964 Pontiac GTO-R into a 'dream car'. He purchased the car on Craigslist. Sponsored by Raybestos Brakes, Tully will be turning a warmed over GTO into a real race car. The '64 GTO will be given away at a 2011 Specialty Equipment Manufacturers Association show in Las Vegas. Most likely the winner of the GTO-R will receive special training from a sports car club and given the necessary safety gear to compete in an SXXA sanctioned race. The car is scheduled to be at Watkins Glen during the NASCAR race in August.

Tully went to an old friend and fellow alumnus John McHenry '84 to craft the GTO's signature fender badge. McHenry, who is now a jeweler in Canisteo, is perfect for the duty at hand. Tully said that he has always been into hot rodding so he decided to build his own hot rod shop. His dream was fulfilled when he partnered with Chad Hill.

Hartsville Honors Tom and Betty Caple

Tom and Betty Combs Caple '42 spent much of their lives working for the town of Hartsville. The town board honored them with a plaque thanking them for their years of service to the community. Tom has served multiple positions which include being a councilman, the town justice, a supervisor, and an assessor. What he enjoyed most was helping the town run smoothly. He did this by efficiently balancing the books at every meeting.

The only appointment that Tom was able to make as supervisor was the position of town historian. He knew that his wife, Betty, was the perfect candidate! She was a fourth grade history teacher in Canisteo. Betty served as Hartsville's town historian for over forty (40) years. She collected so much information on the town. She feels that the original documents are the most important part of the history. Betty stepped down as the historian when she turned 86 years old. But, she is not completely done as it will take time to train the new historian, Nancy Owens.

Congratulations to Tom and Betty Caple for receiving this prestigious honor and wonderful acknowledgement. The Hornell Alumni Association is very proud of you.

Hornell's Heartwarming Hero

2009 HHS alumni, Steven Eviston, revealed a soft side when visiting the second graders at North Hornell School on Thursday, January 20, 2011.

Eviston, home on his first leave after graduating from boot camp in Parris Island, was generous enough to take some time away from his family to sit and answer questions from three second grade classes. Eviston's altruistic goal when visiting these classrooms was to thank them for their kind acts of sending letters and donations that helped to assist his recruited classmates who didn't have family or friends available during their graduation. Thanks to his heartwarming visit with the children, our young hero received a reminder as to why he had first decided to become a marine.

Lyndsay Murphy Scores 1,000 Career Points

Lyndsay Murphy '07 scored her 1,000th collegiate career point earlier this year at the Alfred University's women's basketball game against Utica College. Murphy, a senior at AU, said "I have a lot of fun with basketball and I love to compete" and cited her parents' love and continued support as her main source of inspiration in pursuing athletics. Murphy has plans to continue studying for a school counseling degree in graduate school. Congratulations, Lyndsay!

Catching up with Bill Pullman '71

Bill Pullman, HHS class of 1971 and Hollywood star of over fifty productions, is playing a new role most familiar to him. In a David Letterman production company film titled *The Greatest Movie Ever Made*, Bill Pullman stars as himself. The premise of the movie is of five high school seniors from an upstate New York town called Buckstown who embark on making a film of their own. They seek guidance from Hornell native, Bill Pullman. His latest film, *The Killer Inside Me*, was completed and released on June 15, 2010. The movie also featured Jessica Alba and Kate Hudson.

Jason Sackett '01 Leads Hornell Housing Authority

Jason Sackett, HHS class of 2001, returned to Hornell last July to lead the Hornell Area Housing Authority, replacing Larry Vetter who held the post for thirty-one years before retiring. Sackett had worked with the Salamanca Housing Authority prior to taking this position. He was welcomed with warm hands by HHA chairman John Murawski who praised Sackett's vision for ensuring that Hornell can offer quality, safe and affordable housing to all of its residents who need it. He was thrilled to take the position and looks forward to carrying on Larry's mission.

Congratulations and good luck to Jason in the future.

On the second Tuesday of the month, we meet for lunch and generally have between 15-25 classmates & guests in attendance. Please feel free to join us. Classmate Richard Gray was the main speaker. He gave a wonderful speech and had a message for everyone of all ages. Thank you very much,

The Hornell Alumni Association can be commended. Our school raises and gives out an enormous amount of money to deserving graduates. The class of 1960 raised approximately \$6,000. Of that money, \$4,500 was distributed to three 2010 graduates who are grandchildren of members of our class. There is a continuing fundraiser to benefit future HHS graduates. The class of 1960 is

proud to be a part of that effort. We wish to thank all of you who gave so generously to our scholarship fund. We hope you continue to do so for many years to come. The committee looks forward to seeing you again for our 55th celebration in the year 2015!

Class of 1970 ~ 40 Year Reunion

The HHS class of 1970 gathered together on the weekend of August 13th and 14th to celebrate their 40th reunion. The weekend started with a golf outing on Friday morning at the Hornell Golf Club. That evening, the party continued at the Golf Club. Classmates were entertained with music from Axis Power. Tim, Mike, Roke and Mickey were together again playing our favorite tunes from the '60's. Thank you, Axis Power, for all you did to make this reunion a success. Their music kept the party alive as classmates packed the dance floor. The night was very well attended. It was a great chance for everyone to renew friendships. This event was opened to the public and it was great to see

people from other classes celebrate with us. The \$100 raffle winner was Sherry Drum Tobin from Florida.

On Saturday afternoon, classmates joined the class of 1971 for a picnic at the summer home of Jimmy Dagon on Loon Lake. Thank you, Jimmy, for inviting our class and hosting such a great party. No one went home hungry. The members of the reunion committee want to thank everyone that sold raffle tickets and the generous donations that were made toward our scholarship fund. A scholarship will be given to a senior at the 2011 graduation ceremony in June, in memory of Kurt Bertram '99. It was great to see everyone and we look forward to our 45th reunion in 2015.

Axis Power did a wonderful job entertaining the crowd. Bill Rokenbrod, Tim Tyson, Mike Kays, and Mickey Galatio

Class of 1971 ~ 39 Year Reunion

1970 and 1971 classmates enjoyed their afternoon together at Loon lake.

The class of 1971 has been quite active since their 35th reunion. Each summer they have been meeting to rekindle old friendships and share treasured high school memories. Last August, a combined celebration picnic took place with the classes of 1970 and 1971 gathering for their 40th and 39th reunions at the Loon Lake home of Jimmy

“Digger” and Patty Dagon. It was a great time bringing the two classes together with lots of laughter, conversation, and wonderful food. Our compliments to Chef Digger. He is an awesome cook!

Mark your calendar: The class of 1971 will be celebrating their 40th reunion during the weekend of August 12th and 13th.

Class of 1975 ~ 35 Year Reunion

A letter from the 35th reunion chairperson, Mary Lou McChesney Coleman '75:

A BIG thank you to all of our classmates who attended the mixer on Friday night, June 25th. I hope you had a good time. To those that could not make it, we hope to see you there in 2015 for our 40th reunion. We had approximately fifty-five classmates attend (about 120 total people) including spouses, guests, and some teachers. We had a great turnout and wonderful time. The food was excellent and our venue host, The Hornell Golf Club, was awesome!

I'd like to thank the following people: Oscar Wilson for all of his work with the music and the balloons that he provided for the decorations; Nancy Corner for taking care of our finances; and, to all of those that attended one or more of our committee meetings.

