Co-President's Letter

Dear Fellow Alumni,

Hello and welcome to the 2014 Hornell Alumni Association News Journal. We hope that this year finds you happy, healthy, and up to date on your Alumni dues.

Once again, we have had another year of overwhelming responses from both our Alumni and community to our HAA scholarship fund. You have continued to support our scholarship efforts with your donations. Last year, our graduating seniors received over \$109,000 in scholarships and grants to help them pursue their academic goals. We would like to thank all of you who are responsible.....alumni, local merchants, and organizations. We are so grateful for your contributions. A very special thanks goes out to

HAA Board of Directors. It is their support, energy, and enthusiasm that keeps this organization strong.

Congratulations goes out to all of the Hornell High School sports teams and their coaches for a successful year. Their success is due to the hard work of the coaches and players. Also let us not forget our dedicated fans for their on-going support. Check out our sports section in

this newsletter.

We would like to cordially invite any graduate who has been out of high school for seventy (70) years or more to this year's Annual Banquet. You will be attending as our honored and special guests. Congratulations to the Hornell Varsity Cheerleaders: NEW YORK STATE CHAMPIONS!

The Hornell Red Raiders Varsity Cheerleading Team proudly display their trophy after winning the New York State Championship Title this past February. Along with this incredible victory, the HVC won Section V titles during the 2013 fall and 2014 winter seasons. No matter where they compete, the Red Raiders have relied on a familiar recipe for success. They have rituals and guidelines that they follow for each competition. They warm-up, cheer, do

stunts, tumble, and dance. They listen to their music in a circle and visualize themselves hitting everything perfectly. The team asks for strength, courage, peace, guidance, and blessings before they get on the mat. Then, they focus, push hard, give everything that they have, lay it all out there, and do their jobs. All of that mental and physical training brought the HVC to a first place state championship win. Their team motto has always been "Believe, HVC, Forever". Congratulations to Coach Regina 'Regi' O'Connor Gambino '77 and the entire Hornell Varsity Cheerleading Team. Read more about this amazing milestone in the sports section of this newsletter.

Superintendent's Letter

It doesn't seem possible that another school year is coming to a close, and it is once again time to address the Alumni Association. You, as Alumni of the Hornell City School District, should be proud to call Hornell your home. Despite an economy that has not rebounded as quickly as we would have liked, the District has managed to weather the storm, thanks

HHS Alumni Association Founder Carl Wellington '23

After much research on this topic, the Hornell High School Alumni Association would like to posthumously honor & recognize Carl L. Wellington '23 as our official founder and creator. He and his voluntary committee who consisted of Francis M. Cameron, Virginia Leahy, Francis Conz, Kenneth Gray, William G. Hollands Jr., Henry Copeland, Sherman Shults, and Gertrude Case, got the ball rolling back in the mid-1940's, worked effortlessly, got other alumni interested, entertained informal gatherings, planned the first HHSAA meeting on 12-5-45, presented the organizations bylaws, and officially gave birth to our beloved Hornell High School Alumni Association.

On behalf of the current HHSAA Board of Directors and its members, we want the families of these nine volunteers & the countless other Hornell High School alumni who were involved in the organization process, to know just how grateful, appreciative, and truly thankful we are today. We will always remain.....HHSAA STRONG. God Bless our alumni.

Editor's Note: For more information on our extensive history research and findings, please turn to the article titled "We've Come A Long Way, Baby!" on page 3 of this newsletter publication. Thank you, in advance.

We've Come a Loooong Waaaay, Baby!

This past year, the Hornell High School Alumni Association Board of Directors learned a few interesting and important tidbits about our organization that we are thrilled to report to you, our valued members.

Thanks to John Price, HHS class of 1948, we have traced the history of our current organization and its true founder. Last July, Mr. Price contacted & sent a letter to the HHSAA Board, and to Neil Simon who is the Hornell Evening Tribune editor. He indicated that the names and photos of the co-founders on page 2 of the newsletter were incorrect. Mr. Price strongly urged us to do research on this very important topic. "Please establish credit where credit is due," he stated. After many months and numerous hours of intensive research, the Board needs to set the record straight.

It seems that the true founder of the Hornell High School Alumni Association is Carl L. Wellington who graduated in 1923. On December 5, 1945, a meeting was called to order by then Chairman Wellington and his voluntary committee consisting of the following HHS graduates: Francis M. Cameron, Virginia Leahy, Francis Conz, Kenneth Gray, William G. Hollands Jr., Henry Copeland, Sherman Shults, and Gertrude Case who was unanimously elected as secretary. The purpose of this preliminary meeting was to present the idea of organizing an association. According to the minutes of that meeting, "A motion was duly made by Charles Maher, seconded and unanimously carried, that we do hereby organize and establish an association to be known as the HORNELL HIGH SCHOOL ALUMNI ASSOCIATION." According to the first HHSAA Council meeting minutes dated December 10, 1945, Carl Wellington was elected and honored to become the first HHSAA President. Our appreciation goes to those dedicated men and women who recognized the importance of an organization that has lasted and thrived for almost seventy years.

We also want to recognize Charles Giallanza '40 and Jack Kohnke '41 who were actually the inspiration in starting an annual HHSAA News Journal. The first publication, which consisted of four pages, was completed and distributed in 1987. Today, we present to our faithful alumni, a newsletter with over eighty pages of 'local news of interest' articles, HHS graduate updates, 'A

Spring, 1946: Members of the Governing Council of the HHSAA met to discuss bylaws and map plans for a membership campaign. Seated: Attorney Francis M. Cameron, Carl Wellington, and Miss Rachael Callahan. Standing: Charles Maher, Harry Dodd, and Kenneth Gray. Missing: John Todd and Miss Virginia Leahy.

Blast from the Past' history section, numerous photos, reunion summaries & updates, scholarship information, special event articles...yes, the list goes on and on. Thank you to these two gentlemen for the idea of having an annual publication.

The HHS Alumni Association Board of Directors would also like to acknowledge and thank John Price for his letter which led us on this journey into our past. (Below, please find a response from Evening Tribune Editor Neil Simon.)

Thank you to Carl Wellington, his voluntary committee, and the members of the first Board for creating a vision that has led us to become the strong, united organization that we are today. A BIG thank you to all of our members since 1945. It is YOUR continued loyalty that has been the inspiration behind The Hornell High School Alumni Association.

December 5, 1945: The Hornell Alumni Association is Born!

By Neal Simon

The date was December 5, 1945. It is what organizers called a "special committee" of Hornell High School alumni who met in the high school library. The purpose, according to the minutes of that session almost seven decades ago, was to

organize and found the Hornell High School Alumni Association. Imagine that cold pre-winter night, the bustle of the holiday season nearly underway, and a fledgling group meets, intent on starting a high school alumni organization. How many people would that meeting attract today?

In 1945, the list of attendees was long with nearly fifty (50) people at the session. Ruth P. Torrence was there, a proud 1914 graduate of Hornell High School. So was Cecelia M. Taylor (class of 1905), and Louise Parkhill (class of 1888).

The meeting was chaired by Carl L. Wellington, who five days later would be elected president of the association. The minutes list the Hornell High School graduates making up that first committee, in addition to Wellington, as Francis M. Cameron, Virginia Leahy, Francis Conz, Kenneth Gray, William G. Hollands Jr., Henry Copeland, Sherman Shults and Gertrude Case.

Wellington noted in remarks that night that a "preliminary committee had been under consideration for some time." Indeed, just one month prior to this meeting, an Evening Tribune article reports that 100 people attended a planning session for the new association. The bylaws of the Hornell Alumni Association were proposed and adopted on that December 5, 1945 night.

The first annual meeting and dinner was held at the Hotel Sherwood on June 27, 1946.

The keynote speaker at the banquet expressed optimism that the Hornell Alumni Association would survive the passage of time, due to its commitment to "doing good for others by awarding scholarships annually."

Who founded the Hornell High School Alumni Association? The best answer, after studying those old meeting minutes and newspaper articles, is this: dozens and dozens of the sons & daughters of Hornell...proud HHS graduates...founded this cherished organization. It was a group effort. Each initial contribution, large and small, was indispensable to its continual mission which is to promote Hornell High School and assist its graduates.

Robert Ruch

Our very first Hornell High School Alumni Association scholarship recipient was Robert Ruch of the class of 1946. He received an award of \$200 during his graduation ceremony. Helen Harris '47 was awarded the 2nd scholarship. And, in June of 1948, Anne Cianciosi '48 was honored to receive the 3rd award of \$200. **Since that time, we estimate that our organization**

has distributed over two million dollars in scholarship money to graduating seniors. Now, that IS incredible!

These two gentleman inspired the HHSAA to produce the Newsletter.

The HHSAA Board of Directors would like to thank the anonymous donor who graciously donated the money in order to purchase our new fleece jackets. The jackets came in very handy during the football season as Board members were

selling 50-50 raffle tickets on Friday nights at Maple City Park. Not only are they warm but they are nice looking, too! We truly appreciate the person who was so kind, thoughtful, and generous to the HHSAA Board. Thank-you very much!

The 1st Annual Hornell High School Alumni Association Banquet was held at The Hotel Sherwood on June 27, 1946. The Dodd Quartet provided the entertainment. A meeting was also held and the bylaws were officially adopted. According to the adopted minutes, "President Wellington recognized Harrison S. Dodge as Superintendent of Schools; introduced Mr. Clemenceau "Kelly" Simons '37 who gave a very interesting address; recognized Mr. George Sims (class of 1895) as the oldest alumnus present; and, acknowledged the untimely death of Francis M. Cameron (class of 1898) who helped in the establishing the HHS Alumni Association." Thirty-three (33) members attended the first annual banquet and meeting.

There were seventy-two (72) alumni present at the 2nd Annual HHS Alumni Association Banquet & Meeting on June 26, 1947. President Carl Wellington expressed that "he was particularly pleased and gratified at the turnout for the banquet. He was confident that the current Board had laid a firm foundation, and was definitely on the road to success." Little did he know how large this association would become!

Edward W. Cooke, Principal of Hornell High School.

Chairman Wellington made a brief address stating that the preliminary committee had under consideration for some time the organization of an Alumni Association of Hornell High School and after many sessions concluded that such an organization was most desirable and that it would be a very effective body in support of the High School and its activities. That they had selected the name HORNELL HIGH SCHOOL ALUMNI ASSOCIATION, prepared preliminary by-laws under which the organization could function until the first annual meeting of the members to be held during the month of June 1946, and called this meeting together for the purpose of getting the matter under way. He stated that it was the sense of the committee that certain worthy objectives be established in order to make the project effective and, among other things, stressed the granting of scholastic scholarships from funds derived in the main from dues of the members. He also stated that the organization would necessarily involve considerable detail work and correspondence and suggested that it might be advisable to provide for the services of a paid Secretary. At the conclusion of Mr. Wellington's remarks several persons present expressed themselves as being in favor of organizing such an association by appropriate action to be taken at this meeting which seemed to be a very representative body of Hornell High School Alumni.

A motion was duly made by Charles Maier, seconded and unanimously carried, that we do hereby organize and establish an association to be known as HORNELL HIGH SCHOOL ALUMNI ASSOCIATION.

On motion duly made, seconded and unanimously carried, the meeting adjourned.

Congratulations, good luck, and best wishes to the

HHS CLASS OF 2014

Greetings Hornell High School!

