WE ARE CELEBRATING OUR 26TH PUBLICATION!

May 2013

Co-President's Letter

Greetings to all of you! With the start of the New Year, we wish you good health, happiness and prosperity. And, most importantly, make sure that you remember to stay current on your Hornell Alumni Association dues.

As we start our second term as co-presidents, we would like to thank the HAA Board of Director's for their support, hard work, and commitment throughout the year. It is this group that makes all of this possible. Your Board is made up of twenty-four (24) dedicated HHS graduates. We meet once a month from September to June. We can be seen at homecoming games, sporting events, Sports Hall of Fame ceremonies, graduations, our annual banquet, and of course class reunions throughout the summer. And, let us not forget that they bring you your much anticipated publication of the HAA News Journal every May. This is a very busy group of dedicated individuals.

It looks like our struggling economy is

starting to improve. It seems that when there is a need, people rally to the cause. You, our Alumni, have continued to support our scholarship efforts with your donations. Last year, our graduating seniors received \$112,225 in scholarships and grants to help them pursue their academic goals. We would

like to thank all of you responsible..... alumni, local merchants, organizations, and community members. We are forever grateful for your contributions. Be proud that you can make a difference by helping our graduating seniors fulfill their dreams of furthering their education.

Congratulations to all of the Hornell High School Sports Teams and their coaches for a successful year. You can read more about this in the sports section of the newsletter.

We would like to cordially invite any graduate who has been out of high school for seventy (70) years or more to our HAA Banquet this June. You would be attending as our honored and special guests. Last year, we had an excellent turn out of these

very special people. If anyone is interested, please feel free to contact either one of the co-presidents.

Along with enjoying your HAA News Journal, we invite you to check us out at www.hornellalumni.org. You can view many pictures (old & new), past newsletters, reunion updates, and much more. Also, for your convenience, you can pay your annual dues and make your scholarship donation online. Please visit this site as a way to keep in touch.

Finally, we are hoping that you will join us in remembering the days gone by at our HHS Alumni Association Annual Banquet on June 29, 2013 at The Main Place (formally known as the Knights of Columbus). We will be honoring the classes of 1963 (50th) and 1988 (25th). Your reservation form is enclosed in this newsletter as well as your dues renewal card. We hope to see you there.

Always a Raider,

Robert Rosell '56

H.A.A. Endowment Fund

The Hornell Alumni Association is a recognized charitable organization under the rules and regulations of the I.R.S. The Alumni Association is a 501 (C) (3) charitable organization so that donations made to it are deductible.

Since approximately 1995, the Alumni Association hired the Steuben Trust Company to provide investment management services through a Trust Agreement for some of its excess money. The fund has grown in value

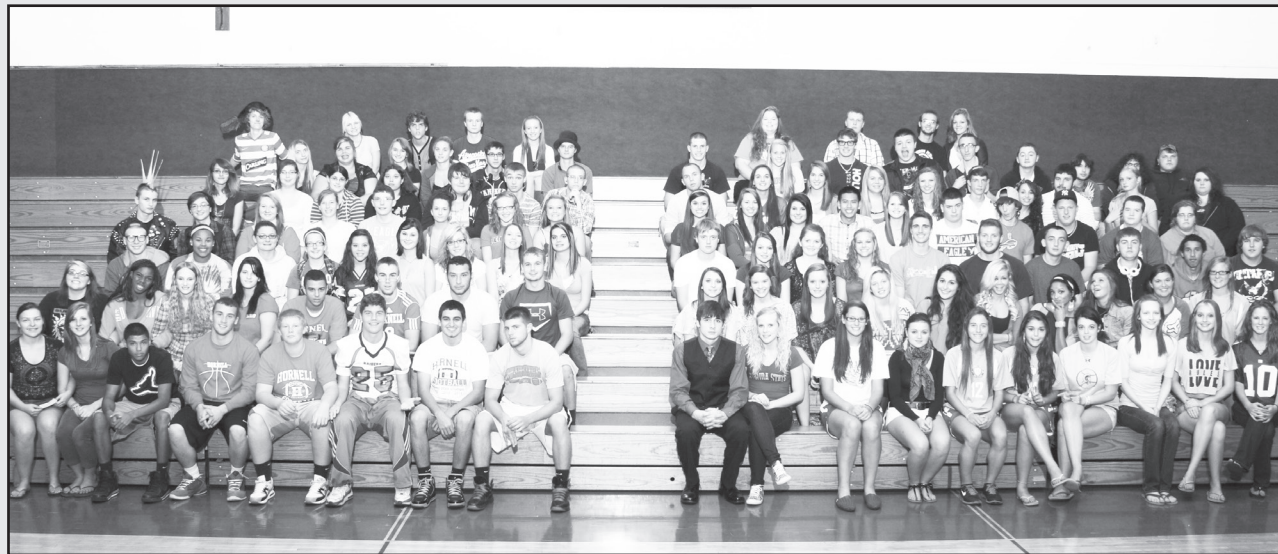

due to its diversified investments between fixed income and equity investments. Since it has grown in value, it enables the Alumni Association to grant more scholarships.

For people who want to make a deductible contribution to the Endowment Fund, make checks payable to the Hornell Alumni Association and mail to:

Congratulations, good luck, and best wishes to the HHS Class of 2013!

Please Note: The HAA memberships run on a fiscal year beginning June 1st – May 31st. Your annual dues are \$7.00/year. The membership form is located in the center of this newsletter.

Dear HHS Alumni

As I pen this article another school year is winding down. Our focus moves to the end-of-year projects and assessments, and to our seniors who will be taking their next steps beyond the walls of HHS. Their last steps here will occur across a stage on June 21st. And with any luck, nature will let us hold our Commencement Ceremony in the stadium.

This year, our academic tradition remains strong with twenty-four new members inducted into the National Honor Society, eighteen seniors achieving Honor Graduate status, and our DECA Club (Distributive Education Clubs of America) again finishing strong at the state competition. In extracurricular activities, many of you know of our students' successes in soccer, football, wrestling, swimming and basketball; and we still have one sports season

remaining! Recently, our Spring Musical, *Into the Woods* which was directed by Tim Berardi, won accolades for Meritorious Achievement in Vocal Performance to the Cast and Excellence in Musical Direction to Christopher J. van Leeuwen.

With graduation coming quickly, I want to take this opportunity to thank you for your continued generosity to our seniors. The tremendous amount of scholarship monies awarded by our alumni every year never ceases to amaze me. If the opportunity presents itself, and especially if you have not already done so, please feel free to stop by the high school to see the renovations completed in the last few years.

With much appreciation,

Tony Gill
HHS Principal

Letter from the Superintendent

I always look forward to giving my reflection of the school year to the Hornell Alumni Association. This past year was not as eventful as my first year in terms of catastrophes, but was eventful none the less. State Aid funding to our school district was reduced by approximately \$1.2 million dollars. This reduction in financial support forced difficult decisions. We reduced some of our instructional staff, eliminated some of our athletic assistants, elementary art, and modified sports. Thanks to our local taxpayers and Senator Tom O'Mara, we were able to return some of the items cut from the budget.

This year has brought significant change for our teaching and administrative staff. The new evaluation system (APPR) has heightened our administrators' involvement in classroom instruction and teachers' use of data to drive instruction. We continue to see improvements in student achievement as a result of this focus on scientifically based data. I commend both our teachers and administrators on their efforts to continue to raise the bar on student achievement and provide the best educational programs for our children.

In terms of our projections for the upcoming year, we are facing another cut in our financial support from the State. At this moment, no State budget has been approved, but our budget planning is moving forward. Thankfully, we are not anticipating any additional cuts to our educational, extracurricular, or athletic programs. With continued support from our taxpayers, we will be able to maintain current levels of educational opportunities for our children. We hope to extend additional support for our intervention services to better serve our students who are in need of improvement, as well as enrichment for our accelerated students.

I appreciate the opportunity to serve the students, staff, and community of Hornell. Please stop by and share your memories with me. Thank you for your continued support and dedication to this community.

In education,
Douglas H. Wyant, Jr.
Superintendent of Schools

40th Annual Sports Nite a Huge Success!

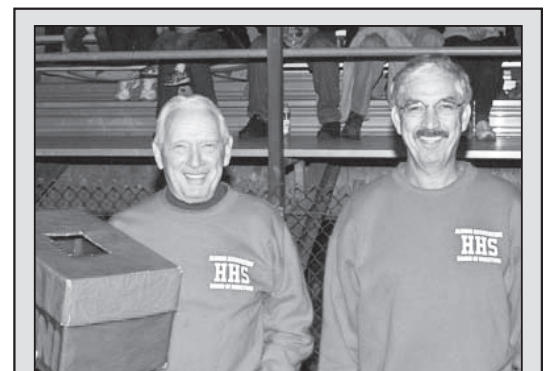

The special guests, award recipients, and family members took time out for a group photo before the Sports Night festivities began. **Kneeling:** Kristi Claire '06 and Colleen Clair '08. **Middle:** Stephanie Craig, Lynn Craig, Kim Bacon, Larry Bacon '79, and Pat LaFontaine. **Back:** Scott Craig, Fred Jackson, Dennis Deninger '69, Jim Meston, Kirk Scholes '01, Zack Bacon '13, Cecil Fielder, and Anthony Falco '84. Missing from the photo is Josie Brown.

Another successful Sports Night took place on April 13, 2013. Nearly 350 area residents attended the annual dinner and recognition banquet which was held at The Main Place (formally the K of C building). The all-star cast included current Buffalo Bill Fred Jackson, former NHL great Patrick LaFontaine, former MLB standout Cecil Fielder, and comedian Jim Meston. Also honored at the event were Hornell High School senior Zack Bacon '13 (Athlete of the Year), HHS boys varsity basketball coach Kirk Scholes '01 (Sportsman of the Year), Lynn Craig (Achievement Award recipient), and Josie Brown (Special Dedication Award recipient). Sports Nite committee chairman Anthony Falco '84 welcomed the guests and Dennis Deninger '69 was the Master of Ceremonies. A wonderful time was had by all in attendance. Proceeds from the event support the Genesee Region Special Olympians and Hornell Youth Activities.

WOW! Zack Bacon shared his four state champion rings with the audience at Sports Nite. He earned three for football (2009, 2010, and 2011 seasons) and one in wrestling (2012 season). No one in the history of the HHS sports programs has ever achieved this accomplishment. Once again, **WOW!**

The Hornell Alumni Association Board of Directors can be seen at every home football game greeting people and selling 50-50 tickets. All proceeds from this fundraiser goes to the HAA Scholarship Fund. Lou Nasca and Rick Sirianni get ready to draw a 50-50 ticket winner. A BIG thank you to everyone who supports our fundraising efforts and purchases a ticket for a chance to win.

Would you like to be a Director of the Hornell Alumni Association Board? If so, you must submit a brief letter of interest that includes your HHS graduation year, a signature, and the date. Due to resignations, there are periodic openings on the Board. We recommend and encourage any HHS graduate to mail us a request.

Congratulations on your Achievement!

How Are Scholarship Recipients Chosen?

The Hornell High School Alumni tradition strives to encourage and support life-styles that have strong work ethics, public service and academic achievement by rewarding students who exemplify these characteristics with recognition and financial assistance for their education.

A silent committee serves at the pleasure of the President of the Alumni Board. This group is always kept confidential.

It may come as a surprise, but this is truly a secret committee and never discussed. Board members don't have a clue! A meeting is called by the Superintendent of Schools and the President of the Alumni Board.

The silent committee, school officials, teachers and guidance counselors meet for the first time. Every senior is offered an opportunity to fill out an application.

The Superintendent provides a detailed resume of all students: student class ranking, financial need, student activities, desire for higher education (school choice), cost, student character, personality, and potential leadership.

All selections are final. No records leave the school and resumes of the students are returned and kept confidential.