We gave out prizes to the following people: Cindy Lusk Giglio from Denver, CO for traveling the farthest; Bill & Mary Ann Cheresnowsky Burger for being the classmates who have been

married the longest; and, Debbie Jordan for having the most grandchildren (17!). We also held a 50/50 raffle with the proceeds donated to the HAA Scholarship Fund. We had a moment of silence for the deceased members of our class, and also for our past & current military.

We were able to give scholarships to class members that had a child graduating in 2010. These classmates are Laurie & Tiny Nielson, Bob Flansburg, Tom Matacale, and Neil Kelly. A \$175.00 scholarship was awarded to Tyler Nilson, Colleen Flansburg, Dominic Matacale, and Rachael Kelly. Congratulations and good luck to all of them. There are reunion photos posted on Facebook on our 'group page'. Please search for *Hornell Senior High Class of 1975*. Photos are also available to view on hornellhome.com.

We ask that you please keep us updated on your email and postal mailing addresses for our reunion in 2015. We hope to see many more of you at our 40th. Thank you!

Everyone enjoyed the 35th reunion festivities last June.

Class of 1980 ~ 30 Year Reunion

The class of 1980 held their 30th reunion "Alumni Weekend", June 25th and 26th. The weekend started off with a mixer Friday night at RBI's Sports Bar (formerly know to all of our class members as "Joe's"). We had a gathering of about sixty classmates and guests that enjoyed the evening visiting, chatting about old times, and having drinks & appetizers. Everyone enjoyed some great music on the juke box.

Saturday night, classmates met at the Knights of Columbus and took part in the Hornell Alumni Association celebration. Members of the class of 1980 proudly gave away \$1,500 in scholarship donations to three graduating seniors that were children or a relative of classmates.

Towards the end of the evening, many classmates took a trip down memory lane when they headed to Illusions to dance the rest of the night away to the sounds of the "Little Trolls". Many people continued to party at the home of Candy Brundu. Thanks, Candy!

Members of the class are hoping to see more classmates at the next reunion. Please remember to keep your Alumni dues current so that you will continue to receive the annual Alumni Association News Journal. Staying up-to-date with your dues will make it easier to request your current address. Then, we can keep you informed about upcoming festivities and events. The reunion committee wishes everyone good health and happiness.

Class of 1985 ~ 25 Year Reunion

The class of 1985 celebrated its Silver Anniversary this past June. The festivities kicked off on Alumni Weekend as committee members hosted a Chicken BBQ at the Elks Club as part of the their efforts to raise money for the scholarship program that they started in 2005. The event was a success as the dinner sold out! Friday afternoon brought about an impromptu golf tournament that was hosted at the Hornell Golf Club. Class members enjoyed a sunny afternoon and a round of golf prior to the evening festivities. Friday evening, the

class returned to the Hornell Golf Club to gather for cocktails and great music. It was a wonderful opportunity for class members to reminisce and talk about days gone by.

The grand finale of Alumni Weekend concluded at the Knights of Columbus on Saturday night. The evening was enjoyed so much. Many members of the class commented on how great it was to be back in Hornell and to be able to visit with family & friends. Eric Buisch delivered a speech on behalf of his classmates.

Through the efforts of the various class members who worked throughout the year prior to Alumni Weekend, the class of 1985 was able to award five (5) scholarships in the amount of \$300 per student. Recipients were Spencer Flint, Hannah Mikolajczyk, Arielle McCool, Daniel Kelly and Josh Burdett. We would like to wish these young individuals as well as the rest of their classmates all the best in the future. We look forward to seeing them in twenty-five years at THEIR Silver Anniversary!

Lincoln School Reunion

How many of you have fond memories of your grade school years? Remember when life was simple and your biggest worry was cleaning your room? Well, another Lincoln School Reunion is being planned for July 23, 2011 at the VFW Post 2250 in Hornell. Ten years ago was the first Lincoln School reunion. A great time was had by all who attended.

We are hoping to have an open house at the old Lincoln School, too. The committee is still waiting for the details. A Stearns Chicken BBQ will be held at 5:30 pm. Tickets are \$10.00 each for the dinner which helps defray the cost of the reunion. A DJ is also being planned. After 8:00 pm, the VFW will be opened to the public. It will give everyone the opportunity to enjoy the music and mingle with former classmates. A 50/50 raffle is ongoing with the drawing to be held on May 5, 2011. The proceeds of the raffle will benefit a scholarship for an HHS class of 2011 graduate. To order a chicken dinner, please make your check payable to Kim Wood, and mail it to 257 Canisteo Street, Hornell, NY 14843. Write "Lincoln School BBQ" in the memo line. All dinners must be ordered by July 1, 2011.

For more information, please call 607-324-0913 or 607-281-9136. The committee members include: Debbie Panter, Kim Clifford Wood, Sue Lange Edington, Cindy Parker Petric, Debby Hutchinson Robinson, Karen Kinnerney Bradley, Helen Dodge McKnight, Pat & Kathy Brownell Norton, Billy Yergens, Diane Cone Dailey, and Kathy Clifford Conine. There are new committee members joining at each meeting. Anyone wanting to help is more than welcome. We are hoping to have t-shirts available this year. We are also looking for any teachers and/or staff who worked at Lincoln School. Please call the above phone numbers so we can recognize you. The committee is looking forward to another successful reunion. We hope to see you there!

"Yes, we have snow here, too!"

Richard Santora graduated from Hornell High School in 1949 and has resided in Bel Air, MD for over fifty years. He recently

mailed a couple of photos to the HAA after one of three major snow storms that he experienced this past winter. Dick stated that each storm collected between 18-24 inches of the 'white stuff'. Pictured to the right is a photo of his car.... an old & original 1978 Chevy station wagon.... after he shoveled his driveway. As you can see, the snow is almost

as high as his vehicle. Dick said that he is definitely getting a snow blower next year. Thanks for sharing!

HOMECOMING WEEKEND 2010

HHS Homecoming Weekend was once again a huge success for the Hornell Red Raiders. Festivities were kicked off with a week full of activities. First, the homecoming candidates, Ashtin Argentieri, Chelsea Costello, and Aubrey Wilkins, were publicly announced. Then, the seniors and underclassmen participated in many events during the week that included Dress-Up Spirit Day, Dress-As-Twins Day, Red & Blue Day, an evening bonfire hosted by a capacity crowd at the Maple City Park, a school gym pep rally, and the traditional city parade.

On Friday, September 24, 2010, the Red Raiders played

an awesome game against Wellsville beating them 46-8. On a beautiful September evening, the faithful fans were treated to a special halftime performance by the HHS marching band. The highlight of the evening was the crowning of this year's Homecoming Queen, Aubrey Wilkins. She is the daughter of Jeff '80 and Carmen Wilkins. Congratulations to the football team, the homecoming candidates, their escorts, and our **NEW QUEEN!**

Please note: The 2011 HHS Homecoming Game is scheduled for Friday, September 30th. The Hornell Red Raiders will be hosting Batavia. We hope to see you there!

Board members Lou Nasca and Tom Fagnan get ready to draw the 50-50 ticket winner. All proceeds from this fundraiser go to the HAA scholarship fund. A BIG thank you to everyone who purchased a chance to win.