As always, it is difficult to believe that three-quarters of the year has passed us by. Students eagerly countdown to summer break, and our small group of seniors find themselves both nervous & excited about the road ahead. Their last steps here will occur across a stage on June 27th. Please join us at the stadium, weather permitting.

As with previous years, our academic tradition remains strong with thirty-five new members inducted into the National Honor Society, nine seniors achieving Honor Graduate status, eight students entering the National Business & Marketing Honor Society, and ten students inducted into the National Technical Honor Society.

In extracurricular activities, many know of our students' successes on the field: girls' soccer with a State Final Four spot; cheerleading has gone undefeated for two years and won the State Title; wrestling saw Jacob Kramer and Carson Doorley go to State Qualifier; cross-country had two athletes run in States: Jacob Kramer and Mariah Smith; volleyball was recognized as a Scholar Athlete Team Award winner by the State; and, we are in the midst of a promising spring season now. Three

of our stellar athletes have signed with colleges: Ali Henby, Jacob Kramer and Jocelyn Acor.

Off the field, our students continue to pack the house for performances. Recently, our Spring Musical, *Aida* directed by Tim Berardi, won accolades from the Theatre Association of New York State for Meritorious Achievement in Vocal Performance: Mercedes D'Amato, Ignatius Marino, Chloey Kellogg and Vinny Capluzzi; Excellence in Musical Direction: Christopher J. van Leeuwen; and, a Meritorious Achievement in Acting: Margaret Shepard. With nearly all members of the cast underclassmen, next year's performances are sure to be entertaining.

With graduation quickly approaching, I want to take this opportunity to thank you for your continued generosity to our seniors. The tremendous amount of scholarship monies awarded by our alumni every year never ceases to amaze me.

If the opportunity presents itself, and especially if you have not already done so, please feel free to stop by the high school to see the renovations completed over the last few years.

Sincerely,
Tony Gill
HHS Principal

Recipients!*

How Are Scholarship Recipients Chosen?

The Hornell High School Alumni tradition strives to encourage and support life-styles that have strong work ethics, public service and academic achievement by rewarding students who exemplify these characteristics with recognition and financial assistance for their education.

A silent committee serves at the pleasure of the President of the Alumni Board. This group is always kept confidential.

It may come as a surprise, but this is truly a secret committee and never discussed. Board members don't have a clue! A meeting is called by the Superintendent of Schools and the President of the Alumni Board.

The silent committee, school officials, teachers and guidance counselors meet for the first time. Every senior is offered an opportunity to fill out an application.

The Superintendent provides a detailed resume of all students: student class ranking, financial need, student activities, desire for higher education (school choice), cost, student character, personality, and potential leadership.

All selections are final. No records leave the school and resumes of the students are returned and kept confidential.

H.A.A. Endowment Fund

The Hornell Alumni Association is a recognized charitable organization under the rules and regulations of the I.R.S. The Alumni Association is a 501 (C) (3) charitable organization so that donations made to it are deductible.

Since approximately 1995, the Alumni Association hired the Steuben Trust

Company to provide investment management services through a Trust Agreement for some of its excess money. The fund has grown in value due to its diversified investments between fixed income and equity investments. Since it has grown in value, it enables the Alumni Association to grant more scholarships.

For people who want to make a deductible contribution to the Endowment Fund, make checks payable to the Hornell Alumni Association and mail to:

Zachary D. Smith Memorial Scholarship

Grace Smith (left) presents Colleen Smith '13 with the Zachary D. Smith scholarship check.

The 4th Annual Zachary D. Smith Golf Tournament was held on June 22, 2013. It was a beautiful day at Twin Hickory Golf Club honoring and remembering Zach. Golf was Zach's favorite thing to do in his spare time. It is a day that is so special to all of us to reflect on our memories of him. The biggest memory that comes to mind is when Zach got a hole-in-one on Hole #4. A couple of years later, he took Anne Deebes, the love of his life, to Hole #4 and proposed! It is a tournament must-tell story that we share every year. Teams ride to that hole, and just picture Zach making that moment so special for the two of them.

Just one day after Zach was killed, his brother Nate came up with the idea to have a tournament to memorialize and honor him. It is an all-day event with golf, lunch, raffles, prizes, and a dinner by Johnny Carbone. Zach's sister, Grace, is more involved as she gets older. She is happy to give out the monetary awards to the recipients. The winners of this year's tournament were Dan Roser, Kevin Conklin, Scott Carroll, and Brennan Canty. We want to thank the many family members, friends, sponsors, participants, and volunteers that make this event so successful. It is amazing that all of you want to be a part of an event that is so special to our family.

The proceeds from this golf tournament go to the Zachary D. Smith Memorial Scholarship fund. Every year, a Hornell High School senior is chosen from the essays that are written and turned into the high school guidance office. This scholarship is valued at \$4000, payable annually while the person is enrolled in Military or College. In 2011, the family also established an Athletic Award that is presented in Zach's name, and this is valued at \$500. We are grateful for all who help make this tournament a success.

The recipient of the 2013 Zachary D. Smith Athletic Award was given to Matt Smith. The Zachary D. Smith Memorial Scholarship was awarded to Colleen Smith. We wish Matt and Colleen the best of luck in their futures.

With sincerity,
The family of Zachary D. Smith

Wegmans and Cornell Cooperative Extension (CCE) Promote Healthy Food Choices

Some of the students in the after-school program at the Hornell Intermediate School recently completed a "Cooking Matters for Teens" program. They learned how to select nutritious, low-cost ingredients and prepare them to be tasty and healthy. The program teaches cooking skills that these young people can use for life.

During one of their sessions, the students received a behind-the-scenes

tour of the Wegmans store in Hornell, where Chef Ken Sanford demonstrated how to prepare different meals. At the end of the series, Wegmans gave each participant a bag of groceries to take home. CCE-Steuben presented each student a certificate, cutting board, food thermometer, and class handbook which included the recipes.

The local program was sponsored by the 21st Century Community Learning Center After School Grant.

Meet Marathon Runner: Rosalie Andrezzi Mulhollen '68

Rosalie Andrezzi Mulhollen '68 is an administrative services assistant and secretary to the director at Alfred University's (AU) Scholes Library of Ceramics. For her 60th birthday in 2010, Rosalie Mulhollen decided to begin to run and participate in local 5K races. In September of 2010, she ran her first half-marathon in Virginia Beach with her sisters-in-law and niece. It was then that she decided to work towards running a full marathon.

Rosalie's first marathon was the Wineglass Marathon which she ran from Bath to Corning in 2011. It was cold and it rained, but she had fun. Last fall, she prepared and ran in the ING New York City Marathon with her daughter, Kimberly. This was her fourth marathon in three years, and her daughter's first. They were so happy and thankful to share the experience together!

Mulhollen says that running has made her more physically healthy and mentally alert. She follows world champion runner Hal Higdon's 18-week training program, running three to four days during the week and running longer distances during the weekend. She runs 25-40 miles a week on average but will taper her mileage about two weeks before a race. Rosalie has a running group in Hornell. They run together a couple of

days a week and also run races together. It takes a lot of time and hard work to prepare for a marathon.

Mulhollen and her daughter arrived in New York last November and attended the ING New York City Marathon Health and Fitness Expo at the Jacob K. Javits Convention Center. Some of her family members and friends were at the race to cheer them on. "It's kind of hard to explain unless you're a runner. It's this feeling that you get when people are cheering you on," says Mulhollen. "It's just this rush. It's amazing. People you don't even know shouting at you that you can do it."

Hornell YMCA

The Steiner Family Aquatics Center

Barbara Steiner cut the ribbon at the Steiner Family Aquatics Center this past March. She is accompanied by her daughter Donna and son Jim.

The Hornell YMCA held their donor recognition event to celebrate the opening of the Steiner Family Aquatics Center on March 8, 2014. Opening the pool marks the end of a project that began in 2005. It was a night of celebration for the YMCA, its staff, and financial supporters. YMCA leaders said the opening of the four-lane 25-yard pool completes their vision, and signifies a promise kept to the city of Hornell. The greater part of the YMCA opened on July 11, 2011 as the fundraising continued to complete the project with the aquatics center. The Steiner family is a Platinum contributor

to the pool fund.

The effort to build a new state of the art facility was led by Campaign Chairperson Mike Davidson '73 and Executive Director Mark Morrissey '75. Both pointed to the importance of the lead gifts as well as more than 1400 donations that began in 2005. Mike and Mark call the project a huge community success story. They welcome and encourage anyone to stop by the YMCA for a guided tour of the beautiful facility.

St. Ann's Academy Gets New Building!

St. Ann's Academy met an exciting milestone this year. It opened its second academic school year in a new building located at 41 Genesee St. Increasing enrollment and grade-level additions created the need for more classrooms and space. Over the past year, St. Ann's Academy doubled its enrollment, and pupil registrations are nearing fifty students for the 2014-2015 school year. SAA serves students in preschool (PK-3 & PK-4) and kindergarten through sixth grade.

St. Ann's Academy was established to preserve the availability of a Catholic education for children in the Hornell area.

The school provides a caring and learning environment anchored in values, and stresses high academic standards by utilizing a dynamic grouping approach to teaching. Students are placed in academic groups based on individual ability. They work at their own levels throughout each school year allowing them to meet and/or exceed the learning standards put forth by New York State.

On January 15, 2013, the NYS Education Department's Board of Regents granted St. Ann's Academy a three-year Provisional Charter, granting it an education corporation. For more information or to learn more about

how you can help support SAA, visit www.saacademy.org or call (607) 545-4060. Check out their facebook page to see the amazing things happening at SAA..... <https://www.facebook.com/StAnnsAcademyHornellNY>.

The SAA Board of Directors include Sister Dolores Ann Stein (principal), Jerome O'Connor '72 (president), Joan Coleman (vice-president), Hector Hoyos (treasurer), Laura Dagon Picco '94 (secretary), Jennifer Brovero-Monson, Dave Gray, Penny Sherburne Gray '82, and Mark Woodworth.

Visit the Hornell Erie Depot Museum!

The Hornell Erie Depot Museum, located at 111 Loder Street, was established in 2005 by the City of Hornell to honor the men and women of the Erie Railroad. Through generous donations from former Erie workers and their families, the museum houses an interesting and varied display of the railroad memorabilia. We encourage all of you to visit, look & read, or perhaps converse with the museums dedicated docents who have a plethora of information and stories to share.

Every June, local second graders are entertained at HEDM's Erie Educational Day. Educators Eric Jones & Julie Prunoske, Civil War reenactors, and retired teachers Ann & Pat Quackenbush, have presented early American history on the lawn of the museum. While inside the museum, story stations are manned by Mayor Shawn Hogan, along with his daughter Ashley Striker, who presents the story of his father, Mayor Francis Hogan and his wife Yolanda, christening the Hornell Tug Boat in the New York harbor in 1952. Our Erie Educational

Day is a fun-filled day, sharing history with the youth of the Canisteo Valley.

In 2013, the museum launched its Hornell Erie Depot Museum Memorial. Those

inspired us to offer an opportunity for the community to honor railroad friends and family on our Hornell Erie Depot Museum Memorial. Forms for a memorial plate are available at 17 local business including Hornell City Hall, Hornell Erie Depot Museum, online at the City of Hornell's web site, and the HEDM Facebook page.

Hornell native James J. Burke wanted to commemorate the world of the Erie, so he commissioned artist Rich Pedersen to paint four Erie paintings. With meticulous care, Mr. Pedersen presented a night view of the Hornell Erie Depot. He then went on to paint the Erie shops. In May of 2013, Rich Pedersen donated his Erie prints to the museum. He left this area rich in friendships with the wonderful people he met while researching for these paintings. We will be

forever in his debt for his generous donation of these beautiful prints. All four prints are for sale at the Hornell Erie Depot Museum and Hornell City Hall.

