WE ARE CELEBRATING OUR 30TH PUBLICATION!

May 2018

Co-President's Letter

Hello HHS Alumni,

We want to welcome you to the 31st edition of the Hornell High School Alumni Association News Journal. As we end our third year as Co-Presidents, we want to first and foremost thank our newsletter editor, Sally Dagon Head, who has been bringing you a professional and polished publication for fifteen years. Her endless hours of dedication, commitment,

energy, love, and passion are felt in every page that is turned. For Sally, any gathering is a potential newsletter photo-op, and any photo is a potential story to tell. Words cannot express the gratitude that we have for her. She is truly one of a kind.

With that being said, the HHSAA Board reluctantly accepts Sally's resignation as editor so she can enjoy retirement and travel with her husband. We are dedicating this News Journal to her, and presenting it to you in **FULL COLOR**. Please provide us with your feedback. If a colored publication is well received, we will consider continuing it for

years to come. Our best wishes to Rich & Sally as they pursue, create, and experience new adventures in the next exciting chapter of their lives. "WE LOVE YOU!"

We would also like to recognize the HHSAA Board of Directors. It is made up of twenty-four (24) members of men and women who are the mechanism that keeps our organization running smoothly. Thank you for your dedication and HHS pride!

As always, a heartfelt thank you goes out to our alumni, area merchants, and the generous community. With your donations and continued support, we were able to award over \$131,000 in scholarships to our 2017 graduates. WOW, that is totally amazing... thank you!

The annual **HHS Alumni Association Banquet** will be held on **Saturday, June 30, 2018** at The Main Place (formerly the K of C). Your dinner reservation and alumni dues renewal forms are enclosed. We will be honoring the class of 2008 celebrating their 10th year reunion, the class of 1993—25th, and the class of 1968—50th. We would also like to extend an invitation to any alumnus who graduated from Hornell High School seventy

(70) or more years ago to be our honored and special guests for the evening. If you are interested in attending, please contact Cathy Potter Kimball, Pam LaVerde, or our treasurer, Angela Daniels Markel.

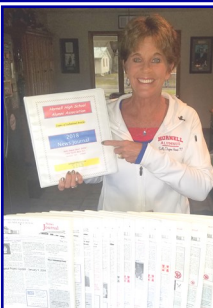

PLEASE NOTE: Effective June 1, 2018, your **alumni dues** will increase to **\$10.00 per fiscal year (June-May)**. This will help defray the cost of producing, publishing, and mailing the annual news journal. Please feel free to visit our website at www.hornellalumniassociation.org where you can pay your dues, submit your banquet reservations, make donations, get reunion updates, and view past newsletters.

We hope to see all of you in June. Don't miss out on what is sure to be a memorable night.

Once a Raider... Always a Raider,

Pam LaVerde '67 Cathy Potter Kimball '80

Our success depends on you "our alumni". Please feel free to write us at any time with suggestions or questions. Please note: Our Alumni Association memberships run on a FISCAL year, NOT a calendar year. It begins on June 1st and expires on May 31st of the following year. **HHS Alumni Association Founder
Carl Wellington '22**

After much research on this topic, the Hornell High School Alumni Association would like to posthumously honor & recognize **Carl L. Wellington '22** as our official founder and creator. He and his voluntary committee who consisted of **Francis M. Cameron, Virginia Leahy, Francis Conz, Kenneth Gray, William G. Hollands Jr., Henry Copeland, Sherman Shults, and Gertrude Case** got the ball rolling back in the mid-1940's, worked effortlessly, got other alumni interested, entertained informal gatherings, planned the first HHSAA meeting on 12-5-45, presented the organizations bylaws, and officially gave birth to our beloved Hornell High School Alumni Association. On behalf of the current HHSAA Board of Directors and its members, we want the families of these nine volunteers & the countless other Hornell High School alumni who were involved in the organization process to know just how grateful, appreciative, and truly thankful we are today. **We will always remain.....HHSAA STRONG.**

These two gentlemen inspired the HHSAA
to produce the Newsletter.

Congratulations, Good Luck, and Best Wishes to the

HHS CLASS OF 2018!

Greetings from Hornell High School!

Dear Hornell High School Alumni,

As 2017 is in the rearview mirror and spring is upon us, seniors have wrapped-up their common applications and are awaiting acceptance letters as to where they will attend school next year! Others will enter the workforce, while a handful will take on the most formidable task of protecting our country as they join our armed forces. Please feel free to join us on Friday, June 22nd at 7:00 p.m. to see our graduating class take their last steps at HHS.

Academic achievement remains a constant. Most recently, we received a silver medal as a 2017 'Best High School' from US News and World Report. Thirty-eight (38) students were inducted into our National Honor Society, forty-three (43) achieved honor grad status, and twenty (20) were inducted into the National Technical Honor Society. Four (4) students participated in the State DECA Tournament, twelve (12) in the Regional Robotics Competition, and we will induct a strong class this May into the National Business Marketing and Honor Society. Our Academic All-Star Team went 6-0 in league play and won their first-ever league title!

Kuryn Newark represented Hornell at Chorus All-State in Rochester. She is the second student in the past two years to be selected, behind Jeremiah Cooper last year. Our students in theatre produced

an award winning production of 'Legally Blonde', and our Choir ensemble went to Philly to showcase their talents. We also hosted area All-State and NYSMAA for our Sr. High Band.

Kat Stevens was selected as an official winner of the 2018 Disney Dreamers Academy Essay Contest. The Marching Red Raiders completed their eighth competitive season as members of the New York State Field Band Conference. Performances included Corning, West Seneca, Orchard Park, and the state championships held at the Syracuse Carrier Dome.

Students from Alfred-Almond, Avoca, Canaseraga, Canisteo-Greenwood, and Prattsburgh School Districts were invited to join our students for a presentation given by Kevin Hines. We have seen mental health concerns rise locally, regionally, & nationally, and wanted to bring to light that unfortunately some students are in pain but at times it's not so obvious. Our hope was that bringing Kevin in and having him share his message would encourage students to reach out for help if they need it.

Our district's guidance office has purchased Naviance and has also partnered with the Career Development Center services to help career aspirations by catering & molding a student's course requests while also providing mock interviews & career job shadows. This

has been extremely valuable. It has provided them with real world relevance, has strengthened them for a more rigorous high school experience, and is accurately preparing them for life after high school.

In celebration of their 20th year reunion, we will be offering a building tour to the HHS class of 1998 on June 22nd from 4-5:00pm. I encourage you to stop in and see your old stomping grounds. The transformation that our building has gone through within the last ten years is truly amazing! Last summer, we completely transformed eighteen new classrooms and updated the B-gym. This summer, our first floor is being remodeled with new computer labs, a new TV-AV room, nurses & curriculum suites, and a full renovation of our A-gym along with seven classrooms that will be completely overhauled!

Congratulations to the Class of

2017 Scholarship Recipients!

How are Scholarship Recipients Chosen?

The Hornell High School Alumni tradition strives to encourage and support life-styles that have strong work ethics, public service, and academic achievement by rewarding students who exemplify these characteristics with recognition and financial assistance for their education.

A silent committee serves at the pleasure of the President of the Alumni Board. This group is always kept confidential. It may come as a surprise but this is truly a secret committee and never discussed. Board members don't have a clue! A meeting is called by the Superintendent of Schools and the HHSAA President.

The silent committee, school officials, teachers, and guidance counselors meet for the first time. Every senior is offered an opportunity to fill out an application.

The Superintendent provides a detailed resume of all students: class ranking, financial need, student activities, desire for higher education (school choice), cost, student character, personality, and potential leadership.

All selections are final. No records leave the school and resumes of the students are returned and kept confidential.

Hornell High School Alumni Association Endowment Fund

The Hornell High School Alumni Association is a recognized charitable organization under the rules and regulations of the I.R.S. The HHS Alumni Association is a 501 (C) (3) charitable organization so that donations made to it are deductible.

Since approximately 1995, the HHSAA hired Steuben Trust Company to provide investment management services through a Trust Agreement for some of its excess money. The fund has grown in value due to its diversified investments between fixed income and equity investments. Since it has grown

in value, it enables the HHS Alumni Association to grant more scholarships.

For people who want to make a deductible contribution to the Endowment Fund, make checks payable to the HHS Alumni Association and mail to:

Dear HHS Alumni and Members of the Dagon Family,

I was the recipient of the James J. Dagon Memorial Award. I am truly honored to have received it...not because it recognizes my athletic abilities, but because of the character aspect of this award. I am proud to be associated with the past recipients as well as Mr. Dagon himself. It is humbling to think that others see a resemblance in our personalities, attitudes, and love for sports. I will put the money toward my future education at Clarion University in Pennsylvania this fall. Thank you again for your generosity. It means a lot to me personally.

Sincerely,

Erin Briggs

Dear HHS Alumni,

I have been meaning to write you a thank you letter but have started my summer college classes and with work I have been very busy. I just wanted to say thank you for the two scholarships. It means a lot to me especially knowing I am taking these summer classes, and don't have both parents around to assist me. I'm currently enrolled in the Liberal Arts program at Genesee Community College, and plan to transfer to a Nanotechnology program to someday become a Medical Lab Technician. I will be receiving an Associate's Degree in about three years because of the pre-rec classes that I have to take. With these scholarships, I'm able to receive the schooling I need for my future career. Once again, thank you very much.

Sincerely,

Taylor Plank

Dear Alumni Association,

I am writing to thank you for selecting me for the 2017 Hornell Merchants Grant. Your generosity is much appreciated.

Sincerely,

Jacob Dunham

I wish to thank the family of Ruth Shinebarger Fitzpatrick and the HHS Alumni Association members for the scholarship in her memory. This award will be extremely beneficial as I pursue a degree in biology at Arizona State University.

Sincerely,

Zander Callura

Superintendent's Letter

Dear Hornell City School District Alumni,

It doesn't seem possible that we are already on the homestretch for the completion of my first year as your Superintendent. It has been a very busy year of collaboration with the administration, faculty, and staff. I am very excited about our future and the direction in which we are headed.

Since arriving in the District, I have heard such wonderful things about the generous support that the Hornell High School Alumni Association provides to our students and the community, in general. I want to take this opportunity to thank each and every one of you for

your efforts and contributions that help make the future of our students brighter. I am looking forward to collaborating with the HHSAA Board of Directors on your behalf to mold a plan that will provide our students with the opportunity to attend college classes. I see great things happening as we work together to make our beloved HCS D the best it can be.

Thank you for your continued support and generosity. Together, we are 'Red Raider Strong'!