THANK YOU NOTES FROM THE 2012 SCHOLARSHIP RECIPIENTS

Superintendent Doug Wyant is pictured with retired principal Lisa Stephens Sanford '73 (center) and former HCSSD Board member Carol Sherburne Berry '55 after the graduation ceremony last June.

Dear Alumni Association,

Words cannot express how deeply honored and thankful I feel for receiving the 2012 Alumni Association Grant in memory of Myer Spitulnik '42. The money will help me pay for a variety of college expenses this fall at Brockport. Thank you so much for this generous gift. I will always remember your kindness and generosity.

Sincerely,
Alexie Palmer

Dear Hornell Alumni Association,

It is with great appreciation that I send you this thank you note for your very generous scholarship award in the amount of \$5000.00 in memory of Mr. Michael Fucci '61. It is my plan to use this money to further my education at Canisius College in Buffalo, NY. I am very excited to begin my studies in the field of Biology and am planning to follow a pre-med track. It is a great honor that you've put your trust in me to put my best foot forward in achieving my fullest potential. I will not let the HAA down or the memory of Mr. Fucci. Thanks again.

With much appreciation,
Audrey Weyand

Members of the Alumni Association,

I would like to take this time to thank you for awarding me the Hornell Alumni Association scholarship. This scholarship will be very helpful in furthering my education in Culinary Arts. Once again, thank you for your generosity.

Sincerely,
Allison Gibbs

Thank you for the Class of 1941 Grant in memory of Karl G. Smith and the Hornell Association Scholarship. They will both come in handy in my college career. Thanks again.

Sincerely,
Emily Capluzzi

To our A-1 Hornell Alumni Association,

Another Hornell High School class has graduated. Once again, the generous support from the Hornell Alumni Association to the class of 2012 was simply amazing. As senior high principal and an HHS alumnus myself, I was honored at graduation to announce over \$112,000 in educational scholarships and memorial grants from this wonderful organization. The HAA members should be pleased and proud that this amount was generated and presented to fifty-eight (58) graduating seniors who will be pursuing college in the fall.

A sincere thanks for the vigilant efforts of HHS alumni, and specifically to the HAA Board of Directors, for all that you do each year to build opportunities for our young people. It speaks volumes for the values of our community that this level of giving is provided to assist our graduates in achieving their academic goals and aspirations.

With appreciation,
Lisa Sanford
HHS Senior High Principal (now retired)

Thank you so much for the 2012 Hornell Merchants Grant! It will help a great deal towards my college tuition. It is greatly appreciated.

Sincerely,
Cassandra Hill

Dear Alumni Association,

I am writing to thank you for the generous grant that you gave me for my success in the Wildwood education program. The money that I will receive from this grant will be put to good use with my travels back home while I am in the Navy. Again, thank you very much for selecting me.

Sincerely,
Daniel D'Apice

I would like to personally thank all of you for your kind support in awarding me a college scholarship during the graduation ceremony last June. Every dollar helps greatly. Thank you again.

Regards,
Dylan Moore

Dear Hornell Alumni Association,

Thank you for the HAA Scholarship in memory of my loving cousin, Carol Fawcett Wellington '61. The \$3000.00 is greatly appreciated. I also received an award from the Class of 1977 in honor of their 35th year reunion. These scholarships will help me with my college expenses at R.I.T.

Thanks again,
Sean Terry

Pictured are Naomi Snowden, Sarah Mulhollen, Isabel Dunning, Jackie Clark, Sadie Davis, and Pamela Cleveland Mendel (DECA advisor).

The Hornell High School had five students who represented the DECA program at the DECA State Career Conference in Rochester, New York on March 6th-8th. DECA is a national organization for marketing students. It allows students to compete in various marketing related topics and is a perfect complement to the curriculum in our Business and Marketing Classes.

The students were all seniors who competed at the state level. **Names and Events:** Naomi Snowden--Marketing Management, Isabel Dunning--Restaurant and Food Services, Sadie Davis--Food Marketing, Jackie Clark--Food Marketing, and Sarah Mulhollen--Retail Marketing. These students were guided by their advisor, Mrs. Pamela Mendel, who is a business teacher at Hornell High School. Naomi won two medals for placing in the top ten for both role plays. Isabel Dunning and Sarah Mulhollen won medals for placing in the top ten for the test for their event. There were over 1800 students participating at this conference. It was an honor to make it to this level of competition. The DECA Club received donations to help make this conference affordable. The gracious donors were HHS Student Council, HHS Class of 2013, National Junior Honor Society, The Hornell Lodge, Hornell Rebekah Lodge, Kiwanis Club, Steuben Trust Company, Hornell Association, Maple City Savings Bank, Hornell Alumni Association, Maple City Dodge, Loyal Order of Moose Club, John Dagon Attorney at Law, VFW #2250, and Hornell Rotary Club.

This was a wonderful opportunity and an excellent experience for these five students. It will help them in their future business careers.

Nancy Foreman '71 Visits Her Son Serving In The US Navy

In November, Nancy Lauterborn Foreman '71 had the privilege of meeting her son Jonathan in Jacksonville, Florida. She spent three days on the aircraft carrier USS Enterprise as it completed its final deployment and returned to Norfolk Naval Air Station in Virginia. Jonathan is an Intelligence Specialist with advanced training in Geospatial Imagery serving in the US Navy. He previously served two years at the Royal Air Force Base in Molesworth, England and a year in Bahrain, which is where he embarked on the carrier.

Jonathan Foreman '06 and his mom Nancy Lauterborn Foreman '71 spent some quality time together onboard the USS Enterprise.

The Enterprise was the first nuclear powered aircraft carrier in the world and was commissioned Nov. 25, 1961. Nancy reported that this was an absolutely amazing experience. She

was able to see all areas of the ship including the control tower & the radar room and was allowed to steer the ship from the bridge. She lived in the same quarters with the female sailors and experienced the day to day hardships that the men & women serving our nation endure every day. She was onboard with 5000 sailors and 1500 other civilians. Her "bunk" was located directly under the runway catapults and the noise level day & night was unbelievable. Nancy was able to watch an air show from the runway where the jets were landing & taking off and was given a weapons demonstration. Life on a ship is like living in a working construction site. There are no comforts.

Jonathan Foreman is a 2006 graduate of Hornell High School. He is currently living in the Norfolk area with his wife Marissa and their son Kyle. Jon works on Oceania Naval Air Base. Marissa, who is also naval intelligence, works on Little Creek Amphibious Base.

Lady Raiders Still Running Strong!

Pictured are Kathleen LaBarron Roberts '86, Pam Duryea Kelleher '83 and Karen Roselli Dagon '83 who participated in the Wineglass Half Marathon held in Corning, NY on September 30, 2012. These ladies often get together to run and compete in local races in the area. They all agree that running together keeps them motivated and connected to each other. Way to go "Sole Sisters" and congratulations!

HHS PEP Band

Members of the HHS PEP Band are pictured performing at St. Bonaventure.

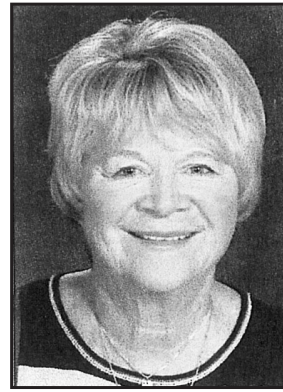

The Hornell High School PEP Band enjoyed its sixth year of existence performing at select Boys and Girls Varsity Basketball games during the 2012 – 2013 winter season. As has been the case over the past few years, the group has continued to grow with forty-five members ranging from 7th to 12th grade, as well as occasional alumni and faculty guest performers.

The group, advised by Social Studies teacher Gary Kelleher and directed by H.H.S. Band Director Ed Belin, has twenty-five songs in its repertoire including new tunes added this year such as Mortal Kombat, Raise Your Glass by Pink and Don't Stop Believin' by Journey. This year's PEP Band experienced several 'firsts' including being invited to perform at its first ever hockey game, an Elmira Jackals game on February 15th. The group also was asked to travel to the Hornell Boys Basketball team's "Class B Championship" game against Batavia at the Blue Cross Arena. This first Hornell "away" game was a source of great pride for the PEP Band as it was able to continue supporting the basketball team in a different venue during their very successful championship season!

This year the band is graduating perhaps its strongest group of seniors yet. They are Tatiana Cavalletti (flute), Catie Drake (trombone), Isabel Dunning (saxophone), Emily Shepard (melophone), Abigail Smith (flute), Quillan Speed (euphonium), Trevor Stiles (trumpet), Kody Stinson (bass guitar), and Elena Wallace (drum set). Mr. Belin and Mr. Kelleher would like to thank these talented musicians for their years of dedication to the PEP Band. Despite losing them, the PEP Band should continue to be an excellent group in the future with a number of strong upperclassmen returning next winter.

His clients commended him for treating them like family and for his ability to always make the right decision, even in times of economic crisis. In addition to his work, Cleveland was an active member of the community. For the past twenty-two years, Cleveland has organized the Maple City Kids Quarter-Mile event that is held every summer. He also coached Cinderella Softball for three years. In his retirement, Cleveland plans to travel, volunteer, and play more golf. Congratulations and best wishes to Jon as he pursues his future endeavors.

Local News of Interest • Local News of Interest

Dear Hornell Alumni Association,

On June 28, 2012, I returned to Hornell to attend my 45th year reunion. Driving down the streets brought back many memories of the days I lived in that wonderful city and the friends that I had. I put those memories in writing and would like to share them with all of you.

Sincerely,

Mary Bowles McBride '67

We Are the Class of '67

On a September morning in 1954, five year old children all over the city of Hornell and North Hornell attended their first day of kindergarten. Walking to school holding their mothers hand, they embarked on their educations. These particular five year olds would be graduating from high school in 1967.

Hornell was a wonderful place to raise children. Girls spent their days outside playing hide and seek, hop scotch, roller skating and riding bicycles. The boys had their own adventures like playing baseball, basketball and the Turkey Bowl on Thanksgiving Day. Sometimes they would hop freight trains as they went through the Erie yards. On TV there was Howdy Doody, Leave it to Beaver, Father Knows Best, The Mickey Mouse Club, and American Bandstand.

Every day at noon a whistle would blow from the Erie Railroad shops, which was our signal to go home for lunch. During the summer months, the days stretched before us and were spent at Maple City Pool where you could swim all day for a dime. After swimming in the freezing water, we would lie on the hot cement to warm up. Every August, Hornell had Shop-O-Rama Days with events in Union Park. In the fall, we would rake the leaves into huge piles by the curb and then burn them. The smell of those burning leaves lingers in my mind. On Halloween, we would wear costumes with plastic faces or our parent's old clothes. Walking to school on a cold winter morning, you would hear the sound of snow crunching under your feet. At night, you could lie in bed and listen to the trains blow their whistles as they went through town. There were mom and pop stores throughout the community where you could buy a bag of candy or a fudgesickle for a nickel.

Our early years were spent with familiar faces at Lincoln, Bryant, Irving, Columbian, North Hornell and St. Ann's Schools. Our friends were our classmates and they attended our birthday parties where we played games and had ice cream & cake. The day came that we left the familiarity of grade school to enter junior high school and become one class. We walked through Union Park on our way to school with a stop at Town Talk Bakery to buy donuts or at Harvey and Carey's for chips & soda before heading to class.

When we were in junior high school there were double sessions with high school students attending in the morning and junior high in the afternoon. A series of bomb scares were phoned in giving us days off. Unfortunately the time had to be made up and we had to

attend school until 7 pm during the winter months. These were the years we had our first crushes on fellow classmates and sometimes on teachers. We went to dances at the foxhole, had pajama parties, and just loved living in that wonderful city.

Eventually we got to high school and attended proms and suffered our first heart break. Friends would meet in the rotunda, write notes during class, and get passes to the library. At 3:33 pm, the bell rang and we were free for the day. On the way home, we would stop at Elmhurst Dairy where you could get an ice cream cone for a quarter.