Congratulations On Your Retirement, Ron Lockwood '68!

Ron Lockwood is a proud graduate of the HHS class of 1968. He started working for Wegmans in 1967 while he was a student in high school. He didn't know that working part-time for a supermarket would change the course of his life. He held various positions in store operations during his career with Wegmans, including stops at nine stores in Rochester.

In 1979, Ron was promoted to Store Manager at the Hornell Wegmans. He helped open sixteen stores in New York, Pennsylvania, and New Jersey. Lockwood will never forget the feeling of driving into the parking lot on June 11, 1995 and experiencing the excitement of Grand Opening Day of the new Wegmans Superstore. Ron is grateful to have had the opportunity to spend his entire career working for a world class organization with so many wonderful and caring people. He states that it has been an enjoyable, fulfilling, & rewarding journey, and feels that Hornell is a great place to live, work, & raise a family.

Ron is looking forward to retirement with excitement. Although he will miss working with the Wegmans team and the Hornell community, Ron feels that retirement will be a very special time to spend with his wife & family, play some golf, travel, do more volunteer work, and enjoy & celebrate life. Lockwood looks back with pride on the goals that he has accomplished at Wegmans, and is grateful for the many wonderful memories.

Words cannot express the honor & pride that Ron has always felt being a part of the Hornell community, and serving its customers for the past forty-seven years. He hopes that he has made a difference in the lives & experiences of those customers & co-workers that he has come into contact with over his career. Lockwood appreciates the support and commitment that the Hornell community has always given him. People have asked Ron, "If you had to do it over, what would you change?" He tells them, "Absolutely nothing."

Local Scouts Honored as Heroes

Four local Boy Scouts, Lee Cornish, Aiden Libordi, Noah McHenry and Sam Argentieri, received Honor Medals during a ceremony at The Main Place last June. The Honor Medal is awarded to youth members or adult leaders who demonstrate notable heroism and skill in saving or attempting to save a life in considerably risky situations. The four scouts achieved this honor after aiding three men trapped in a collapsed building in Mount Morris in April of 2012. Mitch Cornish, assistant scoutmaster, and the boys were headed home from the Naval Park in Buffalo when they witnessed the scene and immediately helped the men escape. Mayor Shawn Hogan gave each Scout a key to the city. Cornish was awarded the Five Rivers Council Certificate of Merit. All of them felt overwhelmed, humbled, and very grateful to be recognized in such a wonderful manner.

Saluting Our Veterans

Last November, the Hornell community saluted our veterans with many different events being held throughout the city. The Field of Honor, located in front of Steuben Trust Company, displayed 315 American flags to honor veterans and first responders. The students from St. Ann's Academy performed a medley of patriotic songs for the public. This was the third year that St. Ann's has hosted this event.

Miss Lisa's Artistry of Dance put on "A Salute to Our Veterans" dance recital at the Hornell High School. Mayor Shawn Hogan, Assemblyman Philip Palmesano, and Police Chief Ted Murray all introduced different dances, thanked the veterans, and included a short story of how a veteran had changed their lives.

Finally, city of Hornell officials gathered on the Broadway Mall to honor past and present soldiers during a Veterans Day Ceremony. The Hornell High School Select Choir performed the National Anthem. Many wreaths were placed to pay tribute to our veterans. The HHS School Concert Band and Choir performed "God Bless America" and an Armed Forces medley of songs. The playing of Taps and a benediction closed the ceremony.

Family Celebrates 200 Years

On June 16, 2013, the Bennett family and the community of Howard gathered to see their family farm passed on to the next generation. Howard Flats Farm is the largest continuously owned family farm in New York State. It started with Daniel N. Bennett, then went to George Bennett, Bert Bennett, Byron Bennett, and currently Phil Bennett.

With his wife Juanita, they are now turning it over to the next generation. State Senator Thomas F. O'Mara and Assemblyman Philip A. Palmesano were present at the farm to witness this milestone event. After receiving state and national recognition, the Bennett family hosted a catered picnic for the community at its camp overlooking the farm.

Howard Flats Farm has been in the Bennett family for six generations.

Joseph Garcia '01

Last August, Joseph Garcia, a member of the HHS class of 2001, took over Joe's Barber Shop from Tony Armeli '61, whose father, Joseph, ran the shop for fifty-two years. Garcia first encountered taking over Joe's Barber Shop when he overheard people saying that Tony was retiring but didn't just want to shut the shop down. So, Garcia talked to him about purchasing the business. Garcia wanted to keep a business going. He was very happy about taking over the shop, and stated that he takes pride in what he does. He feels that in a small town like Hornell, it's more personal, and you have a closer relationship with your clients. You can talk more, and you see them out a lot. In a big city, it's just not as personal.

Mark McAnany '79 Earns Award

Mark J. McAnany graduated from Hornell High School in 1979. He was named the 2013 Engineer of the Year by the American Society of Civil Engineers (ASCE). This special recognition is awarded to an engineer with three decades of experience working on major transportation projects throughout the Rochester region, New York State, and the Northeastern United States. McAnany, a graduate of the State University of New York @ Buffalo, began his career with Bergmann Associates in 1983. He is currently managing Bergmann's largest highway project to date: a \$240 million Interstate-81/NY 17 Interchange reconstruction project. He's also been a leader in the American Council of Engineering companies of New York.

Mark's career choice was inspired by his father, John "Jack" who was a civil engineer with the NYS Department of Transportation in Hornell. His brother, Paul of Hornell, is the regional traffic and safety engineer with the DOT. His mom, Mildred, continues to live in his hometown on Erie Avenue. McAnany, his wife Elaine, and their family reside in Ogden.

Simon Family Tradition Kept Alive

Former managing editor of the Wellsville Daily Reporter, Neal Simon, joined the Hornell Evening Tribune in January of 2012, and was named the city editor last September. John Anderson, GateHouse Media Southern Tier Regional Editor, states that Simon's popular columns in the Sunday Spectator are a must-

read. Neal is a respected veteran journalist in the newsroom. The fact that his uncle, Kelly Simon (Tribune City Editor) and father Lou Simon (Tribune Sports Editor), had the same deep ties to Western New York and the Evening Tribune makes this appointment an honor. Simon believes the Tribune is a

definitive source of news for Hornell and the surrounding area. His goal is to not only maintain, but to expand news coverage. He is very excited about his new responsibilities, and is extremely grateful that John Anderson and Jim Murphy (Tribune publisher) gave him this opportunity. Congratulations, Neal!

HHS Celebrates Senior-to-Senior Day

The Hornell High School class of 2014 held its annual Senior-to-Senior Day event where the 12th grade students and their grandparents join together for a day of fun. The day began with a continental breakfast in the cafeteria, followed by a tour around the school. After the tour, performances were put on by the HHS choirs and pep band. Following the performances, the seniors and their grandparents gathered for a lunch prepared by the cafeteria staff.

Grandparents enjoyed spending the day at the high school with the 2014 graduates on 'Senior-to-Senior' Day. Pictured are (clockwise) Ann Mauro, Mike Mauro, Joe Mauro, Jerry Walker, Matt Mauro, and Jackie Walker. Mike and Matt are the sons of Joe '76 and Teri Walker Mauro '76.

Doug's will Bloom Under New Ownership

Doug's Flower Shop opened on December 7, 1977 helping put smiles on the faces of customers for over thirty-six years. The owners, Doug and Bev Gilbert, have been deeply involved in the Hornell community. On November 1, 2013 a transition began between the owners, transferring the well-known business to Dan and Becky Canfield. Becky worked for Doug while obtaining her degree in floriculture merchandising at Alfred

State College. Aside from Becky Canfield's educational background, running a floral shop is not new to the Canfield's. They have owned Berry Vine Creations in Arkport for more than five years.

Now that they are retired, Doug and Bev Gilbert look forward to enjoying some free time, and will do some traveling. Their sons, Jonathan and Kevin, reside in Charlotte, NC.

Original Flag at Iwo Jima

Dennison "Denny" Coates was a witness to the first flag raising on the island of Iwo Jima on February 23, 1945. However, within minutes, the flag was later replaced by a bigger, more visible one. A photograph was taken of the second flag raising, and became iconic for WWII. The battle for Iwo Jima was thirty-six days long and we lost 5,931 soldiers in the process. Coates drove a Landing Ship

Tank onto shore in the invasion of Iwo Jima. He was later awarded a Purple Heart.

Coates was a well-known and popular Hornell businessman who ran Coates Auto Service for many years. He was also a Canaseraga firefighter and New York State trooper. Denny passed away on September 15, 2013.

Gus Macker 2013

Even rain could not stop Hornell's 16-year tradition of the Gus Macker Tournament. Zach Bacon '13 was honored in a surprise ceremony on the first day of Gus Macker. Bacon was the first Hornell athlete to ever capture state titles in two sports. He received three titles in football and one in wrestling. The ceremony was organized by State Assemblymen Phil Palmesano and Bill Nojay, along with State Senator Tom O'Mara. Later that day, St. Ann's Academy sponsored a \$10,000 half-court shot. The shot was missed but it added new excitement to the tournament.

Hornell left Gus Macker event managers impressed and eager to return to Maple City. They noted that our sense of community and local representation provided the perfect atmosphere for this friendly tournament. Volunteers were described as a "well-oiled machine," and pulled off another great weekend of basketball.

Get ready for Gus Macker Weekend this summer. The event will take place on July 26th and 27th. For more information, please contact the Hornell YMCA at 607-324-5520 or visit their website.

Betsy Shults & Family Open Art Show

Betsy Shults strikes a pose with her artwork

Last fall, Betsy Shults had an art show with her family at the Hornell Arts Center which is located in the old Ponderosa building on Broadway Mall. The art display, which was inspired by her life & work history, featured a variety of paintings, photos & sculptures from Betsy and her family. Other projects involved in the show were from her daughter, Laura Shults Stella; her son-in-law, Andy Stella; and family members, Sherman Finch & Krista Finch Steinke.

In her thirties, Shults discovered her affection for drawing. She discovered art out of a need for something more, an affinity to have something all her own. Shults' art reflects the idea of being alone with yourself. She refers to her pieces as introspective and contemplative. Most of her paintings and sculptures include depictions of people.

The art show at the Hornell Arts Center was a huge success. Congrats to the Shults family!

Ian and Lori Cramp are the owners of Billy Schu's Restaurant which is located on Seneca Street in Hornell. When they took over the establishment ten years ago, there was a tradition that started in 1985 that they still continue to keep. It is to feed people for free on Thanksgiving Day. The Cramp's and forty-five other volunteers were happy with the established a new record

last fall, serving 245 Thanksgiving meals for anyone in need. Because of these kind people who gave their time and generosity, Billy Schu's provided community members with a warm, happy environment to enjoy a dinner so they wouldn't be lonely during the holiday. Friends, family, and even strangers were happy with the service they received.