Sincerely,
Jeremy P. Palotti

BOCES Principal's Letter

Dear Hornell High School Alumni,

Each year, the Career and Technical Education (CTE) Awards Ceremony provides an opportunity to remind us of how much we have to be thankful for. As the senior class walks into the auditorium, my heart fills with intense pride for what our students represent. I see in them, the authentic project-based lessons, technical knowledge, wisdom, and true sense of learning instilled through their CTE teachers. Each student brings with them the character, hopes, dreams, and support for education from their families. Collectively, they bring in an education rich in the traditions of the Wildwood Education Center and the local community that has supported them in their classrooms, shops, internships, and all that has brought them to this special day!

Thank you, HHS Alumni, for supporting these students year-after-year through your generous contributions. On our annual CTE Awards Ceremony day, it is simply remarkable to see the tremendous assistance awarded through scholarships. Students enter with dreams and leave with the support to fulfill these dreams from your contributions.

I look forward to sharing the graduating class of 2018 with you on June 12th. Once again, thank you for donating, inspiring, and supporting our CTE programs!

Sincerely,
Kasi Emo-Washburn

Dr. and Mrs. J. Raymond Kelly celebrated their silver wedding anniversary at a reception at their home at 37 Center Street on August 31, 1941. More than 350 guests were present. The rooms in the house were decorated in bouquets of silver and white. During the evening, song selections were played on the solovox by James Clancy who was the organist at Saint Ignatius Church. The table was centered with a silver candelabra of white tapers. The silver services on the white table spread created a beautiful setting for the special occasion. Fifty of the younger guests who were children of Dr. and Mrs. Kelly's friends, were entertained on the third floor which was decorated in huge baskets of red and white Gladiolus. Music, dancing, and refreshments were provided. Miss Peggy Collins and Miss Mary Evelyn Gould were in charge of the third floor guests. The entire evening was an event to remember for many years to come.

Spring 2017

BASEBALL

(NYSPHSAA Scholar Athlete Team)

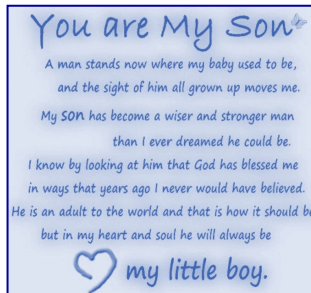

This year's Varsity Baseball Team finished with a 15 – 4 record. They made an appearance in the finals, falling to the eventual State Champion, Livonia. It was an amazing season filled with a lot of

big wins, one of them snapping Livonia's 56-game Livingston County winning streak. The team had a lot of guys step up in big spots. Jake Dunn and Matt Dessena anchored the pitching staff, and we had great offensive performances by Jake & Spencer Weyand, Joe Gibson, Luke Smith, Meyer Spitulnik, and Jack Henby, who was the center piece of the lineup. Jake Dunn, Spencer Weyand, and Jack Henby were named to the LCAA All-Star Team, and Jack Henby was also named to the All-Greater Rochester Team.

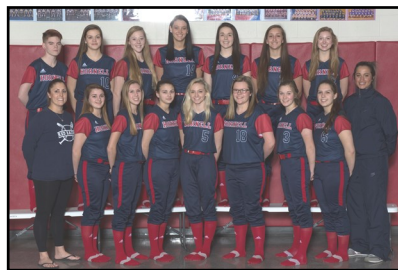

The 2017 graduating seniors shared a special moment and a lasting memory with their 'biggest fan'.

SOFTBALL

(NYSPHSAA Scholar Athlete Team)

The Hornell Varsity Softball program continued to show growth this season, finishing 6-12. The last two weeks of the season were a true testament to how far this team has come. In the last half of

the season, we beat teams that had previously beaten us in 5 innings. Seeded 12th going into sectionals, the girls celebrated an amazing victory, knocking off the 5th Livonia Bulldogs with a final score of 8-4. They went on to play top-seeded Bath, and took them into the bottom of the 7th inning before coming up short, 3-2. Both Erin Crosby and Annie Willsey were named Livingston County All-Stars, and picked to play in the exceptional senior game. Although we lost five important seniors, we look to take this positive momentum into next season.

TENNIS

(NYSPHSAA Scholar Athlete Team)

The 2017 tennis team had an overall record of 8-4. Singles players Derek McCumiskey, Morgan Brungard, and Michael Harrick all had competitive seasons. In doubles, Dantae Milliner & Caleb Miller were our 1st doubles team. Vinny Liberto & Dylan Greenthal were our second doubles team. Both 1st and 2nd doubles carried our team by winning several match-deciding points. We had three players...Derek McCumiskey, Morgan Brungard & Michael Harrick... qualify and compete at individual sectionals. For team sectionals, we advanced to the semi-finals falling short in a 2 to 3 match against the #1 seed, Attica.

BOYS TRACK & FIELD

The Boys Outdoor Track Team finished the season 1-4 this year. Once again, the team battled in every meet and

held their own against fierce league competition. Seniors Josh Walsh, Caleb Burdett, Ryan Kellogg, Kyle Colucci, and Ben Kemnitzer; Juniors Tyler Green and Kevin Hixson; and Freshman Liam Harrington...along with our 400M Relay of Green, Burdett, Matt Hanrahan and Josh Stiles...helped us break out to early leads in many meets. That 400M Relay improved steadily throughout the season and ran our fastest time (46.49) in five seasons. The weightmen under Coach Rosica were dominant once again this season, often sweeping the competition in the Shot and Discus. Kellogg and Green were also named as LCAA All-Stars.

With many strong individual performers, we were a better Invitational Team than a dual meet team this year: 4th at the Hornell Invitational and the Wellsville Spring Day, and finished 6th at Sectionals.

Seniors Caleb Burdett and Josh Walsh put an exclamation mark on an outstanding career. Caleb went undefeated in league competition in the Shot Put & Discus, finished second in the Shot Put at the Olean Invitational, won the Shot & Discus at the Hornell Invitational, and was Wellsville Spring Day Champion in the Shot, and 2nd in Discus. Caleb is this year's LCCA Champion in the Shot Put, with a personal best of 47-07.50. He was named a Livingston County All-Star, placed 3rd at Sectionals in both Shot & Discus, and was 5th in the Shot at the State Qualifier Meet. Josh was undefeated in the 1600M & 3200M Runs in dual competition, won the Blaine Austin Memorial mile at Spring Day, doubled in the 3200M & 300M Steeple at the Hornell Invitational, is the 2017 LCAA Champion in the 3200M & 3000M Steeplechase, and 2nd in the 1600M (4:34.81). Caleb was the Section V Champion in the Steeple (10:02.19) and finished 2nd in the 3200M (9:54.14) while running the fastest times posted by a Hornell distance runner in nearly a decade.

GIRLS TRACK & FIELD

(NYSPPHAA Scholar Athlete Team)

The Lady Raiders of Spring Track and Field had a great season. They finished with a 4-1 record and also won the team titles at the Hornell Invitational and Wellsville Spring Day. Seniors Erin Briggs, Macy Brooks, Kiara Buxton, and Heather Hickok led the way, providing consistent scoring in the pole vault (Erin & Heather) and throws (Macy & Kiara). Erin and Macy were named LCAA All-Stars, along with junior Anna Flaitz (sprints & jumps), sophomore Alyssa Delany (hurdles & jumps), freshman DaeJoy Wright (sprints & jumps), and freshman Emma Flaitz (sprints & mid-distance). Anna, Alyssa, DaeJoy, and Emma also teamed up as the 4x100 relay, which jelled into a unit that won the Class B Sectional Title, the Division 2 State Qualifier Title, and represented HHS at the State Meet in Union-Endicott, placing 7th with the second best time in school history (50.71). These young women promise more success in the future, buoyed by the young stand-out (and sectional participant) teammates Sophia Carretto, Brooke Hill, Mackenzie Putnam, Aubre Robinson, and McKenzie Hall who are all freshman at HHS, and 8th grader Carter Browne. Bring on 2018!

GOLF

(NYSPPHAA Scholar Athlete Team)

The Varsity Golf Team had an impressive 14-3 record this year. The Raiders claimed one of the 8 spots for Class B Section V Team Sectionals, where they took 4th place. Junior Hunter Babcock had an exciting season winning 1st place medalist honors out of 40 golfers, posting a 78 for 18 holes at the LCAA tournament. Hunter and 8th grader Alex Diehl were named as LCAA All-Stars. They were joined by 10th grader Cameron Sexsmith and 11th grader Tommy Kuhn to qualify for Individual Sectionals at Penfield Country Club. Hunter Babcock posted an 83 at Individual Sectionals, and claimed 2nd place overall for Class B Individual Sectionals. He was one of twenty players to move on from Class A, B and C to the State Qualifying Tournament at Oak Hill Country Club in Rochester this year. Congratulations to Hunter and his

teammates for a great season. The Red Raider Golf Award went to Senior Colin Smith for his leadership and sportsmanship this season. Colin qualified to play at LCAA as well as team sectionals. Colin has participated on the golf team since 9th grade, and will be greatly missed next season.

FOOTBALL

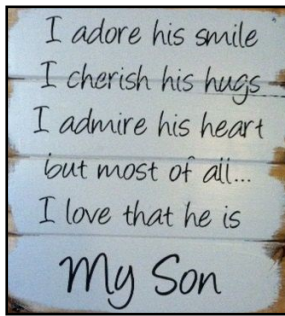

(NYSPPHAA Scholar Athlete Team)

The 2017 Hornell Red Raider Football Team finished the regular season undefeated for the 2nd year in a row, winning the Livingston County Division I League Title. The Red Raiders went on to earn its 13th Section V title in the program's history, defeating Livonia on 11/3/17 at SUNY Brockport. The Red Raiders that were selected as LCAA All-Stars included Rayyan Buell, Luke Smith, Luke Nobles, Myer Spitulnik, Spencer Weyand, Hunter Babcock, and Hunter Davis. Rayyan was also selected to the AGR First Team, was chosen as the Section V Class B Defensive Player of the Year, and made First Team All-State as a linebacker. Coach Werner, the coaching staff, and all of the Red Raider players would like to thank the Hornell community and Red Raider football alumni for all of their support. Go Big Red!

GIRLS SOCCER

(NYSPHSAA Scholar Athlete Team)

The 2017 Girls Soccer Team finished with a record of 14-1-3. For the second consecutive year, the girls won the

Livingston County Athletic Association Division 1 Championship, clinching the title at home against Livonia on Senior Night with a 3-1 win. Abigail Austin was the unanimous selection as LCAA Division 1 Player of the Year, earning the award for the second year running. Mad Mac Congdon, Luran Kelly, Abby Austin, and Jalyn Krupp were named LCAA Division 1 All-Stars as well as Exceptional Seniors.

VOLLEYBALL

(NYSPHSAA Scholar Athlete Team)

If you attended one of our games this year, you heard one specific cheer at the start of each game and during each time out. That cheer was the word "Ohana" which means family. Family means nobody gets left behind or forgotten. That became our motto for this whole 2017 season.

