## President's Letter

Hello to all HHS Alumni,

Welcome to the most anticipated publication to hit your mailbox in 2020, the 33<sup>rd</sup> edition of the Hornell High School Alumni News Journal. Give a round of applause for our editor Pam Markel, type setter Beth McDermott Jacobs and the entire Alumni Board of directors. Our hope is to inform you of school, student and Alumni achievements, hometown happenings, class gatherings and reunions and even take you for a stroll down memory lane. So grab your news journal, your favorite beverage, sit back relax and ENJOY!!!!

As always, a HUGE thank you to our very generous Alumni, area merchants and community for pulling together once again to award over \$131,000 in Scholarships and grants for our 2019 graduates. I am so incredibly proud to belong to

this amazing Valley that takes so much pride and does so much for so many. "It's Swell in Hornell".

It's such an honor to be President of the Hornell Alumni Association. I get the privilege to work with 23 incredible dedicated individuals that work together through out the year to keep this organization and our legacy alive. Your dedication and hard work is much appreciated. Thank You!!!

This past year our Board was approached to take over a very profitable fundraiser which we agreed to and it proved for us to be just as successful. So again, this year on Dec 5<sup>th</sup> we will have an Elimination drawing. Price is \$50.00 a ticket which entitles two people to food, beer and a chance to win cash prizes totaling over \$8000. We

will have tickets available for purchase in June and you need not be present to win. Contact any board member for your ticket. Last year's event was so much fun!!!!

This year the Alumni Banquet will be held Saturday June 27<sup>th</sup> at the Main Place. Your dinner reservations and your membership renewal dues (don't forget those) forms are enclosed. This year, the class of 2010 celebrating their 10 year reunion, the class of 1995 celebrating 25 years and the class of 1970 celebrating 50 years will be honored.

A special invitation is also and always extended to those Alumni celebrating 70 or more years. You will be our special honorees of the evening. Please contact myself Cathy Potter Kimball '80 @ 607-382-6964 or Angela Daniels Markel '71@ 607-661-6004 to reserve your spot.

Just a reminder of our website [www.hornellalumni.org](http://www.hornellalumni.org). Through this site you can make banquet reservations, pay your annual dues, make donations, get updated on reunions and view past news Journals. Also, please like us on Facebook "Hornell High School Alumni Association" Hope to see all your smiling faces at the banquet in June, which always proves to be a great time for all.

In closing REMEMBER TO RENEW YOUR DUES and "Once a Raider Always a Raider"

## Years of Planning Brings a New Hospital Building

Photo courtesy of The Spectator

St. James leadership and staff has finally made the move after years of planning. They have moved from the century old building on Canisteo Street in the city of Hornell to a brand new, \$55 million, 87,300 square-foot facility on the medical campus at 7329 Seneca Road-North in Hornellsville.

On March 16, the old St. James Hospital was a functional hospital — patients being admitted, treatments continued, the business of healthcare proceeding normally. But by 5 p.m. just one day later — March 17 — all

was quiet inside the old healthcare relic, while 3.5 miles away, a new era has begun.

The planning has been going on for several years. State grants not only covered the cost of building the new hospital, they paid for the new equipment and furnishings in the building, limiting the amount of "stuff" that had to be moved from Canisteo Street to Seneca Road. The new administration and staff are hopeful that they can make rural healthcare more efficient by partnering with an affiliate like the University of Rochester.

## 1946 ~ 74 Years ~ 2020

Our success depends on you "our alumni". Please feel free to write us at any time with suggestions or questions. Please note: Our Alumni Association memberships run on a FISCAL year, NOT a calendar year. It begins on June 1st and expires on May 31st of the following year. Our goal is to publish a journal you will accept and read. We are indebted to our readers and your response to our News Journal.

**HHS Alumni Association Founder  
Carl Wellington '22**

After much research on this topic, the Hornell High School Alumni Association would like to posthumously honor & recognize **Carl L. Wellington '22** as our official founder and creator. He and his voluntary committee who consisted of **Francis M. Cameron, Virginia Leahy, Francis Conz, Kenneth Gray, William G. Hollands Jr., Henry Copeland, Sherman Shults, and Gertrude Case** got the ball rolling back in the mid-1940's, worked effortlessly, got other alumni interested, entertained informal gatherings, planned the first HHSAA meeting on 12-5-45, presented the organizations bylaws, and officially gave birth to our beloved Hornell High School Alumni Association. On behalf of the current HHSAA Board of Directors and its members, we want the families of these nine volunteers & the countless other Hornell High School alumni who were involved in the organization process to know just how grateful, appreciative, and truly thankful we are today. **We will always remain.....HHSAA STRONG.**

These two gentlemen inspired the HHSAA  
to produce the Newsletter.

Andrea graduated with the Class of 2000. She attended Alfred University and earned her bachelor's in business in 2004. Since that time, she has been employed by Summit Associates One as operations manager. She resides in Hornell. She takes great pride in her hometown and is excited to serve on the board for the Hornell High School Alumni Association.

The HHS Alumni Committee would like to give a big thank you to Beth Ann McDermott Jacobs '83 for continuously working as our typesetter for our News Journal. This annual publication would not be possible without her hard work and dedication. The final product, which we all hope you enjoy, is primarily due to her efforts. # HHS CLASS OF 2020!

## *Greetings from Hornell High School!*

Dear Hornell High School Alumni,

While we have launched into the next decade, we are still the high achieving school of old, with student success at the forefront.

Academically, Twenty-five members were inducted into the National Honor Society on Tuesday, March 10. Twenty-eight seniors achieved honor graduate status, Mr. Kull and Mr. Elwell created a new art Honor Society, inducting Sixteen students, Thirteen were inducted into the National Technical Honor Society on March 25, four (4) students represented Hornell at the state DECA tournament February 26-28, earning multiple medals, with Vivianne Spitulnik making Nationals in Nashville, TN, where she will represent Hornell in May. Also in May, we will recognize a strong class to join our National Business and Marketing Honor Society, and our Academic All-Star team again is making moves, creating a successful dynasty, having another fantastic year and was a win away from being in the league championship.

As we continue our ritual of bringing back former graduates to speak at commencement, we are extremely excited to announce Mr. William Burke will be with us to give the commencement speech for June 26, 2020. Mr. Burke is a retired Navy Vice Admiral, and is currently the Chief Maritime Officer of Carnival Cruises Corporation.

Speaking of graduation, Seniors will make their final steps at HHS as they walk across stage on June 26. We hope you can join us!

On stage, our drama club performed *Almost Maine* (directed by Tim Berardi) along with our musical *Shrek* (also directed by Tim Berardi, stage crew by Mark

*Smith*) which packed the house. The Marching Red Raiders are back with a resurgence, putting on fantastic shows during halftime of our football games and in the community! Our choir programs along with instrumental music programs speak for themselves in regards to how spectacular they are, and stack up with any program in New York State!

The annual choir trip traveled to Washington, DC showcasing their talent and brought home gold, and our music department hosted area all-state as well as a New York State Music Association Festivals.

We continue our work on district need assessment goals of post secondary success. We've brought in numerous career speakers, conducted multiple job shadows, mock interviews, career days...and the list goes on and on. We are extremely fortunate to have partnered with the Career Development Council (CDC) that helps bring real world experiences to our students on a daily basis.

We will host a tour for the Class of 1970 graduation day, and hope if you're around the weekend of graduation, you are able to stop in and see your old stomping grounds.