Dylan Dunn '11

Alexandria Argentieri '10

Alexandria Argentieri graduated from Hornell High School in 2010. She is the daughter of Shellene Nasca '87. Her grandparents are William Nasca '51 and the late Margaret Brown Nasca '57. Alexandria attends St. John Fisher, and is a member of the class of 2014. She was awarded The Science Fellow by the School of Arts & Sciences Grant for the summer of 2013. Her summer was spent working in a laboratory and studying nanotechnology. Alexandria worked closely with her mentor, Dr. Fernando Onviteros, who is the head of the Nanobiology Department. Her study included creation and extensive research of lipid-based nanoparticles that she tested and manipulated for target-specified treatment of disease in cells. Nanotechnology is one of the newest and most promising leads in the fight against cancer and other diseases. Site specified treatments avoid damaging healthy cells in the body, and are programmed to target the damaged ones.

Alexandria presented her findings and research on November 9, 2013 to the Rochester Academy of Science at Nazareth College.

Alexandria Argentieri '10 proudly displays her research project.

Attention HHS Alumni Transcript Archive Available in the Guidance Office!

There is an archive of students who attended and/or graduated from Hornell High School. The files have transcripts that date back to the early 1900's and are sorted alphabetically. A lot of the transcripts from the 1900's thru 1930's have photos attached. The actual form varied over the years but most of them have courses with grades, parent names, address, date of birth, what school the student transferred from & when, their graduation date or why they left before graduating (to go to work, to war, etc). Some include rank & average, diploma type, PSAT, and SAT scores. There are older transcripts that even have I.Q.'s listed, elementary grades, state tests, and health records.

Students transferred to the high school from Columbian, Bryant, Lincoln, North Hornell, St. Ann's, Irving, and Washington Schools. Some of them even transferred from the one room schools like Big Creek and Crosby Creek. There is a lot of family history in this archive. When you flip through the files, it is easy to tell which students were siblings, and if their parents and/or grandparents also attended Hornell High School. Some of them were born at home, and had no documentation of their actual birth date. There is a lot of family history in these files.

Almost daily, the guidance office receives calls from companies that do background checks on potential new employees to confirm high school graduation. A high school transcript is confidential, which means the public is not permitted to come in and just browse through the files. If a former student of any age that is applying to college or would like a copy of their transcript, please contact the high school via a phone call, email, or a written request. A copy of your driver's license is necessary in order to obtain your transcript. Ladies, please remember that you need to provide your maiden name.

To Whom It May Concern:

I have written this letter in hopes that it may be received by someone who may have knowledge of the following historical events. I met Mrs. Marion Faulkner several years ago at a social function in Lancaster, PA. It appears that the two of us lived in Hornell at the same time, and enjoyed some similar circumstances.

My family moved from Bath to North Hornell in 1930 when I was five years old. In those days, there was no such grade called kindergarten nor was there a device known as a school bus. My walk from home to North Hornell School was not very long. I still have the carpenter hammer that I found on the way to school that first day!

We lived at 404 Seneca Road in a house owned by the Landers. Two blocks behind our house was Blades Paving Co. My dad opened a business known as Higgs Tire Shop that was located in Horton's Gas Station across the street from The Big Elms Restaurant. Several years after we moved, my

mom gave birth to my sister Phyllis at Bethesda Hospital. I recall watching circus construction and their shows in several fields near us. Our family employed the habit of going for rides on Sunday afternoons. We sometimes went to Arkport to see their airport which contained a device known as an autogyro.

Although the school was relatively new, it had only four large classrooms, each of which contained two grades. It also had an auditorium and possibly a gym. Behind the school was a hilly golf course. We used its hills in the winter for sledding. Classmates and neighbors whose names I remember are John Johnson, Kenneth Just, Robert Rowe, George Smith (whose father was an executive at Steuben Trust), and my neighbor, Earl New. I also recall the Vogel, Callahan, Strobel, and Hubert families. A man by the name of Mal Fletcher was a friend of my folks. He was a local piano tuner. When not in school, I sometimes accompanied Mal into the countryside to collect upright pianos which he carried on the rear bumper of his car!

My family belonged to a large Methodist church that was located on the edge of a park in downtown Hornell. This is where my sister and I were baptized. When I was about ten years old, we moved to Elmira. After a short stay there, we moved again to Canisteo where my father opened a new Horton gas station in the center of town. At age eleven, my family returned to our hometown of Akron, Ohio.

Although I didn't live in the Hornell area for very long, I continue to have wonderful memories. Does any of the above information sound familiar to the older alumni? I just wanted to share my thoughts with you.

Thank you for your time,

Bill Higgs

Congratulations Colin McDaniels '16

Colin McDaniels is a 10th grader at Hornell High School, and will graduate in 2016. Recently, he was appointed Detachment of New York Assistant Sergeant at Arms for the Sons of the American Legion for the 2013-14 year, along with his grandfather Joe Cleveland '68. This is a huge honor for any minor as the average age of membership in New York is in the mid-to -late forties.

Colin also holds offices at district, county, and the local level. In true fashion of the SAL motto, he believes in 'service before self', and

is very active in his community.

Colin enjoys telling people about his eligibility through his late grandfather, Paul "Mac" McDaniels '41 who served in the United States Marines Corps. during WWII. He also takes great pride in sharing his knowledge of Americanism and Patriotism.

Colin is the son of Thomas and Colleen Cleveland McDaniels '91. He has two sisters MacKayla '19 and MacKenzie '23. Congratulations to Colin and his family.

World War II Memorial Plaque

A memorial plaque bearing the names of seventy-four (74) Hornell residents who paid the ultimate sacrifice and died during World War II was moved from the OLD Hornell High School (currently the Intermediate School) to where the veterans monuments are located on the Broadway Mall. Mayor Shawn Hogan stated that a rededication ceremony to unveil the plaque took place on Memorial Day. Many descendants of those whose names are on the plaque attended. "I am proud that the city was able to honor those listed in this way," he said.

Curt & Ryan Flaitz: PANT SAGGIN DEZIGN (PSD)

Hornell brothers strike it big with their clothing company. Pictured are (left to right) Curt Flaitz, NBA player Mike Miller, Ryan Flaitz, and recording artist Vanilla Ice. The PSD clothing brand created by the Flaitz brothers has opened offices in Los Angeles and inked endorsement deals with a large number of high-profile athletes and musicians. That list includes Buffalo Bills wide receiver Stevie Johnson, rapper Big Sean, UFC fighter Chris Weidman, and

NBA players Chris "Birdman" Anderson, Kevin Durant, & Udonis Haslem. This is an incredible story. To read more about the Flaitz brothers and their success, please Google: Almost Somebody, Pant Saggin Dezign, Evening Tribune...or follow this link:

HHS Vocal Music Students Honored with Awards!

Congratulations to these HHS students who participated in the vocal music competition in Annapolis, MD.

This past April, the Hornell High School Choirs travelled to Annapolis, MD for their annual competition trip. Consisting of sixty-seven (67) students, the festival weekend was packed with opportunities for them to enjoy the Baltimore Harbor, Hard Rock Café, and the National Aquarium. The students also took in a concert at the Annapolis Naval Academy featuring the Men's Choir.

Under the direction of Christopher J. van Leeuwen and accompanied by Eric Prentice '85, the five choirs performed for three nationally renowned musicians from the Naval Academy & the University of Maryland, and received high honors. The Jazz & Vox Feminam ensembles received Silver Ratings, and the Senior High, Women's, & Show

Choir(s) all received Gold Ratings.

However, the greatest accomplishment was announced when Hornell was selected as the recipient of the Spirit of Annapolis Award. This award is distributed to one district (out of 11) who demonstrated honor, integrity, and respect throughout the weekend. The festival company interviews restaurants, attraction site workers, bus drivers, and hotel staff in order to determine which school carries themselves with professionalism and courtesy. Once again, our vocal music students have carried themselves with distinction while demonstrating composure and commitment to their craft, their community, and themselves.

Dear Hornell Alumni,
Greetings from Hornell High School!
It's that time again to SAVE THE DATE for the 2nd Annual HHS Alumni Choir performance!

The Alumni Choir 2015 performance will be Saturday, May 30, 2015 at 7:00pm. We will rehearse Friday May 29th from 5pm - 9pm and Saturday May 30th from 9am - 3pm (lunch will be provided). It is my hope to have the alumni choir perform three or four pieces on their own at the concert Saturday evening, and then join the Senior High Choir to conclude the concert with a combined piece.

Please feel free to share this information with anyone that you know. Again, the Alumni Choir is open to any graduate who sang as a Hornell student. This is a

wonderful singing experience.

If you are interested in being a member of the Alumni Choir 2015, please feel free to telephone me at 607-324-1303 (ext. 1682), or send me an email: chris.van.leeuwen@hornellcsd.org

I'm extremely excited to see Hornell's choral alumni all together performing as one powerful ensemble. Please feel free to contact me if you have any questions. I hope you are well and happy in your post-high school lives. Take care.

Sincerely and Respectfully in Music,
Christopher J. van Leeuwen

A 35th Celebration!

Bill Bishop and Steve DeSanto

The Bishop & Johnson Funeral Home, Inc. at 285 Main St., Hornell celebrated its 35th Anniversary on May 6, 2014. Bill Bishop '72 and the late Chuck Johnson '75 purchased the Nugent family homestead in February of 1979. The home was extensively remodeled to meet the needs of the families that they would be serving. The funeral home opened officially on May 6, 1979.

After the untimely and unexpected death of Chuck Johnson at the age of 34 on May 6, 1991 (the 12th anniversary of the opening of the Bishop & Johnson Funeral Home, Inc.), Bill Bishop continued the operation of the funeral home. In March of 1997, he purchased the former Bond-Davis Funeral

Home of Avoca, now named the Avoca Funeral Home. In September of 1997, Steve DeSanto '85, a Hornell native and licensed funeral director, became associated with both funeral homes.

Bill Bishop and Steve DeSanto are very grateful to the many families that have called upon them over the past 35 years. They will continue to do their very best to earn the trust of Hornell area families.

41ST ANNUAL SPORTS Nite

The Hornell Varsity Cheerleading Team received the 'Athletes of the Year' Award at the 41st Annual Sports Nite Banquet. They are pictured above with the honored guests.

A HUGE SUCCESS!

The special guests and award recipients took time out for a group photo before the Sports Nite festivities began. Pictured are (l. to r.) Tiki Barber, James Wagner, Ray "Boom Boom" Mancini, Sparky Lyle, John Falci, Dennis Deninger, Regina Gambino, Anthony Falco, and Jim Gallagher.

The 41st edition of the annual Sports Night festivities is officially in the books. A crowd of over 320 area sports fans piled into The Main Place (formerly known as the K of C) for a meet-and-greet with former NY Giants running back Tiki Barber, former NY Yankees

pitching great Sparky Lyle, Ray "Boom Boom" Mancini who held the World Boxing Association lightweight championship from 1982 to 1984, and humorist Jim Gallagher. Sports Night committee chairman Anthony Falco '84 welcomed the guests, Dennis

Deninger '69 was the Master of Ceremonies, and North Hornell Mayor John Falci presented the opening and closing prayers.

In addition to rubbing elbows with the pros, several local sports stars were recognized. Regina "Regi" O'Connor Gambino '77, head coach of the Hornell Red Raider cheerleading team, was named the Sports Woman of the Year, while her squad was voted Athletes of the Year. Hornell High School student James Wagner was also presented with the Achievement Award.

The Sports Night event has raised thousands upon thousands of dollars, not only for area Special Olympics, but also for various youth sports programs throughout the region. A wonderful time was had by everyone in attendance. Congratulations to Coach Gambino, the entire cheerleading squad, and James Wagner for being recognized and honored in such a deserving way.

~ REMEMBER ~

What matters most is how you see yourself.

Thank You

for your Donation!