Before the season started, I asked all of the girls to write down three things they wished to accomplish this season. The top responses were: 1) winning more than one game 2) playing together, and 3) to get better. The girls accomplished their first goal by winning three games this year, a great accomplishment for a growing program.

The girls also wanted to learn to play together. These girls did more than that. They fought against some very competitive high school teams who have seasoned volleyball players. One game in particular that proved their ability to play together was against Wayland-Cohocton. It was the 4th set and they were down 24-12. They were up to serve, and went on a 12-point serving run to make the game tied at 24-24. Although they ended up losing that set, 26-24, it showed that they were capable of anything if they believed in not only themselves but also their teammates.

Their final goal was to get better. They got better as a team each time they played. Although it wasn't reflected by their record, each girl knew what she had contributed to the team, and that her role was just as important as the girl standing next to her. Volleyball is not a game that can be solely played by saying "I". It is

truly a "WE" sport.

I would like to take a moment to thank all of the parents and fans that traveled to our games this season. Thank you to our four seniors who will be greatly missed. You have contributed a lot to this program and helped begin to shape it in the right direction.

BOYS SOCCER

(NYSPHSAA Scholar Athlete Team)

The Hornell Boys Soccer Team finished their season at 11-5. The team started the season by winning the Olean Tournament. Trevor Aldrich was the tourney's MVP, while Kane Countryman was the MVP of the championship game. On Senior Night, the team came back from a 2-0 deficit to defeat Livonia who was ranked # 1 in the state.

Trevor Aldrich, Kane Countryman, and Collin Rose were selected to the Livingston County All-Star Team. Aldrich, Rose, Ian Cornish, and Taylor Stutzman were chosen to play in the Exceptional Senior Game. Countryman was chosen to play in the Section V All-Star game. Henrique Bolis and Rose were chosen as players for the Section V All-Tournament Team. Countryman and Bolis were the leading goal scorers for the team, while Countryman and Matt Smith led the team in assists.

Although there are 14 players that will be lost to graduation, we hope a very talented group of JV players will be ready for varsity competition.

"Coming together is a beginning, keeping together is progress, working together is success."

FALL CHEERLEADING

(NYSPHSAA Scholar Athlete Team)

The 2017 fall season was successful for the Hornell Varsity Cheerleaders. The team was made up of twelve girls that worked hard and were dedicated throughout the season. The three captains leading the team were Delaney Murphy, Meghan White, and Chloe vanCaesele. The cheerleaders competed in five competitions and placed in the top 5 for Sectionals. Their scores increased throughout the season as they worked hard to consistently make changes to improve their routine. We are very proud of Delaney Murphy and Chloe vanCaesele for being chosen as LCAA All-Stars!

GIRLS SWIMMING & DIVING

(NYSPHSAA Scholar Athlete Team)

The Girls Varsity Swim Team had a positive rebuilding season. The Lady Raiders kept our meets close and exciting during the dual season. Captains Alyssa Conley, Kaylee Dugo, Angela Isaman, and Elyssa Smith proved to be strong leaders during this challenging season. Seven swimmers qualified for sectionals this year. Senior stand out Angela Isaman was named LCAA All-Star. She also placed in the top sixteen in both the 50 and 100 free at Sectionals. Senior Elyssa Smith led the 200 medley relay to take 13th at Sectionals, as well as placing in the top sixteen in the 100 backstroke. Sophomore Katrina Bown had an amazing season this year. At Sectionals, she earned 7th in the 100 back, posting a personal best. Underclassmen Julia Day, Kathryn Evans, Olivia Chace,

Vivianne Spitulnik, and Sydney Livingston assisted our relays with determination.

Congratulations to these fine scholar athletes on a season that proved to be successful in many ways!

CROSS COUNTRY

(NYSPHSAA Scholar Athlete Team)

The Hornell Cross Country Team had a successful 2017 season. The boys, led by seniors Alex Shick, Jake Bailey, and Zach Burdick, compiled an impressive 15-7 regular season record. Sophomore newcomer Ryan Weir had several team-leading performances. Veteran sophomores Sam Roberts and Jake Clifford anchored the squad. Freshman Einon Walsh showed tremendous improvement over the course of the season.

The girls fielded a large squad of eleven runners, many of them freshmen who hoped to carry over the impressive showing that they had on the modified squad. They did not disappoint. The Lady Raiders finished with a 17-3 record, losing only to state-caliber Addison. The girls carried home the team titles from the Dansville, Cuba-Rushford, and Clarence Invitational's. Mackenzie Putnam led the way at Dansville with a dominating victory performance. Carter Browne led the team at Clarence with a top ten finish. These two saved their best for Sectionals, which was contested in the worst conditions of the season, a slippery, mud-filled course at Wayne. Mackenzie placed 9th, earning her first Sectional patch and just missing a trip to States. Carter ran the best race of her young varsity career, placing 5th, earning a patch and a place in the State Meet. Junior Kayla Eason contributed greatly to the team as did sophomores Brooke Hill & Aubre Robinson, and freshmen Netasha McIntosh & Kelsea Greenthal. The team offered a fond farewell to seniors Brianna Hanchett and Lili Wilkins.

The modified squad was small but spirited. It was led by Gabrielle Macool who, like Mackenzie Putnam, cruised to victory at the Dansville Invitational. The team has high hopes for an even better 2018 season.

Winter 2017-18

BOYS BASKETBALL

(NYSPHSAA Scholar Athlete Team)

The 2017-18 Boys Basketball Team finished the season with a 16-6 record. The season was highlighted with wins over Perry and Livonia. Livingston County All-Stars were Luke Smith and Spencer Weyand. The team was led by a very good senior class. Their season ended with a loss in the quarterfinals to Greece-Odyssey.

The team has many returning underclassmen along with a JV team that finished 19-1. We are looking forward to another successful season next year. We would like to thank the community for their continued support.

GIRLS BASKETBALL

(NYSPHSAA Scholar Athlete Team)

The Varsity Girls Basketball Team finished the season with 9 wins and 12 losses. Even though we had a losing record, the girls played really well and gave everything they had every night. The girls played a very difficult schedule that included non-league opponents: Seton Catholic, Horseheads, Corning, Penn Yan and Wellsville.

Senior Abby Austin led the Lady Raiders in scoring, rebounding, assists, steals, and blocks. This was the first time in school history that a player has led the team in all major statistical categories. Abby was also named to the

Livingston County All-Star Team and was nominated to participate in the Exceptional Senior Game.

We had great individual performances from sophomores Leah Harkenrider, Chelsie Freeland, and freshman Jaden Sciotti. We received great leadership and energy by seniors Emily Kuhn and Mackenzie Congdon. Abby, Emily, and Mackenzie will be greatly missed next season.

WRESTLING

Senior Zack Thurston earned a trip to the NYS Wrestling Tournament in Albany after an incredible season. He accumulated 45 individual wins, a 1st place finish at the Hornell State Farm Classic, 1st at the Livingston County Tournament, 2nd at the Sectional Tournament, and 3rd at the State Qualifier.

As a team, the Hornell Red Raiders won 22 varsity matches. Hornell took 1st place at the Avoca Dual Meet Tournament with several wrestlers going undefeated. Seven teammates took the podium at the Hornell State Farm Classic. They are Mason Drew--1st, Zack Thurston--1st, Owen House--3rd, Alex Lockwood--3rd, Zack Burdick--4th, and Andrew Deebes--4th. The Livingston County League Tournament saw seven Hornell wrestlers reach the podium as well. They include Mason Drew--1st, Zack Thurston--1st, Zack Burdick--2nd, Jason Roy--3rd, Owen Launter--4th, Owen House--5th, and Alex Lockwood--6th.

In post-season wrestling, Mason Drew, Zack Thurston, Owen House, and Zack Burdick placed and earned a trip to Brockport for the State Qualifier. Drew's season ended with over forty wins as an 8th grader, and a 6th place finish.

With only three seniors graduating this year, the program is looking forward to a solid core of wrestlers returning for the 2018-2019 season.

"People who achieve their goals do so with passion, planning, persistence, & purpose."

WINTER CHEERLEADING

(NYSPHSAA Scholar Athlete Team)

The Hornell Varsity Cheerleading Team had a successful season. They worked hard and persevered through some setbacks from injuries. Leading the way as captains were Delaney Murphy and Meghan White along with co-captain Francy Cruzado. The team participated in four competitions and placed in the top five in their Sectional division. Congratulations to LCAA All-Stars Delaney Murphy, Meghan White, and Francy Cruzado. We are looking forward to next season!

BOYS SWIMMING & DIVING

(NYSPHSAA Scholar Athlete Team)

The Boys Swimming & Diving Team has an arithmetic problem...not enough boys to fill all the lanes to score points. Sometimes we didn't even have a competitor in an event. We were 0-12 for the season. That being said, we got better! Each boy achieved a personal best in their chosen individual event, even in events that were chosen for them.

We have a young team with only one upper classman, senior diver Kevin Hixson, who also served as one of our captains. Kevin has been a diver for only two years but reached Legend status at LCAA's and Sectionals. He is self-coached, strong, and fearless. These qualities will serve him well at the college level.

Sophomores Matt Oyer and Colin Ponticello were our other captains. Matt qualified for Sectionals in every event that he competed in. He chose the 200 IM and Backstroke to swim in Sectionals. Colin is our "distance" guy, swimming the 200 and 500 Freestyles during most

meets and at Sectionals. Other sophomores with significant drops this season were Jake Clifford in 100 Butterfly and 200 IM, and Breccan Donlon in the 100 Breaststroke. First year diver, Braeden Caruso and returner Sam Roberts also qualified for Sectionals. Freshman Gavin McGowan swam the 100 Breaststroke in Sectionals while 8th grader Nick Oyer swam the 50 Freestyle and 100 Backstroke. 7th grader Dane Thompson found his niche in the Backstroke.

With a new Modified Swimming & Diving Squad to feed the Varsity teams along with these young athletes coming back, it is looking good for the future of Hornell Swimming & Diving!

Thank you to all of the parents for their support, rides, oranges at meets, and doughnuts & chocolate milk for Saturday practices!