There were sororities for the girls. The boys had their own club which they named the Ambassadors. The Ambassadors wore green and white jackets with nick names like Doc, Goog, and Lish. There was drinking in the cemetery and Almond Dam. We spent lots of time at the Classic where you could buy a hamburger for a quarter. We bought pizza at Angie's, hot dogs at The Texas Hot, and french fries & cokes at Woolworth's soda fountain.

In June of 1967, we graduated and felt our lives were just beginning. Little did we know we had just experienced what would be the best years of our lives. Each of us followed different paths that led us to where we are today.

Forty-five years have gone by since we were classmates and too many of the class of 1967 have died. The times that we get together are few and far between. When we do see each other at reunions, we remember those days when we all lived, loved and laughed as we roamed the halls of HHS. We remember the friends that are deceased.

Today, Hornell bears little resemblance to the place I lived as a child. The family-owned businesses that lined Main Street and Broadway are now gone. The trains heading for Chicago or New York City no longer pass through town. Union Park was at the very heart of the city and it was removed to make way for a four lane highway. What we do have are the memories of that wonderful city, and the friends who helped to make us the people we are today. If there ever was a time when life was happy and carefree, it was those years we lived together in Hornell.

~ Thank You Mary ~

Bill Pullman '71 Boosts YMCA Pool

Bill Pullman

In July of 2011, the Hornell YMCA proudly opened their new facility. Since opening, the YMCA has doubled their membership and added numerous programs to serve the greater Hornell area. The YMCA is currently raising funds to complete the full facility with plans to build a new pool at a cost of \$1.6 million dollars.

Bill Pullman '71 recently committed \$100,000 to the YMCA's pool fund. Pullman challenged the Hornell community to match his donation. This generous gift put the YMCA \$145,000 short of their goal. The organization hopes to begin building the pool this year. Pullman has

been a member of the YMCA since he was a child. As a matter of fact, this is where Bill and his siblings learned to swim. Pullman was involved in the YMCA renovation from the beginning. He donated \$100,000 to the initial fundraising in 2005. Anyone visiting Hornell should take the opportunity to visit the new Y. Everyone is welcomed and encouraged to stop in at any time.

Bill is currently playing the role of the President of The United States in the new NBC comedy "1600 Penn."

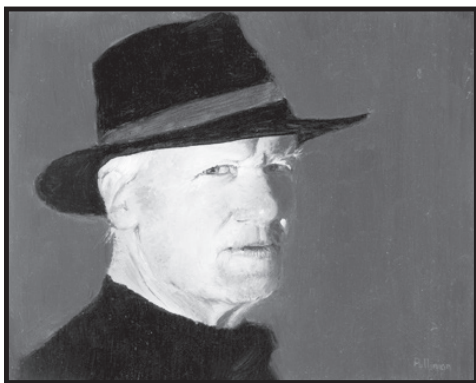

The Traveling Vietnam Wall Visits Hornell

'The Wall That Heals', a half-scale replica of the Vietnam Veterans Memorial, brought its legacy of healing and courage to the area last October. The wall's visit was sponsored by the Hornell AM-VETS. Displayed on the front lawn of the high school, it gave veterans and residents an opportunity to see the memorial in their own community. It is made up of twenty-four panels and stretches nearly 250 feet in length. Names are listed by the date of casualty. The visit was part of a traveling exhibition that included the replica wall, a traveling museum, and an information center. It was an honor to have the wall in Hornell. It was a powerful symbol for the community to see.

Jay Pullman '61 Shares Artwork

Jay Pullman: a self portrait

Jay Pullman '61, a local artist and resident of Arkport, New York, made a contribution to St. James Mercy Hospital. He loaned them a collection of prints. The prints included scenes from around Hornell including works like "Sudden Storm" and "On the Shore". They are for sale with all proceeds to be donated to the St. James Mercy Foundation. The scenes were on display in the newly renovated lobby and emergency room hallway. A former teacher, Pullman discovered painting as a passion. He draws inspiration from the natural environment of places like the Finger Lakes and the diverse region of Tuscany. Pullman said that behind each of his works lies a story that inspires the creation of that piece and helps connect the work of art with the viewer. Pullman has connections with St. James Mercy Hospital as far back as the legacy of the late Dr. James Pullman, a long-time Hornell practitioner, leading to the building of the Pullman Women's Health and Birthing Center in 2005. The hospital is grateful for the Pullman Family's support over the years as well as Jay's artwork. Please feel free to visit his website at www.pullmanpaintings.com.

Joseph Mulhollen '98 Releases New Album

Joseph Mulhollen is a 1998 graduate of Hornell High School. Growing up in a town where there wasn't much to do, he had a lot of free time on his hands and utilized it to teach himself to play music. Last June, Mulhollen released his third official album called "Problematical Animals". He previously recorded "Polar" and "From Underneath a Night Cap." On October 20th, Mulhollen performed at Alfred University. He said that it is just a really cool space and the sound quality in that room is amazing. Mulhollen attended SUNY Fredonia where he learned to produce his own music. He moved to Buffalo and toured with different bands while still releasing solo records. He finished graduate school in 2012 and began making music again. Mulhollen currently lives in Baltimore. He visits his family in Hornell two or three times a year and is thankful that the community shaped him in a positive way.

Facade Bears Zachary Smith's Name

The Zachary Smith '08 Post Office Building now bears the name of the fallen soldier on the front of its structure. At the age of nineteen, Zach died while serving in Afghanistan. In honor of the local hero, dozens of community members gathered outside of the post office for a ceremony to dedicate a sign exhibiting the late marine's name. A ceremony was held with family members and friends telling stories of the difference that Smith made in everyone's lives. In 2010, the post office only permitted a plaque inside the building's lobby. However, pressure from U.S. Representative Tom Reed and Senator Kirsten Gillibrand resulted in the reversal of the Postal Service's stance allowing the placement of the sign on the outside of the building. Many hoops had to be jumped through to gain permission to have the sign installed. The Smith family and the entire Hornell community earned a little more comfort from their loss after the installation.

Scott Carroll '99

This year, the Hornell City School District hired a new dean of students and athletic director at the high school. Scott Carroll, an HHS graduate of 1999, was offered and accepted the position last summer. He previously was the athletic director at Avoca Central School. He has revamped the code of conduct and athletic policies. Carroll believes that athletes are students' first, making education a top priority. Pictured with Scott is his wife Maureen and son, Brennan.

Stan Hill Is Officially Commissioner

Stan Hill graduated from Hornell High School in 1953. He has been involved in public works his whole life. Hill served as a plant director of school maintenance at the College of Ceramics at Alfred University. A registered Republican, Hill also worked at Foster-Wheeler and at the State Department of Transportation. The Common Council approved Hill's appointment to the Board last June. He took over for Commissioner Mike Fucci who died in February of 2012 and served as the BPW commissioner for twenty-six years. Hill hopes the city can benefit from his knowledge and expertise. His term ends January 31, 2014.

Barillo Park Rededication

While "Taps" is played, members of the Barillo family pause at the monument in Barillo Park in North Hornell last summer.

Dozens of community members, local politicians, military service members (active and retired), and family members were on hand last July for the rededication of North Hornell's Barillo Park. The Park was rededicated in honor of marine corporal Joseph W. Barillo, a 1965 graduate who was killed in action on July 6, 1967.

Rich Scavo, who co-chaired the committee that organized the rededication ceremony, listed the improvements to Barillo Park. There was the removal of a "massive tree" that blocked the view of the monument along with the installation of a brand new flag pole that proudly displays the American and MIA/POW flags. The Gazebo was newly stained. There is a plan to put up a large sign that officially notes the name of the park. Scavo credited local resident Jim Dodge for providing "the spark to get things going this year".

At the rededication, the speakers for the event were Jim Barillo, Assemblyman Phil Palmesano, and rededication committee co-chairperson Kristene Libordi.

Family Grateful for Park Rededication

The Cpl. Joseph W. Barillo Park was originally dedicated in 1976 as a bi-centennial project in memory of him. On Saturday, July 14th, a memorial gathering and rededication ceremony in honor of our brother was held in North Hornell. We, as a family, are very grateful for every aspect of that wonderful day. Much time, effort, and planning went into the event. We are thankful to everyone who was involved. A special thank you to Jim Dodge, Rich Scavo, and Kristene Libordi who worked tirelessly, implemented every last detail, and exhibited a loving dedication to the project. Mere words are inadequate. Thanks are also due to The Evening Tribune for their seemingly unprecedented front page coverage prior to and following the occasion.

The improvements to the park itself are a true testimonial to the spirit of the village. And, of course, mention must be made of the people who attended. We were overwhelmed by the turnout of village and city residents. The day was filled with gratifying recognition for Joe. Two purple hearts, the Bronze Star, the Vietnamese Citation for Gallantry, and the Navy Commendation Medal eloquently speak of his acts of heroism. A letter from Cliff Barnett...whose life Joe saved twice...underscore a personal portrait of the young man who did not live to celebrate his 21st birthday.

Our family is forever grateful for the spectacular memorial that allowed us and others to celebrate Joe's life, take note of his accomplishments, and give recognition to the heroic sacrifices that both casualties and survivors of the Vietnam War deserve.

Thank you so much,
Jim & Judy Barillo, Mike & Ann Marie Barillo, and Tim & Mary Ellen Barillo Nisbet

Jim Dagon '71 Reaches the 50,000 Milestone!

Jimmy Dagon, along with his family and friends, gather to celebrate his 50,000th milestone run.

Jimmy Dagon, an HHS graduate of 1971 and owner of Dagon Funeral Home, accomplished a major milestone in his running career this past year when he reached the 50,000 mile mark. Dagon began running in 1978—more than thirty-three years ago—at the old YMCA track, whose circumference takes twenty-nine laps to equal one mile. At the age of twenty-five, Dagon joined the 'Y' and fell in love with running. He has run four marathons (26.2 miles each) over the years. He also ran thirty miles on his 30th birthday and fifty miles on his 50th birthday. In 1979, Dagon began documenting every mile that he ran. He still has in his possession every book in which his mileage was recorded. On August 18th, Dagon ran the 50,000th mile with his wife, daughters, and grandchildren.

Pictured before taking their limo ride to Rochester are (l. to r.) Troy Denning II '14, Troy Denning, Noah Denning, Kelly Davis Denning '84, and Mick Foley.

The wrestling star, Mick Foley, appeared in the Maple City last April. He was a guest speaker at the 39th Annual Sports Night Festivities. That evening, Foley made a connection with Noah Denning, 13, of Hornell that went far beyond the brief meet-and-greet. Though Denning was born with Down Syndrome, he has been an active member of the Challenger Little League Team for the past six years. He also enjoys football, swimming, and basketball. However, Noah's greatest passion is professional wrestling. Denning's love of sports is what led him to his selection for the 2012 Achievement Award presented by the Sports Night Committee.

That night, Mick Foley and Noah Denning shared a few moments together. "Everyone was kind to Noah, but Mick Foley was super kind because of the interest Noah held," recalled Noah's mother, Kelly Denning. Mick Foley had read Noah's biography and discovered that his dream was to one

day attend a professional wrestling match and meet other professional wrestlers. Foley made a promise to Noah to make his dream come true.

Less than a month later, Foley made plans to take the Denning family to the Blue Cross Arena in Rochester, NY where the WWE Raw World Tour was being held. Foley had driven to Hornell from Long Island to greet the family. They rode to Rochester in a beautiful limousine, courtesy of Anthony Falco. After the group arrived at the arena, Foley took Noah and the Denning family backstage. All of them spent more than an hour meeting and talking with every wrestler. "Later, Mick Foley announced to the audience that he had met Noah at Sports Night and had taken him backstage to meet everybody," Kelly said. "He pointed Noah out to everyone in attendance. It was very cool. He kind of made it all about Noah for the night."

It goes to show that dreams do come true.