Go Raiders!

## Superintendent's Letter

Dear Hornell High School Alumni,

The students of Hornell City School District continue to thrive and excel in and out of the classroom; the 2019-20 School year is no exception. Our graduation rate is higher than ever, state assessment results are continuing to grow, and our focus on literacy is making systemic improvements across all facets of the school. All the while our arts and athletic program continues to thrive at the county, regional, and state levels.

This year, we are excited to announce to our alumnus that we were awarded a grant to grow our programing even further with the addition of a three-year-old pre-kindergarten program in the Columbian School. This program focuses on socialization and the very earliest of literacy and numeration skills in a hands-on way. We believe that this early intervention, support, and exposure to literacy with other students will help our school age children reach higher mountains than ever before.

Through grants and our school budgets, we have also been able to support growth in other areas of the school over the past few years. We are thrilled to have open libraries in all of our schools with librarians and literacy specialists in them. We have art and music prekindergarten through twelfth grade and our performing arts continue to shine with the addition of faculty. We continue to be grateful for the ongoing and continuous support of the Hornell Alumni Association; your ongoing support with the school and especially with our graduates is unparalleled. We look forward to your visits to the schools, please reach out to any of the administration if you are interested in touring the facilities.

Sincerely,

*Jeremy Palotti*

### How are Scholarship Recipients Chosen?

The Hornell High School Alumni tradition strives to encourage and support life-styles that have strong work ethics, public service, and academic achievement by rewarding students who exemplify these characteristics with recognition and financial assistance for their education.

A silent committee serves at the pleasure of the President of the Alumni Board. This group is always kept confidential. It may come as a surprise but this is truly a secret committee and never discussed. Board members don't have a clue! A meeting is called by the Superintendent of Schools and the HHSAA President.

The silent committee, school officials, teachers, and guidance counselors meet for the first time. Every senior is offered an opportunity to fill out an application.

The Superintendent provides a detailed resume of all students: class ranking, financial need, student activities, desire for higher education (school choice), cost, student character, personality, and potential leadership.

All selections are final. No records leave the school and resumes of the students are returned and kept confidential.

*Congratulations to the  
Class of 2019  
Scholarship Recipients!*

## Meet your Hornell City Council!

John Allison with (L-R) daughter Bess, sons Marty and Henry, and wife Morgan

This past year on Nov 5<sup>th</sup>, the 3<sup>rd</sup> Ward elected Democratic candidate John P. Allison. John is a 1994 graduate of HHS, is a union electrician, and owner of Park Drive Car Wash. Allison succeeds veteran Republican Alderman Joseph McKay, who did not seek reelection and defeated Molly Liberto (Republican, Conservative, Independence parties) to earn the two-year term. His committee assignments are Youth and Recreation, Planning and Development, and Quality of Life. John lives in the 3<sup>rd</sup> ward with his wife Morgan, a Hornell High School social studies teacher, and their children, Henry and Bess, both age 6, and Marty, age 2.

Alongside John Allison, the 7th ward elected newcomer, Kevin Valentine. Kevin is a 2001 graduate of HHS and is currently employed by the Steuben County Sheriff's Office as a Correctional Officer. He defeated incumbent Democrat Frederick J. Lehman in November to win the 7th Ward seat. Kevin lives in the 7th ward with 12-year-old son Braydon.

Both were sworn in by City Court Judge David Coddington '85 in the presence of their families. During their swearing in ceremonies Mayor Buckley commented on his delight for the newly elected officials. "We are very excited to have John join the team and represent the residents of the 3rd Ward," said Buckley, who represented the 9th Ward prior to his election as mayor. "I take a little personal satisfaction just knowing John here is (originally) from the 9th Ward and a product of good parents. The same thing as Kevin Valentine, who also grew up in the 9th Ward. So we have some newly elected officials, all from our own neighborhood. Good kids growing up in a good neighborhood."

## 2019 Year In Review by Mayor John Buckley '89

Mayor Buckley and his family (L-R) 14 year-old daughter Allyson, 8 year-old daughter Maya, and his wife Shannon.

The end of the year for many of us is a time for reflection upon the many accomplishments, changes and challenges experienced during the year. For the City of Hornell, 2019 was certainly full of all of those and more. If the tagline for 2018 was a "city on the move", 2019 saw that kicked up a notch with the tagline for this year being: "a city in high gear".

With a new year, often comes new leadership and the City welcomed its newest fire chief, Frank Brzozowski '80 in early January. Whenever there is new leadership in a department, that leadership brings new visions, goals and ideals to the department they lead. The fire department is certainly no different and the community saw a lot of outreach from the fire department throughout the year. We saw the fire department expand their role into EMS, hazmat, codes and education. The number of EMS calls were released daily and members of the community responded positively to knowing more of the wonderful service our paid fire department offers. In September, the fire department received a \$137,184 grant to purchase 4 cardiac defibrillators. This grant and equipment are a godsend to meet the EMS needs of our city residents.

The police department welcomed two new officers this year. In January, Officer Hamilton was sworn in as the youngest officer in department history. While, in May, Officer Thurston, officer number 390, was appointed at the age of 35. Both officers will join a quality department committed to serving the needs of this community. A large area of focus of the police department, is the commitment to keeping

drugs out of the City. The City of Hornell has earned a reputation as a place where drugs will not be tolerated. The department noted its continued commitment to efforts to crackdown on drugs noting 177 drug arrests in 2019. In April, 73 baggies of heroin were confiscated in an arrest, while in May a large meth source was taken out, and in October the K9 unit was added to the department. In February, the mayor worked with the Codes office and the Common Council crafting a new ordinance regarding landlords and their accountability for codes and safety inspection when a drug arrest occurs on their premises. The message is clear: Drugs are not welcome in Hornell. In January, the mayor's office worked very hard with the County and the City of Corning to come up with a compromised response to the Centralized Arraignment Plan mandate. The compromise saved taxpayer dollars and our department from being overextended with transports to Bath for arraignment. At the end of the year, Chief Murray, Judge Coddington and City Attorney Pelych, provided the council with their impression of the impact of bail reform measures in the coming year to allow for continued advocacy regarding these unfunded mandates and their impact on our community.

While managing a budget is a pressing topic throughout the year, as the year turns anew, the focus on the new fiscal budget really heats up. 2019, like the few years before it, saw numerous challenges within the budget. The City's revenue took a big hit with real property assessment falling nearly 2 million dollars, while costs and services continue increase. The mayor's office, the City Chamberlain and the Common Council worked diligently to craft a budget to continue commitment to high quality services and infrastructure, while not levying a large increase to taxpayers. The City's commitment to maintaining affordability and high-quality services was so noteworthy that in May, the City of Hornell was rated the #3 most affordable place to live in NY while also being bestowed as the 44<sup>th</sup> safest community in March and the 2<sup>nd</sup> fastest growing city in the state in July!

A large portion of the funding for the City budget comes from AIM funding and in February, the mayor's office worked hard advocating for an increase to AIM funding

at NYCOM while the governor and state legislature worked to develop the state budget. February also saw discussion regarding water usage and leaks to the water system. In March, the City completed a leak detection survey, repaired many of those leaks, saving a loss of 700,000 gallons per day! Aging infrastructure was a challenge for the City, not unlike the rest of the area, with a couple of water main breaks occurring and the diligent efforts of the city DPW team to repair them promptly and restore services to those affected.