John '53 and Barb Sheon Scroton '54 traveled from Florida to visit Hornell last June for John's 60th high school reunion. They graciously donated some very old HHS yearbooks ('The Volcano') that once belonged to his grandmother and mother to the Alumni Association's archives. The HHSAA has a number of interesting items, artifacts,

pictures, and memorabilia that have been collected over the years. If any alumnus is interested in viewing these items, please feel free to ask any Board member where they are stored. The HHSAA Board is currently looking into reserving a small room at the high school to display these wonderful items. Pictured below are John, Barb (right), and their very good friend, Carol Alexander Rice (left) who resides in North Hornell. Thanks again for thinking of us!

UPCOMING REUNIONS

Class of 1954 - 60 Year Reunion

Plans are underway for our 60th reunion celebration. It's hard to believe that it has been sixty years that we have been out of high school. In June of 1954, could we have ever imagined this occasion?!? The committee is hard at work making plans for a dinner on Friday evening,

June 27, 2014 at the Main Place (former Knights of Columbus) at 251 Main Street in Hornell. We are planning a happy hour with appetizers and a cash bar from 5:00-6:00 pm with a buffet dinner to follow at 6:30. Our reunion committee hopes to see you there!

Class of 1955 - 59 Year Reunion

This year's reunion for the class of 1955 will be at Veteran's Memorial Park (formerly James Street Park). We will once again have a picnic catered by Andy Carbone from J.C.'s Café. This year's picnic will take place on August 16, 2014. You may recall that a few years ago your classmates voted to set a date for future reunions to be the second Saturday in August. Please note that this year only, it was necessary to move the event to the third Saturday of the month. We apologize for any inconvenience this may have caused. We trust that

you will be able to adjust your plans accordingly.

Reunion registration information has likely already arrived in your mailbox. Just a reminder that the 2015 reunion will be our 60th. We will go back to the agreed upon second Saturday of August which is August 8, 2015. We always have a great time, and lots of laughs seeing & visiting with classmates. We hope to see all of you there!

If you have any questions, please contact George Prior: georgepriorlink.com or 607-698-9273.

Class of 1956 - 58 Year Reunion

The HHS class of 1956 will celebrate their 58th anniversary by having a picnic on Saturday, August 9, 2014 at the Arkport Village Park Pavilion. The reunion committee will host the event and provide the desserts. Tom and Marcia Davis, owners of the Sunset Restaurant, will cater the buffet luncheon. An informational letter was sent to all classmates in January outlining the details. Please consult your social calendar and plan to attend.

This year's event will include the members of the class of 1957.

They have expressed serious interest in joining us. Please consider helping us to welcome them to our gathering. We are sure that this "joint reunion" will prove to be very interesting, and should re-kindle old friendships & memories.

Direct your reservations to: Deloris Nicholson Perkins by July 31, 2014. The winner of the 50/50 raffle will be drawn at the picnic. Also, a scholarship drive is currently underway to benefit a worthy 2014 graduating student enrolled in a college or university.

The date for the joint class reunion will be August 9, 2014 beginning at noon at the Arkport Village Park Pavilion, Arkport, NY. The cost of the picnic is \$15.00 per person. The picnic will be catered by The Sunset Restaurant of Hornell. The menu will consist of baked chicken with rice pilaf, italian sausage with peppers & onions, baked beans, tossed salad, and beef on weck. The committee will provide soft drinks, coffee, bottled water, and desserts.

The facility has restrooms with lights and running water. It is a

covered pavilion that has a separate gazebo, shade trees, and plenty of street parking. All garbage must be removed after the picnic.

This year we will have a 50/50 raffle to benefit our scholarship fund. The drawing will take place after the luncheon. You should have received your tickets with the reservation letter that was mailed to you. There will also be an opportunity to purchase them at our picnic. Last year's recipient of our annual \$1000.00 scholarship award went to David Kimball '13. Helen Price won the 50/50 raffle for \$100.00. Congratulations to both of you.

We're looking forward to seeing our classmates in August.

The Class of 1956 will present a \$2,000.00 scholarship to a deserving 2014 Hornell High School graduate that is enrolled in a college or university. The grant will be given in memory of all sixty-one (61) classmates that have gone before us. This gift is a tribute to their collective accomplishments since their days at HHS. Sadly, we have lost two classmates in the past year. All of them are with us in spirit and will always be remembered.

This year's gift to the Hornell Alumni Association marks a total of \$36,000 since we celebrated our 50th anniversary in 2006. Thanks to all of our very loyal classmates that have supported this worthy class project.

Class of 1969 - 45 Year Reunion

This year, the class of 1969 celebrates 45 years since we exited the hallowed halls of HHS. These forty-five years have flown by. It seems like yesterday that all of us were walking the halls of our beloved Alma Mater, meeting in the Rotunda, enjoying the Classic, making "undercover" trips to the Sanitarium, performing in plays & concerts, going to sporting events to cheer on our classmates & friends, etc.

We are keeping our celebration of this milestone simple this year! On Friday, June 27th, we are holding our "mixer" at Club 57 on Seneca Road. We will get "reacquainted", enjoying BYO (BUY your own!) drinks at the bar. The menu at Club 57 also contains a wide array of snacks/appetizers that we can purchase on our own. That means no "upfront" cost to you...no \$\$ to send in now! We would, however, ask you to email/text/facebook one of us to let us know if you plan to be there...only so that we can let "The Club" know an approximate number so that they can staff accordingly. Plan to arrive at 8 pm...and stay as late as you wish! OR...you and a group of friends might want to make reservations for dinner before 8 pm and be there to greet classmates as they arrive.

On Saturday evening, the Annual Alumni Banquet will be held at The Main Place (formerly the K of C) on Main Street. Please

see details in the center of this News Journal and register to attend. The Alumni Association will seat us together if you indicate that you are a member of the AWESOME Class of 69! Your reservation and \$\$ should be sent directly to the Alumni Association.

No mailings going out...so PLEASE, PLEASE, PLEASE spread the word. We do have a Facebook page, so if you are on Facebook, go to "Hornell High School Class of 69". If you aren't already a member, please join. Classmates are encouraged to post an update on where you are, reconnect with old friends, watch for posts of interest on the reunion, or on other matters of interest!

We hope to see lots of friends the last weekend in June. This will be a great time to celebrate, catch up, and just have a good time! For further information and/or to let the reunion committee know whether or not you can attend, please feel free to contact: Ellen Dagon (607-968-6535, ellen_dagon@yahoo.com), MaryEllen Poorman Cornetta (607-661-9161, mecornetta@gmail.com), Sandy Larnard Johnson (607-368-0088), OR join us on Facebook!

See you soon!

Saturday will find us at Sue Gray's home on Bald Hill for brunch (11:00am-2:00pm), and that evening at the Main Place (formerly the K of C) for the Annual Alumni Banquet.

We have been challenged by the class of 1954 to beat their donation of \$5000 to the Hornell Alumni Association Scholarship Fund. The committee sold 50/50 raffle tickets at the home Red

Raider basketball games and raised \$735. We would like to thank our classmates who have made donations to our scholarship fund so that we may be able to meet this goal.

The reunion committee members are Sue Gray, Lynn Rymal Wilson, Linda Holevinski Kyler, Larry Carroll, H. Joseph Donlon, and Sharon Brunskill Simons. We are still looking for Donald Cook and David Meeks. If anyone knows where they are, please let Sharon Brunskill Simons know at sharon14843@yahoo.com. Hope to see all of our classmates in June.

The class of 1951 celebrated its 62nd reunion with a picnic at Veterans Park on Sunday, September 8, 2013. Alumni came from Buffalo, Rochester, Baldwinsville, and the Hornell area. Everyone enjoyed renewing old friendships, and also loved all of the wonderful food that was provided by those in attendance. As usual, Charlie Brewer did an

excellent job manning the grill. We discussed with sadness the number of classmates who are no longer with us.

Our next annual picnic will be held on Sunday, September 7, 2014. As a reminder, our reunions are always held on the Sunday after Labor Day.

Members of the class of 1955 celebrated a wonderful reunion. There was a very nice turn out, and we had lots of fun figuring out who all those other "old" people were! We enjoyed lots of laughs remembering the "good ole days". We gathered at Veteran's Memorial Park (formerly James Street Park) once

again, and it was a nice, relaxing day. We all enjoyed a tasty picnic meal catered by Andy Carbone from J.C.'s Café. Sitting in the shade under those great old Hornell maple trees was an added bonus. Thanks to all of those that attended. It was great to see all of you.

The Sunset Restaurant, owned and operated by Tom & Marcia Davis, catered the buffet luncheon. The reunion committee provided desserts.

Bill Clifford of Hornell was the winner of the 50/50 raffle. He very graciously donated most of his share back to the scholarship fund.

Thank you again Bill for your generous gesture.

Renewing friendships and enjoying each other's company is what reunions are all about. Pictured are Mary Theresa Candiello McCann, Pete Gath, Jim Prior, and Jim Moss.

The class of 1963 celebrated their 50th year reunion in June of 2013. It was a remarkable weekend with the festivities beginning Friday night at the American Legion. The class reunited and reminisced about the good ole days, and caught up with each other's lives from the past fifty years. Returnees traveled from California, Texas, Arizona, and Florida... just to name a few.

Many classmates generously contributed to our scholarship fund. We raised \$3500 to be distributed over the next five years to a graduating senior. The 2013 recipient of \$500 was awarded to Tatiana Cavalietti. Also celebrated over the weekend was the 54-year graduation from St. Ann's School. Twenty-three of the thirty-nine students were in attendance.

Saturday night, the class was honored at the Annual Alumni As-

sociation Banquet which was held at The Main Place (formerly known as the K of C). Classmates enjoyed dinner, dancing, and more conversations with one another as well mingling with others who were in attendance. A plan for our 55th celebration was widely accepted, and hopefully we will be together again soon.

Our 50th reunion committee worked very hard throughout the year to make this celebration a huge success. They are Mary Sherman Amphlett, Martha Perley Bartle, Kathy Danaher Caruso, Lenny Caruso, Sue Lange Edington, John Fortuna, Sue Van Oxx Baker, Jim Locker, Mary Jane Gironde Lloyd, and Jim Prior. Thank you to the classmates who attended. A special thanks and much appreciation goes to the Hornell Alumni Association for their assistance in making our celebration a huge success.

A beautifully decorated and delicious cake was served after dinner.

Class of 1973 ~ 40 Year Reunion

The Hornell High School class of 1973 celebrated their 40th reunion with a gathering at RBI's last June. The reunion was attended by approximately 100 people. The event was a great success with friendships updated and memories rekindled.

Traveling the longest distance were Faye Woolgar Wickwire from Tacoma, Washington and Tracy Brewer from San Diego, California.....both about 2700 miles away! We're looking forward to seeing everyone during our 45th celebration in 2018!

Class of 1978 ~ 35 Year Reunion

The class of 1978 had their 35th high school reunion on July 13th, 2013 at the RBI Sports Pub in Hornell. Approximately sixty (60) classmates attended. The class was organized remotely using Facebook. Jim DiDio, who lives in Bedford Texas, created the facebook group '1978 Hornell High School Classmates' a few months before the reunion in hopes of getting the word out about a proposed reunion. Like wildfire, classmates found the group on Facebook and sent requests to be added.

Hornell for the reunion, conversing in the group sessions was exciting and rewarding.

There were several people who made large donations to ensure that the reunion happened. One, in particular, was Tom Testani who really wanted to be at the reunion but he was serving our country honorably. We sure missed him. There were a couple of others who asked to remain anonymous, but their gift was greatly appreciated.