Swimming For Veterans

HHS alumni Joseph Day, who served as a marine corporal, swam all eleven Finger Lakes to raise money and awareness for OASIS Adaptive Sports, a non-profit organization that connects disabled veterans with athletics. Day swam the widest part of each lake, starting with Honeyoye Lake, followed by Hemlock, Canadice and Conesus Lakes. He finished his 11-lake swim on Seneca Lake last August. "I just wanted to challenge myself and show that veterans can overcome anything," Day said. OASIS president Bob Hoover said the organization aims to help veterans overcome psychological and physical injuries. He referred to Day as a true role model.

RICH HARRIS '00

Rich Harris Jr. opened Stomping Grounds, a gaming and hobby shop.

Rich Harris '00 opened a gaming and hobby shop at 181 Seneca Street, Suite 3, called Stomping Grounds. The facility features six gaming tables and four computers. Also available are items like t-shirts, board games, and comics that are for sale. For \$10, an all day pass can be purchased for kids to play any game they choose. A computer can be used for \$5 an hour. Harris opened the shop due to his passion for the gaming and hobby industry. He wanted kids in the Hornell area to have the opportunity to be with friends. Harris felt that the four to six straight hours of gaming required by games like World of War Craft is not feasible for kids at their homes. Computers in homes typically have multiple users. A child's family is not likely to allow their kid to use the computer for such a long time.

Harris is a lifelong Hornell resident. He said that the support from his wife, parents, and best friend enabled him to open the shop. He hopes that it will bring many Hornell residents together to have a true gaming experience.

Brendan Kraft Assists Refugees

Brendan Kraft made the decision to volunteer to aid tens of thousands of needy refugees in Gendrassa, located in South Sudan. Kraft utilized his U.S. Army corporal experience to serve as a water and sanitary health specialist. He supported the team's construction crew for Team Rubicon, a nonprofit organization that concentrates on the skills of military veterans for humanitarian disasters. The refugees came from the Blue Nile state, a remote rebel-held area of Sudan that lost the newly independent territory of South Sudan. They were in great need of assistance. Kraft's army experience helped him in setting aside the horror and sadness present in South Sudan and to focus on making a difference for the suffering refugees. Kraft spent a month and a half in South Sudan. He hopes his efforts made a difference for the people he assisted.

Eagle Scout Recognition

Sam Pollinger '15 recently earned his distinction as a Boy Scouts of America Eagle Scout. Pollinger had his Court of Honor this past April at the Hornell American Legion. He is a member of Boy Scout Troop 1009 of Hornell. Pollinger is the son of Heinz '80 & Wendy Lecceardone Pollinger '85 and the grandson of Jean and Rich Pollinger, all of Hornell.

The evening was filled with lots of stories, memories, and laughs. Everyone enjoyed the delicious treats made by our own fellow classmate, Johnny Carbone. The night was also accompanied by great music, featuring the sounds of "Anton & Dominic." Each attendant was given a monogrammed wine glass as a token to remember their 35th reunion celebration.

Saturday evening, classmates attended the HAA banquet at The Main Place (formally known as the K of C). Again, their bellies were filled with delicious food by Johnny Carbone and dancing to the sounds of "DJ Jimmy." The only disappointment was knowing it will be another five years before our next gathering. A special surprise guest for the weekend was Mia Nilsson Jonhagen from Sweden. Mia was the foreign exchange student during the 1976-1977 school year. It was great seeing and visiting with her again.

A BIG thank you to members of the class of 1977 who donated to our scholarship fund. We were able to award \$300 to the following 2012 graduates: Sean Terry, Megan Brott, Matt Willsey, Jared Raish, and Kevin Griffen. Congratulations and best wishes to all of you.

Class of 1992 ~ 20th

Members of the class of 1992 celebrated their 20th reunion on July 7, 2012 at the Hornell Golf Club. There was a great turn-out which included eighty (80) classmates and guests. Those in attendance enjoyed a happy-hour as well as a terrific dinner. The evening continued on as classmates continued to chat at the Southside Tavern. It feels as if we picked up right where we left off twenty years ago! It was wonderful for classmates to get-together, meet families and exchange how much our lives have changed (and in some cases not changed) since high school. On Sunday, many of us participated in the annual Larry Gleason Memorial Golf Tournament which means so much to our graduating class as well as to the community. We are looking forward to planning our next reunion and hope to have an even better turn-out for our 25th!

Class of 2002 ~ 10th

The Hornell High School Class of 2002 held their 10 year reunion on July 14, 2012. It was held at the Hornell American Legion. We all enjoyed cocktails, dinner, and a DJ. Everyone had a wonderful time. Classmates enjoyed catching up with each other as some of us had not seen one another since graduation. Although we were hoping for a larger turn-out, approximately forty-five classmates, spouses, and significant others attended. Following our get-together, many of us continued to enjoy the evening at Eddie's #1 Club in Hornell. We are looking forward to planning our next reunion.

Taking time out for a group photo are Jason Lockwood, Michael Maxson, Ryan Flaitz, Robert Roser, Erik Blades and Kevin Rollins.

A Road Trip to Albany

Nineteen Hornell City School District students left for Albany on Wednesday, December 5th to be a part of the Educate NY Now Express Tour. The goal of these students was to speak out for changes in state education funding and policies. Senior High School principal Anthony Gill, Superintendent Doug Wyant, and Senior High School business teacher Toni Nasca joined the students for a rally in front of the State Capitol. Students voiced their concerns about the budget cuts threatening extracurricular activities. The trip to Albany was part of a statewide tour involving about 700 students, administrators, and parents.

Robert "Bob" Dwyer '53: My Memories

~ The following memoir focuses on the places, ships, and Hornell alumni that I met during the Korean and Cold War. ~

In the spring of 1953, Bob "Coots" Congelli and I enlisted in the Navy. After graduation that June and following boot camp in Bainbridge, Maryland, we were both sent to Little Creek, Virginia to the Naval Amphibious Base. We eventually ended up in the same amphibian flag unit where we were both trained to be navy signalmen.

The first ship we were assigned to was the U.S.S. Saratoga A.P.A. After requesting permission to come aboard, I looked at a sailor standing there. It was Jake Flaitz from Hornell. That was the beginning of Coots and I crossing paths with several people from our hometown. The Flag was made up of signalmen, radiomen, and yeomen. Our job was to put on operations for a number of ships. In short, we moved around a lot. Wherever the Commodore went, we would go.

The second ship we boarded was the U.S.S. Randall A.P.A. 224. I recall one specific day while at work on the signal bridge. There was a Marine Lt. who looked familiar and was trying to send out a message. After taking a second look, I asked him if he was Tommy King from Hornell. Sure enough...he was. Following our exercises, Coots, Tom, and I went on liberty in St. Thomas, Virgin Islands. The three of us remained together for nearly two years until the "Flag" broke up.

In 1955, the Cold War started. After coming home on leave, I had new orders for the U.S.S. Arneb. It was headed for Baffin Island for the early warning radar cruise (Russia). The Arneb was Vice Admiral Byrd's flagship which had an icebreaker bow. We also had both the Coast Guard's icebreakers, the East Wind and the West Wind with us. I lost track of Coots after my tour in Baffin Islands.

Then, I had T.A. Duty at the signal tower in Little Creek, Virginia where I ran into Denny Cullen and Walt Ball, both from Hornell. In addition, I found out that Bob Lindeman, a Hornell native, was at the tower at N.A.S., Norfolk, Virginia. Bob was an ex-aircraft carrier jet pilot and was working as a controller at the tower. I remember calling him to get 'hops' (airplane rides) to Washington for different guys.

Back out to sea, I remember leaving the signal bridge for lunch and saw a line of Marines still waiting for breakfast. As I was looking down the line, I recognized one of the guys, Jerry Canty, yet another friend from Hornell.

On a different trip to the Mediterranean, our ship docked in Naples, Italy. Next to us, I saw a diesel submarine #312, the U.S.S. Burfish. One of my buddies, Gary Valentine, was assigned to that sub so I signaled over and asked one of the guys aboard if they had a cook named Valentine. The signalman responded A.S. (wait)! A few minutes later, Gary stuck his head up - I couldn't believe it. I later met him at fleet landing which is where servicemen meet when going on liberty. Our first stop was an enlisted men's club where they were serving champagne for \$1 per bottle. We had a great time together.....I think!

The THUBAN was the eighth and final ship that I sailed. Once again, I met up with two more Hornellians, Bill Bartlett and his brother Dave. During that timeframe, I purchased a 1950 Studebaker. When we were in port, we would head to Hornell for the weekend. We were known as 'the weekend warriors'. We would see a variety of service personnel hitching a ride home. We picked up guys like Andy Mazzella, Sonny DeSanto, Augie Ciancaglini, and Jimmy Argentieri. I remember taking Bill Reville to Washington on our way back from a weekend home as well as Tom Raish and Dick O'Rourke.

I believe one of my most memorable meetings was after being discharged when I was heading for my car at the Naval Operations Base in Norfolk, Virginia. There was a sailor walking towards me. When we met face to face, I was looking at Joe Reville. I asked Joe where he was going and he said "to chow." He then asked me where I was headed. I replied... "HOME."

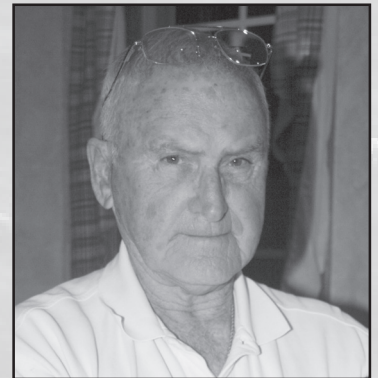

Throughout my travels in the Navy, I ran into numerous folks from Hornell. It truly is a small world, isn't it?!

DAVID SHEPARD Class of 1992

David Shepard was a three-sport standout at Hornell High School but baseball was his calling. A three-year letter winner, Shepard's career really got going his junior year. He continued to build on that momentum as a senior, going 12-0 with 124 strikeouts and a 1.70 ERA. Shepard also batted .377 and was the co-MVP of the Sullivan Trail League. He finished his career with a 16-3 record, including two no-hitters. After a sectional finals berth his junior year, he led Hornell to the Section V, Class AA title as a senior. He went on to go 22-4 for Mansfield University. Shepard transferred to Clemson University in 1996 where he participated in the College World Series. He later played for the farm teams of the New York Yankees and Cincinnati Reds. Shepard currently lives in Bradenton, FL where he is a coaching and pitching instructor at IMG Academy.

Class of 2001

Anthony Pollizi competed in football, track, wrestling, and baseball during a storied athletics career making the biggest impact on the gridiron. Pollizi became the Red Raiders starting running back midway through his sophomore year, helping Hornell to three straight Section V, Class B titles from 1998-2000. He finished his career with 3,883 yards including 1,704 as a senior, both then school records. His career total is still the 14th best in Section V history. A very durable back, Pollizi ran over thirty times in ten games during his career, including forty-four attempts in a sectional semifinal win over HF-L. A First Team All-State selection as a senior, Pollizi played one year at Alfred University before joining the Navy.

TOM LAVERDE

Tom LaVerde excelled at both football and indoor & outdoor track during his time in a Red Raider uniform. As a senior, he was a First Team All-Livingston County selection after finishing with 22 catches for 674 yards and 13 touchdowns on the gridiron. In indoor track, LaVerde was a sectional champion in both the 55 meter dash (96.46 seconds) and the 300 meter dash (936.11 seconds). He still holds the school records. In outdoor track, LaVerde won Section V titles in the 100 (910.6) and 200 (922.0) meters. He finished second in the 200 meters at the state meet. LaVerde was the MVP at the Hornell Invitational and was a Livingston County League champion. He is currently a deputy sheriff in Lincolnton, NC.

As a senior, he rushed for 1,447 yards and 19 touchdowns, averaging 7.3 a carry. His football honors include a Section V Player of the Year Award, an All-State Second Team selection, and a selection to the Eddie Meath All-Star game. On the hardwood, Lockwood was a Spectator Great 8 selection and Livingston County All-Star as a junior and a senior. On the golf course, Lockwood won the Livingston County championship his senior year after placing 2nd as a freshman, sophomore and junior. He qualified for the state tournament his senior year. Lockwood played basketball and golf at Roberts Wesleyan College. He currently teaches high school math at Myers Park High School in Charlotte, NC, where he coaches the boys and girls golf teams.