One of the reasons Hornell is the second fastest growing city is the new businesses and development occurring within the city. The new hospital at St. James continues to work towards completion with an anticipated early 2020 opening. Housing development continues with finalized plans for the Rockland Silk Mill apartments at the old Marion Rohr building. Phase 2 planning at The Residences looks to add 4 new buildings and 84 units. BOCES completed its work on its 9<sup>th</sup> house in the City, adding a brand-new home on what was a vacant lot; increasing residential property tax revenue and adding a quality homes to our neighborhoods.

Beyond housing, there have been many, many small business openings in the City throughout the year. Folks who have been born and raised here or new to the area, double-down on their commitment to our great community by starting small business here and fulfilling their dreams. Hornell saw openings of businesses such as: 100 Main St Studios, Forever 6ix, Harmony Blue, Butterfly Kisses, the Book Bar, PKA-Drake and Pat's Pizzeria. Continued commitments with large store openings from Walgreens and Gordmans continue to indicate that Hornell is a place to invest. The IDA continues to work hard with new businesses and development. It saw a push towards making areas in Hornell Opportunity Zones to continue to incentivize investment. Large businesses like Alstom and TTA saw themselves in the national spotlight with a television segment dedicated to high speed rail in the US blossoming right here in Hornell, NY. Also, staples to the City of Hornell celebrated milestones to their businesses and commitment within the City. In March, Mr.

## 2019 Year In Review by Mayor John Buckley '89

Lou celebrated 50 years in business and in October, Bishop and Johnson funeral home celebrated 40 years in business. Finally, in December the Texas Café celebrated an amazing 100 years of business in the City of Hornell!

To support the 2<sup>nd</sup> fastest growing city, there was a continued support in infrastructure. 2019 saw bids for the Bridge NY program come in under budget with bridge restoration, repair or replacement at Seneca St, Canisteo St and East Main St expected in the upcoming year. CBDG funds for sewer relining also came in under budget and those funds were able to be used to expand sewer lining to protect aging infrastructure against failure. The Water Pollution Control Plant continues to make good use of the recently installed bar screen and works to bring UV treatment to the plant with a \$1 million grant approved in December of 2019. The Water Treatment Plant continued its work towards improved infrastructure with work beginning in summer of 2019 to construct a new water storage tank.

While unfortunately, much of the infrastructure improvements are unseen, there have been many improvements that are very evident. Summer of 2019 saw increased paving throughout the city, as well as beyond, into Hornellsville with the paving of route 36 connecting the city to the Hornell Plaza as well as a commitment to freshen up the appearance of Broadway with the removal of shrubs and plans for new landscaping to areas within the City. In December, residents in the Hornell area welcomed new Christmas decorations to downtown Hornell, with beautiful lighted wreaths lining the light posts improving Hornell's attractiveness for area shoppers and residents.

We also saw a commitment and honoring of those that live here that have served our country with the unveiling of the Hometown Heroes program in May of 2019. City residents that have served our country, have banners proudly displayed in high traffic areas throughout the city, honoring their commitment to our country.

Furthering the commitment to youth as well as anyone looking to advance their education, the Mayor's office coordinated efforts with the Hornell City School district as well as Corning Community College and in June it was announced that select

college classes and programs would be offered through CCC right here in the City of Hornell. This commitment to access to advanced education will serve our community well and is likely to grow and expand in the coming years.

Much of what makes our community special are those that live and work here. Outstanding city employees were recognized with employee recognition several times throughout the year. 2019 saw some retirements of from City Hall and the police department. Missy Logan was appointed as the new City Clerk, Amy Patrick was named Executive Assistant to the Mayor and Jennifer MacLaughlin was hired as assistant to the Police Chief, respectively. In June, the city also honored the lifetime commitment of Anne and Seth Corwin with a plaque and dedication fittingly bestowed at the bus shelter at Lot #3 for their commitment to transit services in the City of Hornell.

The City of Hornell really shines in March and 2019 was no exception with record crowds and attendance to St Patrick's day. Hornell officially named the month of March, "Irish American Heritage Month" in celebration of its Irish Heritage and largest event. St Patrick's day has some competition from other festivals in the city as in September, the City partnered with HPG for the first annual Fall Festival on September 28th. Hundreds lined the streets with this event likely only to grow in future years. Also, the Hornell for the Holidays saw record attendance and responses to events in the holiday season making Hornell one of the destinations in the southern tier for Christmas celebration.

The best was saved for last in Hornell this year as events in the fourth quarter, really made 2019 a year to remember in Hornell history. For the past four years, the Planning Office has worked very hard in its application for the Downtown Revitalization Initiative where \$10 million is given to 10 communities throughout the state. On October 10<sup>th</sup>, Lt. Governor Kathy Hochul was on hand to present Hornell as the winner for the Southern Tier this year! Words cannot express the gratitude and excitement that comes with this grant. The grant rewards the hard work and commitment already provided to the City and plans to take that to the next level. This grant will catapult Hornell into the next century and beyond and continue to

accelerate the growth and resurgence already occurring in Hornell.

Unfortunately, the month of November saw two tragedies in our community. The first was the homicide at the ARC home on Elm St and the second being an eight-home fire on Preston Ave and Washington Street displacing many families. While these events undoubtedly shook the City, the adversity showed our strength and commitment during trying times. Our police dept handled events with unwavering integrity and arrested the suspect within minutes. Our fire department with mutual aid from area volunteer departments contained the fire, while our citizens worked to help those that needed it most. While November of 2019 could be some of the worst of times, it was also the best of times as the heart of Hornell shone brightly during that time and it is a time of which I could not be more proud.

After much deliberation throughout the year, the Common Council in working with City department heads, union representatives and the mayor's office solidified their discussion regarding the 20+ year old residency requirement for city employees. In November, the requirement was amended to a 15-mile radius with the goal to improve recruitment and retention for city employees. As the City grows and changes, it will be necessary to continue to have the best of the best to serve, protect and provide services to the City of Hornell.

The year rounded out with history being made at the fire department with the first female firefighter, Jackie Lewis, being appointed to the department. She will undoubtedly bring great things to the department, as will new fireman Cameron McConnell. The City also saw grants for sewer relining for Delaware and East Ave from CDBG for \$567,000, as well as \$84,352 for the trail extension of the Shawmut Trail to the Finger Lakes Trails.

As you can see, 2019 brought many, many wonderful things to our community. We are blessed and fortunate to live in this community where we enjoy high quality services provided by high quality people. Hornell is on track to start the new decade off right with its current growth and trajectory. As we moved into high-gear this year, it's incredible to look back throughout to view all of what's happened and look forward to all of what is to come.

## Southside Tavern Celebrates 20<sup>th</sup> Anniversary of Ownership

October 15<sup>th</sup> 2019 marked the official 20th anniversary of when Matt Testani, Class of 88' purchased the Southside Tavern from RX Curran after years of trying. The celebration included an all-day and all-night party with drink specials, food, a DJ and the good company that has made the business a Hornell staple for decades.

Testani credits the secret to his success to the people. "You surround yourself with good people. It's all about the people you hire," Testani said. "I'm pretty proud of the place. This is a working man's bar. You can come in here and meet a contractor or a plumber to do something. The customers all look out for the workers. We're very appreciative. We've got good people, good loyal customers."