Within a month, there were 125 classmates in the group. Our class size was approx 250, so we still have half the class yet to find the facebook group. If you didn't hear about it last year when we were trying to organize the reunion, perform a facebook-group-find for '1978 Hornell High School Classmates', and ask to be added to the group. Jim will receive the request and accept it. Then, you will be able to communicate with the classmates who have previously been added. It was fun watching so many join in for chat sessions, and catching-up after so many years. For many who wouldn't be able to make it to

The gracious financial gifts created a surplus for the event, and it allowed our class to contribute to sick kids related to two classmates. We sent \$240.00 to help the family of Lacie Olix who is a great-niece of both Ted Olix and Nancy Palmer. Our class also sent \$240.00 to the family of Riley Bentley who is the grandson of Monroe Rosemier. These two families had incurred many medical expenses, and truly appreciated our help.

Thank you to class of 1978 for going down memory lane last summer. We had a large turnout, and it was a great success. We hope that our next reunion will be even larger.

Members of the HHS class of 1978 had a great time at their 35th reunion!

Class of 1983 ~ 30 Year Reunion

The class of 1983 gathered to celebrate our 30th year reunion on July 13, 2013. We had an awesome response with approximately eighty (80) classmates attending. The party was held at the newly remodeled K of C which is now known as The Main Place. Our classmates enjoyed new owner Johnny Carbone's fabulous hors d'oeuvres and cash bar while we caught up with each other. We were honored to have musical entertainment provided our own classmates, Scott McVicker,

Billy Murphy, and Jim "Woody" Wood. The evening was a great success! Thanks to generous donations from those who attended, as well as those who couldn't make it, we raised \$1000 to put towards scholarship awards in the future. The reunion committee included: Teresa Mayo Sexton, Tom Wall, Kathleen Mahoney Porcaro, Kelly Farley Wightman, Debbie Clark Stewart, Julie Ohstrom Kline, and Karen Roselli Dagon.

Class of 1988 ~ 25 Year Reunion

The class of 1988 celebrated their 25th class reunion the weekend of June 28 and 29, 2013. It was a fun weekend which started with a 'Happy Hour' on Friday evening at Vinny's. We had approximately seventy-five (75) classmates in attendance. On Saturday afternoon, the class held a family barbeque

at Veterans Memorial Park. The reunion weekend was capped off at the Hornell Alumni Association Annual Banquet where our class was honored in celebration of our silver anniversary. Carl Marino was the guest speaker for our class, and did a wonderful job. It was great seeing everyone again!

Kerry Jeffrey Davis, Karen Johnson Earley, Audrea Stephens, Jessie Battle Knighton, and Michele Loper Flaitz enjoyed a wonderful 25th celebration.

Class of 2003 ~ 10 Year Reunion

The class of 2003 celebrated their 10 year reunion on July 20, 2013 at the Hornell Carducci Lodge. About sixty (60) classmates, along with a few teachers, attended the celebration. Andy Carbone provided the food for the occasion. The class had a great time catching up on the last 10 years, and enjoyed looking

through pictures that were put out on display by the committee. Each member of the class that attended was given a CD as a favor with popular songs from 2003. The committee has received great feedback by class members. We are looking forward to our 20th reunion in 2023!

Spring 2013

BASEBALL

The Raider baseball team finished the season last year at 6-13, falling to Byron Bergen 4-2 in sectional play. Caden Dunham and Rich Harkenrider won 3 and 2 games respectively on the mound. Matt Mauro was selected as a first team all-star. Many players gained valuable varsity experience which should benefit the team for the upcoming year. Key returners are Dan Crosby, Jack Henby, Matt Mauro, Mike Mauro, Jake Mulheisen, Matt Scheider, Matt Wheeler, and Caden Dunham.

On behalf of the coaching staff and all of the players, we sincerely thank the community for your continued support of any fundraising necessary to help with the baseball program.

2012-13 Hornell High School Baseball Team

SOFTBALL

The Hornell Softball Team experienced a rather disappointing season with a 1 tournament win, 16 losses, and a first round sectional loss to our league opponent Bath. The girls did receive the 2013 Livingston County Team Sportsmanship Award. Departing seniors included Morgan Lomax (Livingston County All-Star), Sara McAllister,

Katlyn Kelly, Caty Drake, Kacy Carson, Danielle Henry, Amber Clark, Morgan Tobin, and Liz Krisher.

BOYS TRACK & FIELD

The Hornell boys outdoor track and field team had a very strong 2013 campaign. Despite finishing the LCAA season 2-3, the boys were competitive in every meet, literally "in it" down to the last event. Another outstanding squad of throwers, coached by Lisa Rosica, dominated the league on Tuesday afternoons. Seniors Zach Bacon, Dustin Johnson, and Pat Deeb led the way in the Shot Put and Discus.

On the track, the Raiders had tremendous quality, just not enough quantity. The 400M Relay (seniors Brendan Buisch, James

Cipriano, Nils Kirschstein, and Marcus McClinton) finished first at the LCAA Meet and fourth at the Section V Championships. Bacon was the LCAA Discus Champion with a personal best of 141-06. He also finished fourth in the Shot Put. Senior Dustin Johnson led for Hornell in the Shot with a third place put. Also at the LCAA's, Cipriano was second in the 100M Dash, junior Luke Morgan soared to second in the Pole Vault, senior Trevor Stiles raced to a fourth in the 800M Run, and junior Jacob Kramer ran, hurdled, and splashed to a sixth place in the 3000M Steeplechase.

At the Section V Championships (along with 400M Relay-4th), Morgan took second in the Pole Vault, Bacon placed fourth in the Discus, Trevor Stiles was fifth in the 400M Hurdles, and Kramer finished fifth in the Steeplechase. Moving on to the State Qualifier Meet, Stiles and Morgan both set personal bests: Trevor in the 800M Run (2:00.67) for third and Luke in the Pole Vault (12-06) for fifth. Zach Bacon finished third in the Discus.

A special "thank you" goes out to Mr. Jerry McAneney who, in addition to grooming the younger talent on the Modified team, has for many years coached our vaulters and helped them "sky." With the class of 2013, the Hornell Track and Field team had some of the top performers in Section V this year.

GIRLS TRACK & FIELD

The girls outdoor track and field had another successful spring in the highly competitive LCAA Division 1. The team won Wellsville's Spring Day and compiled a 2-3 league record, with several athletes earning all-star status: Senior Colleen Smith in the sprints and horizontal jumps, freshman Mariah Smith in the distances, senior Gabrielle Macool and freshman Jocelyn Brittingham in the hurdles, and senior Megan Guarglia in the throws. These selections indicate the balance of talent in the program.

The season's biggest stand-out was Colleen Smith, who was the MVP of Wellsville Spring Day, the Class B 100 meter sectional champion, and represented the Lady Raiders in the 100, long jump, and triple jump at the State Qualifier meet. Colleen will continue her track career at Ithaca College and Gabrielle will compete for Fredonia. The team's other seniors included Brianna Buxton and Josie Cruiser in the throws, and distance runner Nicole Smith, all of whom were multi-year veterans who provided leadership and many points for the team in each competition. They will be hard to replace, but a core of young talent bodes well for the 2014 season.

TENNIS

The tennis team had an overall record 8-4 and placed 2nd in Livingston County Division I. We advanced to the Class B Semifinals before losing to Penn Yan. **Individual accomplishments:** Elliott Flint and Jimmy Dagon placed 2nd in the Livingston County Qualifiers. They advanced into the 3rd round of individual sectionals. Elliott Flint was chosen 1st Team All-Star by the Livingston County Coaches.

GOLF

The varsity golf team, under head coach Amy Feeley Clark, had a strong showing in Section V last season. Senior standout Matthew Smith along with juniors Andrew Cappadonia & Michael Guarglia, and sophomores Jonathan Argentieri, Adam Lindeman, & Brandon Vosburg contributed to a 7-3 overall record. As a result of their consistent season play, all six of these golfers qualified for the LCCA County Tournament hosted at the Bath Country Club.

Fall 2013

FOOTBALL

2013 was a difficult season for the Hornell Red Raider Football Team. After graduating 16 seniors from a 12 - 1 team that lost in the NYS Championship game in 2012, Hornell struggled to a 1 - 7 record. Playing with a team comprised of mostly freshmen and sophomores, the Red Raiders did finish the season on a positive note with a win at home versus Holley. Seniors Matt Mauro and Luke Morgan were selected to the Livingston County All-Star Team. Coach Erik Werner would like to personally thank his group of seniors for their dedication to the program and leadership during very tough times: Andrew Cappadonia, Conner Eveland, Matt Mauro, Luke Morgan, and Devon Wallace.

The Annual Hornell Football Golf Tournament is scheduled for Sunday, July 20th at Twin Hickory Golf Club in Hornell. For more information, please email Coach Werner at erik.werner@hornellcsd.org.

BOYS SOCCER

Record: 13-6 **Team:** Won the Olean Tournament for the 10th time. We placed 2nd in Livingston County Division I. In sectionals, we advanced to the semifinals before losing to the eventual champion (Livonia). **Individuals:** Livingston County 1st team All-Stars were Mike Mauro, Richard Brooks, and Nick Picco. Mauro, Brooks, Picco, and Elliott Flint were participants in the Exceptional Senior All-Star Game. **Future:** With seventeen (17) players returning who all received letters, the 2014 season should be strong for the boys soccer program.

GIRLS SOCCER

The 2013 Hornell girls varsity soccer team finished their season 16-5-1. The team won the Section V Class B Championship vs. Greece Odyssey 1-0. They also won the Far-West Regional Championship 1-1 vs. Akron, then defeating them 4-2 in penalties which led to the schools first ever appearance in the NYS Finals.

Jocelyn Acor led the team this season with 35 goals and 13 assists finishing her career with 82 goals. Emily Wolf tailed with 13 goals and 13 assists, followed by Alison Henby who scored 8 goals. Keeper Chantre Milliner and centerback Carley Argentieri anchored a defense that only allowed 72 goals/game. With 75 goals on the season the girls finished #3 in NYS Class B.

CROSS COUNTRY

The cross country team had a season like many of the courses it encountered--some ups and some downs. The boys, led by seniors Jake Kramer and Mike Guarglia, compiled a record of 15-7. The girls, without a senior on the squad, finished 7-15. The downs included untimely injuries to several runners which resulted in several of the losses. The boys were looking especially strong as the season progressed, losing by a point to Wheatland-Chili, the league's only undefeated team. However, this high point was soon quelled by the loss of Wade Cone and Mike Guarglia for the remainder of the season.

While no cross country runner likes to finish on an uphill climb, the Raiders did just that with a phenomenal end-of-season push. Three runners earned league all-star status: Jake Kramer & Mariah Smith for their performances at the league championship race, and Wade Cone for his performances before his injury.

Jake and Mariah then turned in stellar performances at the sectional meet, placing 4th and 2nd respectively. This earned them a trip to the state championship meet in Queensbury, the first time a male and female runner represented the Big Red at states in almost ten years. Jake finished out his impressive career placing 57th. Mariah crossed the line in 28th. Mariah also earned all-state honorable mention and was presented with the Section V Sportsmanship Award for Class C.

While it's sad to see Jake and Mike graduate, the coaches are eager to see how much better the young runners can be next year.