The 23rd Annual Sports Hall of Fame Dinner was held on Saturday, September 18, 2010 at the Knights of Columbus. Once again, this new approach proved to be very successful in honoring this years inductees. Four former Hornell High School graduates were honored. The new members included Bill McMordie '56, Arther Roselli '58, Dennis O'Brien '67, and Todd Stewart '96. HAA co-president Ray Schwartz and chairman Tom Fagnan welcomed everyone to the event. Master of Ceremonies was Bob Codispoti who is an HHS retired Athletic Director. Each candidate was presented with a plaque acknowledging their accomplishments. With many family members and friends in attendance, it was a nostalgic time to share old stories and renew old friendships. On behalf of the Alumni Association and the Sports Hall of Fame Committee, we would like to congratulate the 2010 recipients. Please feel free to stop by the high school and view the Sports Wall of Fame display, which is located in the "A" gym lobby area. Pictures of all of the inductees (past and current) are proudly displayed. We invite you to take a walk down memory lane!

Please note: The 2011 Sports Hall of Fame Induction festivities will take place the weekend of October 7th (a regular Friday evening football game against Dansville) and October 8th (cocktails & dinner at the K of C). This is NOT Homecoming Weekend.

These HHS graduates are proud employees at UHN. **Front row:** Kelly Parker '97, Karen Eason '82, Elaine O'Connor Dubois '74, and Terry Day Giglio '82. **Back row:** Lori Shepard Reese '81, Andrew Wall '95, Casey Dailey '94, Peter Wall '81 (owner), Lynda Nasca Losecco '81, and Dave Walsh '94.

Right after graduation from Hornell High School, Pete went into the Histopathology program at SUNY Cobleskill and transferred to University of Rochester where he completed a MS in Pathology. Working in Pathology in a private lab and then at St. James in Hornell, Pete went back for his business degree in Health Care at Alfred University.

Moving into the private sector of Health Care, Pete worked with Inter Community Cancer Centers of America out of Atlanta developing Cancer Centers in the North East. Pete then joined another Oncology Company where he continued to develop Cancer Centers throughout the US. In 1999, he started his own company, Universal Health Network (Uhn) with offices based in Hornell and Rochester, NY. Uhn provides billing, management, & consulting services to Oncologist and other physician specialties across the country, and developed the first private Cancer Centers in Ireland. Uhn employs upwards of fifty people throughout the North East with a majority of them located in Hornell. Long time best friend Lynda Nasca Losecco '81 works along with Pete as Chief Operating Officer of Uhn. With the help of his assistant and right hand-woman, Terry Day Giglio '82, they keep Pete and the business on its toes. In 2010, Peter and his wife bought Larry's Latrines of Hornell which his son Matthew currently manages along with a staff of six.

In 2011, Peter launched another new company which provides a software solution that streamlines medical transcription. Onics was created in the U.K. with colleagues based at Oxford University. The US Company, Onics Direct, is located in Hornell. It has just received its approval for a Patent and will be released in April, 2011.

Of course behind any good man is a great woman. Pete and his wife, the former Lisa Libordi, will celebrate their 27th wedding anniversary this year. Pete and Lisa have raised their family in Canisteo since 1983. Their children include Katie (26), Nick (24), Matthew (22), and Olivia (18).

Happy 50th Anniversary!

John and Ann Lisi Watt celebrated their 50th wedding anniversary on May 28, 2010. Family and friends gathered for a party at their home to celebrate this milestone event. Achiever

At the beginning of the 20th century, Abraham Flexner produced a report that significantly changed and improved the way doctors were trained. Now, one hundred years later,

local HHS graduate Bridget O'Brien PhD, and her colleagues Molly Cooke MD and David Irby PhD have re-examined how doctors are trained. The group published a book in 2010 titled *Educating Physicians: A call for reform of medical school and residency*. The team provides a new vision for medical education and a set of recommendations for change. The book emphasizes better integration of clinical experience and classroom learning. It highlights the importance of training doctors to be lifelong learners and innovators who are committed to patient

safety as well as improvements in systems and processes for patient care. It also recommends paying more explicit attention to professionalism and interpersonal skills with patients and colleagues. The authors are working on implementing many of these changes in medical education at the University of California, San Francisco School of Medicine where they are all faculty members.

Bridget is a 1996 graduate of Hornell High School. She was the recipient of the Leslie Gray Scholarship and an HHSAA Award. She graduated from Cornell University in 2000. She continued her education at UC Berkeley where she earned a Master's Degree in Business Administration and a PhD in Education. Bridget currently resides in San Francisco, CA. She is the daughter of Dennis and Lynda DeGaetano O'Brien from Hornell, NY. The HAA would like to congratulate Bridget and wish her much success in the future years to come.

Congratulations, Tim Burkhart '82 Achiever

There's a new level of excitement at the Plymouth Country Club as it welcomes a new golf professional, Timothy Burkhart, who is originally from Hornell and graduated in 1982. Burkhart, who has been featured in PGA magazine, chose Plymouth because he thought it was a great place to raise his family. "It was a huge compliment to be honored by PGA," said Burkhart.

Tim started playing golf when he was 18 years old. He's been playing seriously for about fifteen years and plans to spend a lot of time at the country club. "I like to get up in the morning, go to the golf course, be outside, and smell the grass," Burkhart said. But golf hasn't always been his focus. Burkhart was a professional basketball player for many years. He played for the Washington Generals for over ten years and traveled as far as Australia to play.

He says family is the most important thing to him. His wife, Lisa, doesn't share his passion for golf but he jokes that she makes up for it by being a great cook. Burkhart also has two sons, Matt (4) and Nathan (1). When he's not playing golf, Tim is spending time with them. He and his family were excited to move into their new home but Burkhart is also ready to get on the course and raise some excitement for the club. With his ambition, Tim has several goals he wants to accomplish. One of his goals is to get more kids involved. The women there are special, too. He feels the need to focus a little more on them as well. Tim is excited about being the head golf professional at Plymouth Country Club, meeting new people, and using his experience to help them.

A Celebration to Remember!

The class of 1968 survived the '60's and now they are all.....60! Never missing the opportunity to get together, the class of '68 had a BIG 60th birthday celebration for themselves at the home of Kate and Chuck Ingham on Aug 20, 2010. Everyone brought a dish to pass for the afternoon and evening affair. It was wonderful catching up with the news and getting reacquainted with old friends. Classmates Laura Gray Hyde and Bob Ellis had both just returned from Africa where they climbed Mt. Kilimanjaro (in different weeks) to celebrate their birthdays.

Rosalie Mulhollen has taken up running and has since completed a half marathon at Disney World. About sixty people attended the party. Laura traveled the farthest for the event...all the way from California. The party was filled with lots of chat, food & drink, laughs, and dancing. Kate and Chuck were wonderful hosts. Their home was a perfect setting for the party. So much fun was had that plans are in the making for another party this summer! The class has a trivia team called "The Classics" which helped fund the party with winnings!

Austin Dwyer '10

Achiever

Austin Dwyer, an HHS graduate of 2010 and a freshman running back for Alfred University, was chosen as the 2010 ECAC Division III North Rookie of the Year. A first team All-Empire Eight member, Austin helped the Saxons to the league title and a run to the quarterfinal round of the NCAA Tournament where they lost to Mount Union. He ran for a school-record 1,412 yards on the ground and tallied eight touchdowns. He also contributed on special teams as he totaled 403 return yards to go along with his one touchdown. Overall, Austin totaled 2,056 all-purpose yards in thirteen games. He accepted his award at a banquet held last February at the New Meadowlands Stadium in East Rutherford, NJ.