The Southside aims to please, Testani said, and he's had some help over the years in creating a customer-friendly atmosphere. His goal was to keep the traditions of previous owners. They continue to hold various celebrations and gatherings like HPD retirement parties, state employee retirement parties, and celebrations of life.

We wish you many more years of success!

## The Secret Is In the Sauce

What's the secret to a century of success in the restaurant business? For Hornell's Texas Café, the secret is in the sauce. Generations of the Zissis family gathered around matriarch Chrysanthe Zissis to celebrate their 100<sup>th</sup> anniversary of the restaurant while the aroma of the legendary Texas Hot sauce filled the air. Mrs. Zissis and her late husband Peter purchased the Texas Café in 1982 from George Psyhos. Even as ownership changed, the importance of the Texas Café as a Hornell fixture — and that famous Texas Hot sauce — continued.

In celebration, the family was joined by Michelle Pogue, chair of Hornell Partners for Growth, Hornell mayor John Buckley and New York state Assemblywoman Marjorie Byrnes. All spoke on behalf to praise the family of the restaurants continued success.

## 10-year Anniversary of a Reigning Empire!

*The 2009 NYS Championship Red Raiders gathered together at Maple City Park*

It was 10 years ago that the Hornell Red Raiders first began to realize that they might be good enough to win a NYS Championship. On Friday, Sept. 25, 2009 it was when they came to the realization, after beating Vestal 17-12, that they were more than capable of defeating a team that had several players weighing over 275-pounds and dressed over 70 kids on the varsity roster.

From then on, that Hornell team started their reign over NYS, finishing with a 13-0 overall record and beating Nanuet 16-14 in the Class B finals to give HHS its very first NYS Championship.

Ten years later the 2009 Red Raiders, along with coach Gene Mastin, re-assembled at Maple City Park to be honored once more in front of a packed stadium. Over 20 members of that 2009 team made the trip back into town to not only be honored, but to see old teammates and reminisce about that fateful season.

## End of an Era

After 20 years of calling the Hornell Police Department her second home, Ellen Andrus Stewart '75 enjoyed every day she went to work as the administrative assistant to the chief of police. Her two-decade run came to an end with a surprise sendoff put together by her police family as she called it a career.

Stewart was presented with a special cake and several certificates of appreciation from the department and the City of Hornell. Police Chief Ted Murray presented a Certificate of Appreciation from the Police Department and the Mayor's Office in honor of Stewart's "exceptional service and special recognition for excellence." She was also honored by Hornell Mayor John Buckley who named Stewart the city's July honoree for the Employee Spotlight program, noting her "20 years of outstanding service and dedication to the City of Hornell."

Stewart stated that her time at the Hornell Police Department has been a dream job. "I looked forward to coming to work every day," she said. "I never hated coming into work. I've had jobs that I did not want to go into, but not this one. I didn't like to take time off, I actually wanted to be here with these guys."

Stewart's primary goal in retirement is to spend more time with the grandkids, although one big trip west could be on the agenda in the next few years. "It will be nice to be able to help my kids. If the grandkids are sick and home from school grandma can go up and visit them. I think that's what my kids are looking forward to," Stewart joked. "I'm kind of spontaneous. If there's a trip I want to take I'm just going to go and do whatever. I would like to go see the Midwest. I'd like to go see the Grand Canyon. That's on my bucket list. I've done the Caribbean, I've done the beaches, I want to do the mountains now. That would be my ultimate retirement plan."

## Hornell Native becomes Front Man for Collective Soul for a One-time Performance

This past summer, The Gin Blossoms and Collective Soul concert turned dreams into a reality at the Tags Event Center in Elmira. After two songs into their set, Collective Soul front-man Ed Roland, had to step down after he began to lose his voice. While Roland was unable to continue he promised the crowd refunds for the abbreviated performance. While their hit song "December" began to play in the background, Roland questioned "Who knows the words?"

As he recalls what was a "cosmic twist", our very own John Lewis Class of '99 was selected from a sea of hands to fill in for Roland. John is Director of Student Activities at Alfred University by day and amateur rocker by night. His band "Badgmen" can be found playing local clubs and watering holes. As fate would have it, the band could not have made a better selection. Lewis had a long-standing familiarity with the song, recalling having played it during a talent show in 1996 at the United Methodist Church in Hornell. For much of the last 15 years, the song had also been part of the repertoire of his band.

As he stepped onto the stage his initial response was "Wow" as he realized that he would be performing in front of 5000 people instead of the 100's that he's used to. As no surprise to those who know him, his performance was almost undistinguishable to Roland as he began the first lines of the song. (continued on next page)

## Hornell Native becomes Front Man...continued

Energized by the eruption of cheers from the crowd, a seven-minute jam session complete with Lewis's signature air guitar moves and good vibes ensued, and it was all caught on camera. "There was just so much positive energy. People were reaching for high-fives and wanted to get a quick picture," Lewis said. Through the power of social media, video of the performance was being shared live, and within minutes, Lewis was receiving congratulations from friends and acquaintances. Often his own biggest critic, Lewis reviewed the video and was relieved to find that he didn't miss any words.

## 40 Years in the Making

The Bishop & Johnson Funeral Home, located at 285 Main St. in the city, was honored this past October for reaching 40 years of longevity, with Bill Bishop '72 and associate Steve DeSanto '85 accepting certificates and proclamations from the City of Hornell and the New York State Assembly.

"We are most grateful to each and every family that has called upon us these past 40 years," Bishop said "It is and always will be an honor for us to serve you in your time of need for many more years to come." Bishop said he was accepting the Assembly resolution in memory of his late business partner, Chuck Johnson. "Prior to his untimely death in 1991, we set the standard that the funeral home operates with: providing service with sincerity," Bishop said.

When the funeral home was starting out, about 95 percent of the funerals were "traditional funerals," Bishop noted, with two full days of calling hours, a funeral service either at the funeral home

or at the family's church, followed by interment at the cemetery. "Now, if we have a traditional funeral, it would consist of one to three hours of calling hours, with either a funeral service right after the calling hours or the next day then interment at the cemetery," he said.

"I can't believe it's been 40 years already. It seems like yesterday," Bishop said. "We have worked very hard for the last 40 years to provide the finest service that we can to the community and we are still working every day to improve that. And we hope to continue for many years to come."

ALL active memberships, regardless of when you paid your fiscal year dues, expire at the end of May. **Again, our membership runs on a FISCAL year (June 1<sup>st</sup>-May 31<sup>st</sup>), NOT a calendar year.**

Also, our computer program does not allow us to post ahead, so please only send us your dues/donations for the current fiscal year. Unfortunately, advanced payments need to be kept track of manually, and most often get lost or overlooked. Please accept our apologies but, if you pay ahead, your money will need to be refunded to you.

We take pride in being the most active High School Alumni Association in the county, state, and...perhaps even the country!...thanks to the generosity and support of our wonderful members. **BASEBALL**

**Spring 2019**

The Varsity Baseball Team finished 10-7. The team exceeded all expectations. After being picked last in the pre season LCAA preview the team finished as Livingston County Co-League champions!

Connor O'Rourke, Zach Miles and Collin Burdette were named Livingston County All Stars and Justin D'Amato was named to the exceptional Senior team.