Winter 2013-14

BOYS BASKETBALL

The 2013-2014 boys basketball season ended with an overall record of 13-8 and 6-2 in league play. Entering sectionals as a #5 seed, the team upset the #4 seed Marcus Whitman and the #1 seed Wellsville. The team lost in the sectional finals at the Blue Cross Arena to Leadership Academy out of Charlotte. The team made great strides throughout the year and played their best basketball at the end of the season.

Leading the Red Raiders on the hardwood were seniors Elliott Flint, Richard Brooks, Matt Mauro, and Mike Mauro. Elliott led the team in both scoring and assists. Richard was first in steals, second in scoring, and third in rebounding. The team was known for its defense, holding many teams under forty points throughout the season.

The future looks bright for Hornell basketball as they return three starters, Isaac Bradley, Anthony Buisch, and Sam Dagon, along with a host of others. The JV team finished with a 12-6 record and only had three sophomores on the roster.

Awards and Accomplishments:
Richard Brooks (senior)--LCAA All-Star, 1st Team Spectator Great 8, Livingston

County News Super 18 (honorable mention), Section V Class B2 All-Tournament Team in Sectionals, and named to the Exceptional Senior Game **Elliott Flint (senior)**--LCAA All-Star, 2nd Team Spectator Great 8, Livingston County News Super 18 (honorable mention), and named to the Exceptional Senior Game **Sam Dagon (sophomore)**--Section V Class B2 All-Tournament Team in Sectionals, 3rd Team Spectator Great 8, and Livingston County News Super 18 (honorable mention).

GIRLS BASKETBALL

The girls basketball team finished the regular season 7-11, and tied for 3rd in Livingston County Division 1. We earned a #7 seed for sectionals and lost at Waterloo to end our season. We had a very young team comprised of four freshmen, one sophomore, and two seniors. It was a very productive year considering our youth. We developed tremendously as the season progressed. Sophomore Chantre Milliner earned Livingston County 1st Team and Spectator Great 8 selection this year.

WRESTLING

Wrestling continues to grow in Hornell. Fourteen new modified grapplers, all looking to compete for varsity spots next season, hit the mats under Coach Mike Kramer. Ethan Speed, Richie Snyder, and Zack Thurston all showed potential to make a run at the sectional podium in 2015. The large number of incoming talent has Coach Scott Johnson excited for the future.

Team captains Jake Kramer and Carson Doorley led the way for the Red Raiders at the varsity level, helping to pick up 10 dual meet victories and improve the team's standing in the Livingston County league with wins over Bath and Dansville. Both Doorley and Kramer took 3rd place in the section, and were one win away from the podium at state qualifiers. Kramer, the lone senior on this year's team, racked up 42 wins in his senior campaign making for a career win total of 112.

Newcomers Jake Robinson and Donovan Lowery also made significant impacts as underclassmen and have a bright future. Hornell Wrestling maintains their website with stats, photos, and results at www.hornellwrestling.com

BOYS SWIMMING & DIVING

The boys swim team finished the season with a league record of 2 and 8. They took 6th place at the LCAA championship meet in Bath. Connor Drake and Michael Guarglia were named LCAA All-Stars. Seven swimmers from the team went on to sectionals. All three relay teams earned top 12. Senior stand-outs Connor Drake and Michael Guarglia finished the season with podium status while swimming their personal best times. Drake placed 3rd in the 100 Fly, and Guarglia finished 4th in the 100 Freestyle.

CO-ED INDOOR TRACK

The Hornell co-ed indoor track team had many strong individual performances during the 2013-14 winter season. The boys were led by senior captain Luke Morgan who was the LCAA Champion in the Pole Vault and finished the season tied for second in Section V Class C, junior Wade Cone who was the LCAA 1600M Champion and also ranked second in the 1000M as well as finishing fourth overall at the Section V Championships in the 1600M, and junior Zach Kellogg who was the LCAA Shot Put Champion. They were very competitive all season.

For the girls, sophomore Mariah Smith was the LCAA 1500M Champion and finished second in the 1000M run; multi-dimensional standout freshman Mackenzie Brooks who finished the season ranking third in the 55M Hurdles in the LCAA, led a strong group of hurdlers including Rayne Bossard and Victoria Cramp, and was also strong in the Shot Put and High Jump; and freshman Heather Hickok proved she is Hornell's next up and coming middle distance star.

The modified boys and girls gained a great deal of experience this season, and were the class of the LCAA. Anna Flaitz and Trevor Stiles showed that they can both jump with the best and were the Section V Modified Champions in the Long and Triple Jumps, respectively. Zack Burdick won the 55M Hurdles, and Kate Colucci and Julia Robinson proved they are ready to sprint and run at the varsity level next season. Along with Zoey Kays, these girls dominated the relays and were the Section V Champions, while Alex Shick, Jacob Bailey, Burdick and Stiles combined to also finish first at the Sub-Varsity Championships.

With all the young and developing talent, Coach Mike DeGaetano can't wait till next winter.

Athlete's Prayer

God, let me play well but fairly.

Let competition make me strong but never hostile.

Forbid me to rejoice in the adversity of others.

And, if through athletics I set an example,

Let it be a good one.

RICK DAILEY

Class of 1980

Rick Dailey was a stellar athlete in both football and baseball during his high school career at Hornell. In football, Rick played varsity for three years. Without him, the program would never have been as successful as it was. Rick was the individual that made everyone play better. He was tough, hard working, disciplined, and committed to whatever had to be done to make the team better."

After graduation, Rick attended Cornell University. He had an outstanding career in football for three seasons. He was a defensive specialist, playing linebacker during his sophomore & junior seasons, and strong safety his senior year

GENE MASTIN

Contributor

Gene Mastin arrived in Hornell thirty years ago after coaching at Cuba Central School and Cameron County Emporium High School in PA.

From 1970 through 1982, Hornell football won only 36% of its games. Gene took over a program that was struggling and going through some difficult times. He revamped the entire program. Football was no longer a four month proposition from August through October. It became a year round program that included weight lifting and a commitment from those who played the game for him.

There are many adjectives to describe Gene and his program: quality, organization, hard work, and demanding of self, coaches and players. What did this bring to Hornell football and the community? An overall record of 220 wins, 56 loses, 3 ties, and winning 80% of the games played; an all time winning coach in Section V; only 3 losing seasons (1985, 1989, and 1994); A 39 game winning streak; and THREE (3) New York State Class B Championships.

Gene continues to live in Hornell with his wife Cheryl and daughter Nicole.

DR. ISMAIL MEHR '91: My Reflections and Memories

When I look back at my days at Hornell High School, my memories inevitably always involve football and the life lessons that I learned. Coach Gene Mastin prepared me for so much more than how to play a game. His coaching instilled lessons for life that could not be taught in any classroom. The two most important lessons that have remained with and benefitted me throughout my life are Work Ethic and to Believe in Oneself. These were instilled in me because I was privileged to have played for Coach Mastin.

Through the years, I have always appreciated Coach Mastin. From my days at college when I walked on to University at Buffalo's football team, through my years in medical school, and my days as

a resident specializing in anesthesia. But it wasn't until I returned to Hornell and had the privilege of joining his coaching staff, that I was able to appreciate him so much more. As a player, I saw and experienced things from a different perspective. As a coach on his staff, I had a unique vantage point to see firsthand how one handles young men from various socio-economic backgrounds, and all of the unfortunate problems that many of them experience outside of school. For some of these young men, football provided the family that they needed so badly. Actually, it wasn't the game of football but rather the Red Raider brotherhood that helped so many. Life is not as simple as it was when I was a teen. The family setup has changed drastically. It takes a unique individual to understand this, and to be able to work with young men who also may be carrying so much within.

Success is not always the result of superior players and game planning. I saw this very early in

my coaching career. It was Coach Mastin's ability to bring out the best in each & every kid, and to be able to understand their abilities, strengths, & weaknesses. His commitment in never cheating a team in practice by being ill-prepared himself, he demanded the same of himself, his coaching staff, and his players. Coach Mastin never failed at giving 150% of his time and effort while preparing a team.

To better understand and appreciate him, all one has to do is look at the 2008 season. Death is inevitable and, at times, untimely. It is always a difficult thing to deal with for young men, yet alone adults. The death of Dylan McCormick was a great loss. He was a teammate, a player, and a young man full of life. Words will never do justice to how Coach Mastin was able to help these young men cope with this loss. Not a loss on the scoreboard but a loss that was real. It hurt like nothing they had ever experienced before. The way in which Coach Mastin led these grieving

young men would be enough for him to be rightfully honored as a member of the Hornell High School Sports Hall of Fame.

Mark Buisch). Rest assured, Hornell football will continue to mold young men for success.

The accolades speak for themselves but the lessons in between the yard lines that I've mentioned have gone unnoticed. The list of successful young men is endless: lawyers, engineers, law enforcement, military officers, business owners, physical therapists, accountants, coaches, and yes, even doctors. There is so much more to coaching. There is so much more to Coach Mastin. I can't thank him enough along with all of the other coaches that I had as a football player at HHS (Mike Davidson, Mark Mahoney, Donald Campese, Fran Libordi, and

HORNELL HIGH SCHOOL ALUMNI BANQUET

SATURDAY, JUNE 29, 2013

On behalf of the HHSAA Board of Directors and its members, we would like to cordially invite any graduate who has been out of high school for seventy (70) years or more to this year's Annual Banquet. You would be attending as our honored and special guests. Please consider this as an invitation to attend the dinner on Saturday, June 28, 2014. It would be a wonderful way to acknowledge and pay tribute to you. For more information, you or a family member can email and/or telephone the HHSAA co-presidents to make a reservation. They are: Bob Rosell @ rosell2@stny.rr.com (607-324-0921) or Ray Schwartz @ rschwartz002@stny.rr.com (607-324-0333). The HHSAA organization would love see you there. Please consider attending this wonderful and memorable event.

Angela Daniels Markel '71 has been a member of the HHSAA since 1998. She has served as our treasurer for over fifteen (15) years. The number of hours that Angela dedicates to this calling is far more than could ever be expected of any one person. She goes way above and beyond the call of duty. She is pictured here finalizing the guest list for the banquet. Thank you, Angela, for your commitment and dedication to the Hornell Alumni Association.

*Thirteen graduates from the class of 2013 were recognized at the banquet as recipients of some of the HHSAA scholarships that were awarded at their graduation ceremony. **Front row (l. to r.)** Cortnee Geise, Naomi Snowden, Gabby McCool, Izzy Dunning, Tatiana Cavaletti, Colleen Smith, and Josephine Crusier. **Back row (l. to r.):** Matt Smith, Jimmy Dagon, Brendan Buisch, David Kimball, Nick Burdett, and Julian Reinhardt. These graduates were introduced to everyone at the banquet and received a big round of applause. Congratulations and best wishes to all of the winners who received an HHSAA award last June. Approximately \$109,000 in scholarship money and memorial grants was distributed. **Thank you, Alumni!!***

*Some HHS graduates who were in attendance were **front:** Steve Gillette, Chris Corbett, and Angie Brown Gillette. **Back:** Jeff Gillette, Joe Ingalls, Pam Schmitt Powers, Kristy Schmitt Whitman, and Joe Pelych.*

***Front:** Josephine Piano FitzGerald, Alice Smith, Janet Miller, Martha Bartle, and Bill Bartle **Back:** Jerry FitzGerald, Sid Smith, Paul McAnany and Jim Moss*

It was truly a pleasure to have members of our Alumni Association who graduated seventy or more years ago attend the Hornell Alumni Association Banquet last June. These guests were introduced, recognized, and honored after dinner was served. They received a beautiful bouquet of flowers, compliments of the HHSAA. Pictured in front are Roberta Goff Bishop '37, Doris Nichols Snowden '41, and Helen Preston Ross '35. Behind them are Rich Clancy (Roberta's grandson) and Britt Smith & Hannah Roselli who are related to Helen. We hope to see you again this June!