Austin Dwyer and Drew Brees

Austin was also honored last summer at the 2010 Rochester Radio Press Club Day of Champions Dinner. He received the High School Male Athlete of the Year Award. Austin had the opportunity to meet and chat with Drew Brees who received the Coca Cola Sports Personality of the Year Award that same evening.

Good luck and best wishes to Austin next season at Alfred University. The HAA is very proud of him and all of his accomplishments.

THE VARSITY RED RAIDER FOOTBALL TEAM DYNASTY CONTINUES AS TEAM WINS SECOND CONSECUTIVE STATE CHAMPIONSHIP!

2009 and 2010 State Champion Rings

Pictured (left) are the HHS football coaches and staff proudly displaying their 2010 State Championship rings. They are (l. to r.) Paul Quinlan, Mark Buisch, Kirk Scholes, Steve Donlon, Gene Mastin, Eric Werner, Mike Davidson, Dr. Ismail Mehr, and Colin Hall. Congratulations to all of you!

Mastin and the Red Raiders: A Class Act!

Gene Mastin is not a very good coach. **He is a great coach!** To do what he, his staff, and players accomplished by winning back to back NYS football championships is beyond extraordinary.

I've only met Gene once. It was many years ago when he was at Bryant School. I was impressed then with his genuine interest in the welfare of his students, and have continued to be impressed with all that he has accomplished in the years since. To win back to back state championships, all of the stars have to be aligned. You can't take a day off. You must have a great staff of assistant coaches and a great group of talented players who share the same level of commitment. You must also have great youth programs and parents who buy into the dream & are willing to make the sacrifices that need to be made.

Mastin is obviously a humble man who refuses to take credit for the success of the program. However, it all starts at the top. Gene Mastin has piloted this ship from the beginning. Ever since he has taken over the football program in Hornell, it was evident that his teams were on the same page. They

may not have always been the most talented team on the field but they have always played to the best of their ability. The players played with purpose and passion. It is obvious that they have a great deal of respect for this man, which is well deserved.

It is no coincidence that Gene Mastin holds the record for the most coaching wins in Section V football history! Back to back state championships is a fitting tribute to a great career which I hope continues for many years to come. Congratulations to all of the players, parents, and assistant coaches who contributed so much towards the success of the Hornell football program. Not only these past two years but those years preceding them, also.

A special congratulations to Coach Mastin for not only bringing state football championships to the city of Hornell the past two years but, even more importantly, for having such a positive and profound influence in transforming a group of young boys into a team of young men that have made their community very, very proud. Thank you for a job well done!

Bob Kimball '69

The **Hornell Red Raider** football team and their fans "theme song" from the beginning of sectionals to the final State Championship games in 2009 and 2010 was "**I Gotta Feeling**" by **Black Eyed Peas**. Below is an edited version of the lyrics. If you are interested, get online and Google the title of the song. It has a great beat and truly brought the fans to their feet. Will there be a three-peat in 2011? Good luck next season!

Tonight's the night • Let's live it up
I got my money • Let's spend it up
Go out and smash it • Like Oh My God
Jump off that sofa • Let's kick it OFF

I know that we'll have a ball
If we get down • And go out
And just lose it all • I feel stressed out
I won't let it go • Lets go way out, spaced out
And losing all control

I gotta feeling...Woo-Hoo...
That tonight's gonna be a good night!

Here we come • Here we go
We gotta rock • Easy come • Easy go
Now we're on top • Feel the shot
Body rock • Rock it don't stop
Round and round • Up and down
Around the clock

I gotta feeling...Woo-Hoo...
That tonight's gonna be a good night!

Spring 2010

BASEBALL

The Raider Baseball team finished at 6-2 in the league (co-champs with Way-Co) and 11-6 overall. The team advanced to the sectional semifinal and fell to Batavia, 6-5. Juniors Tom Rose (BA .356), Jordan Schwartz (BA .397, pitching record 6-2) and Dylan Dunn (BA .500) were selected as Division 1 All-Stars. Keegan Pierce, Mike Smith and Derek Chevalier earned honorable mention. Seniors Keegan Pierce, Mike Smith, Derek Chevalier, Kevin McAllister, and Zack Harkenrider have all made significant contributions to the program and are wished good luck in their future endeavors.

Pictured above is a group photo of the 2010 seniors with their parent(s) and coaches. **Front row/kneeling:** Mike Smith, Keegan Pierce, Derek Chevalier, Kevin McAllister, Dan Kelly, Spencer Flint, and Zack Harkenrider. **Back row/standing:** Coach Joe Mauro, Steve & Denise Smith, Terry "Coke" & Barb Pierce, Lisa Chevalier, Dan & Joan McAllister, Mark & Shelly Kelly, Joe & Kathy Flint, Bill & Nikki Harkenrider, and Asst. Coach Dennis Canty.

SOFTBALL

Dawn Reinhart has been coaching the Girls Softball team for thirteen years. They have been very successful. The team has made it to the sectional finals four (4) times, and the semi-finals the last seven (7) years in a row. The major core of the team is returning this season. Four seniors graduated in 2010. They are Courtney Hanrahan, Hannah Mikolajczyk, Emily McNeill, and Sarah Huels. For the 2011 season, there are a total of fifteen players. Their motto is: "15 hearts.....1 dream!" The team will be very competitive in the LCAA League. Last year, their record was 10-7, and they were called the Black Horse of sectionals. They came out of nowhere, and lost in extra innings to Waterloo in the semi-finals. Emily McNeill made the LCAA All Star Team.

BOYS' TRACK

The 2010 Spring Campaign was a solid one for the Boys Outdoor Track Team. The Red Raiders finished the season with 2-3 record. Led by seniors Austin Dwyer and Isaac Spike, Hornell was dominant in the sprints

and throwing events. Isaac was at the top of the Section V leader board all season with personal bests of 52' 7.5" in the Shot and 139' 4" in the Discus. Austin also set team and personal bests in the 100 and 200 sprints with times of 11.3 and 23.43 seconds respectively. And, anchored by Dwyer, the 400 meter relay team of Colby DeGaetano, Sam Stonerock, and Jake Perno finished the season in fourth in Section V. Mike Pitcher continued to improve in the distance races setting new personal best times. This group of young middle distance runners gained experience & confidence in battle, and realized that they could race head-to-head with anyone.

GIRLS' TRACK

Girls' track and field had a successful spring, unveiling young talent to supplement the veterans on the squad. Aubrey Wilkins '11 tied Shawna LaVerde's pole vault record at 10' 4". Two new records were established on the track: Gabrielle Macool '13 broke Beth Farrell's long-standing mark (established in 1990) in the 400 hurdles running a 1:07.5; Jocelyn Acor '14 set a new standard in the 400 eclipsing Julie Sengstock with a 57.59 at the state meet in Vestal which earned her a 3rd place medal. Jocelyn's 400 mark is also now the Livingston County record as is the 12.50 she ran in the 100 while at states. Along with freshman throwers Megan Guarglia, Breyanna Willett, and Josie Crusier, who rank among the best for their age in Section V Class B, the future of our Girls Track Team looks very bright.

TENNIS

Hornell won the Livingston County Division I Championship for the 2010 season. The team ended its season with a 6-5 record. We advanced to the class BB semifinals before losing to Midlakes. The team was led by junior Garth Brungard. Garth won the Livingston County Singles Championship. Garth placed 3rd at the individual sectionals. He advanced to state qualifiers, where he was able to win a match. Hornell also placed well in the county doubles tournament. Hugo Tornare and Charlie Diehl took 2nd place, while Ryan Smith and Shawn Smith captured 3rd place. We look forward to a strong 2011 season with many coming back for their senior season.