**SOFTBALL**

**(NYSPHSAA Scholar Athlete Team)**

This year the Lady Red Raiders began their season under a new coaching staff, Aubri Mosier took over as the Head Coach with Jen Kellogg as a volunteer assistant. With the roster being about 50% freshman and only four out of eleven players being returning athletes, this season was truly a building year for the program. With such a young team with little to no varsity experience it was a season focused on developing additional fundamental skills while getting valuable innings and experience at the Varsity level. The girls greatly improved throughout the season and many earned their first win on Varsity. As the season progressed, the girls developed greater mental toughness and began to fight through every inning no matter the score, while also improving their offense by scoring more runs in the second half of the season than in the first, and on defense holding their competitors to scoring over 30% less runs in the second half of the season than the first. Throughout the season our roster number dropped slightly, while losing a senior to a season ending injury, this resulted in many girls having to be flexible and step into and even learn new positions in order to overcome those obstacles. The girls all stepped up and filled roles as needed while remaining eager to learn these new positions and responsibilities, this resulted in even more valuable teaching moments for all of them. Although the season record

does not show it, the girls were very much competitive in many games this season and struggled to hold on to the close score towards the end of the game. That was an aspect of mental toughness to work through seven innings even when it is hard, and preparation for various situations that we worked hard on throughout the season as it was the difference in a close game becoming a win. These are aspects that will continue to improve as these girls have now experienced a Varsity season and have begun to settle into the level of competition and commitment to improve. Overall this season was successful in many ways outside of wins or losses, these girls grew into better athletes as well as better and more well-rounded individuals who have learned how to overcome adversity and handle situations that are not always ideal. The girls have expressed an interest in making the commitment to working throughout the off-season to continue to build their fundamental skills and improve as they know they have a unique opportunity as instrumental parts of the rebuilding of the Hornell CSD Varsity Softball Program.

**TENNIS**

**(NYSPHSAA Scholar Athlete Team)**

The Hornell Tennis team had an undefeated season with a record of 13-0. The team won the Livingston County Division I league and they also beat Livonia in the Section V Championship match 5-0. There were several key players on the team who assisted in the winning season. Derek McCumiskey and Federico Zotto were the county champions, placed third at individual sectionals and advanced to the Class B New York State Qualifier. Michael Harrick and Conor Smith also advanced to individual sectionals. Each member of the team played an important role in the Section V victory and it was an exciting tennis season to be remembered!

**GOLF**

**(NYSPHSAA Scholar Athlete Team)**

The Varsity Golf Team had an 8-8 overall record this year. The team was led by Cameron Sexsmith (Senior), Collin Buisch (Junior), Carter Lyng (Junior), Breccan Donolon (Junior), Alex

Diehl (Sophomore) and Eli Dunn (Sophomore).

Cameron Sexsmith, Collin Buisch and Alex Diehl all had low scoring averages to qualify for the LCAA County Tournament. Collin Buisch placed 7<sup>th</sup> out of 35 golfers to move onto Individual Sectionals.

The Red Raider Golf Award went to Cameron Sexsmith for his leadership and consistent play. Congratulations to Cameron and his teammates for a great season.

**BOYS TRACK & FIELD**

**(NYSPHSAA Scholar Athlete Team)**

The 2019 Red Raider Boys Track and Field team was a work in progress this season. Having lost a large group of seniors in 2018, the team was comprised of mostly freshmen and sophomores, most of whom were competing in the sport for the first time. But led by senior captain, David Browne, and junior captain, Liam Hendrickson, the team improved steadily throughout the season. After many defeats, the boys were tied with Dansville with one event remaining in the final dual meet of the season. "That more than anything else speaks to the character, determination, and effort of this year's squad. In the final weeks of the season those young men transformed into veteran track and field athletes. That is a testament to their hard work and dedication."

Led by Liam, David, and senior Brandon McGregor the boys finished 11th at the Section V Championship Meet. Hendrickson and Browne also earned Livingston County Athletic Association All-Star status. "Liam and David were our top point earners all season, it is a well-deserved honor." Individually, Liam Hendrickson placed 2nd in the Long Jump and 5th in the Triple Jump at the LCAA Championship Meet and 3rd and 4th respectively at the Section V, Class B Championship Meet. Those performances earned him an entry in the State Qualifier Meet, where he finished 10th in the Triple Jump. The 400M and 1600M Relays comprised of Hendrickson, Browne, Noah Fuller, Christos Madamopoulos, Jack

McCumiskey, Gavin McGowan, and Vinny McAnaney had top-six performance throughout the season, including our big invitationals and championship meets. "These two relays ran their fastest times at the end of the season, they gelled together as cohesive units. "Except for Browne, the relays are all underclassmen who will return in 2020, and hopefully pick up where they left off this season." Add to this young group, Jumper/Hurdler Brennan DeLany (8th), throwers Jack McCumiskey (9th), Brennan Khork (10th) and Alex Lockwood (10th), and distance runners Max Freas (10th) and Einon Walsh (10th), and the 2020 Red Raiders will return a large nucleus of talented athletes and proven competitors upon which to build the future of the team.

**GIRLS TRACK & FIELD**

**(NYSPHSAA Scholar Athlete Team)**

The girls' outdoor track and field team had a successful 2019 campaign. Led by LCAA all-stars senior Alyssa DeLany (hurdles and jumps), juniors Emma Flaitz (sprints and mid-distance), Sophia Carretto (throws and sprints), McKenzie Hall (distance), and sophomore Carter Browne (distance), the girls went 4-1 overall. The girls also brought home team titles from the Gator Relays at Allegany-Limestone and the Hornell Invitational. End-of-the-season highlights included

Carter Browne's 3000 meter win at the LCAA Championships. The 4x800 relay team of sophomores Netasha McIntosh and Carter Browne along with juniors McKenzie Hall and Emma Flaitz set a new school record of 10:01.64, shattering the mark that held since 1993. Emma Flaitz won the 400 meters at the State Qualifier meet in dramatic fashion, earning a trip to the State meet in Middletown. Unfortunately, illness and injury prevented Emma from performing her best, but she looks forward to returning next spring.

The team says goodbye to a host of seniors: throwers Kaleigh Burritt, Kathryn Evans, Kayla Flaitz, and Delaney Murphy, jumpers Alexia Hooker and Cynthia Jarbeck, sprinter and hurdler Meghan White, and three-time LCAA all-star Alyssa DeLany, as well as Brazilian exchange student Helora Schlichting, who fit right in with her desire to work hard and improve. The team loses some

talented athletes, but looks forward to the contributions of a talented crop of underclassmen.

**FOOTBALL**

**(NYSPHSAA Scholar Athlete Team)**

The 2019 Hornell Red Raider football team battled through an incredible amount of adversity early in the season to finish strong with three straight wins, culminating with a Connors and Ferris Championship win versus Bath-Haverling. The coaching staff is incredibly proud of how the team battled through a difficult 3-6 season, and continued to fight through every game until the very end. Thank you to all the hard work put in by the departing senior class, and good luck in the future! 1st Team Section V Class B All-Stars were Timmy Smith, Tyler Acton, and Malik Arnink. 2nd Team honors were earned by Dorion Bowles and Marty Pieklo, with Collin Buisch, Andrew Deebes, and Nate Day earning Honorable Mention status. Hornell Football was awarded the 2019 Rochester Chapter of Certified Football Officials Sportsmanship Award.