CO-ED INDOOR TRACK

(NYSPHSAA Scholar Athlete Team)

The Hornell Indoor Track and Field team had a great 2017-18. The girls team claimed their second straight Livingston County Championship and finished 6th at the Section V Meet. Senior standout sprinter Tyler Green set personal bests in the 55m (6.83) and 300m (37.87) with a time that earned him 3rd place at the Section V Championship Meet. Senior Rebecca Clifford established a new school record in the Girls Weight Throw with a toss of 29'.05". LCAA Champions included Emma Flaitz (300m), Mackenzie Putnam (3000m), the 4x200m Relay Team of Emma Flaitz, Sophia Carretto, Kayla Eason, and Alyssa Delany; the 4x400m Relay Team of Carretto, Angela Isaman, Brooke Hill, and Netasha McIntosh; and the 4x800m Relay Team of Carter Browne, McKenzie Hall, Aubre Robinson, and Kayla Eason. The boys team placed 6th at the LCAA Meet, led by Green (with 2nd place finishes in the 55m and 300m), and the league champion 4x200m Relay Team of Green, Payce Hooker, Liam Hendrickson, and David Browne.

SPORTS REVIEW: 2017-2018

The future continues to look bright for the Girls Team with a nucleus of outstanding distance runners (Browne, Hall, Putnam, and Robinson), a strong mid-distance group (Flaitz, Carretto, Hill, Eason, Kelsie Greenthal, and Elle McCumiskey), and top sprinter/hurdler/jumper (Alyssa Delany).

The Junior High Modified Team was led by seventh grade standout Brennan Delany. Delany was the Boys Modified Rochester Winter Track League Champion in the 55m Hurdles and the Triple Jump. Brennan was also one of the top long jumpers in the league. He set school records in all three events. The Girls Modified Team was led by eighth grade sprinter and jumper, Laure Jung.

Our Legacy

We are a team of courage and heart.
Every member holds a critical part.
No matter what, we shall never quit,
Tough and determined with plenty of grit.

Now is the time for us to excel.
Forget about past mistakes, no point to dwell.
Only one thing should remain in our mind,
Victory! And how we shall find.

It's all inside of us, obvious and clear.
There is nothing we should hold back or fear.

Let's go out and release our fury.
We won't need a judge or a jury.

Through our victory,
Justice shall be served.
At the end of the day,
our legacy is preserved.

“HAPPY SIBLINGS DAY!”

National Siblings Day is a holiday recognized annually in some parts of the United States on April 10th, honoring the relationships of siblings. It was established to celebrate the people we have spent most of our lives with and those closest to us. The holiday was created twenty-three (23) years ago and continues to be recognized today.

NSD was founded in 1995 by Claudia Evert of Manhattan. According to the Siblings Day Foundation, she created the day to honor her brother and sister who died in separate accidents early in their lives. She wants to make sure that the powerful bond between siblings is not taken lightly. Evert chose April 10th because it is the birthday of her late sister, Lisette.

Below are some old family photos that were submitted and/or appeared on Social Media this past year. Pictured are Hornell High School graduates spending some quality time with their siblings.

“A Wonderful Life”

PLEASE NOTE: Chris Potter is the Regional Director at the Hornell Evening Tribune. Last December, he interviewed Mayor Hogan and summarized their conversation in an article for the newspaper. It was very thorough and beautifully written. On behalf of the HHSAA Board of Directors, we would like to extend our appreciation to Chris for allowing us to share some of its contents with our HHS alumni.

Shawn Hogan '70 reflects on thirty-two (32) years as mayor of the Maple City.

Hornell: Born and Bred Shawn Hogan is a fifth-generation Hornellian. An ancestor, John Hogan, immigrated to the United States from Ireland in the 1840s. Shawn describes his great-great grandfather as a “hard-scrabble farmer” who found employment on the Erie Railroad.

The immigrant family found the better life it was seeking in Hornell. The Hogan’s settled in and put down roots, the fruits of which John Hogan could have hardly imagined in those early days on a new continent. His great-grandson, Francis, served as mayor of Hornell in the mid-20th century. Francis had a son, Shawn, who would go on to play an even bigger role in charting the Maple City’s future course.

Shawn Hogan grew up in a bygone era, a time when every need could be satisfied locally in the city. Many families didn’t even own a car; they didn’t need one. Men could walk to work, and neighborhood shops provided everything a household required. The railroad industry played an outsized role in the city’s fortunes. At one point in time, the Hornell Erie Railroad employed 5,000 people. That economic engine fueled the entire city. A host of specialty shops catered to every need, and the city streets hummed with comings & goings. It was an exciting time for a young boy growing up amongst the hustle and bustle of a busy city.

Jumping into the Fray: It started in the mid-1980s. Hogan was thirty-three years old, had a growing family, and a job with the Department of Labor. Everything seemed to be on track, until he learned there was a good possibility he could be transferred to Central New York or the Albany area. Hogan didn’t want to make the move. He was born and raised in Hornell. Leaving home and saying goodbye to his beloved community sounded like an untenable proposition. He decided to run for the open mayoral position, and won the election with 52 percent of the vote...a landslide in a three-way race. That’s when the work started.

Successes and Setbacks: Hogan has helped shape much of Hornell’s past, present, and future over the last three-plus decades. He received a valuable lesson in the challenges associated with leadership — it’s impossible to please everyone. Sitting in the mayor’s seat for thirty-two years, Hogan has seen first-hand the ebbs and flows a community experiences over the years. His administration hasn’t been untouched by heartache and disappointment. Through it all, though, Hogan has maintained his faith in the community and its power to overcome any & all challenges. A common theme of Hogan’s tenure has been remaining positive through times of plenty as well as times of doubt.

A Wonderful Life: As he gets ready to pass the torch to mayor-elect John Buckley, Hogan can reflect on a job well done. The Maple City might be on the brink of its biggest boom since his days as a youth. Industry is strong, business investment is on the upswing, and housing projects are underway across the city, revitalizing buildings and communities for a new era. Hogan isn’t sailing off into the sunset. He’s accepted a part-time position at the IDA where he’ll work with Jim Griffin who has been his partner on so many projects over the years.

For a time, it was hard to imagine stepping out of the mayor’s seat after thirty-two years. Hogan’s example has been one of active civic involvement and positivity, one he hopes will grow in his absence. “I’ve had so many emotional moments as it winds down. I get teary-eyed,” Hogan said. “Then, I think about how fortunate I am. It’s been a real blessing to be able to serve this community. I think about the movie, *It’s a Wonderful Life*. Not to sound corny, but I’d like to think that I have made an impact in Hornell like George Bailey did in Bedford Falls.”

“It truly has been a wonderful life.”

A Special Tribute to a Special Man

Shawn Hogan graduated from Hornell High School in 1970. Four years later, he received his BBA in Business Administration from Saint Bonaventure University. He was the Mayor of the City of Hornell, New York since January of 1986. Last December, after thirty-two (32) years of service and devotion as our Chief Executive Officer, Shawn retired. He became New York's longest tenured city mayor holding office.

Shawn was instrumental in working to revitalize the City of Hornell. The community experienced record commercial growth during his tenure in office. He put in place a major capital improvement program to rebuild Hornell's infrastructure, established a working labor/management committee, and acted as the chief labor relations negotiator on behalf of the City.

On Saturday, November 18, 2017, a party was held at The Main Place in honor of Shawn's retirement.

Guests included many city employees, friends, and family members. A 'Through the Years' video was displayed continuously throughout the evening for everyone to enjoy. It contained numerous photos of Shawn during his many years of service. This was a wonderful and special celebration that acknowledged a very deserving man.

Shawn is married to the former Holly Horton. They have four wonderful children who are all proud graduates of HHS, and nine beautiful grandchildren. Congratulations, good luck, and best wishes to Shawn & his family.

An Adventure to Remember

Pictured at Arlington National Cemetery are sitting (l. to r.) Linda Havens McMordie '64, Bill McMordie '56, Ava Argentieri, Lia Argentieri, and Sam Argentieri '17. Standing behind them are Amy McMordie Mayo '94 and Kelley McMordie Argentieri '89.

In August of 2017, members of the McMordie family traveled to Washington, D.C. to celebrate Bill McMordie's 80th birthday. They spent time visiting many monuments and memorials including The White House, Korean War Memorial, Lincoln Monument, Vietnam War Memorial, Arlington National Cemetery, World War II Memorial, Iwo Jima Memorial, and the Tomb of the Unknown Soldier. This trip was planned to honor Bill's service in the Marines (1956-1958). During his enlistment, Bill served as a member of the President's Honor Guard. The family intended to attend the Friday evening parade at the 8th & I Marine Corp Barracks. Unfortunately, the parade was cancelled due to inclement weather. Bill, Linda and their grandson Sam Argentieri were able to take a wonderful tour of the military base. Sam is currently enlisted in the Marine Corps and stationed at Fort Lee, Virginia. Also, all of them were invited to spend the evening in the Officers Club with many of the Marine Corps members.

It was an exciting and memorable adventure for the entire family.

Happy 2018!

The Hornell High School Alumni Association Board of Directors and their spouses/guests celebrated the holiday season at The Main Place in Hornell last December. They enjoyed visiting, chatting, and playing their "gift exchange swap game". We hope our alumni are experiencing a healthy and happy 2018.

"The best and most beautiful things in the world cannot be seen or even touched. They must be felt with the heart."

Thank you for your membership dues and scholarship donations. Your support is truly appreciated.

Happy 60th Anniversary, Marty & Sue Christensen!

On November 23, 1957, Martin Christensen '53 and Suzanne Glynn '52 were married at St. Ann's Church in Hornell. It was an exciting day for them as well as their families and friends. The Christensen's looked forward to a wonderful and happy future together.

On November 23, 2017, a surprise party was held in Marty and Sue's honor at the home of their daughter. This momentous celebration marked their 60th wedding anniversary. It was planned by their children who are all proud graduates of Hornell High School: Joan Christensen McAllister '76, Karen Christensen Eichensehr '77, Diane Christensen Amidon '78, and Carl Christensen '85. Marty and Sue have also been blessed with fourteen grandchildren and four great-grandchildren. All of them were able to attend this special occasion. The day was full of lots of laughs, stories, and the sharing of past family memories. It was a day that the Christensen's will cherish forever.

Marty is retired from the New York State Department of Transportation where he worked for over thirty years. After her children were grown, Sue was a part-time employee for many years at St. James Hospital. Currently, the Christensen's enjoy spending time with their friends in the Chemung Valley Antique Car Club and visiting with their children & grandchildren.

On behalf of the HHS Alumni Association, we'd like to congratulate Marty & Sue on celebrating their 60th wedding anniversary. May you experience many more years of love, happiness, and good health.

The Christensen's (above) enjoyed their special celebration.

Last fall, Erik coached the Red Raiders to a perfect 10-0 season in Section V, eventually losing in the first round of the NYS tournament to Cheektowaga. Coach Werner was chosen out of the eleven (11) Buffalo Bills 'Coach of the Week' winners for his 'Coach of the Year' honor. The award included a commemorative football, tickets to the "Blizzard Bowl" vs. the Indianapolis Colts, and \$2,000 for the HHS football team!

Congratulations, Coach Werner!

“Oh! No! Where’s Zeke?”