Robert Kubiak '01

D'Youville College held its 54th Annual Honors Convocation on March 6th, 2013. Robert W. Kubiak II, who graduated from HHS in 2001, was this year's recipient of the Lee Conroy Higgins Award. This award is the highest student recognition award given by the D'Youville Alumni. It is presented to a student who has demonstrated outstanding concern for fellow students and involvement in campus activities. Kubiak, a former US Army Ranger combat medic, was recognized as an officer in D'Youville's Student Veterans of America Chapter and for volunteering through the local city mission to assist shut-in and homeless veterans with the Laps for Limbs event. He was also honored for his many unpaid hours tutoring other veterans. For the fourth consecutive year, Kubiak was named to the dean's list having earned a 3.9 GPA or higher. He was inducted into the 2013 Who's Who Among Students in American Colleges and Universities.

Over 800 guests attended the Honors Convention! Congratulations to Robert Kubiak on receiving these awards and acknowledgements.

It's Never Too Late!

For more information,

www.sandr bruney.com

Sandy Zimmerman Bruney '56 proved that it is never too late to achieve a lifelong dream. While still in high school, she was encouraged to write but never found the time. Being a working wife and mother took precedence.

In 2003, following a year-long bout with breast cancer, Sandy wrote a journal called "I'd Rather Go to California". The title refers to the number of miles traveled to and from chemo & radiation treatments. Many women have told Sandy that the book helped them cope with their own and/or a family member's cancer by de-mystifying the experience. Sandy found little time to write again until she retired from the workforce.

In 2010, she found a publisher for her novel "Angels Unaware". The main character in the book is Kat. She has breast cancer but her husband is not supportive. He leaves her to face her ordeal alone. Kat finds comfort in her 'angels' who are the new friends that

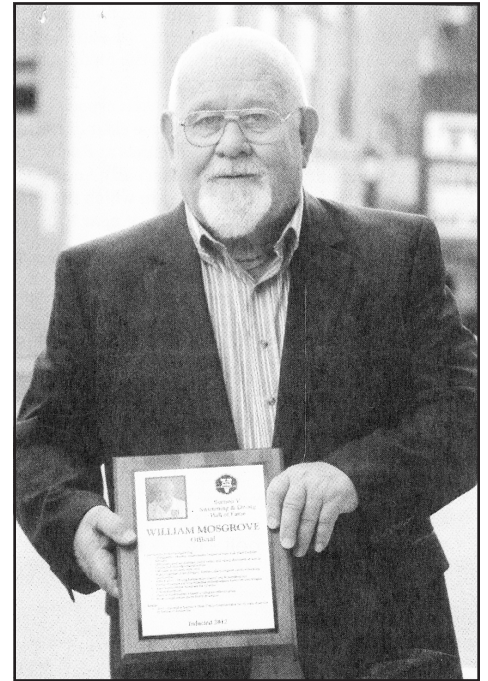

she meets. They help her grow mentally and spiritually. Eventually, Kat starts a new and independent life.

"The Lunch Club" followed in 2012. Four casual friends find their friendship deepen as they help each other face the problems that inevitably come with the so-called Golden Years. They discover that new love is possible after a loss. Love under stress can be renewed. "The Almost Bride", also published in 2012, brings sisters Lily and Jill together again after a fifteen-year silence. Can Lily forgive Jill for stealing the man she loves? Or will she realize that Paul isn't worthy of the love of either sister?

In 2011, Sandy collaborated with Elbert Marshall in writing the psychological thriller, "Plotz". The story asks, "When is a murder NOT a murder?" as a conscienceless writer leaves two women facing charges after they fake his death. The book is published under the pen name Marshall Bruney. Sandy has completed another manuscript and is seeking representation while working on her next project which is a historical romance.

Sandy feels that God gave her a wake-up call and is grateful for the time she now has to pursue a dream that she deferred so long ago. All of her books are available in print or e-book format at www.amazon.com and www.barnesandnoble.com.

Congratulations Bill Mosgrove '56

Bill Mosgrove graduated from HHS in 1956. He earned sixteen letters as an athlete in high school where he participated in football, baseball, swimming, wrestling, and track & field. Mosgrove was inducted into the Hornell Alumni Association Sports Hall of Fame in the year 2000. His most recent achievement was being inducted into the Section V Swimming & Diving Hall of Fame this past summer. He was inducted after more than fifty (50) years of service officiating high school swimming & diving events for Section V. Mosgrove spent thirty-five years coaching and teaching physical education for grades K-12 at Belmont Central School. He also served as the Athletic Director. As a coach, Mosgrove won three Section V titles in baseball, and also coached wrestling, soccer, tennis, and bowling. Mosgrove is currently the head of lifeguards at Rushford Lake.

On behalf of the Hornell Alumni Association, we would like to congratulate Bill Mosgrove on his induction and award.

We Need Your Help!

Dear HHS Alumni,

My name is Christopher van Leeuwen. I am the Director of Vocal Music at Hornell High School. Below please find a list of the past high school musical productions that we currently have on file. My department is having problems finalizing this list as well as finding mistakes. Also, there are no records available to allow us to go back further than the year 1959. I was wondering if anyone affiliated with the Hornell Alumni Association and/or any past HHS graduate could help us put together a complete list of musical productions. Our department would appreciate any assistance from you. If you have any questions or can provide us with any information, please feel free to email me at: chris.van.leeuwen@hornellcsd.org. Thank you, in advance.

With much appreciation,
Chris van Leeuwen

Phil Snowden '05: From Hornell to Music City

Phil Snowden graduated from Hornell High School in 2005. He moved to Nashville at the age nineteen to pursue a music career. Now, seven years later, he has made it to a solid place in the music business. The twenty-six year old bass player spent last August touring with pop star and Backstreet Boy, Nick Carter. He also played bass in the hit single "All Things Possible" by contemporary christian artist Mark Schultz. Phil admitted that moving to Nashville at such a young age

was a "leap of faith". However, his parents Mike and Susie Snowden along with others from Hornell, were very supportive and instrumental in his success.

Greg Connors '88 and Gene Mastin Honored

Gene Mastin and Greg Connors

Greg Connors, a Hornell High School graduate of 1988 and former member of Gene Mastin's undefeated 1987 squad, was enshrined in the Section V Football Hall of Fame in April of 2012. Connors was honored as a contributing member. Mastin was also inducted into the Hall of Fame that evening as the coach with the most wins in Section V history, finishing his career with a record of 221-56-3. Connors stated that it was such an honor to be with Gene on this very special night. When he heard that Gene was being inducted, Connors made a special request to Dick Cerrone to be the one who presented his award. Coach Mastin had made a huge impact on his life. Congratulations to both of you on a job well done.

Congratulations to Leonard "Lenny" Caruso '63

Lenny Caruso '63, a longtime Hornell baseball coach, was inducted into the Section V Baseball Hall of Fame last June. The ceremony took place at Frontier Field in Rochester, NY. In high school, Caruso played basketball and baseball for the Hornell Red Raiders, and later at Alfred State College and RIT. His playing days included a sectional title on the diamond in 1960. However, his greatest contribution to the Maple City would come during a 28-year coaching career from 1971-1998. Caruso's teams piled up 346 wins, capturing Sullivan Trail league titles in 1977, 1981, 1982, 1991, and 1992. Hornell also won three Section V titles under his guidance. Congratulations to Lenny Caruso on his induction into the Baseball Hall of Fame.

WAY TO GO, RED RAIDERS!

Spring 2012

BASEBALL

The 'Red Raider Diamond-Men' finished the season with an overall record of 10-5. The Raiders earned Livingston County Co-Champions with a 7-1 league record. First team all stars included seniors Dominic Scavo (BA .367), Tylor Ormsby (BA .378), Rich Kubiak (BA .367), and junior Rich Harkenrider (BA .311, pitching record 5-0). Other seniors included Zack Poorman, Dan D'Apice, Cullen Davis, and Bryan Frost. The coaching staff would like to wish the seniors the very best in their future endeavors.

SOFTBALL

Although the 2012 Hornell Girls Softball Team struggled with a regular season record of four wins and fifteen losses, they finished the year strong with an opening round sectional win against Newark and a 2nd round win over #1 seed Charlotte. The team lost to Aquinas in the sectional semi-finals. First year coach Mick Carretto and his assistant Eric Jones were very proud of the girls. The following senior starters graduated in June of 2012: Danielle Richardson, Julia Henby, Emily Kerr, Grace Cardamone, Brittany Wheeler, Sara Mikolajczyk, and Ali Yanni.

BOYS TRACK

The Hornell Boys Track and Field Team had a strong 2012 spring campaign. This year's squad was led by the throwers in the field who consistently swept dual meets. They took the top three places, excelling against top competitors at Invitational's and the LCAA League Championships. They took three of the top six spots in the Shot Put and four of the top five places in the Discus Throw at the Section V, Class B Championships. Zach Bacon and Dustin Johnson led the way in the shot, followed by Pat Deebes, Andrew Smilinich, and Ryan Nichols. In the Discus, it was Bacon and Ryan Nichols at the top, with Johnson, Smilinich, and Deebes close behind. Also from the field, sophomore Luke Morgan soared in the Pole Vault.

On the track, a squad of underclassman led the way: James Cipriano and Andy Cappadonia in the sprints, Trevor Stiles in the mid-distance events, and a squad of young distance runners including Wade Cone, Jacob Kramer, and Jake Walsh. All of them combined to keep the team competitive in every meet. And freshman Nate Marino took on the challenge of the Pentathlon and proved that he will be a factor for many seasons.

The team's overall 1-4 record does

not reflect the tremendous growth and improvement made throughout the season by these young men. Indicative of this improvement were the relay teams. All three relays struggled early in the spring but came together at the end of the season. The 400 Meter Relay of Cipriano, Cappadonia, Morey, and Bacon placed 3rd at the LCAA Championship meet. The 1600 Meter and 3200 Meter Relays both finished in the medals by taking 5th. The nucleus of this team will return in 2013 which should be an even stronger year for the Red Raiders.

GIRLS TRACK

The Girls Track and Field Team had another successful spring against some tough competition. Even though the regular season record was 2-3, the girls won the team championships at the Hornell Invitational and Wellsville Spring Day. They placed third in Sectionals. The team was led by league All-Stars Jocelyn Acor (who was also track MVP at Sectionals), Colleen Smith, Gabrielle Macool, and Mackenzie McNelis. Mackenzie retained her title as Sectional 1500 meter champion. Jocelyn was the 100 and 200 meter champion. These four All-Stars also teamed as the champions in the 400 relay. In addition to her multiple season awards, Jocelyn broke the long-standing sectional record in the 100, held since the 1980's by her aunt, Okeena Gadson. Jocelyn capped her season with her third consecutive trip to the State Meet. Bolstered by an infusion of young talent, the team looks forward to a great 2013 campaign.

TENNIS

The Tennis Team had an overall record 8-4 which gave them a 2nd place finish in Division I. Results for County Tournament are as follows: Singles--Dario Bogojevic (2nd place) and Doubles--Jimmy Dagon and Ryan Gaffney (2nd place). Returning starters for 2013 season include Evan Hilfiger, Gage Harrison, Jimmy Dagon, Elliott Flint, and Kerrigan Lisi.

GOLF

The young Varsity Golf Team under the direction of head coach Amy Feeley Clark had a strong showing in Section V last season. The team was blessed to have mild weather during the month of March to practice at Twin Hickory Golf Course. However, due to a mid-April snowfall, matches resumed on April 25th until May 16th. Senior standout Kevin Griffin '12 along with Nicholas Burdett '13, Matthew Smith '13, Jake Lawrence '13, Michael Guarglia '14, Adam Lindeman '15, and Brandon Vosburg '15 contributed to a 5-4 overall winning record. Kevin Griffin

qualified for the LCCA County Tournament hosted at Woodlynn Hills Golf Course in Nunda, New York.