**VOLLEYBALL**

**(NYSPHSAA Scholar Athlete Team)**

Overall I felt this was a good season for the varsity volleyball program for Hornell even with the record of 2-17. I felt athletes improved on skills and even with a losing record, we showed improvement and skills throughout the season to the end. The culminating game at sectionals vs. East was our best game for the whole season. The program continues to need

a boost and also needs to work on getting interest from early on to help build volleyball athletes. Mary has been a big help and has created the 5-6th grade program at the Intermediate to help gain interest of the sport. We need to work on rearranging and finding coaches that are vested into the program and will assist at the varsity level - I know that this is a hot topic this season and how the season ended for JV was not great. I would like to try a clinic with other area coaches sometime this summer along with Mary to try and keep girls playing outside of the season as this is imperative to improve player skill level and help them gain more experience in playing the game. I personally feel I have grown as a coach at the varsity level as in dealing with parents and athletes in a manner in which I need to be firm on my goals and policies set from the parent meeting held pre-season from last season to this season. As the season progressed, I felt that personally I needed to show the team that being a well- rounded athlete is of the most importance. Athletes not only need to excel skill wise but need to be respectful, a team player, and display the utmost sportsmanship when playing for me. I felt I set this bar this year and for the future, all the girls who are on the varsity team will know this is how one should act. I also want to come speak to 6th grade girls during fall sport sign ups to talk about the volleyball program. So many girls don't realize that there are other sports to choose from.

**"Don't be afraid to think big. Broaden your horizons, set the bar high, and stride forward with confidence."**

**Congratulations to the HHS class of 2020!**

**"People who achieve their goals do so with passion, planning, persistence, & purpose."**

**BOYS SOCCER**

**(NYPHSAA Scholar Athlete Team)**

The 2019 Varsity Boys Soccer Team finished with a 10-5-1 record. They were the Olean Tournament Champions and Ian Ashworth was selected as the MV P and Liam Hendrickson was the Championship MVP. Chase Freeland was twice selected as the Section V player of the week. We had 4 LCAA 1<sup>st</sup> Team All-Stars: Chase Freeland, Tanner Stutzman, Noah Fuller and Jonas Sciotti. The Boys Soccer team also had 4 seniors selected to play in the LCAA Exceptional Senior game: Tanner Stutzman, Noah Fuller, Justin Briggs and Dominic Coddington. Chase Freeland was also selected to play in the Section V All-State Game, and he is also an All-State nominee.

**GIRLS SOCCER**

**(NYPHSAA Scholar Athlete Team)**

The Girls Varsity Soccer Team battled through injuries and adversity all season to claim a 4<sup>th</sup> consecutive LCAA Division 1 title! The girls finished the season 10-6-2 on their way to a Semi-Finals appearance, all while playing through one of the most challenging schedules in Section V. The girls rode an extremely organized and balanced defense to 7 shutouts and a Goals Against Average of less than one per game. Leah Harkenrider, Emma Flaitz, Jaden Sciotti and Juliet Marino were named LCAA Division 1 All Stars. Harkenrider, Flaitz and Chelsea Freeland were selected to represent Hornell in the Section V exceptional Senior Game.

**FALL CHEERLEADING**

**(NYPHSAA Scholar Athlete Team)**

Hornell Varsity Cheer had seven athletes on the team this fall season!! We took first place three times, second Pl. twice and third place once. The incredible thing about this team is, it's difficult when you have only seven

people on the team because, when you compete you're only able to do one stunt group which automatically drops the team down a full range in difficulty points.

At sectionals we went up against 13 teams where 90% of teams had 10 and above on their teams allowing 2 to 3 stunts groups and full range of difficulty points for them!!! We stepped on that mat did an amazing performance, knowing we would be down the range, the girls fought hard for it and their efforts earned us a second-placement, only being 2.6 away from first place!!!!!! That is a gigantic accomplishment for only seven athletes to place that high and that close to first place!!

As coaches we are extremely proud of how far these girls came! Looking forward to the upcoming winter season as these seven will still remain, and we will be adding in more new athletes. Captains were Francy Cruzado, Brandie Collins, and Alizea James!

**CROSS COUNTRY**

**(NYPHSAA Scholar Athlete Team)**

The boys 9-15 overall, while unable to post a winning record, were (for the most part) a complete team. Veterans Eion Walsh and Sam Roberts led the way. Returner Daniel Sisco was the team's most improved runner this season, bringing his time per mile down from 7:53 in 2018 to 6:40 in 2019. Newcomers Collin Murphy, Tom Jimerson, and Matt Sullivan performed admirably while participating in an independent schedule that featured two state-bound teams and several other top individuals. Eion was the team's top finisher at Sectionals, placing 30<sup>th</sup>.

The girls (13-5) returned a talented squad of mainstays Netasha McIntosh, Carter Browne, Mackenzie Putnam, Aubre Robinson, Kelsea Greenthal, and Gabrielle Bailey. Brooke Hill returned to the fold after a year off. The highlight of the season was the team's one-point championship at the Southern Tier Classic held at St. Bonaventure on October 5<sup>th</sup>. Netasha McIntosh cemented her status as the team's top runner, placing 6<sup>th</sup> at Sectionals and earning a trip to the State Championship in Plattsburgh, making the Raiders return at least one representative to the state level after a year hiatus. Netasha finished 58<sup>th</sup> at the state meet, fourth among her Section V peers.

**GIRLS SWIMMING & DIVING**

**(NYPHSAA Scholar Athlete Team)**

*Winter 2019*

**BOYS BASKETBALL**

**(NYPHSAA Scholar Athlete Team)**

The boys basketball team finished the year at 16-6. They won the league title for the 6th straight year. The team lost in the semifinal to the eventual sectional champion Geneva. The team was known for playing great defense, holding teams to an average of 48 points per game. Offensively the Raiders were led by Chase Freeland who was the team leader in scoring, assists, and steals. Scoring for the Red Raiders was balanced with five guys averaging between 8 and 14 points per game. The Red Raiders had ten seniors suit up for them this year and all of them will be missed in the future. The captains of this squad were Chase Freeland, Timmy Smith, and Tanner Stutzman. The Red Raiders look forward to next season with three juniors coming back and a good group of JV players coming up to compete at the varsity level.

**Individual Accomplishments:**

- ✪ Wayland Cohocton Showcase MVP: Jackson White
- ✪ Livingston County All-Stars: Chase Freeland, Collin Buisch, Conor Smith
- ✪ Ronald McDonald Game: Chase Freeland
- ✪ Exceptional Senior Game: Collin Buisch, Conor Smith, Tanner Stutzman

**GIRLS BASKETBALL**

**(NYPHSAA Scholar Athlete Team)**

The 2019-2020 Varsity girls basketball team had a record of 12 wins and 9 losses. Their season was highlighted by impressive *(continued on next page)*

# SPORTS REVIEW: 2019-2020

wins vs Class (A) Aquinas, Class B2 finalist Avon, Class B2 semifinalist Wellsville, a big home sectional win Vs. Greece Odyssey and a 90 point output vs J.T. which is the second highest point total in HHS girls Basketball history! (91 point in 18-19) This year's squad scored 70 or more points in 9 of its 21 games!

Leah Harkenrider and Jaden Sciotti were named to the LCAA Division All Star team and Caitlin Smith was selected to play in the Exceptional Senior Game!

Senior's Caitlin Smith, Vivi Spitulnik and Leah Harkenrider will be greatly missed. They came every day with a great attitude, a great work ethic and will be remembered for being some of the greatest teammates anyone could ask for. They will be missed greatly when we take the court again next year.