“Oh! No! Where’s Zeke, our Christmas Zebra?”, a children’s mystery dinner theater play written by Sue Gray and her granddaughter, Elizabeth Fitzwater, was presented in November at the renovated Hornell Federation Building theater. After dinner, which was provided by The Main Place, the audience participated in solving a Christmas mystery.

You see, Santa moved his entire Christmas operation from the North Pole to Southern California because his old body was aching, and he wanted some sun & surfing time. While Santa is out surfing, the elves and reindeer are grumbling about being behind on all of the work making toys. Then, someone kidnaps ‘Zeke the Zebra’ who is Santa’s GPS expert and a stand-in for Rudolph. Oh! No! Santa can’t get to all of his Christmas Eve stops without Zeke and his GPS expertise. Who took Zeke? And why did they take him?

Mrs. Claus gets Santa out of the ocean and off his surfboard to help get Zeke back. She also gets him out of jail when he gets arrested for speeding on his way to solve the mystery. With the audience’s help, the kidnappers are identified and Zeke is found. He gets back to the toy shop just in time for Santa and the reindeer to bring Christmas presents to children around the world.

Oh! No! We’re not going to give away the culprits. We’ll let you know when ‘Zeke’ is presented again, and you can come & help solve the mystery, too. Thanks to the fantastic cast for their hard and wonderful work in presenting this dinner theater production to our community.

They entertain their audiences with a variety of music but their specialty is Classic Rock from the 1970's and 1980's. If you get a chance to see 'Full Scale Band' perform, don't forget to bring your dancing shoes to the venue. They are really awesome! For more information, please refer to their facebook page. Kudos to Andolina Dental P.C.

Drs. Richard Sr. and Richard Andolina Jr., along with their office staff, volunteered and donated their dental services at the 2018 Florida Mission of Mercy Event in Fort Myers this past March. The 'FLA-MOM' was a two-day public dental health event delivering 150 dental chairs and over 1,000 dental professionals to the Lee Civic Center where more than 2,000 underserved and/or uninsured patients received 2 million dollars worth of dental care for free. Providing services to so many veterans and others who would have otherwise been unable to receive it was truly a rewarding experience. The patient appreciation was overwhelming and the dentist turnout was tremendous.

A special thank you to The Florida Dental Association for hosting such a great event, and Andolina Dental for unselfishly participating. You provided a positive impact by relieving pain, eliminating infection, restoring dignity, and creating smiles for those who were in need of your service. Kudos and much appreciation to all of you.

The class gifted \$2,000 to the HHS Alumni Association Scholarship Fund in memory of the seventy-six deceased classmates. The HHSAA selected Ian Evans '17 to be this year's recipient. He is currently attending Alfred University and is enrolled in the engineering curriculum. He will receive his grant over a four year period. Congratulations to Ian!

Since our 50th anniversary in 2006, the class of 1956 has gifted a total of \$42,000 to twenty-three deserving seniors entering a college or university. A very special "THANK YOU" to everyone who contributed to our class scholarship fund. This is truly a solid and worthy investment in supporting our younger generation that will become our future leaders.

The 1957 reunion committee welcomed fourteen classmates and guests to our fourth consecutive joint reunion. Members came from Florida, Canandaigua, Binghamton, Rochester, Livonia, and the surrounding area. The class was presented with a beautiful cake commemorating their 60th celebration. They also celebrated their anniversary by attending the annual HHS Alumni Association Banquet on June 24, 2017.

All of us are looking forward to another very informal reunion scheduled for August 11, 2018. Please pass the word along to all of your classmates and plan to join us.

Class of 1967— 50th Reunion

Classmates from across the country gathered at the Hornell Golf Club on Friday, June 23, 2017, to begin the 50th reunion of the HHS class of 1967. Tables were decorated with school colors, old-fashioned candies, and photographs from previous reunions. It was a time to reconnect with many classmates, reminisce about the good 'ole days in high school, and make new memories. Memorial boards with pictures of deceased classmates were displayed on easels. Our new mantra is: "Stay off the board"! Class members had been contributing to the scholarship fund for many years, and the amount raised was announced. Dinner and dancing followed the festivities with many diehards staying until the end.

On Saturday evening, the HHS Alumni Association honored our class at the banquet. We had more opportunities to visit and talk with old friends during dinner. Gary Hammond represented the class as our speaker for the evening. The HHSAA thanked the class for their generous donation to the scholarship fund. Dancing and socializing followed and, once again, many stayed until closing.

A fantastic weekend was had by all attendees. Thank you to our friends and committee members for helping make it a great success. Remember to notify the HHS Alumni Association and our committee if you have a change of address. For those unable to attend, we hope to see you in the future.

Over the last several years, they have become like '2nd parents' to Danielle. On her wedding day, John and Pam had the honor & pleasure of walking down the aisle in front of Danielle as a special tribute to her mom & dad. It was a beautiful ceremony, and a wonderful way to memorialize her parents. Denny & Barb would be very proud of not only their lovely daughter but their classmates and dear friends, as well. RIP, Denny and Barb.

Class of 1972—45th

The HHS class of 1972 celebrated their 45th reunion with an informal gathering at the Hornell Elks Lodge on June 24, 2017. Classmates that organized this fun event were Carol Tibbitt Parks, Mary Angela Andrezzi, Julie Mulhollen Byron, Candy Flanders Hogan, Joanie Livingston Shabala, Colleen Griffin Little, and Howard Nisbet. Hats off to Howard and the wonderful staff at the Elks Club who made all of the delicious food and worked so hard to make this a fun time! We are looking forward to our 50th in 2022!

Class of 1977—40th

As in years past, the class of 1977 gathered to celebrate another milestone, this time honoring their 40th year reunion. The Main Place was the venue for the event on Friday, June 23, 2017. Classmate John Carbone provided a wonderful selection of appetizers in his beautiful facility, as friends from around the country renewed cherished memories. The party was a huge success with classmates dancing...and singing...into the night. Music was provided by the talented Chad Taggart who did an excellent job playing a variety of songs. While he was on break, Monty Hurd entertained everyone in attendance. Nice job, Monty!

The celebration continued Saturday evening, again at The Main Place, for the HHS Alumni Association Annual Banquet with dinner and dancing. The evening was filled with lots of conversation, stories, and laughs. DJ John Lewis played great music which kept everybody "Rockin" until closing time.

Commemorative plates with a photo of the graduating class were given to each classmate that attended the reunion festivities, as well as red & blue sunglasses monogrammed "HHS Class of 1977." A BIG thank you to members of the class who donated to the scholarship fund. We were able to award two \$1,000.00 scholarships to the following 2017 graduates: Marygrace Gambino (daughter of Regina 'Regi' O'Connor Gambino '77 and Pete Gambino '77) and Aleah Libordi (daughter of Tom Libordi '77). Congratulations, good luck, and best wishes to both of you.

Last summer, Sally Dagon Head (left) and Debbie Fitzpatrick Bossie (right) enjoyed a visit with their class president & dear friend, Casey Cameron. Due to health issues, Casey was not able to attend his 40th reunion. He loved receiving his commemorative plate & sunglasses, and enjoyed viewing the 1977 Maple Leaf yearbook with his classmates. A few years ago, Casey was diagnosed with Frontotemporal Dementia (FTD). Unfortunately, he lost his battle with this horrific disease and passed away last December. Casey was loved and admired by everyone who had the pleasure of knowing him. Rest in Peace, dear friend. You will truly be missed.

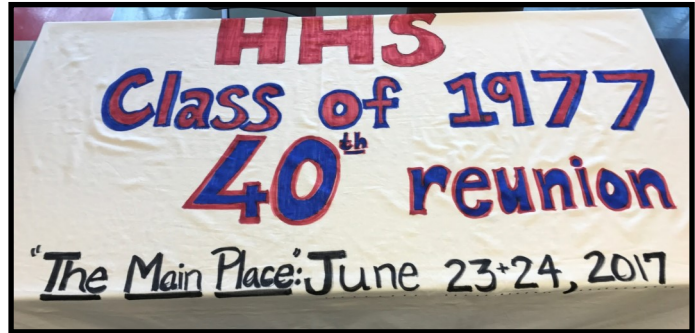

Class of 1977—40th

Greetings from Kim and Brenda Chase!

At every reunion, the HHS class of 1977 committee members provide a sheet for classmates and guests to sign. Beginning with their very first '1-year' celebration in July of 1978, they have now accumulated nine (9) of these sheets. Each one is strategically hung and displayed at every upcoming class reunion. Our next celebration (45th) will take place the weekend of June 24 & 25, 2022. **SAVE THE DATE!**

Class of 1992—25th

The HHS class of 1992 celebrated our 25th reunion on Friday, July 14, 2017 at Milliner's Southern Smoke owned & operated by Marjoe Milliner '92 and his wife, Rebecca. Those classmates that were able to attend enjoyed the food as well as the company & casual conversation. The next afternoon, the class got together and enjoyed a family picnic at Shawmut Park. Everyone loved this newly renovated space located in Hornell, NY.

To honor our 'Silver Anniversary', the HHS Alumni Association welcomed classmates Dominic Daniels, Colleen McDermott, Jennifer Olix, Liz Vosburg Norton, and Michelle Pomeroy at their annual banquet last June. Jennifer Olix gave a fantastic and heart-felt speech. Although the crowd was smaller than expected, the class of 1992 will be back in full force for our 30th reunion in five short years. We hope to see you all then!

Live music accompanied the great food, delicious drinks, and friendly conversation. Classmates and guests shared many laughs & special memories throughout the evening. A special thank you goes to Marino's Restaurant, owned by Joe Shepard '97, for catering the event. Committee members would like to encourage all classmates to join the HHS Class of '97 facebook page for future information. We hope to see everyone at our 25th celebration!

RIBBON DROPS ON LINCOLN GARDENS

...Then...

The extensive construction and work at the Lincoln Gardens Senior Living Community came to a close in July of 2017. Located at 373 Canisteo St., Lincoln Gardens was formerly Lincoln School until 1979, and was then repurposed as an office space & daycare by St. James Hospital until 2012. It is currently a 24 unit apartment building designed for people fifty-five and older.

Federal, state, and local elected officials gathered to celebrate the opening of Lincoln Gardens at the ribbon cutting ceremony. Hornell's mayor at the time, Shawn Hogan, feels that it's a tremendous benefit to this community, its citizens, and this neighborhood. Former Alderman and current mayor, John Buckley, is delighted to welcome Lincoln Gardens to the City of Hornell. "As a lifelong resident and former student at Lincoln School, it is heart-warming to see the grand old building come roaring back to life." The restoration of the building and its safe & affordable housing is seen as one more reason why the Southern Tier is soaring.

...Now...