GOLF

The HHS Golf team finished the 2010 regular season with a 7-1 league record and a 9-1 overall record. For the fifth time in seven years, the HHS Golf Team earned the title of LCAA Division I Champions. Led by our number one player, junior Alex Fitzpatrick and our number two player, senior Ahren Henby,

the team defeated Dansville, Bath, Wayland/Cohocton, both home and away, while splitting with Livonia in our league play. We also defeated Wellsville both home and away in non-league play.

Rounding out the three through six spots on the team were juniors James Griffin, Shane Kramer and Marcus Hubbard, along with up and coming sensation sophomore Pat Cooper. Alex Fitzpatrick earned medalist honors for HHS in every match we played, firing a sizzling 38 strokes per nine holes average. Alex went on to take medalist honors at our LCAA counties match, firing an even par 72 at Old Hickory Golf Course in Livonia.

Alex Fitzpatrick and Ahren Henby were named to the LCAA First Team All Stars, along with James Griffin earning Honorable Mention. With key losses of players, Ahren Henby to graduation, Pat Cooper (moved) and Marcus Hubbard (tennis), this will definitely be another re-building year for the HHS Golf Team. We look forward to the challenge of trying to put yet another LCAA trophy in the HHS trophy case.

Fall 2010

FOOTBALL

The 2010 football season was again one of the finest in school history. The Red Raiders won their second consecutive State Championship, and finished the season with a 13-0 record. The team destroyed the school record for points scored in a season by scoring 611 points, including winning the Section V Championship by a 67-0 score over Midlakes, the State Semi-Finals over Chenango Valley 45-12, and beating Schalmont 50-20 in the State Championship game. The two year 26 game win streak is currently the longest in New York State. The Section V Championship was the 10th in football for Hornell.

Many individuals were honored for their performances this season. QB Dominic Scavo and RB Sam Stonerock were named All State First Team, and Offensive Tackle Josh Scialpa was named Third Team All Star. Scavo and Stonerock were named to the All-Greater Rochester First Team, and Jordan Schwartz was named to the 2nd Team. Scavo, Stonerock, Scialpa, Schwartz, Josh Mitchell, Dylan Dunn, and

Zack Bacon were also named to the Livingston County Division I All-Star Team.

Head Coach Gene Mastin was named New York State Class B Coach of the Year for the 2nd consecutive year.

BOYS' SOCCER

The Boys' Soccer Team capped off its 2010 season with a Section V Co-Champions Title. Hornell battled Bath in the championship to a 1-1 tie. This was the teams 4th sectional crown. The boys ended the regular season with the number 1 seed in Class BB. The season began with the Red Raiders winning their sixth consecutive Olean Tournament Title. The boys set a new Section V record for giving up the least number of goals in a season (3). Jimmy Dagon '13 led all Section V goalies with lowest goals against average. Garth Brungard received the Adidas All-American Award. He was also named to the 2nd Team All-State. Garth capped his season off by being named Livingston County Player of the Year. Garth was joined by Tom Rose and Keegan Bradley as Livingston County All-Stars. Many talented seniors will move on to graduation. The nucleus of underclassmen will work to keep the soccer team on top.

GIRLS' SOCCER

The Girls' Varsity Soccer Team finished the season with a record of 15 and 1 with the only loss, a 2-0 loss to Livonia, early in the season. The Red Raiders avenged this loss later in the season at home and then again in the sectional final with a 1-0 win over Livonia. This was the first year as Section V Champions since 2006. The team failed to advance to the regional qualifier by losing to Greece Odyssey 1-0 in the play down game. The final season record of 18 and 2 was a rare accomplishment.

Several of the players were recognized with post-season awards. Ashtin Argentieri was a Livingston County All-Star as well as Player of the Year for Livingston County Division 1, and an exceptional senior. Aubrey Wilkins, Rachel Cunningham, and Colleen Smith were also selected as Livingston County All-Stars. Kirsten Smith, Hallie Fenti, Ashtin Argentieri, and Aubrey Wilkins were exceptional senior representatives.

This very successful season was a good opportunity to highlight the individual as well as the group excellence of the Girls Soccer program.

CROSS COUNTRY

In another cross country season filled with apples, frisbees, and British victories at the Battle of Lexington, some other notable accomplishments took place this season.

The team saw an influx of new faces, some younger (the girls modified squad, and freshmen Charles Hann '14 & Mike Guarglia '14) and some older (Nikki Daniels '11). All of them took the team motto of personal improvement to heart which was displayed by Nikki's and Jake Walsh's '13 radical time per mile drops. Injuries to key athletes hurt the teams' overall record but the season did end on a high note. Senior Mike Pitcher not only earned league All-Star status but also placed 6th at Sectionals. This qualified him for his first state meet where he finished 62nd out of 127 of the best Class B runners.

GIRLS' SWIMMING AND DIVING

The Girls' Varsity Swim Team, coached by Andy Smilnich, completed the season with a 5-4 record. They finished 4th at the LCAAs and 5th at sectionals. The season was highlighted by Morgan Lomax when she broke the school record in the 100 yard breast stroke in the finals at sectionals. Her time was 1:11.63. All of the girls did well throughout the year and are looking forward to next season. The team would like to say thank you to the parents and friends for their support.

Winter 10-11

BOYS' BASKETBALL

The above group of high school students, better known as the **Raider Rooter's**, showed their spirit throughout the basketball season. They are (l. to r.) Zack Bacon '13, Dylan Hansen '11, Colby DeGaetano '11, Nikolas DeGaetano '12, Jake Mazzatti '12, Patrick Deebes '13, and Tyler Ormsby '12.

This year, under the direction of coach Kirk Scholes '01, the Red Raiders Basketball Team had an overall record of 13-7. They finished second in the LCAA and lost in the sectional semifinals. The Raiders faced a tough schedule and played their best basketball at the end of the year. Leading the team this year were seniors Jordan Schwartz, John Dagon, Dylan Dunn, and JJ Reinhart. The team also had several other standout players in junior Dominic Scavo and sophomores

Julian Reinhart & Jimmy Dagon. The team came together and was known for being stingy defensively and having several people that could lead the attack offensively. It was a very well balanced team that worked hard everyday and showed great character. Jordan Schwartz and Dominic Scavo were named to the Livingston County All-Star Team. Scavo made the Great 8 2nd Team. Exceptional Senior Game recipients were Dylan Dunn and Jordan Schwartz.

GIRLS' BASKETBALL

The Girls' Basketball Team finished with a record of 3-16 with a first sectional loss at Midlakes. There were four seniors: Jenna Kramer, Eliza Murray, Emily Perrot, and Ashtin Argentieri. They lost nine games under 10 points which was a huge improvement from the previous season and improved their win total from 1 to 3. The team has ten returning players and has a very optimistic outlook for next year. Allison Roberts was a Livingston County 1st Team selection.

WRESTLING

The Hornell Wrestling Team finished their most successful season since the 2006 sectional championship team. The team posted nine (9) dual meet victories this season under first year head coach, Scott Johnson. Sophomore Zach Bacon led the way with a 37-5 record. Bacon, a 2011 LCAA champion, was one win away from qualifying for States. Seniors Jordan Harrison and Dylan Hansen both earned their 100th victory this season. Damon Flurschutz, Dylan Carlton, Kyle O'Connor, Jake Kramer, and Garrett McDaniels all picked up wins for the Red Raiders.