Senior Captain Leah Harkenrider capped off an incredible career finishing with 1,038 points. Leah becomes only the 6<sup>th</sup> female in HHS history to surpass 1,000 points in her career. Leah is the all-time leader in 3 pointers made (196) Leah holds the top two spots for 3's made in a season (86) (68). Leah also holds the record for most consecutive games with a made 3 (29)

Leah was also selected to play in the prestigious Ronald McDonald All – Star game!

tournament for the second year in a row. Mason Drew and Kade Slayton are BBB Sectional Champions. Five guys, up from two, placed at the state qualifier this year. They were Kade Slayton (2<sup>nd</sup>), Mason Drew (3<sup>rd</sup>), Nolan McGregor (4<sup>th</sup>), Owen House (4<sup>th</sup>), and Alex Lockwood (6<sup>th</sup>). Kade Slayton was selected as a wildcard entry to the NYSPHSAA State Wrestling Tournament. Kade wrestled very well and was one match away from placing. Unfortunately, he was injured and was taken out of the tournament.

career in the program. Junior, Gavin McGowan qualified in two events this year; the 100 Freestyle and 100 Breaststroke.

First time qualifiers were Breccan in the 100 Breaststroke, Junior, Max Freas and Freshman, Dane Thompson in the 50 and 100 Freestyles and 100 Backstroke and 8th grader Marek Kaszynski in the 100 Backstroke.

Junior, Matt Sullivan, Freshman, George Bailey and 7th grader, Calem Striker all showed improvement by season's end. These young guys have the future looking bright for Hornell Boys Swimming & Diving!

## WINTER CHEERLEADING

(NYSPHSAA Scholar Athlete Team)

Hornell Varsity Cheer Coach competed in eight competition finishing in the top three at each one! Our team was led by captains Franczy Cruzado, Brandie Collins, and Cassidy Cook! All three of the girls received an athletic nomination and award for sports athlete of the month. Brandie Collins was awarded the Wegmans sports athlete of the month.

It was a great season and the girls did very well all around!

## SKIING

### (GIRLS—NYSPHSAA Scholar Athlete Team)

**Girls Varsity**-None of the girls on the team came in with any racing experience. I was blown away with the progress they made with skills and ski techniques required for successful racing. All girls had at least one finish within the top 16 (out of 31), with Sophie and Jaiden finishing in the top ten in a couple of races. The best team finish for the year was 4<sup>th</sup> (out of 9), excellent for the first year of racing and with only 3 racers! Overall, the girls team ended up 6<sup>th</sup> place in the league and 8<sup>th</sup> (out of 11) at sections (by only two points!).

**Boys Varsity**- The boys team was plagued by ineligibility, causing the team to score as an incomplete team. As with the girls team, the progress with skills and techniques was excellent considering no previous racing. Mason was our top skier with several finished in the top fifteen. The boys team ended up 6<sup>th</sup> in the league (out of 9) and 10<sup>th</sup> (of 11) in sectionals since they raced as an incomplete team.

## WRESTLING

This year, the wrestling team improved on their success from last year. The wrestlers competed at tougher tournaments and still brought home individual and team trophies. Placing 6<sup>th</sup> at one of the toughest dual meet tournaments in the state at Pal-Mac and placing 4<sup>th</sup> at a large school tournament in Spencerport. The team improved on their returning tournaments as they took 3<sup>rd</sup> at Arkport Duals, 3<sup>rd</sup> at Hornell, and won the Pavillion Duals. The team was leading sectionals going into the last round before falling to 3<sup>rd</sup> place. We improved from 16<sup>th</sup> at the Section V tournament to 6<sup>th</sup>. We posted a 7-1 dual meet record which included being 5-0 in league competition making us back to back LCAA Division 1 Dual Meet Champions.

Individually, Owen House and Kade Slayton made Hornell history by being the first Hornell wrestlers to be invited to compete at Eastern States. Owen House, Kade Slayton, and Alex Lockwood won the Spencerport tournament. This was never done by a Hornell wrestler. Owen House won the Hornell Tournament. Nolan McGregor won the LCAA

## BOYS SWIMMING & DIVING

(NYSPHSAA Scholar Athlete Team)

The Hornell Boys Varsity Swimming team continued their winning ways this year. Led by Seniors; Breccan Donlon, Matt Oyer and Colin Ponticello, the Swimming Red Raiders increased their Sectional Qualifiers by 2 ½ times and won 3 times the meets as last year!

Colin qualified in the 100, 200 and 500 Freestyles and 100 Butterfly and IM! He competed in the 200 and 500 at a stacked Class B Sectionals Meet and finished 8<sup>th</sup>...his best ever!

Matt qualified for the 50 Freestyle and 100 Backstroke. At Sectionals he had his best finish, 8<sup>th</sup>, in the Backstroke of his 6 year

# It's OK, I'm with the Band

You may have heard the buzz that there's some new talent on the football field. No, it's not our famous Red Raiders. This past year HHS has had the honor of introducing our new band instructors. With 40 years' experience between the two of them, both Jonathan Neff and Todd Bialecki are bringing fresh talent to our high school music program. Those who are familiar with their work, know it's nothing short of impressive. If you had been to the football games this past season, you will have noticed the marching band back on the field. While their numbers are still small their sound is quite hefty. In a short period of time these two gentlemen were able to put together a small ensemble to be practiced and ready for our football season. We are excited to watch the growth of the program as it has been a staple of our half-time shows for decades. Welcome Mr. Neff and Mr. Bialecki! We look forward to watching you leave your mark at HHS!

## **Todd Bialecki**

Todd Bialecki is in his first year as a 7-12 Instrumental Director at Hornell High School. Before joining the Hornell Music Department, Todd spent 28 years as the Director of Bands for the Alfred-Almond School District. During his tenure at Alfred-Almond, his teaching responsibilities included lessons for grades 5-12. He directed the Elementary Concert Band, Junior High Concert Winds, Senior High Symphonic Band, and the Senior High Jazz Big Band. Mr. Bialecki also taught AP Music Theory. He is an active member of the New York State School Music Association (NYSSMA) as both a certified brass judge and attending educator. His ensembles receive annual adjudications, consistently earning Gold and Silver ratings, with several Gold with Distinction ratings as well – the highest award in New York State. He is also a former adjunct professor of music at Alfred University and SUNY Alfred.

Mr. Bialecki has been a guest conductor across upstate New York in both Concert and Jazz. He is a member of the Great Lakes Wind Symphony and was a founding member of the Southern Tier Symphony. He has studied trumpet with Frank Cipolla of Kansas City Symphony Orchestra, David Kuehn of the Buffalo Philharmonic, and Dr. Michael Galloway of Mansfield University. His conducting mentors include Dr. Harriet Simons, Frank Cipolla, Dr. Peggy Detweiler, Dr. Michael Galloway, and Charles Peltz of the New England Conservatory of Music.

In his spare time, Mr. Bialecki enjoys cooking, hunting, fishing, and skiing. He lives in Canisteo with his wife Lindsay and their rescue dog, Tasker.

## **Jonathan Neff**

Jonathan Neff is the new Marching Band Director, Junior High Band Director and Pep Band Director for Hornell City Schools. For the past twelve years he has been teaching 7-12 Instrumental Music at Jasper-Troupsburg Central School. While there, Mr. Neff taught music theory, jazz ensemble, pep band, marching band and concert band at all levels.