HORNELL'S ANNUAL YMCA TURKEY TROT

On November 24, 2017 the annual Hornell YMCA Turkey Trot took place, and was a big success. There were a total of 550 competitors excited to run/walk on Thanksgiving morning. This year's Turkey Trot had approximately 390 runners and 165 walkers. There was a very good overall turnout with families and friends participating. Tim Chichester, from Hornell, was the winner crushing an overall time of 15:27. He finished nearly a minute ahead of the rest of the competitors. The 5K Turkey Trot included several HHS alumni who currently live in Hornell or travelled home for the holiday. Many of these graduates placed in the top 5 in their age bracket. It's always great to see familiar faces in and around the 'Maple City'!

MUSIC UNDER THE STARS

Last summer, Maple City Park held a performance offered by the Drum and Bugle Corps for the 26th consecutive year. Groups that performed included the Hornell Intermediate School Drumline, Downbeat Percussion (the official drumline of the Buffalo Bills), Hamburg Kinsmen, Mighty Saint Joe's, Les Diplomats, Burlington Teen Tour Band, Kawartha Cavaliers, and the White Sabres. Among these, the Mighty Saint Joe's Alumni Corps from Leroy has participated in all 26 'Music Under the Stars' programs. This annual and upbeat event kept spectators on their feet & clapping throughout the entire evening. Former mayor Shawn Hogan attended, and was amazed by all of the different groups and the talent that they have. Hogan has vowed to stay involved with this event in the future.

RYAN HARRIS COMES TO HORNELL

During an unexpected trip, the Hornell Intermediate and High Schools welcomed the former third round pick and Denver Bronco, Ryan Harris. Originally, he was visiting his friends, Dr. Izzy and Uzhma Mehr, who encouraged him to speak to the students about his success. The former lineman and Super Bowl champion spoke about the importance of hard work, motivation, and determination in his career, and how these principles are pivotal in everyday life. He taught the students in attendance that “picking up a shovel and digging” is the best way to solve a problem. The Hornell City School District felt that his connection with the student body made his message more impactful.

HORNELL LITTLE LEAGUE: NEW ERA...LONG LEGACY

Last May, the Hornell Little League solidified the memory of Zach Smith and Larry Gleason as they dedicated the front baseball field to these fallen hometown heroes. The ceremony, led by Hornell Little League President Jamie Oyer, began with the parading of teams & coaches around the field, and was followed by the welcoming & thanking of guests including Mayor Shawn Hogan, New York State Assemblyman Phil Palmesano, District 6 Little league President Rick Kelly, veterans, and members of local & state police and fire departments. Oyer then welcomed the families of the fallen to throw the ceremonial first pitch.

The ceremony then proceeded into emotional soliloquies about the two young men given by Hogan and Palmesano, both of whom had fond memories of these

men, as well as of this newly dedicated field. They spoke at length about how these men sacrificed their lives in service of their country and state. The monologues were intended to inform the crowd that the legacy and courage of these brave men need to carry on. This dedication provided a means of continued remembrance for these heroes of impeccable character.

A ST. PATRICK’S DAY FAMILY CELEBRATION

Mayor John Buckley appointed Bernie McAneney as the ‘Grand Marshal’ of the St. Patrick’s Day parade. The son of Irish immigrants, McAneney has always embraced his lineage, an affection that he has passed down to his eight children. On March 17th, Bernie was given the official ‘GM Sash’ during a brief ceremony, and officially began the parade festivities. He was joined by all of his kids, their spouses/significant others, and several of his grandchildren. It was a wonderful day and a magnificent celebration!

KURYN NEWARK ‘18 TAKES ON ALL-STATE FESTIVAL

Hornell’s own Kurn Newark participated in the New York State Conference All-State Festival in Rochester from November 30 - December 3, 2017. She was selected out of thousands of students who had auditioned last spring. Kurn found that the experience had been extremely beneficial, and she has grown as a musician because of it. Hornell High School Choir Director Chris van Leeuwen stated, “Growth is measured differently in music than in other subjects”. Kurn is the second Hornell student in two years to attend the festival. She hopes that HHS continues to be represented at these festivals in the future.

HORNELL ROLLS OUT THE RED CARPET

Actor Bill Pullman '71, former Hornell mayor Shawn Hogan '70, and CEO of the YMCA Rob Gilchrist held a movie premiere extravaganza this past January for Pullman's new movie, 'The Ballad of Lefty Brown'. All proceeds went towards the newly established 'Shawn Hogan YMCA Scholarship Fund'. This event had a very large turnout from the community with over 300 tickets sold. It included a 'Meet & Greet' held at the YMCA, the viewing of the movie at Starlight Theatre, and lastly, a celebration gathering at The Main Place.

As he was working on the movie, Bill stated that it reminded him a lot of home. He made comments comparing the code of the old west to the way people live in western New York. Bill has a very strong commitment to his hometown. This event is just one example of how he works to support his community any way he can. Overall, the night was a great success and a tremendous benefit to the Hogan Scholarship Fund.

Bill enjoys visiting with his former Math Teacher, Mrs. Jane Cropp Jamison.

REVISITING THE GLORY DAYS

The Patriot Teen Night Club was open from 1965 through 1971. High school teachers Lyle Barron along with his wife Sharon, and Billy Schu & his wife Irene took a trip to Wellsboro to a young adult dance club. They couldn't believe how many people were in attendance. On their way home, they decided to open something similar in Hornell. They started out by renting the Odd Fellows Hall on Broadway, and then moved to a building across the tracks from the Sunset Inn. It was painted with red and blue polka dots. Dances were held weekly with live bands. On a given night, they averaged over 200 teens in attendance with some nights reaching as many as 1,500 people. As the City of Hornell sees an influx of more people and businesses in the area, community members wonder if a similar vision could be started in the near future.

HISTORIC GOLF CLUB RETURNED

On a visit to Royal Troon Golf Club in Troon, Scotland last August, James LaVerde '63 donated a club belonging to Arthur Havers who won the first-ever British Open held at the course in 1923. James purchased the old club at a small antique store in the Adirondack Mountains for \$20. Upon closer inspection, he realized that it wasn't 'just an old hickory shaft'.

Pictured are James LaVerde '63 and Dr. Martin Cheyne who is the Captain of Royal Troon.

He noticed the name 'AG Havers Own' on the back of it. After much research, James realized what he had in his possession. He kept the club as a conversation piece for the next fifteen years, and decided to donate it to the Royal Troon Golf Club where it is currently displayed in the Championship Showcase. Members were most appreciative and extremely happy to have it. James and his wife Maggie, originally from Hornell, are now living in Spring Hill, FL.

'THE STORE THAT BROUGHT PEOPLE TOGETHER'

ACME was a business that gave Hornell a sense of community for over thirty years. The grocery store, located on Genesee Street, was opened from the mid-1960s until 1995. The staff had a close-knit relationship with not only the customers but with each other, too. The people who worked there loved it. They would even work on their days off. The store manager, Tom Hilfiger, always had some sort of 'shenanigans' going on to make everybody laugh.

Pictured are Karen Quinlan Kuhn, Ken Rahr, Dawn Lamacchia, and Ruth Schoonover Bebout

Last August, past employees from Acme had a reunion to reminisce and share stories about all of the great times that they experienced with each other and former customers. It was a wonderful celebration!

ZACHARY D. SMITH MEMORIAL SCHOLARSHIP

The 8th Annual Zachary D. Smith Golf Tournament was held on June 17, 2017. On this day, we spend time reminiscing about Zach and all that he stood for. He loved the game of golf. This is a perfect way to pay tribute to such an amazing hero. Zach always made moments very special, cared deeply about people, and chose to live a life of a very giving person. He joined the Marine Corps in 2008, and lived the 'Marine Corps. Motto' which stands for 'Honor, Courage and Commitment' which defines Zach to a tee.

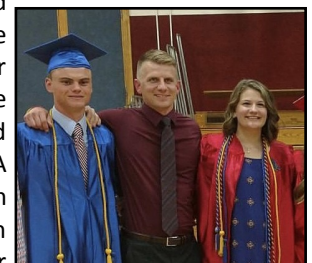

Alex Fitzpatrick, Troy Allen, Cullen Baker, and Michael Caruso

Zach was deployed in December of 2009, and on January 24, 2010 he stepped on an IED (improvised explosive device) that took his life. His older brother Nate '05 set up a scholarship fund and planned a golf tournament the day after Zach was killed. His younger sister, Grace '17, helps with the tournament as well. It is important to our family to keep Zach 'alive'. These types of events bring people together to celebrate a lovely person that we miss so much. Several of our family members and friends volunteer their time. A big thank you to all who help make these tournaments such a success! The winners of the 2017 tournament were Alex

Fitzpatrick, Troy Allen, Cullen Baker, and Michael Caruso.

The proceeds from the golf tournament go to the Zachary D. Smith Memorial Scholarship Fund. Every year, a Hornell High School senior is chosen from the essays that are written and submitted to the guidance office. This scholarship is valued at \$4,000 payable annually while the recipient is enrolled in college or the military. This year, two students were selected by the family. They are Sam Argentieri who joined the USMC in October, and Grace Smith who is enrolled in the Nursing Program at St. John Fisher College. Jake Weyand was the recipient of the ZDS Athletic Award (\$500) and also the HHSAA donations that were sent in memory of Zach (\$500). We wish all of them the best of luck in their futures.

Pictured is Jake Weyand with Zach's siblings, Nate and Grace Smith.

We are looking forward to the upcoming years as we celebrate a great life that was cut too short.

Sincerely,
The Family of Zachary D. Smith

GUS MACKER 3-ON-3 TOURNEY

Once again, the Annual Gus Macker Weekend Basketball Tournament was a big hit last summer. The Maple City celebrated two decades of playing basketball in style over the hot July weekend. Long lines are typical at the 3-on-3 basketball tournament.

Children were lined up to play on The Dream Court because of Scott Richardson who has worked the ‘Hornell Macker Tourney’ ever since it began twenty years ago. He also participates on the national level. Scott was behind the microphone announcing games, from the youngest kids who struggle to score four points in a 25 minute game to the older ones who make some amazing passes and shots. “He gets creative with his nicknames, gets the kids involved, and makes it a special experience to be on the Dream Court,” says Daniel Galatio, Hornell YMCA Program Director.

Galatio’s son, Jack, was also on the stage working as the MC for the tournament. Galatio stated that his son is ‘a piece to the puzzle’, describing the fun-filled weekend as a multi-piece puzzle that fits together each year to keep the tournament going. YMCA Chief Executive Officer Rob Gilchrist commented that the YMCA is a non-profit organization. One goal of the Gus Macker Tournament is to strengthen and improve the community. Each year, several volunteers come out in full force to ensure that the event goes off without a hitch. Galatio stated that as long as we have sponsors, volunteers, the support of the YMCA Board of Directors, and the great cooperation & leadership from the City of Hornell, it will continue to thrive.