BOYS' SWIMMING & DIVING

Under the direction of coach Andy Smilnich, the Boys' Varsity Swim Team completed the season with a 5 and 7 record. They finished 6th at the LCAA's and 4th at sectionals. Of the fifteen team members, fourteen qualified for sectionals with six of them being first year swimmers. Ten swimmers made finals and amassed 230 points. Aaron Haase finished 2nd in the 200 free just missing the state qualifying time of 1:48.22. Aaron's time was 1:48.98. The 400 Free Relay team of CJ Wallace, Eric Hilfinger, Jonathan Ingold, and Aaron Haase finished 2nd. The team would like to thank all of the parents and friends for their support this season.

INDOOR TRACK

The Hornell Indoor Track and Field Team was in a rebuilding/reloading phase in 2010-2011. Many underclassmen and first time runners

filled out the roster. Senior Michael Pitcher led the way for the Red Raiders with an outstanding season, running events from the 600 to 3200 meters. Mike also set a personal best in the 3200m with a time of 10:17.89 at the Rochester Institute of Technology's Gordon Fieldhouse. Senior Colby DeGaetano and junior Scott McKibben blazed the way for a young group of up-and-coming sprinters. On the girls' side, sophomore Gabrielle Macool was dominant throughout the season in the 55 meter hurdles. Gaby broke the school indoor record early in the season, then shattered her own mark at the Section V State Qualifier meet with a time of 9.50 seconds.

CHEERLEADING

The Hornell Red Raider Varsity Cheer Team had a very successful year! Between both the football and basketball seasons, the teams competed in ten competitions. They claimed 1st place titles at 6 tournaments, and 2nd & 3rd place respectively at Counties and Sectionals. The Basketball Cheerleaders made history @ HHS by having twenty-nine team members, three of which were guys along with eleven of the athletes being tumblers. What an awesome accomplishment!! The Red Raider Team is coached by Regina O'Connor-Gambino who is a proud graduate of the class of 1977. The team motto remains: "29 members...1 dream". Congratulations on a wonderful season.

Athlete's Prayer

God, let me play well but fairly.

Let competition make me strong but never hostile.

Forbid me to rejoice in the adversity of others.

And, if through athletics I set an example,

Let it be a good one.

Firefighters Donate To Football Team

Hornell firefighters present a check for \$500 to Hornell High School football coach Gene Mastin. The check from the Hornell Firefighters Association was used towards the purchase of state championship rings for the Hornell High School football team. The Red Raiders won their second straight NYS Class B state championship with a 50-20 victory over Section II Schalmont at the Carrier Dome on November 28, 2010. Pictured, from left, are Steve Foster, Tom Hilfiger, Luke Kelly, Gene Mastin, Todd Smith, Pete Huffsmith and Chris Flaitz.

Happy 90th Birthday, Roberta Goff Bishop '37

A surprise 90th birthday celebration was held at the Hornell Golf Club on November 14, 2010 in honor of Roberta Goff Bishop. The party was hosted by her children and grandchildren all of whom are HHS graduates. Over one-hundred friends and relatives were in attendance. A buffet style dinner was served and a video featuring her life was shown. Roberta was very pleased and overwhelmed by the number of people who attended and helped her celebrate this very special occasion. She was especially surprised to see her grandson who travelled all the way from Florida. She had a great time walking from table to table visiting with everyone.

Roberta is a member of the HHS class of 1937. She has been very active in planning her class reunions and a member of the Hornell Alumni Association for many, many years. God willing, she plans to attend the graduation ceremony in June to see her oldest great-grandson, Shawn Buono, graduate with the class of 2011. She also is looking forward to attending this year's Alumni Banquet where she will celebrate her

Among the many guests that attended Bertie's 90th birthday celebration were members of the Thursday morning "Coffee Bunch". Pictured are **(sitting)** Mary "Ricki" Dagon, Monica Fagnan, and Eileen Mahoney. **Standing** are Dolores D'Apice and Roberta Goff Bishop.

74th high school reunion.

The HAA would like to wish Roberta a wonderful and healthy year. May you celebrate many more in the future years to come. Happy 90th birthday!

Magazine Cover Has HHS Alumni Connections

The 2011 cover of The Greater Rochester Bride & Groom Magazine features two Hornell High School alumni. Brad Murray '94 and Hayley Newland '90 were married on May 1, 2010. Their photographers were Dominic '95 & Hilary Gallese Argentieri '97 who own and operate Hilary Argentieri Photography in Rochester, NY. The cover picture is the result of a photo contest for Rochester area photographers. Brad, Hayley, Dominic and Hilary currently live in the Rochester and Canandaigua area. This is a beautiful picture of the newlyweds and a wonderful tribute to these professional photographers. Congratulations to all of them!

"If you can imagine it, you can create it."

During graduation ceremonies last June, approximately \$125,000 in scholarship money was awarded to HHS students pursuing a college education.

Thank you, Alumni!

Memories from a Merchant Marine Veteran

James Colamarino is a proud graduate of the HHS class of 1937. He considers himself a member of the greatest generation. **He has so many wonderful memories of his high school days and living in Hornell.** Jim recently sent the HAA a list of a few of those nostalgic moments. **They are as follows:** 1. **Industries and Manufacturing**—the Erie Railroad, Machine Shop, the Roundhouse, Steam Engines, the Erie Depot, Erie Office (payroll, etc.), the black soot from engines (your white clothing would turn black), The Freight & Passenger (finest restaurant in the Southern Tier), Merrills & Hugate Silk Mills (nylon, rayon, etc.), and, of course, farming. 2. **Entertainment**—The Strand and Majestic Theater's (10 cent admission), The Sherwood (supposedly Enrico Caruso appeared here), The Erie Railroad Band, The Italian-American Band, and concerts in Union Park

(next to the old high school). 3. **Miscellaneous**—The Evening Tribune & the Courthouse in the vicinity, the Hornell Baseball Team & the Penn Yan League (home games with radio announcer, Kelly Simon), Carnivals, Circuses, Fiesta's at Maple City Park, the 1936 Canisteo River Flood (lots of damage), Urban Renewal (many changes/subway paved over), and much, much more. Mr. Colamarino's picture does not appear in his HHS yearbook. He enlisted in the US Navy in May of 1937.

During World War II, Jim was a 3rd Officer of the SS Pierre Victory which was attacked by Japanese planes in the Okinawa area on April 5, 1945. The following is a description...to the best of his recollection...of what happened on that day:

"The Pierre Victory, the Hobbs Victory, and the Logan Victory were all in Okinawa loaded with ammunition. Fearing they would explode

under attack, the ships had been anchored two miles from the rest of the Navy vessels. Suddenly, all hell broke loose. The sky was full of flak. The first kamikaze headed for the Navy anchorage. The pilot looked at the three Victory ships all by themselves, veered his plane, and headed straight for us. He crashed into the Hobbs Victory which burned and exploded for hours. The second kamikaze followed the first and crashed into the Logan Victory. It also caused fires & explosions, and finally sunk. The third kamikaze came straight for us. My station was the ammunition locker. Our gun crew continued firing, and shot it down just before it would have crashed into us. In the middle of May, we finally discharged all of the cargo of ammunition and received orders to return to Honolulu."

What an amazing story. This event took place over sixty-five

years ago. Thank you, sir, for sharing your memories with the Hornell Alumni Association. You are not only a proud HHS graduate but also a true American hero. May God bless and watch over you, always.