In addition to their home course at Twin Hickory in Hornell, the players enjoyed traveling to Old Hickory Golf Course (home course for Livonia), Conesus Golf Course (home course for Wayland-Cohocton), Wellsville Country Club (home course for Wellsville) as well as the Bath Country Club (home course for Bath).

Fall 2012

Dear Alumni, Fans, and Supporters of Hornell Football,

I would like to express my sincere thanks to the Hornell community and our devoted alumni across the country for all of the support we have received this season. It was an honor to represent a school and community that always stands behind us. The team, coaching staff, and I appreciate this support, especially the kind and thoughtful words after our recent loss in the state championship game. A special thank you to the individuals, businesses, and organizations that helped support us financially when we made the trip to Syracuse.

We have always tried to be a source of pride for the Hornell community and school district. I hope everyone knows that while this town loves its football team, the team also loves its hometown. Thank you again for all of your support. It is truly appreciated.

Sincerely,

Erik Werner

HHS Head Football Coach

FOOTBALL

This season, the Red Raider Football Team won its 12th Section V championship, defeating LeRoy by a score of 21 - 7. They

went on to reach the NYS Championship game, defeating Cleveland Hill and Chenago Forks, to finish the 2012 season at 12 - 1. Along the way, the Raiders set a new Section V record for consecutive victories with 51. This is also the longest win streak in NYS since the beginning of the state playoffs. Zack Bacon, Brendan Buisch, and Richie Harkenrider earned All-State recognition, with Bacon and Buisch also being selected to the All-Greater Rochester team. Richie Harkenrider set new school records for passing yards (1,584) and passing TD (24).

BOYS SOCCER

The Boys Soccer Team finished with an overall record of 10-3-2. They took 2nd place in Livingston County Division I. There were three players chosen for the 1st Team All-Stars for Livingston County. They are Mike Mauro, Richard Brooks, and Jimmy Dagon. This was the 2nd straight year for Mike Mauro. Dagon, Jason Pierce, and David Kimball were chosen to play in the Exceptional Senior Contest. Dagon finished his high school career with thirty (30) shutouts. That ranks him in the Section V Record Books. The team was led in goals by Richard Brooks and Matt Kays. Nick Picco led the team in assists.

GIRLS SOCCER

The Hornell Varsity Soccer Team enjoys one of many wins last season.

GIRLS SOCCER

The girls varsity soccer team finished the 2012 season with a record of 16-3-1. The team made their third consecutive appearance in the Sectional finals after a thrilling 3-2 come-from-behind victory against Livonia in the semi-finals. Jocelyn Acor led Section V in scoring with 85 points and in goals (34). She was named to the All Great Rochester 2nd Team and New York State Class B All State 2nd Team. Colleen Smith added 15 goals and 6 assists, while Emily Wolf chipped in 4 goals and 13 assists. Livingston County Division I All-Stars were

Jocelyn Acor at Forward, Colleen Smith in the Midfield and Allison Henby and Emily Wolf on Defense. The team will graduate 7 seniors, including Colleen Smith, Kerrigian Lisi and Nichole Smith who were named to the LCAA Exceptional Senior Team.

CROSS COUNTRY

Hornell Cross Country had many highlights in 2012. For the first time in several years, we fielded a full boys modified team. Josh Walsh led the modified boys, losing only once during the regular season. He placed 1st in the end-of-season modified league invitational at the conclusion of the season. The future looks bright for the boys.

The varsity girls were led by Mariah Smith who was among the top finishers in every race she ran. Unfortunately, her season was cut short by a foot injury. Nonetheless, Mariah earned LCAA-GRAA Division All-Star status based on her merits throughout the season. Injuries hurt the girls and they had to forfeit many meets as an incomplete squad.

The varsity boys finished the regular season 11-10. The end of the season was the high point for Jake Kramer and Wade Cone. Jake (5th) and Wade (7th) earned outright LCAA-GRAA Division All-Star status in the league championship meet. Wade (5th) and Jake (8th) continued their torrid finish by earning Class C patches at Sectionals. This was the first time in many years that two Red Raiders earned this distinction. The team bids a fond farewell to seniors Jake Walsh and Gabrielle Macool. They look forward to a successful 2013 season.

VOLLEYBALL

Congratulations are in order! To the Girls Volleyball Team on a hard fought season in the wake of a large graduating class, and to Jackie Clark & Elena Wallace for being selected to the senior All-Star Team. Also, Jackie Clark was selected to the First Team LCAA DI All-Star. Great season, ladies!

GIRLS SWIMMING AND DIVING

What an exciting year. The Lady Raiders finished the regular season with five wins

against three losses. Of the 5 wins, 3 were decided by the last relay. At the LCAA Championship Meet, the girls finished 3rd and took a 6th place finish at the Class "C" Section V Championships. This years team was led by Co-Captains Aran Kilcoyne, Liz Krisher and Morgan Lomax.

At sectionals, Liz Krisher placed 5th in diving. Morgan Lomax finished 5th in the 100 free and 2nd in the 100 breast. The 200 free relay team of Aran Kilcoyne, Ashlin Doorley, Isabella Slocum, and Morgan Lomax took 3rd while the 400 free relay team of Aran Kilcoyne, Chloey Kellogg, Isabella Slocum, and Morgan Lomax finished 5th.

This year the Hornell Lady Raiders took thirteen athletes to sectionals and among them was one 7th grader (Zoey Kays), and three 8th graders (Aleah Libordi, Natalie Marino and Isabella Slocum). Great job, Lady Raiders.

CHEERLEADING

Hornell Varsity Cheerleaders finished out their Fall Cheer season with three first place finishes @ the R.I.T Empire Cheer Tournament, Hilton High School Competition, and Honeoye Falls Lima Cheer-Challenge. The team placed 3rd at The Livingston County Tournament and 3rd @ Sectionals. Our team was made up of students in grades 8th through 12th. Our captains were Morgan Tobin '13 and Jessica Loper '13. We had a record breaking number of seniors on the team totaling thirteen girls!!! Good luck and best wishes to all of them. May your future endeavors be successful. I hope that you will always remember: "Together We Stand.....We Work as a Team" with a smile when looking back on your high school years!!!

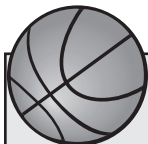

Winter 2012-13

BOYS BASKETBALL

The Red Raiders won their first championship since 1988 this year. The twenty-five year drought was ended with a victory over Wellsville in the Sectional Final Game at the Blue Cross Arena in Rochester, NY. The Raiders finished with a 16-2 regular season record. They won the Livingston County Division I with an 8-0 record for the second consecutive year. The team finished the year at 19-3 and had their season ended by a tough Batavia team. This year's squad had great senior leadership with five returning seniors. Leading the way were captains Julian Reinhart, Jimmy Dagon, and Brendan Buisch. The team was known for sharing the ball on offense and their stingy man to man

defense. The team had great chemistry and put in a lot of time in the offseason. The coaching staff included Kirk Scholes, Mike Wilkinson, Ryan Flaitz, and Chris Koehler. The future looks bright for Hornell basketball with four returners and a very solid JV team coming up!

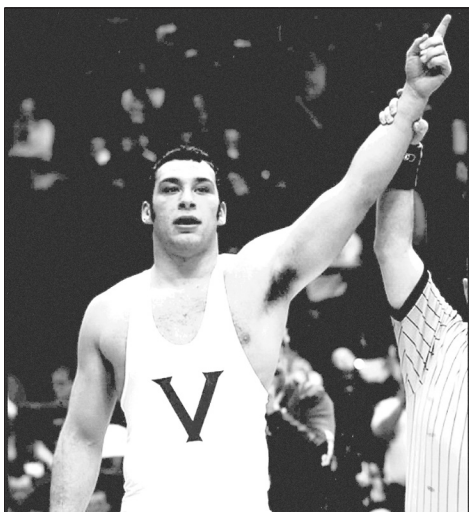

Basketball Awards and Accolades: **Julian Reinhart** '13--LCAA Division 1 All Star, LCN Super 18 Team, Great 8 Selection First Team (MVP), and Sectional All-Tournament Team; **Brendan Buisch** '13--LCAA Division 1 All Star, LCN Super 18 Team, Great 8 Selection First Team, and Sectional All-Tournament Team (MVP); **Jimmy Dagon** '13--LCAA Division 1 All Star, LCN Super 18 Team, and Great 8 Selection First Team; and **Christian Acor** '13--Sectional All-Tournament Team.

GIRLS BASKETBALL

The Lady Raiders finished the season with 14 wins and 6 losses. The team earned a #2 seed in the sectional tournament. The ladies were co-champions of Livingston county Division 1. The team had two all-league selections consisting of Jocelyn Acor and Chantre Milliner. Jocelyn was also a Class B2 sectional all tournament team selection. The girls basketball team lost in the sectional semifinals to Wellsville with a score of 63-55.

WRESTLING

HHS Wrestler Zack Bacon
at Section V Championships

The Hornell wrestling program has reached a level it has not seen in two decades. Hornell's Zack Bacon '13 became the second person in school history to win

a State Championship in wrestling. The 220 pound senior took second last year and was determined to get one step higher on the podium. Zack capped off a perfect season with forty-four wins and zero losses. More impressively, he pinned 39 of those opponents in the first period and only allowed three points to be scored on him all season. This senior finished an incredible high school career becoming the first athlete ever to win State Championships in two different sports.

Not to be overshadowed by Zack's accomplishments is the growth of the team as a whole. Junior Jake Kramer and Sophomore Carson Doorley both qualified to compete in the state qualifier tournament in Brockport, NY. These two are looking to lead the team in the off season and will continue to develop them in the future. First year varsity wrestlers Justin White, Josh Hough, Liam Kilcoyne, and Jason Scialpa all strive to continue improving in the offseason. You can follow the team at:

<http://www.hornellwrestling.com>.

BOYS SWIMMING & DIVING

The Boys Varsity Swim Team proved to succeed with individual effort as well as team effort this season. The Raiders took sixth place at Section V Class C finals in February (3 points short of fifth). The boys did a super job of placing in the top 6 for their individual events. Captains Colby Thompson and Aaron Haase were recognized as Division I LCAA All Stars. Outstanding efforts from members of the 200 Freestyle Relay team consisting of Guraglia, Marino, Thompson and Haase earned the Raiders the number two spot on the podium at sectionals with a time of 1:35.59. Senior stand out Aaron Haase captured first place in both the 100 and 200 freestyle, taking home two section V patches. Haase chiseled away at the record board setting 5 new school records, taking down the longest standing record for the 200 IM set by Andy Flaitz in 1991. Haase also represented Hornell at States in the 200 freestyle with a qualifying time of 1:47.34. The highlight of the season for the boys was being awarded the LCAA Sportsmanship Award. This accomplishment was well deserved. The team finished the season with a 2-8 record.

INDOOR TRACK

The 2102-2013 Winter Indoor Track team increased its numbers from last season with the addition of several talented underclassman. Leading the way was 8th grader Mackenzie Brooks who qualified for the Sectional V Championships in the 600M Run and placed 9th.

On the girls side, Gabrielle Macool finished her senior campaign placing in the top 8 in the hurdles at every meet. She qualified for the Section V Championship and came away with a third place finish. Gabi also finished third at the Rochester Relays. But it was in the Long Jump where the girls excelled. Macool and junior Emily Wolf combined to finish in the top spot at the Rochester Relays. Also, Emily qualified for and placed 10th at the Section V Championship Meet. On the track, Emily also demonstrated her strength and speed in the 55M Dash and 300M Run. Senior throwers Brianna Buxton and Megan Guariglia were near the top of the Class C leader board all season in the Shot Put.