The 2018 Gus Macker Tournament is scheduled to take place the weekend of July 28th and 29th. Get your teams ready, and be prepared to play some basketball!

SMALL TOWN LOVE

Meet some of the Oscar Award recipients and their families.

On September 21, 2017, the 1st Annual Maple City Oscars, hosted by Hornell Partners for Growth (HPG), was held at the Italian Villa. There was nothing but joyous congratulations given throughout the night. As a Hollywood-esque atmosphere filled the room, these prestigious awards were respectively given, happily accepted, and well-deserved. Of the thirteen (13) categories, the most anticipated Oscar Award was ‘Person of the Year’. The honor was given to Mayor Shawn Hogan who has now since retired after 32 years of service. His brief speech included aspects of developing and bettering our community.

‘FOOD AND FAMILY’

Lori and Ian Cramp, owners of Billy Schu’s Restaurant in Hornell, distributed free Thanksgiving meals to those in need. The couple gave away approximately 275 dinners last November. The Cramps started this free dinner tradition fourteen years ago when they purchased the restaurant. They have been able to keep it going with the assistance of family and friends who offer a helping hand. Volunteers prepare and serve Thanksgiving meals. There were 114 homebound meals that were delivered to those who were physically or mentally unable to cook, leave their home, and/or had no family. Lori and Ian believe that Thanksgiving is a time of giving to others who are in need. They will continue this tradition as long as they own the restaurant.

Larry & Liz Perry join Lori & Ian Cramp in displaying a few of the 45 pumpkin pies that were served for dessert on Thanksgiving Day.

ALSTOM-HORNELL COMMITS TO CHARITY

Alstom's Annual Golf Tournament, held in Hornell, makes over \$20,000 to help support local organizations. This year's proceeds from the tournament went to Cure Childhood Cancer Association and also to the Steuben Senior Services Fund. These organizations were presented with a check of \$10,000 each.

The Cure Childhood Cancer Association was formed in Rochester, NY in 1976 by a group of parents that had lost their children to cancer. The parents wanted to provide a support system through the tough experience as well as raise money to help others. In the past, proceeds from the tournament went to St. James Mercy Hospital and The Hornell Children's Home. The money that St. James Mercy Hospital received enabled them to consider new equipment as they transition to their future site on Seneca Road North in Hornellsville next year. This money also allowed the Children's Home to consider new locations, giving them a chance to expand their business to take in more kids. Because of the Alstom Golf Tournament, many Hornell organizations have benefited positively.

Steuben Senior Services Fund Inc., a leading local business that advocates for the aging, allows our seniors to stay in their homes. They were very grateful to have received the money. The annual Alstom Charity Golf Tournament is supported by employees from all over the world who have participated in the event. Alstom employees will continue this event to raise more money for the local cause.

HORNELL PROMOTES HEALTHY LIVING FOR YOUTH

Congratulations to the 2017 Quarter Miler Champs!

Hornell has hosted the Maple City Kids Quarter Miler since 1989. Its goal is to promote the importance of fitness for youth. Sandy Wallace, a 1972 graduate from Hornell High School, proposed the event to the Kiwanis Club and St. James Mercy Hospital. With over 200 kids in attendance, the May 2017 Quarter Miler had one of its most successful turnouts. The race is intended to give younger children, ages 2 - 12, the opportunity to enjoy running in a new way. This friendly form of competition is set with age divisions so kids don't go beyond what they can handle. The race also encourages the kids to take part in healthy activities. Along with the races, St. James held its "Healthy Kids Day" in the Hornell High School gym. Activities ranged from dancing to making balloon animals. In the end, the overall goal for the day had been met. Kids were active and learned the importance of a healthy lifestyle.

Kathy LaBarron-Roberts '87 Completes 'Ironman' in Lake Placid

On July 23, 2017 at 11:14 pm, Kathy LaBarron-Roberts '87 crossed the Ironman Lake Placid finish line on the Olympic Oval in Lake Placid, NY. Ironman distance triathlons require participants to swim 2.4 miles, bike 112 miles, and finish the day with a 26.2 mile run. The 140.6 mile total distance must be completed in less than seventeen hours.

Kathy LaBarron-Roberts '87

Kathy has been doing triathlons since 2010, completing many shorter events in the local Finger Lakes region. Doing a full Ironman distance event was a bucket list item for her, as it is for many triathletes. There are various locations that host Ironman brand full distance tris, but Kathy really wanted to do the Lake Placid event. "It is the oldest North American Ironman race, and the town is full of activity & excitement during Ironman weekend every July. The Olympic spirit, combined with the beautiful race course amid Adirondack Mountains, lakes, and rivers make it such an inspiring place to swim, bike, and run!"

Kathy trained for about six months prior to the race. She steadily increased her distances in all three disciplines, building endurance with early morning workouts during the week, long bike rides every Saturday, and long runs every Sunday. "My husband, Gary, is also a triathlete. He joined me on many of the long bike rides, and was very supportive about the whole training & racing journey."

Race day went just as Kathy had hoped and dreamed it would. She was so grateful for perfect weather, and for so many friends & family who cheered her on in Lake Placid as well as from afar, thanks to Facebook.

Greeting Kathy at the finish line is her husband Gary (center) and son Sam.

"I don't think I will take on another Ironman distance tri, but will continue training and racing shorter distance events. The Ironman was life changing, for sure. I know that I am extremely lucky to have the health, support, and life circumstances to chase a dream."

Behind the Lines

Hornell native Mike Waufle graduated from HHS in 1972. He has been happily married for forty-seven years to his high school sweetheart Kathy, and has two daughters. Waufle has had a great coaching career, both in college and the NFL. He has been a defensive line coach for over forty years. He began coaching at Alfred University, and continued his talents to many different colleges across the country which include Utah State, Fresno State, UCLA, Oregon State, and the University of California.

In 1998, Waufle made the big leap to the NFL. He joined the Oakland Raiders under Jon Gruden. He coached in his first Super Bowl five years later, losing to the Tampa Bay Buccaneers. He later joined fellow Western, NY native Tom Coughlin of Waterloo on the New York Giants staff. They

would end up beating the undefeated New England Patriots in the 2007 Super Bowl where Waufle led his defense to five sacks on Tom Brady. After a great run with the New York Giants, he returned to the Oakland Raiders in 2010, and later coached the St. Louis Rams.

In 2017, Waufle signed as the defensive line coach for the Buffalo Bills. It was one of the many highlights of his career. This gave him many more opportunities to come back to Hornell to spend time with his family, friends, and members of the community. Last January, Mike announced his decision to officially retire from coaching due to physical injuries. He endured two recent surgeries to his back and foot. After several consultations with his doctor, he knew that he made the right decision. Mike sees himself as a life-long Hornell Red Raider, expressing his support for the team throughout the years. He has always kept the 'Maple City' close to his heart. Good luck and best wishes to Mike & his family.

Michael Dailey '75: 'Planning for the Unthinkable'

Michael Dailey is a 1975 graduate of Hornell High School, and a retired Aurora, Colorado police commander. Last December, he was invited to the high school auditorium to share his experience of the theatre shooting that took place in Aurora on July 20, 2012. A total of twelve people were murdered and seventy injured. There were approximately 100 Southern Tier first responders in the audience.

Dailey described the incident as being so bad that police officers transported many victims to hospitals because fire department staff were bound by regulations to await battalion chiefs to dispatch ambulances to medical centers. Dailey offered a long list of tips for police departments to help prepare other officers on ways to prevent such incidents. Training and planning sessions are very important. Anybody who might be a first responder needs to practice and work on communication techniques.

Dailey's presentation was very intense and extremely educational.

*Congratulations to the 2017
Hornell High School
Sports Hall of Fame Inductees!*

I've learned that it is not what I have
in my life but who I have in
my life that counts.

🐾 🐾 Homecoming Festivities 2017 🐾 🐾

Congratulations, 'Queen Kate' and 'King Tim'!

Last fall, these HHS seniors above were all smiles after being informed that they were the homecoming king & queen finalists. **Left to Right:** Tim McMichael, Megan Cheresnowsky, William McNelis, Claire Weyand, Jamier Scott-Mazza, and Kate Colucci.

Homecoming Queen Kate Colucci (far left) with her tiara and Homecoming King Tim McDaniel (far right) with his crown reigned over halftime of the Red Raiders football game. The crowning of royalty helped cap an exciting week of activities at Hornell High School. In-between Kate & Tim are their court Claire Weyand, Megan Cheresnowsky, William McNelis, and Jamier Scott-Mazza.

The HHS homecoming football game and scheduled festivities will take place on either Friday, September 7th, or Friday, October 12th.

Dear HHS Alumni,
Thank you so much for sponsoring the Homecoming festivities, providing us with the beautiful flowers, and giving each member of the Court an Applebee's gift card. Your thoughtfulness, generosity, and kindness are truly appreciated. It was such a fun and memorable evening.

Thanks again,

Megan Cheresnowsky '18

Dear Hornell Alumni Association

I am very grateful that you gave me a beautiful corsage as a participant in the HHS Homecoming Court. I also wish to thank you for the Applebee's gift card. Hornell is a great town to grow up in as the support from the community is like no other.

With much appreciation,

Claire Weyand '18

Dear HHS Alumni Association,

Thank you so much for allowing me the incredible honor of participating in HHS Homecoming Court. Never in my life have I ever been so humbled and grateful for an experience. This would not have been possible without you. Also, thank you for the adorable cards and the Applebee's gift card. I love Applebee's so I know I will get good use out of that. Thanks again for creating this experience for not only me and the people this year, but the students every year who are able to receive this honor. Homecoming was an amazing experience I will never forget.

Sincerely,

Kate Colucci '18

LET'S CELEBRATE!

Happy 100th Birthday Hazel Mu!

The children of Hazel Mu presented her with a surprise 100th birthday party on September 28, 2015 in Wilmington, North Carolina where Hazel resides. The cover story for the event was a World War II lecture since Hazel served as a Navy Nurse prior to and during World War II. She came to Hornell soon after the war where she resided for more than thirty (30) years. During that time she raised eight children, and was active in the community & volunteered in many charitable organizations. She and her husband of more than 50 years, Sal, retired to Hilton Head, SC where they enjoyed golf, the seashore, and nature. In attendance were family members and friends from Maine to Florida and Colorado to California.

Today, at 102 years young, Hazel is still active and living an independent life. She resides in an apartment complex where she socializes with many friends and receives visits from her numerous children. Hazel's favorite outdoor activity is picking blueberries at a local farm.

Hazel Mu (front) is pictured with her children. Left to Right: Anne '70, Mary '75, Dick '68, Diane '78, John '66, Marguerite '73, and Theresa '70.