Letters To The Editor

Dear HAA Board,
I want to thank you for the letter reminding me that my dues were not paid. During early summer I was very ill and couldn't attend my 68th reunion. This year I hope to make it. The News Journal gets better and better so I will look forward to reading the 2011 newsletter.

Sincerely,
Betty Combs Caple

Sorry this is so late! I fell and broke my shoulder before we left FL last April. I was advised to have Gene in a nursing home until we could get back to NY. After spending some time in the hospital and nursing home, we were able to come back. I have been living with my son in Ithaca and am currently in therapy. I'm now back home in Almond and Gene is in Manor Hills in Wellsville. He seems to be very happy there and doing quite well. I don't know if you needed to know all of that but he always talks about his days in Hornell and his many school buddies. I know he would like to have me keep him as a member of the alumni.

Thank you,
Waneta Allen

Dear Angela and Alumni Members,
Our class reunion committee would like to thank you and the alumni for giving us 100 stamps towards our class mailing. It helped us out so much.

Thanks again,
**Bertie Cleveland, Bill Johnson,
Nancy Carretto, Peg Jimerson,
Kathy Kuhn, Josie Barnard,
and Mary Montgomery**

Dear Alumni Board,
I always look so forward to receiving my HAA News Journal. I usually sit right down and scan through it. I enjoy picking it up numerous times throughout the year and read it cover to cover....over & over again. I was so excited last fall to watch the HHS football game on TV and their big win! My best wishes go out to all of the sports teams for good luck this coming year. Great job on the journal!

Sincerely,
Louis Corbett Damon '49

We planned on coming to the banquet but due to illness we could not make it. I'm sure it was great as usual. It was my 65th reunion. Maybe next year!

Best Wishes,
Mary Ann Cullen Walters '40

Dear Alumni Association,
Although I went to Hornell schools from Kindergarten (Lincoln School) thru my freshman year at HHS, I moved to Canisteo and graduated from CCS in '54. I still think of HHS as my school and love to receive the "News Journal" from you each year! I read it cover to cover, and look for the names of schoolmates that I remember. I love the photos of Hornell, too! Enclosed are my dues and a donation for Scholarship Fund. I am also including a donation in memory of LaVerne Weber who was a member of the Class of '54. I grew up on Spruce Street in Hornell and LaVerne lived a couple of blocks away. Our families went to same church. LaVerne and I both had paper routes for the Hornell Tribune when we were in our teens. I was in LaVerne's wedding in 1955 and he was in my wedding in '56. He went on to get his PhD at Dallas Theological Seminary, and was employed by the Good Shepherd Home for the handicapped where his daughter, Connie, still lives. LaVerne was a good friend. I just wish we could have stayed in closer contact through the years. Thank you for all of the work you do as a Board. What an awesome job. And, you do it so well! I would love to get a list of the grads from 1954 and current home or email addresses, if this is possible. Can anyone help me with this?

Thank you,
**Vernon Stuart
Vestal, NY 13850**

Hi,
Just up for my cousin Maria Grillo Dunn's mixer. Bitter sweet visit but makes me realize how great it was to grow up in Hornell. I didn't know who would read this but please send the newsletter to my mom and me again. We seem to have lost touch. I'd like to give a donation to a needy HHS graduate. God bless.

Thanks,
Kevin Easton '72

To the HAA Co-Presidents,
The story about Bob and Jean Weaver in the 2010 News Journal (p. 47) was great! Then, I saw my 8th grade picture with Jean and the rest of our graduating class. I have one of these photos, too!! Jean and I talk with each other quite often. When we lived in Colorado, we were just a few miles apart so we could see and enjoy each other's company. You and your staff do a great job putting the newsletter together. Thank you!

Sincerely,
Lottie Stephens West '42

Dear Alumni,
The years roll along and so do you in the production of another good newsletter. On the day that it arrives, I go out to our picnic table, make a small campfire, and have a Hornell day reading about the area so dear to my heart. My friends here in Connecticut are truly amazed by all that you do.

Thank you,
Velma Loper Wheeler '52

Thank you for allowing me to join the Hornell Alumni Association as a social member. I look forward to seeing old friends again, meeting new ones, and helping your organization by contributing to the Scholarship Fund.

Thanks again,
**Peter Auringer, MD
Class of '72-'73...sort of!**

Dear Alumni,
I wanted to let you know how thankful we are for the support of the HHS Alumni Association. My son, Jim, was a recipient of an Alumni Scholarship and graduated from the University of Buffalo this past May with a degree in Psychology. You have no idea how much these awards have helped the boys over the years. It is always a worry how all of the college expenses are going to be covered. Knowing that they have this money to put towards books and other necessities has been a blessing. Thank you for all that you do for the children of this community.

Stacie Schieder

Sorry for the delay in mailing this in. Our daughter, the former Betsy Carrier '04 got married last June at Fairfield CT Trinity Baptist Church. She married Joshua Ross which makes her Betsy Ross. They currently reside in Exton, PA. Thank you, HHS Alumni, for everything that you do all year long for the alums and graduating seniors.

With sincere and continued thanks,
Mel and Doug Carrier

I just finished reading my copy of the newsletter. What a wonderful job you have done publishing this information. I cannot imagine any other high school alumni group doing something like this. I was fascinated with your efforts. Unfortunately, I'm not physically able to go to Hornell to join you in your events but am proud to say that I was born and raised there. The trip that I made for my 50th will probably be my last. Keep up the good work. I know you will. Enclosed are my dues and a contribution to the HHS Scholarship Fund. Your work is outstanding!

Sincerely,
Don Busted '42

Letters To The Editor

Dear HAA Board of Director's,
Your incredible efforts continue to amaze me. The News Journal is a piece of history, serves well for genealogy, and makes everyone proud of our HHS roots. Great job!!!

Thank you so much,
Bill Young '64

Dear Alumni Committee,

As always I enjoyed receiving this year's journal. It is always a joy to read about my hometown, all of the changes it has gone through, and the folks who are still there that I know. The pictures of the old pubs and restaurants were great. The scholarship program gets better every year. I'm glad that I can still donate to it. I was retired from my job at Pipes Aircraft Corp in February of 2009 after spending forty-seven (47) years there. I have now started a business of my own with my son. It is a Citrus Brokerage Business at his home and I am enjoying it. It keeps me going and makes this time of my life interesting and useful. Again, thank you for the great newsletter. I will be in Hornell for my Class of '52 reunion in July.

Sincerely,
Carol L. Spooner '52

Dear HAA,

Thank you so much for the extra news journals. It was a very nice article on Zach. Thank you for thinking of us and making sure that everyone will know all about him.

With much love and appreciation,
Chris, Kim, Nate, Ann and Grace Smith

Dear Alumni,

Once again you all have done a fabulous job. Reading the News Journal brings back happy memories. Thanks for producing such a wonderful newsletter for all of us.

Evelyn Myers '53

Thank you so much for the annual News Journal. I truly enjoy reading it every year.

Sincerely,
Hubbell Y. Davidson

I would like to thank you and all of your hard working people for the wonderful banquet at the K of C last June. As a member of the class of 1960, I felt very special being honored at our 50th reunion. The food was great and the room was decorated to make everyone feel welcome.

Thanks again,
Kay Booth Wright '60

It is always with great anticipation that I look forward to the annual newsletter. Each year, it gets better and better. It also makes my heart so happy that more and more donations are coming in to help give scholarships to our graduating seniors. Thank you for all that you do!