So much hard work is put into making the banquet a successful event. This could not be accomplished without the help of many hands. John Carbone '77 and his amazing staff at The Main Place provided a delicious meal and an atmosphere which was comfortable to everyone. Pictured is John's crew of helpers who were caught taking a much needed break. **Front Row:** Sam Pollinger, Kevin McHale, Ashton Argentieri, Alexis Freas, Britt Smith, and Nicole Porcaro. **Middle Section:** Chef John Carbone, McKenzie McNelis, Hannah Roselli, Anna Cappadonia, Carley Argentieri, Elliot Flint, Meghan Mahoney, and Bri Maker. **Back Row:** Austin Zanghi

No matter what your age or gender, everyone comes together to have fun. We look forward to seeing you.

Can You Identify this Hornell High School Valedictorian?

HINT: He lived in Hornell his whole life.

Name him, and a \$250 donation will be made to the Hornell Alumni Association Scholarship Fund.

The identity of this man is being kept a secret...even from the HHSAA Board! We are hoping that HHS alumni and/or individual's still living in the Hornell area will recognize him, and be able to put a name to the photograph. The submitted names will be read at the Annual Banquet in June. If he is correctly identified, a local descendant of his will make a \$250 scholarship donation to the HHSAA. In the 2015 newsletter, we will post this gentleman's name, his valedictory address, a short bio, the descendents name, and the name of the person(s) who correctly identified him. Good luck!

Please mail your answer by **MONDAY, JUNE 23rd** to:

to the continued help and support of the community. The outlook for the coming year is starting to show signs of improvement. We have received an increase in State Aid. We have not yet recovered to the point we had hoped for, but it is a step in the right direction. We are very pleased that the current budget plan for 2014-2015 allows us to maintain our current staff and possibly add back a few positions that were lost in previous years.

We are proud to announce that a recent Financial Stress Survey of the school districts in New York State found us to be among the top districts. To maintain that status, we are busy working on a three year financial plan to further strengthen our standings. We have also put together a Long Range Facilities Planning Committee to create a sound plan for the future maintenance of our buildings and grounds. Thanks to the support of the taxpayers, we have been successful in implementing a ten year replacement

plan for our bus fleet which will save the District a great deal of money in costly repairs.

Not unlike other years, this year has brought some significant changes to our curriculum. I am sure that you are all familiar with the term "Common Core" which has caused quite a buzz throughout the State. It has been a very trying and tumultuous year adjusting to a plan that had flaws in the initial implementation. Our staff faced the challenges head on with the utmost of

professionalism, and is working very hard to mold the system to fit the needs of our students. I commend them for their perseverance.

It is a pleasure to have the opportunity to serve the students, staff, and community of Hornell. Thank you for your continued support and dedication to this community.

Douglas H. Wyant, Jr.

Dear Angela,
Thank you for the reminder notice. I'm sorry that I didn't get my dues and donation to you sooner. I have been very busy with my nine grandchildren and three great-grandchildren. I miss attending my class reunions but old age doesn't come alone. I will be celebrating my 57th wedding anniversary soon. Not bad, huh! Thanks again for everything that you do for the Hornell Alumni Association.

Sincerely,
Irene Mobley Gillette

Dear HHSAA members,
Richard K. Kerr was a member of the class of 1944. He loved Hornell and his alumni. Dad spoke at both his 25th and 50th reunions. His classmates, which include Tolly Pelych, still go out to lunch on a monthly basis. Sadly, my father died on June 9, 2013. Many of his classmates attended the funeral at which I spoke. On the list of things that my father loved were Loon Lake, Boy Scouts, and the Hornell Alumni Association. He will truly be missed by all.

Sincerely,
Robin Kerr Wilson

Dear Sally,
We enjoy the newsletter very much. My brother (Dick Davie) was in a photo with the class of 1952 celebrating their 60th year reunion. My husband and I enjoy viewing the scores of pictures that you provide and reading all of the alumni updates. Thank you for a job well done.

With appreciation,
David and Donna Hawley Woolever

The HHSAA Board would like to congratulate **David and Donna Woolever** (above) who celebrated their 50th wedding anniversary on April 24, 2013.

Dear Sally,

While reviewing the 2013 HHSAA News Journal last May, I noted with interest that page 44 was devoted to the past and present

Boys Basketball Section V Championship winners. As a proud member of the 1953 Section V Championship Team, I want to point out that the photograph shown was taken during the regular season, and did not include Joe Robbins or Bob Hollenbeck.

Enclosed please find the correct photograph of the HHS 1953 Section V Championship Team that was taken after receiving our trophy. It also includes the two gentlemen that I previously mentioned.

It would be great to see the official team photo in a future HHSAA newsletter. Thank you for your consideration, and for printing a superior annual publication.

Sincerely,
David Jacobs

Editor's note: Thank you for bringing this to my attention, Mr. Jacobs. Below please find the correct photo with everyone identified.

Hornell Alumni Association,
Thanks for all of the good and hard work you do in creating the Newsletter!!

Dear Sally and Crew,
The newsletter was great as always. I read it cover to cover. We certainly thank all of you that put it together.

Dear Alumni Board,
I can't believe it's been sixty-seven years since I graduated from Hornell High School. It seems like such a short time ago, thanks to your wonderful journal. Every year, the newsletter seems to keep me in touch with

my friends. I enjoy reliving the memories from the "good old days" in Hornell. You do a remarkable job. Once again, well done!

Gina McLenin '46

Dear Hornell Alumni Association,
My newsletter arrived May 31st and it was great as usual – a trip down memory lane every May! Thanks so much, and a shout out to the class of 1965!!

God Bless all of you.
Patty Tancredi-Bunker '65

HHS Alumni Association,
Hi again! I see that I'm a little delinquent with my dues. Once again, I have to blame it on AGE. I have found in most things that reaching eighty-two years old carries 'being forgetful' to a new level. Hey, I've got to blame something! I received the recent newsletter and, as always, I found it very well done & interesting. It's good to see a very short list of deaths from the class of 1949. I did notice many of the familiar names still active, and it makes me wish I was in better health so as to be able to attend some class functions, etc. But, be that as it may, the newsletter is a fair substitute. Thanks again and God Bless HHS!!!

Hoxsie Crosby '49

Dear Alumni,
Thank you all for doing such a fantastic job on the newsletter again this year. I enjoyed so many of the pictures and stories, especially the one on Bob Dwyer who is a classmate of mine, and the picture showing Peggy Hudascsek. I was their babysitter for six years and continued a friendship with their mother, Mary Agnes, through the years. Thanks again for all that you do.

Fondly,
Evelyn Ivey Myers '53

Hello,
Thank you again for a job well done in getting the HHA News Journal published and sent out. Everything stops when the journal arrives. I read every word and note every period, comma and question mark. I enjoy all of the photos even though I know very few of those pictured. Reading the journal sure takes me back to the years I lived in Hornell and attended Bryant, Washington, Junior High and Hornell High School. It doesn't seem possible time has passed so swiftly. Please find enclosed a check for my dues and a donation for the scholarship fund in memory of my dearly beloved husband, Frank S. Rejla. Thank you again, and God Bless you, always!

Dear Alumni Committee,
I would like to thank Sharon Shannon Henry for getting my address to the mailing committee. Our home burned on December 28, 2012. We got out with the clothes on our backs. We were able to get my high school yearbooks out, too. We moved to Florida after the fire, and I worried that I wouldn't get my 2013 newsletter. Thanks to Sharon, I did receive it, and thoroughly enjoyed it.

Thanks again,
Doris White Mills '57

Hi,
My admiration and thanks to all of you who do so much for our dear old HHS and the scholarship program. If I didn't live so far away, I would be happy to volunteer. Blessings to you!

Hornell Alumni Association,

Hornell Alumni Association,

present the awards to our students. Thank you for your continued support of our Career and Technical Education Programs.

Kelly Flint, Awards Ceremony Chairman

Hornell High School Alumni Association, Congratulations once again to the officers and directors of the Hornell High School Alumni Association for another outstanding year. One more time of grants of over \$109,000 is truly remarkable in this day and age of economic troubles. You should be proud of your achievements and your support of HHS graduates and the entire community. You're to be commended. As a volunteer organization, it must be satisfying to be able to do so much for the students of "dear old red and blue." I read the News Journal from cover to cover, and enjoyed every page, every article and every picture. Editor Sally and her talented staff deserve kudos for publishing such a professionally organized magazine. I am not aware of any high school that has a great publication or such broad support. We're lucky to have such accomplished folks and are grateful for their good work. This year's "In Loving Memory of" articles concerning our departed fellow alumni were particularly meaningful. Thanks for all of the good work. Best wishes to you for another successful year.

Take good care,
Tom McCarthy '49

Hornell Alumni Association,
We are so ever thankful for the wonderful work of the Hornell High School Alumni Association for investing in the past, present and future of our community and our world.

Melody and Doug Carrier

I would like to take this time to thank the entire Hornell City School District staff for the extraordinary efforts made this year to continue to improve instruction and our students' achievement. The year has been one of tremendous change, which can be very stressful to say the least, but all of you have accepted the challenges and exceeded expectations. I would like to give particular praise to the high level of teamwork demonstrated by our staff during our professional development days, as well as throughout the school year. I am extremely proud to say that I work with a group of educational leaders and professional staff who work together to create an engaging learning environment for our students, and do so with the utmost of professionalism.

In education,
Douglas H. Wyant, Jr.
HCS D Superintendent

Dear Hornell Alumni Association,
We are the very proud parents of our daughter, Elisa Ann Hoyos, who is graduating from college this May. Thank you for your support and generosity that you provided with the scholarship award in memory of Dolores Sherwood Andrus '38.

Sincerely,
Hector and Suzanne Hoyos

To the editor of the great HHS alumni newsletter, You might want to use this bit of nostalgia in your next publication. My, how times have changed! If you lived in the 5th Ward during the 1940's and early 1950's, you could shop for groceries at the following neighborhood stores on Canisteo Street: Market Basket, Day's Grocery (He even delivered!), Flint's, Frewin's, and Hunt's Meat Market. On Pine St., you could go to Pine Street Grocery, and Jess Pratt's Grocery was on VanScoter St. Also, you could enjoy delicious ice-cream at Elmhurst which was near the south city limits. I have enclosed a couple of pictures for you, too (left & below). I hope the alumni enjoy viewing them. Thanks for another wonderful publication, Sally. You and your staff do a super job!

With much appreciation,
John Scroxtan '53...a loyal fifth warder!

This photo was taken in 1913. The special occasion was the 'May Pole Dance' at Lincoln School. My mother, Minnie Hackett, is the second girl in from the left.

Pictured is Don Welch, John Scroxtan, Ed Miller, and Cliff Wiley (7th grade, Lincoln School in 1948)

ALMA MATER

A song of praise is always in our hearts
it speaks of love that's true.
The kindest thought we'll ever set apart
for dear old red and blue.

CHORUS

Alma Mater school that we esteem,
dear to us you seem.
Hail thy honor, may it live in greatness
bringing fame unequalled to H.H.S.

The pride of Hornell High, we hold our own,
its name our golden rule!
Work or play, in both we've known
the progress of our school.