For the Boys, senior James Cipriano had a great indoor season posting a personal best in the 55M Dash and the 300M Run. First year senior Marcus McClinton showed tremendous promise in the 300M and in the Long Jump. Marcus should continue to soar heading into the spring outdoor season. Veteran runner and senior leader Trevor Stiles divided his time on the track between the extremes of the 600M and 3200M runs. Trevor placed 5th at Sectionals and set a season's best performance at the State Qualifier Meet in the 600. But it was in the 3200M where Trevor made a statement by taking a 4th place finish overall, followed by teammate Wade Cone who finished 5th. Wade's performance made him eligible for the State Qualifier meet where he set a personal best. Trevor and Wade also combined to take the top spot in the two-man 3200M Run at the Rochester Relays.

The Indoor team will lose several seniors to graduation in June but with the addition of a Modified Program and several talented junior high athletes, the future looks very promising.

CHEERLEADING

Our Winter Cheer Team attended six competitions this season. They took **FIRST PLACE** in Avoca, Dansville, Greater Rochester, and Arkport. The team placed 3rd in the Livingston County Tournament and went on to win the Class B Sectional Title at R.I.T. on February 23rd. The team worked hard all season and finished extremely strong. They had eighteen members on the team with the captains being Jessica Loper, Jenna Conner, Lauren Mahoney, and Emily Woodworth who are all seniors and will be graduating this June.

Jessica Loper was awarded the Nancy Saxton Leadership Award from Section V, along with Coach Regina O'Connor-Gambino '77 receiving the Coach of the Year Award from Section V in both the Fall and Winter seasons. Congratulations on a job well done!

"Letters to the Editor"

(Letters of Appreciation from Alumni)

Dear HHS Alumni Association,
Thank you once again for the awesome work you do on behalf of the HHS graduates and entire Hornell community. This past fall on Sept. 22, 2012, we had the privilege of attending the HHS Alumni Association Sports Hall of Fame 25th Annual Induction Ceremony and dinner. It was a heartwarming, tearful, and pride-filled evening. Each one of the sports inductees gave thanks to their coaches, families, schools, community, and to the HHS Alumni Association for their support.

Ever thankful,
Doug and Melody Carrier

Dear Alumni Association Members,
I just wanted to thank the HAA for your generous grant to Audrey Weyand in my husband's memory. The Alumni does such a wonderful job. I know that my family and I were very touched by your thoughtfulness. My husband, Mike Fucci, was a proud graduate of the class of 1961. He would have also been very touched. Thank you all very much for your generous grant.

Fondly,
Linda Fucci '65 and family

Dear Friends,
I am so sorry that my dues are late. I was ill when my News Journal arrived last May and it was displaced. God bless each person that works to make the newsletter so interesting and enjoyable. I have been reading it for years. It brings back so many good memories from my time spent in Hornell. God bless each and every one of you.

All in Christ's love,
Roselind Ordway Drumm '36

Dear Sally,
Thanks so much for sending me a large copy of the photo of my dad and fellow "Aqua-Nuts". My friend Linda Palmesano Ateo '65 sent me the one from the newsletter, to thus I searched out the "biggie". Please thank Joe Solo for giving you the original photo, too. He and my dad were mailmen together at the post office. I always loved him and his smile. My husband Dave and I are both retired yet busier than ever. After teaching for twenty years, I have found

a wonderful situation at an amazing animal rehab hospital that releases injured wildlife to the wild again. It's great! I am enclosing my membership donation to join the Alumni Association. I can't believe it will be fifty years for me in 2014! Wow - when did that happen! After all, I consider myself young. Thanks again for everything.

Enjoy your summer,
Stephanie Argentieri Baker '64

Dear Alumni Officers,
A big thank you is in order for honoring the HHS class of 1941 at the HAA banquet. Doris S. and I have some great memories. I've always been proud to say I graduated from Hornell. The check I enclosed is to remember Ralph Brownell '40, Kenneth Thompson '39, Joseph Tyson '47 and all HHS grads who are now deceased.

Thank you again,
Clare Tyson Brownell Thompson '41

Dear Sally,
A big thank you to you and your committee for making the members of the class of 1942 feel so honored and special at the HAA banquet last June. The dinner was very good and we enjoyed making contact with some folks we hadn't seen in several years. Well done!

Sincerely,
John Johnson '42

Hornell Alumni Association,
We would like to thank you for having us as your guests for the Alumni banquet. It was very nice for those of us that graduated 70 years ago. You published another great newsletter, too. Our very best to all of you. Keep up the good work.

Thank you,
Tom and Betty Caple

Keep up the good work. I'm looking forward to the class of 1949's 65th reunion in 2014!

See you then,
John Hart '49

Hello again,
It's such a treat receiving the annual newsletter. It takes me back to all of the wonderful years and great friends that

I had at Hornell High. Thanks to you, we can share all of these memories. You've done a great job bringing us all together again.

Thanks for the memories,
Virginia "Gini" Scherry McClenin '46

Hi,
Boy, these years sure go by quickly!! I see once again I am a little late with my dues. I apologize and blame it on AGE!! The News Journal just arrived and I am taking the time to carefully look through each page. It is always a treat to receive it. My life is about the same. I have slowed down considerably. Even though I still drive, it is not possible to plan any long trips. I remain active in our church and participate in senior activities when possible. I noticed that Dave Lawrence passed away this year. We were very close friends all through school. Not too many of my friends are still with us. Hmmm, I feel ancient sometimes!! Thanks again for the News Journal. It's nice to keep track of old times. I'm impressed with such good reporting of news from HHS. God bless all of you!

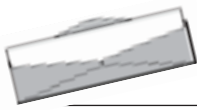

Yours truly,
Hoxsie Crosby

Thank you! We look forward to spending another wonderful evening visiting with friends. All of your hard work is well worth it for the many happy participants.

Sincerely,
Mary Donaldson Dolan '68

Hello,
I wish to thank you all for the great job you do year after year in publishing the HAA News Journal. I read every word printed and eagerly look forward to the next publication. Enclosed is a check for my dues and a donation for the scholarship fund in memory of my dearly beloved husband, Frank S. Relja. Thank you again for a job well done. God bless you all.

Most sincerely,
Charlotte VanAuken Relja '49

The 2012 News Journal was great as always. I particularly enjoyed the pictures in the 'Do You Remember' section, and the student pictures of the various elementary schools. Keep up the good work.

Dear HHS Alumni Association,
Hello! I was so very thankful to be able to attend the Alumni Banquet in 2011 with my classmates and friends from 1961 as well as 1962. If it hadn't been for my close friend Martha Emery Crosston paying my way, I could not have attended this 50th year reunion. I had a wonderful time and am very grateful to all of you.

Sincerely,
Jennifer Luther '61

Dear Angela,
Thank you so much for sending me the 2012 News Journal! I have missed it and apologize for not sending last year's renewal fee. The Board of Director's does a great job organizing so much information each and every year.

Sincerely,
Carol Nichols '53

Thanks for all of the wonderful things that you do for the kids at Hornell High School!

With much appreciation,
John Dagon '82

Dear HHS Alumni,
Thank you for your generous donation to the Senior Class of 2012 Auction and Post Prom Party. Our class was able to raise over \$5000. Your contribution made it possible for us to purchase gifts and prizes to be distributed to our graduating seniors throughout the evening. Some of the items that we awarded were laptops, headphones, flat screen televisions, and gift certificates. We are truly fortunate to live in a community as generous as Hornell. As a result of this generosity, we are able to fund this wonderful drug and alcohol free party. Thanks again for your donation.

Sincerely,
Richie Kubiak, 2012 Class President
Pamela Mendel, Co-Advisor
Beth McNelis, Co-Advisor

Congratulations to the Officers and Directors of the Hornell High School Alumni Association for another outstanding year. Your true blue dedication to Red Raider graduates and the community is commendable. No, it's more than commendable - it is truly outstanding. Just like always, I read the News Journal from cover to cover. I truly enjoyed every page, every article, and every picture. Take good care of Sally and her talented staff. They really know what they are doing and they do it well. Each year, the "In Loving Memory Of" articles concerning our departed fellow alumni seem to become more personal. This year it was especially meaningful and touching. Unfortunately, circumstances prevented my annual trip to Hornell for

my "HHS Alumni Weekend" fix but there is always next year. Thanks for all of the good work and best wishes for another successful year.

Personal regards,
Tom McCarthy '49

I want to congratulate you on your 25th publication of the News Journal. This is a great accomplishment. My brother Harrison, my sister Martha, and I have received the newsletter since the start. We donate to the HAA scholarship fund every year. I live in Scottsdale, AZ; my brother resides in Rockville, MD; and my sister is in NYC. It is a pleasure to read this Journal each year and review the familiar names and new items. I was in the class of 1943. I know that my good friends Jack Graham and Ed Rawady have passed away. My wife Jean and I had lunch with Jack & Dorothy in Hornell during the summer of 2010. We have also attended my 50th and 60th class reunions. Jack did a great job for the Alumni as well as his 1943 classmates. He kept us posted on the status of the class as best as he could. We will miss that very much. My father, Harrison Dodge, was Superintendent of Schools in Hornell for about thirty-five years. I can't imagine any other High School in the country that comes close to the excellence of this publication and the news that it brings to the Alumni. Our thanks to every person that contributes to the content and publication of this Journal.

Sincerely,
Fred Dodge '43

Thanks again for doing such a wonderful job! I so enjoy the news and pictures.

Sincerely,
Elaine Gray Beetow '59

I admire all of the work that you do. I LOVED this publication and look forward to receiving the HAA News Journal every year. It keeps me connected.

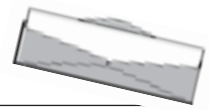

Thank you so much,
Maddy Schlossberg Lawler

Thank you so much for the HAA News Journal. I have some wonderful memories of Hornell that I would like to share with you. They include but are not limited to the following: my dad 'walking-

the-beat' in Hornell and checking the doors on all of the stores & buildings; Mr. Dillion who was the motorcycle cop; ice skating in the creek behind our house; lots of cats and dogs running loose; ice cream socials at St. Ann's School; playing in the gully on Glen Ave. where we would pick berries, flowers, and ride our bikes; the ice man delivering 25 to 50 pound blocks of ice; gas lighting; hanging our clothes in the winter weather...frozen bed sheets!; stopping at Allen's gas station; loved the ice cream stores...June's, Supreme, and Elms; getting a photo at Woolworth's for 25 cents; having a 'puddle sundae' at Dunn's Pharmacy for 15 cents; shopping at Tuttle's; looking at the beautiful dresses at McBride's; getting my shoes

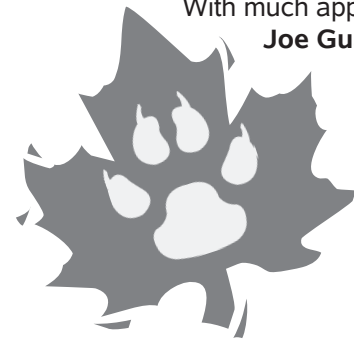

repaired at LaPiana's; walking down Loder St. on Friday & Saturday nights; stopping at the Erie Railroad terminal to watch the trains come & go; concerts in the park; etc., etc., etc. Honestly, I could go on and on! The annual newsletter allows me to reflect upon my own childhood. Thanks again for all that you do.

Sincerely,
Joanne L. Moran '48

Dear HAA Board Members,
YOU ARE THE BEST. My friends cannot believe the News Journal publication. All of you continue to make me and every HHS alumni feel like they belong to one big family....no matter what year we graduated from high school. The newsletter was outstanding. Thanks for the memories and keep up the good work.

With much appreciation,
Joe Guarglia '54

Cheers to 2013!

The Hornell Alumni Association Board of Directors and their spouses/guests celebrated the holiday season at the Hornell Knights of Columbus last December. They enjoyed playing their "gift exchange swap game" after being served a delicious dinner that was prepared by John Carbone '77 and his amazing staff. We hope our alumni are experiencing a healthy and happy 2013.

A BIG thank you for your membership dues and scholarship donations.