On behalf of the HHSAA Board and its members, we'd like to wish Hazel a very happy birthday, and a

Happy 96th Birthday Dr. Mario Argentieri '39!

Mario Argentieri (front) is pictured with his late wife Dona and their six children. Left to Right: Paul '69, Jerry '69, Ted '83, Dede '71, Linda '66 and Tom '65

On January 25th, 2018 an informal gathering was held at the home of Dr. Mario Argentieri '39 to celebrate his 96th birthday. He was greeted by his children, family members, and friends. He celebrated this special occasion by indulging some of his favorite foods and conversing with everyone in attendance. 'Doc' loves sharing stories about Hornell where he practiced medicine for over fifty years. As you can imagine, having a captive audience was a perfect platform for him. Many memories were shared about past and present generations. Mario is a wealth of information. If you take the opportunity to speak to him, he'll tell you stories about your family, as well. Happy Birthday, 'Doc'!

LET'S CELEBRATE!

Happy 90th Birthday William 'Chop' Argentieri '45!

Congratulations to Bill 'Chop' Argentieri '45 who turned 90 years young on December 20, 2017. Late last November, 'Chop' was diagnosed with a severe case of pneumonia, and admitted to St. James Hospital. A few weeks later, he was transferred to Elderwood in Hornell for occupational and physical therapy. Unfortunately, 'Chop' spent his birthday recuperating, but was finally discharged from the facility on December 23rd.

In honor of his 90th milestone, the family celebrated his 'special day' at the annual 'Argentieri Christmas Gathering' with lots of refreshments, hors d'oeuvres, a cake, some gifts, and many lovely cards. It was a great get-together with lots of laughs and memories shared.

'Chop' has three children who also graduated from HHS. They are Judy Watts '81, Matt '85, and Kate Nawracaj '88. Today, 'Chop' remains healthy, happy, and continues to be active in the Hornell community. Happy Birthday, 'Chop'!

This photo, taken approximately three years ago, is of 'Chop' and his precious grandchildren. Left to Right: Sam Watts, 'Papa' Argentieri, Ethan Nawracaj, Elise Nawracaj, Ella Nawracaj, Olivia Watts, and Evan Nawracaj.

Two members of the 'extended' Brown family each celebrated their 80th birthday this past year. On June 22, 2017, a surprise party was held at the Hornell American Legion to honor Sally Taylor Brown '57 who turned 80 years young. Several family members and close friends were in attendance. Many guests gathered at the Hornell Elks Club to celebrate Eleanor Yeoman Brown's 80th milestone on August 6th, 2017. Both gatherings were a lot of fun, and enjoyed by everyone in attendance. These two lovely ladies are not only 'sisters-in-law' but are also close & special friends, too. Our very best wishes to both of them!

LET'S CELEBRATE!

Happy 80th Birthday Hazel Linda VanOrder Congelli '55!

The children of Linda VanOrder Congelli held an 80th birthday celebration party for their mom on July 29, 2017 at Shell Ridge Golf Course in Batavia, NY. She was surprised by many extended family members and friends who joined her for this special occasion. A 'Through the Years' video containing pictures of her past was played for everyone to enjoy. Linda resides in Lockport, NY, and remains active in her community. She also enjoys spending the winter months in Punta Gorda, FL. Happy Birthday, Linda!

Bill Kuhn is a proud graduate of the Hornell High School class of 1965. He is married to the former Tina Ingham '77. They have one daughter, Katie Kuhn Criss, who graduated from HHS in 1999. After several years of employment, Bill officially retired in February of 2008. He enjoys taking care of his two beautiful grand-daughters, Kelsea (8) and Kaylyn (5). Bill is a huge fan of the NY Mets, Buffalo Bills, and most of all....Notre Dame College Football.

Pictured with the 'birthday boy' are Katie Kuhn Criss '99 (left) and Tina Ingham Kuhn '77 (right).

On Jan. 19, 2018, a surprise party was held at the Hornell Elks Lodge to celebrate Bill's 70th birthday. Many family members & friends were in attendance to honor and pay tribute to him. It was a wonderful evening

that was enjoyed by all.

Bill and Tina reside in Hornell, and continue to enjoy life in the beautiful Maple City. Happy 70th Birthday, Bill!

Letters to the Editor (Letters of Appreciation from Alumni)

Dear Sally,

I found this picture in my 1959 yearbook, and wanted to share it with you. These four terrific people were the Freshmen Class Officers during our 9th grade year. They are Jack Day '62 (vice-president), William McNelis '62 (president), Elizabeth Houghton '62 (secretary), and Mary Daniels '62 (treasurer).

What's unique about these classmates is that they eventually married, and became

known as Jack & Liz Houghton Day and Bill & Mary Daniels McNelis. Unfortunately, Mary passed away several years ago. We had been close friends since kindergarten. She was such a wonderful person. Thank you for publishing the annual newsletter. I always look forward to reading it. Keep up the outstanding job.

Sincerely,

Dorina Nardecchia Kelsey '62

Dear Sally,

I loved the 2017 News Journal. It is always such an amazing publication.

Dear Alumni Association,
 The 2017 HHSAA News Journal publication was outstanding. Joanne and I spent several

hours poring through it. Unfortunately, we won't be flying back there this year as we did a year ago. We so enjoyed the banquet and visiting with such dear friends. Thank you so much for all of your efforts!

Gratefully,

Margie Goodwin Lawrence '51

Thank you for your great publication and all of your hard work. I really appreciate it!

(Letters of Appreciation from Alumni)

Dear Sally,
Thank you for mailing me the newsletters from the last few years. What a nice surprise to receive not only the publications but a birthday card from you, too! I have great memories of the 'Dagon Clan'...Joanie, Lucy Ellen, and Jim...good, good friends. I do miss our beautiful big house and my warm family. I have lived in Boston for sixty-four years, and am married to a great guy so it's 'all good'. Keep up the wonderful job. My love and blessings to all of you.

Our very best,
John and Orry Kelly Costello '51

Dear HHS Alumni Association,
Every year, I read your publication immediately. It's great to recall my wonderful memories of high school and my teachers. I have a suggestion. It would be interesting to see follow up articles on the students that receive scholarships after they graduate from college. I also miss seeing articles on students that graduated in the 1950's and 1960's. Thank you for all of your work. Great job, as always.

Sincerely,
Annette M. Oyer '60
Editors note: Thank you for your suggestion, Annette. We now have an 'Achievers Section'. Please refer to pages 58-61.

Dear Board Members,
I enjoyed reading the HHSAA News Journal this year. I couldn't put it down until I finished the entire publication. Congratulations to all of you who work so hard all year long to put out such a fantastic newsletter. God bless all of you.

With much appreciation,
Evelyn Ivey Meyers '53

Dear Angela,
Thank you so much for picking-up the Hornell Brewery artifacts from me. It was great seeing and visiting with you.

Enclosed are some old pictures that bring back many memories from my childhood.
Photo #1: Our family rented this house, located on Seneca Road at the street entrance

Photo #1 to Bethesda Hospital, until August of 1939. I had just completed 2nd grade at North Hornell School when we moved

to our new home on Mays Avenue. I left many childhood friends behind in North Hornell including Sonny Cole, Billy Caldwell, and Dick Sayles but reunited with them and several others as freshmen at HHS.

Photo #2: This is my 2nd grade class picture. **Photo #3:** This photograph was taken in June of 1950 at the Park Church. My mother is 4th from the left in the front row. The Korean War started a few days later which affected many families. My brother Joe and I were in the military which gave our parents cause for concern. On November 17, 1950, my dad's younger brother, Lt. Col. Bert Santora, was MIA in North Korea. These were very tough times for everyone.

Photo #3

Thanks again for everything that you do for the HHS Alumni Association.

With much appreciation,
Richard D. Santora

Dear HHS Alumni Association,
Thank you for awarding a scholarship to Natalie Marino '17 in honor and memory of my late husband, Bob. It was so kind of you to recognize and pay tribute to him during graduation last June. Thanks again.

Sincerely,
Eleanor Rink

Dear HHSAA Board of Directors,
I received my annual newsletter and enjoyed it so much. I especially like the old pictures as they bring back so many memories. Enclosed

please find a check for my annual dues and a donation to the scholarship fund. I have also included an old photo from North Hornell School. At that time, many classes were combined. There were five students in my 7th grade class and only three 8th graders. I don't know one of the girls. Hopefully, someone will recognize her.

Keep up the good work with the wonderful publication.

Sincerely,
Kay Holden Drake '54

Dear HHS Alumni Association,
Years ago, Mayor Shawn Hogan spoke at a dinner at a Bath area venue, saluting the valedictorians and salutatorians of the class of 1999. He spoke of George Bailey and Bedford Falls in "It's a Wonderful Life". Yes--go out into the world, expand your education, hone your skills, and then come back to Steuben County. Make this area a better and richer place to live & work. Thank you, Mayor Hogan and the HHSAA, for so generously investing in our kids and in our future.

Sincerely thankful,
Doug & Melody Carrier

Dear Board Members,
As a special guest of the HHS Alumni Association, I had reserved seating at the annual banquet last June. I was one of several alumni who were recognized for graduating 70+ years ago, and was presented with a lovely bouquet of flowers! Thank you so much for a wonderful evening.

"SENTIMENTAL THOUGHTS"

...beautifully written and thoughtfully submitted by...

Mary Ellen Davis Lawson '45

I was born in a small city.
The hills around it were so pretty.
Main Street had many stores.
Needn't go elsewhere for more.
Credit cards did not exist.
And, money not spent wasn't missed.

My elementary school is down.
The high school is in another part of town.
Population then was 15,000 people.
Our church even had a steeple.
There were church bells that chimed,
In good and bad times.

Two hospitals were busy,
At opposite ends of the city.
Thirty or more doctors kept us well,
Long before antibiotics began to sell.

The Erie Railroad passed through the city.
And, the depot was always busy.
Steam engines needed repair,
Which required many employees to be there.
Passenger trains were great.
You had better not be late!

Our fairgrounds had many sports and games.
Even the Brooklyn Dodgers Farm Team came.
There were six churches in the city,
And a YMCA to keep us busy.

We had our own radio stations.
Four large movie theatres brought elation.
A favorite hotel had many Balls.
Beautiful gowns were worn by all.

There were six elementary schools
Where we learned the rules.
Later, we had a city pool.
We learned to swim and keep cool.

A large circus that came by rail
Was always my favorite childhood tale.
A long parade up Seneca Street,
Animals & performers that we'd soon meet.
A former judge gave the city his name.
And, a library provided books of fame.

Many people had never heard of this city.
Those who lived there needed no pity.
There was a sign that said,
"IT'S SWELL IN HORNELL".
And, those that lived there knew that so well!