Diana Swift '65

Dear Alumni,

Barbara and I want to express our gratitude for your kindness and generosity in remembering our son at graduation. We are deeply appreciative of the good work that you do for all alums and the graduates of our alma mater.

Gratefully,
Barb and John Arnault

Congratulations to the Officers and Directors of the HHS Alumni Association for another outstanding year. As a group of dedicated volunteers, the work you do for the Hornell graduates and entire community is terrific. It must be satisfying to be able to accomplish so much for our "dear old red and blue." Good show!! Just like always, I read the journal from cover to cover, every page, every article and every picture. Take good care of Sally and her talented staff because they really know what they are doing, and they do it well. The "In Loving Memory of" articles concerning our departed fellow alumni are touching and were especially meaningful and most appropriate this year. I plan to be up for my "Hornell Fix" on Alumni Weekend, see old friends, play a little golf, and help the world-famous class of 1944 picnic. Thanks for the good work. Best wishes to all of you for another successful year. Take care.

Personal regards,
Tom McCarthy '49

Since I began receiving the HAA News Journal a few years ago, I have been impressed with each issue, the content, and the remarkable dedication of the volunteers who make it happen. Keep up the great work!! Please find enclosed a contribution to the scholarship fund.

Bill Snowden '65

To The Board Members,
What another great News Journal. Hope this year is as great as last year. Keep up the good work.

Yours truly,
Jerry Ferringer, Sr.

Reading the journal in late May refreshes me like a spring tonic!

Thank you,
Bob Wallin '53

Greetings,

I am pleased to be able to make contact with HHS alumni again this year. Please find enclosed my dues and donation. Another year has passed and thank God I am still here to keep in touch. My year has been rather uneventful but my health remains good enough to continue to be self sufficient. I have been at home for pretty much the entire year but intend to do some traveling this summer. Thanks to my daughter, we will drive and enjoy the scenery as well as the fellowship that comes with highway travel. It will include a visit to Hornell to visit with my wife who is in the Elder Care Home, and to see some old friends. I look forward to the 2011 News Journal. Sending my best wishes for a successful year.

God Bless you,
Hoxsie Crosby '49

HHS Alumni,

It seems we've missed getting the News Journal. Perhaps we haven't sent our dues. Guess we kind of got lost in the shuffle. New hip and knee joints keep us active physically—now something to pump up the mental aspects would be welcomed. It's sad to see many of our friends and classmates passing away. We do enjoy the pictures, stories, and events of "yester-year."

Best Regards,
Dewitt '45 and Esta Livermore Sherwood '46

ATTENTION ALUMNI:

If you would like to submit items for next years newsletter (eg. achievers, where are they now?, old pictures, local news of interest, etc.), please feel free to contact any Board member. We welcome and encourage your input!

Dr. Erin Murphy '01

Achiever

Dr. Erin Murphy, a 2001 graduate of Hornell High School, took part in the New Visions Health Exploration program on the Wildwood campus from 2000 to 2001. She is now a physician doing her residency at Abington Memorial Hospital in the department of obstetrics and gynecology. After graduation, Murphy attended the University of Rochester, where she earned a 3.6 grade point average and a Bachelor's degree in molecular genetics. While in college, Murphy worked as a research assistant in the department of microbiology and immunology as well as in the clinical research department in the emergency room at University of Rochester Medical Center. She went on to attend Upstate Medical University in Syracuse for her Doctor of Medicine.

Even with the demands of her career, Murphy has always made time to volunteer.

As an undergraduate, she volunteered at the Golisano Children's Hospital and at St. James Mercy Hospital. While in medical school, she volunteered at free clinics and at a local food pantry. In the spring of 2007, Murphy traveled to Costa Rica with a medical mission where she helped provide basic care and distribute pharmaceuticals to the local population. In her current residency in Abington, Pa., Murphy sees both outpatient and inpatient ob-gyn patients, holds office hours seeing uninsured patients in a clinic, operates, delivers babies, and performs examinations. Murphy also teaches medical students while they are on their ob-gyn rotation. In addition, she helped start the new Electronic Medication Reconciliation program. After her residency, Murphy hopes to obtain a fellowship further specializing in her field.

The Annual Eddie Meath All-Star Football Game

Local graduates of the 2010 State Championship Hornell Red Raiders Football Team, Austin Dwyer, Cody Recktenwald, and Isaac Spike, took time out to help kids who can't get outside and who have their life on hold. The 29th Annual Eddie Meath All-Star football game was held last July at St. John Fisher Stadium in Rochester. The three players played for the "West" side comprised of All-Star players across Section V. After a week of practice, the players and cheerleaders were able to meet the children at Golisano Children's Hospital

at Strong, the benefactor of the game.

Recktenwald wore Lance Cpl. Zachary Smith's Red Raider jersey number and Dwyer wore Dillon McCormick's Red Raider jersey number to not only signify the commitment to the motto "Once a Raider... Always a Raider" but also to show their pride & friendship for these teammates who have passed on. Chris Smith, father of Zach, told the boys that it made his day, and that he was very proud of them.

The West team took a loss to the East but the three Hornell Red Raiders had fun. They had the opportunity to play together one last time while thinking of their fallen teammates.

Hornell Grad Takes AD Job at Mass. High school

Alison Argentieri, a 1999 graduate of Hornell High School and former captain of the Boston University Women's Basketball Team, has been named the new Athletic Director at Swampscott High School. Argentieri arrived at Swampscott in 2009 by way of Millbury High School and took a position in the English department. She became the fourth AD in nearly 10 years. She is excited at the opportunity and knows

that it is going to be a challenge. There's so much more to being an athletic director today. Aside from the operational aspect of it (hiring officials, buses, handling a budget, etc.) there is a public relations aspect to it in terms of communication with the media and the town. The AD has to take a major leadership role with regards to academics and eligibility.

The YMCA is proud to be serving the local Hornell area.

They build strong families, strong kids, and strong communities, proudly!

William Bobownik '40

William Bobownik '40 was inducted into the New York Skeet Shooting Hall of Fame in 1999. His talent and dedication remain an inspiration.

William Bobownik's list of accomplishments in the world of competitive skeet shooting stretches as high as the arc of one of the clay birds he downs from the sky with near perfect efficiency. This Hornell native and graduate of the class of 1940 has made the National Skeet Shooting Association's (NSSA) All-American Team seventeen (17) consecutive years, set three world records, shot over 100,000 registered birds, and rubbed elbows with some of the most talented marksmen in the world—all after the age of seventy (70)!

Bobownik, who is 88 years young, is a World War II veteran. He was on the first troopship to depart the East Coast after war was declared. He credits a knee injury sustained during his time overseas as the tipping point that eventually shoved him in the direction of serious skeet shooting. For the last two decades, he has been a fixture on the NSSA's All-American First Teams in the Veteran and Senior Veteran Divisions. Bobownik has set the standard in his age divisions throughout his career. He broke the world record in the .410 after hitting 99 out of 100 birds. He also set the Senior Veteran world record in the four-gun total, breaking 392 out of 400 birds. Then, three years ago in Rochester, NY, he broke 198 of 200 birds with a 12-gauge to set another world record.

Hail thy honor, may it live in greatness
bringing fame unequalled to H.S.

The pride of Hornell High, we hold our own,
its name our golden rule!
Work or play, in both we've known
the progress of our school.