Richard D. Santora '49

Dear Hornell Alumni Association Members,

I remember the summer of 1949. It has been a long time....nearly a lifetime. While many of my classmates were going off to their first year of college, I was only halfway through basic infantry training at Fort Dix, NJ. I was seventeen years old.

My three year enlistment, plus a five month extension due to the Korean War,

started a forty-year career which continued into my retirement years. The GI Bill allowed me to further my education. Additional financial assistance would have been appreciated. In 1953, I chose to live and work in the Mid-Atlantic region.

Some qualified graduates may delay their formal education, either due to circumstances or simply by personal choice. I believe that any qualified HHS graduate, after serving honorably in the military, should be allowed to apply for an HAA college scholarship. Today's veteran, with an all-volunteer military, has my respect. He or she deserves any assistance returning to civilian life.

Thank you for all that you do to support our graduates and future leaders.

Sincerely,

Richard D. Santora '49

ZACHARY D. SMITH MEMORIAL GOLF TOURNAMENT

On August 25, 2012, the 3rd Annual Zachary D. Smith Memorial Golf Tournament was held at the Twin Hickory Golf Course in Hornell. It was a huge success with forty teams playing the game that Zach so enjoyed. It was a very nice day to reflect on a lot of beautiful memories of him. The winners of this year's tournament were Brennan Canty, Kevin Conklin, Bryan Canty, and Dan Roser.

The day was completed with door prizes, raffles, team awards, and a wonderful meal prepared by Johnny Carbone and his staff at The Main Place (formally the K of C building). Zach's wife and family members would like to thank the many friends, sponsors, participants, and volunteers that made this event so successful. They hope that this annual golf tournament will keep Zach's life and name alive forever.

Congratulations to the winners: Brennan Canty, Kevin Conklin, Bryan Canty and Dan Roser

SMITH Comes to the Stage

Recently, the cast of **SMITH** performed their show for two weekends in a row at Nazareth College. **SMITH** is based on the life of the late Hornell marine Zach Smith. Pictured are Gloria Gambino (producer and director), Kayleigh Yancey, Matt Comb, Bre Melino, Shaun O'Dea, Elizabeth Doresey, Samantha Jo Buckman, Ged Owen, and Nicole Cupo.

A message from Gloria Gambino '09: With the blessings of the Smith family and the wonderful support of the Nazareth College Theater Community, I recently completed a play that told Zach Smith's amazing story about his life in the Hornell community, the effect of his death, and how he touched all of our lives individually. The driving concept was that a tragedy like this can strike anyone at any moment. Thank you to everyone who saw one of the performances and supported my efforts.

A letter from Dr. Matthew Ames after the first performance of SMITH:

Dear Nazareth Community,

I have been in the business of theater in its various forms for more than forty years. I went to the premiere of SMITH here at Nazareth and it was one of the most compelling, cathartic, dynamic nights I have ever spent in the theater.

If you are interested in how the arts can affect a community, how it can help a community come together, learn, and heal, you must see this piece. If you want to see how theater does civic engagement, than you should see this piece. If you want to understand how vital the arts are to the life of Nazareth College and beyond, you should see this piece. And, bring a hanky.

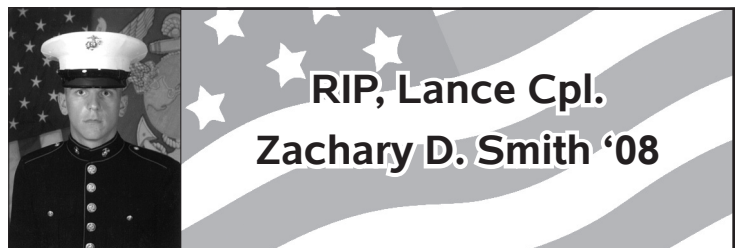

Congratulations go out to student director/playwright Gloria Gambino and her team.

Dr. Matthew Ames

Theater Arts

Congratulations to Gloria Gambino on a magnificent tribute to our hometown hero.

Pictured with Ruth (center) are her children Tim, Ann, Debbie, and Terry.

On October 27, 2012, Ruth Shinebarger Fitzpatrick '51 was honored at a surprise party celebrating her 80th birthday at the Hornell American Legion. About 130 friends & family members attended the event, traveling from as far as Florida. A video of Ruth's life journey was presented for all to enjoy. Ruth graduated from Hornell High School in 1951 and married Marty Fitzpatrick '46 in May of 1953. Together, they raised five children, all HHS Alumni: Tom '71, Tim '73, Terry '74, Debbie '77, and Ann '81. Ruth has since been blessed with eight grandchildren and two great-grandchildren. She is hoping for many more with whom to share her love. During her short eighty years, Ruth has touched the lives of so many people. Happy Birthday to a very lovely lady.

Barrie is a 1964 graduate of Hornell High School and the daughter of the late Carl & Rose Marino. She has worked for leading conservation magazines including Audubon, National Wildlife, and Ducks Unlimited. Kelsey E. Brown '11 _____ Achiever

Currently a sophomore at Keuka College, she taught classes at The Ohio State University and Columbus State Community College for her required 140-hour field work and internship. Brown is an adolescent social studies education major. She observed a variety of classes, tutored students, and taught economics to many students. A venture into the world of teaching at the college level was a great experience for her.

Kelsey was a recipient of HAA scholarships that were presented to her at graduation in June of 2011. She is the daughter of Thomas W. Brown '84. Congratulations, good luck and best wishes to Kelsey as she pursues her education degree.

Nicoletta Barrie holds a copy of her children's novel during a recent stop in Hornell.

Happy 100th Birthday, Bettina Grillo Trapani

On March 20, 2013 Bettina Grillo Trapani reached the age of 100 years young. On Sunday, 3-17-13, she celebrated this wonderful milestone with seventy of her family and friends. A birthday party was held in her honor at the G. Carducci Lodge in Hornell. A wonderful luncheon buffet was served by Andy Carbone and his staff. Linda Fucci baked a beautiful birthday cake and presented it to Bettina as a gift. Out of town guests arrived from Pennsylvania, Virginia, Georgia, Alabama, Mississippi and Idaho. Others attended from Syracuse, Rochester, and the surrounding area.

Bettina graduated from St. Ann's School in Hornell. As many did in that era, she went directly to work to help support her family. In her day, Bettina was an avid bowler. She was also very well known for preparing many, many home cooked Italian dinners for her family and friends.

Congratulations to Aunt Bettina for being our family icon. Wishing you many more years of happiness and good health. Happy 100th birthday!

Vocal Music Students Hit It Big in NYC!

Congratulations to these HHS students who participated in the vocal music competition in NYC last month.

This past April, eighty (80) students representing the Hornell High School vocal music program travelled to New York City to compete in the annual music competi-

tion. Under the direction of Christopher J. van Leeuwen and accompanied by Eric Prentice '85, these students and five performance ensembles received GOLD rat-

ings. They finished in the top three in all categories. Hornell represented one of the smallest districts that participated in this weekend event. Students enjoyed the opportunity to visit Chinatown, Little Italy, The 9/11 Memorial, Times Square, and a boat ride down the Hudson and East Rivers. A favorite among many of them was their viewing of *Jersey Boys*, the musical. Students took in that show at the August Wilson Theatre in the company of HCSD Superintendent Doug Wyant who made the trip to NYC to support them. Former Mayor Rudy Guilianni was also in attendance that evening. This marks the sixth year in a row that Hornell choirs have either attained 1st place or GOLD finishes.

Thank you to the entire Hornell community for your support, commitment, and dedication to the HHS vocal music program. Director Chris van Leeuwen and his students will have their final performance of the year on Thursday, May 23rd at 7:30pm in the HHS auditorium. Everyone is welcomed and encouraged to attend.

Hornell Community Theatre

Pictured rehearsing the song 'Falling Slowly' from Once is Zach Woolridge and Kristy Sirianni Woolridge.

Several HHS Alumni were featured in Hornell Community Theatre's Broadway Cabaret last January. The show, under the direction of Penny Smith and Musical Director Eric Prentice, featured music from "Phantom of the Opera", "Wicked", "Mama Mia", "Ragtime", "Avenue Q" and more. The cast included Deb Fitzpatrick Bossie, Thomas Boyle, Kristy Sirianni Woolridge, Zach Woolridge, Michaela Flansburg Stone, Jeremy Speed-Schwartz, Carina Telesca, and HHS Choral

Music Teacher Chris van Leeuwen. Eric Prentice performed at the piano and Chris Kelleher played percussion. The show was well received during its three performances at the American Legion. The Hornell Community Theater will present "Little Shop of Horrors" in July in the Hornell High School Auditorium.

Dr. Richard Andolina and his *American Restoration!*

Rick Andolina proudly stands next to his 1920 refurbished x-ray unit.

A Hornell dentist for over thirty years, Dr. Richard Andolina recently appeared on the History Channel's "American Restoration" after having an extremely rare 1920 dental x-ray unit restored. Andolina purchased the unit in 1982 at an auction in Canisteo held in a house that years before served as a dental office. While others in attendance didn't know what it was, Andolina immediately realized that the model was the first dental x-ray unit ever manufactured. He then placed the 400 pound unit in the basement of his office where it remained untouched for twenty years.

In early 2012, Andolina decided to send pictures and information on the unit to the producer of the show that stars Rick Dale and his crew at Rick's Restoration in Las Vegas, Nevada. After numerous emails, he received a call from the show's producer asking if he would like to have it restored and appear on the show. With the help of some friends, Andolina crated and shipped the unit.

In early July, he traveled to Las Vegas with his wife Molly and two of their children for a taping session. Andolina explained how the unit worked and that he wanted it restored back to its original condition but not to working condition. Extremely dangerous if energized, the unit emitted very high doses of radiation that could deliver a high voltage shock to anyone within 12 inches of the wire leading from the transformer to the x-ray tube head. The unit had been deemed unsafe in the early 1950's.

In late November, Andolina returned to Vegas for the second taping session, "the reveal". The result of the restoration was a machine that looked identical to when it was manufactured. The wood and metal returned to its original condition. The show aired for the first time on December 19th and has been shown numerous times on reruns.

The unit is now back at Andolina's office on Main Street, taking a prominent place in his first floor office. Anyone wishing to see it is welcome to stop by his office. Ultimately, Dr. Andolina would like to see it in a museum or in a dental school where others can enjoy it.

Congratulations, Dennis Deninger '69

Dennis Deninger recently donated his book to the Hornell Public Library. Pictured with him is library director Alice Taychert.

Dennis Deninger, Hornell High class of 1969, had his first book published in the fall of 2012 by Routledge of New York. *Sports on Television: The How and Why Behind What You See* is based on his twenty-five (25) years of leading production teams at ESPN and his research as founding director of the Sports Communications graduate program at Syracuse University's Newhouse School of Public Communications. The book starts with the early history of American sports television and takes the reader behind the scenes to explain the processes of programming, production, advertising, and audience measurement. Deninger includes stories from his own experience producing live sports events from Moscow to Zimbabwe, and discusses the impact that sports TV has on American culture, politics and the economy. "My hope is that after reading this book you will watch TV sports in a completely different way, knowing a lot more about what goes into the product on the screen," said Deninger. The book is available in paperback, hard cover, and downloadable versions at Amazon.com. For more information, please feel free to contact Dennis at DeningerMedia@yahoo.com.

Below are several quotes from some notable sports executives and TV personalities about his book:

"Dennis got it right. He has a deep understanding of the history of our industry and of the process of how and why we get the sports coverage we do every day. The book is a good practical guide that puts the sports media in perspective. I'm hoping that everyone who reads this book will forever watch sports on TV in a different way."

Steve Bornstein
President, NFL Network

"Dennis Deninger is the perfect person to have written this masterful book. A song of praise is always in our hearts
it speaks of love that's true.
The kindest thought we'll ever set apart
for dear old red and blue.

CHORUS

Alma Mater school that we esteem,
dear to us you seem.
Hail thy honor, may it live in greatness
bringing fame unequalled to H.S.

The pride of Hornell High, we hold our own,
its name our golden rule!
Work or play, in both we've known