Mr. Neff's primary instrument is the saxophone, though he considers himself to be a multi-instrumentalist, and is equally comfortable performing in a pit ensemble for a musical or center stage with a rock band. Mr. Neff enjoys any musical performance, though improvising in a jazz or rock band would have to be his favorite.

Mr. Neff spends his free time watching/listening to marching bands, drum corps and brass bands, playing instruments, reading, playing video games and spending time with his wife and four young children.

### ***Smith's Stock Farm, Inc.—Going Robotic***

Smith's Stock Farms Inc., in Hornell, NY, has stepped in to the 21st century where 11 DeLaval robotic milking systems (RMS) have recently been installed. Seventh-generation dairyman Aaron Smith, class of '94' states "We decided to go with robots because of the labor situation,". The farm, about 2,100 acres, was originally established in 1832 on 52 acres. Brothers Lowell and Dale Smith are current owners at the farm. Lowell's son Aaron, class of '94, along with Andrew, Class of '95 and Chris Passero, are slated as being future owners of the Steuben County dairy. Smith's began milking with 10 robots in April 2018 and added an additional robot last year, with 11 robots milking nearly 600 Holsteins. It took about 2 weeks to train the various groups of cows to get used to using the robots. "We have to fetch them to get them used to going through," Lowell said. "As soon as they get a taste of the grain they are usually pretty astute about coming back." Lowell also explained that labor wasn't the only reason the farm went to robotics. Other milking system updates were needed and when looking at the big picture, robotics seemed to be the answer. Construction for the new system began in June 2017.

### ***DECA Club Advances to State Competition***

Four Hornell High School students advanced to the DECA state competition held in February thanks to their performance in the regionals at Jamestown Community College in Olean. Hornell students Vivianne Spitulnik took first place; Taras Hnelytsya finished in second place; and Lily Gaffney and Jane Spitulnik tied for third place based on the Marketing Cluster exam and Marketing Cluster role play at the Dec. 12 regional competition.

**Hornell High School Students who have advanced to NYS DECA Competition in Rochester include, L-R Jane Spitulnik, Lily Gaffney, Vivianne Spitulnik, and Taras Hnelytsya.**

In total, 13 Hornell High School business students competed in Olean. The Hornell students were among the more than 80 competitors from Allegany, Steuben and Cattaraugus counties vying at the regional. More recently students competed in Rochester where Vivianne Spitulnik placed 4th in Hotel & Lodging Management Series event. She will go on to compete at International Level in Nashville at the end of April. This is the first time HHS has had a student place at this level. Great Job Vivianne!

Known for his community service, devotion to his family, educational roots and Roman Catholic faith, Robert Patrick Griswold Class of 1970, has yet another role for which to be known -- the 2020 grand marshal of the Staten Island St. Patrick's Parade on Forest Avenue.

The oldest of 12 siblings, Griswold hails originally from Hornell, N.Y., with Irish roots traced to Mayo, Westmeath and Donegal. He is a graduate of the University of Notre Dame and NYU College of Dentistry. A West Brighton resident, Griswold married Peggy Sherwood in 1981, and the couple has four children -- Robert, Kyle, Michelle and David.

For this, he was recognized by many groups, including the U.S. House of Representatives.

Robert has been recognized for his various contributions to the disabled and disadvantaged community of Staten Island. His leadership qualities stem all the way back to when he served as the class president of 1970 at HHS.

## ***Sisters...There Were Never Such Devoted Sisters***

### ***Sister Ann Caufield***

Sister Ann Caufield RSM, (Sister Mary Scholastica) passed away this last year but not before her lengthy dedicated ministry at St. James Mercy Hospital in Hornell. She was one of nine children who entered the Sisters of Mercy two years after graduating from Our Lady of Mercy High School. She was a graduate of Nazareth College and St. Mary's School of Nursing.

She earned her bachelor of surgical nursing degree from St. Mary's College, Kansas and MHA degree from St. Louis, Mo. She received her nurse practitioner degree from Hahnemann Medical College in Philadelphia and became

a Certified Physician Assistant through U of R.

She began her ministry at St. James Mercy Hospital in 1951 where she was the Head Nurse, Assistant Director of Nursing Services, Hospital Administrator and Director of In-Service Education. She also served as a nurse practitioner, and later as a physician assistant at the MacDonald Clinic in Woodhull, NY for almost 20 years. After retirement she volunteered at the Alcohol Unit in Hornell.

### ***Sister Susan Cain***

Even though her passing is sad, many hearts are filled with gratitude for the blessing of having Sister Susan Cain in their lives.

Sister Susan, who was a native of Elmira, made her mission work in the Canisteo Valley well known as she headed the Steuben County Rural Ministry in Canisteo, under Catholic Charities of Steuben's Turning Point service area. She came to the Hornell area about 20 years ago out of concern for low income children and families.

Over the years she single-handedly engaged individuals, businesses, the faith community, and civic/community organizations to help her with donations so that she could help families in need. Her Canisteo site and Turning Point Hornell have worked hand-in-hand to provide more services to families in need.

In 2016 Sister Susan received the Catholic Charities of Steuben Andy Mazzella Compassion Award. It was clearly her work to feed the hungry, clothe the naked, and shelter the homeless, which were all Works of Mercy. She will continue to be an inspiration to many and will be greatly missed.

## Zachary D. Smith Memorial Scholarship

The 10<sup>th</sup> Annual Zachary D. Smith Golf Tournament was held on June 15, 2019. This day we spend time reminiscing about Zach and all that he stood for. He loved the game of golf and this is a perfect way to pay tribute to such an amazing hero. Zach always made moments very special, and cared deeply about people and chose to live a life of a very giving person. He joined the Marine Corps. in 2008 and lived the Marine Corps. Motto, which stands for Honor, Courage and Commitment – that defines Zach to a tee. Zach was deployed in December 2009, and on January 24, 2010 he stepped on an IED (improvised explosive device) that took his life. His older brother Nate (Class of 2005) set up a scholarship fund and the golf tournament the day after Zach was killed to make sure that Zach's name still lives on. His younger sister, Grace (Class of 2017) helps with the tournament as well. Grace also held a Celebration of Life at the Main Place this year marking Zach's 10<sup>th</sup> year in Heaven. It was open to all, and there were over 200 people in attendance. It is important to our family to keep Zach "alive". These types of events bring family and friends together to celebrate a lovely person that we all miss so much. So many of our family and friends volunteer their time, a big thank you to all who help make these tournaments such a success!

Scholarship Recipients (L-R) Kayla Flaitz, Grace Smith, Justin D'Amato, and Marcus Tingley.

The winners of the tournament in 2019 were Angelo Caruso, Cullen Baker, Alex Fitzpatrick and Shane Gleason. The proceeds from the golf tournament go to the Zachary D. Smith Memorial Scholarship fund. Every year, a Hornell High School senior is chosen from the essays that are written and turned into the guidance office. This scholarship is valued at \$4,000 payable annually while the recipient is enrolled in college or the military. This year the award was given by the family, to Kayla Flaitz, she is attending University at Buffalo and majoring in biological sciences to pursue dentistry. The family, along with the help of the Athletic Director chose Marcus Tingley for the scholarship for an Athletic Award that is presented in Zach's name, the value of this award was \$500. Marcus enlisted with the United States Marine Corp. We wish them the best of luck in their futures. Justin D'Amato was the recipient of a \$500 award from the donations that were sent to the Alumni Association in memory of Zach.

Members of the AMVET presenting their donation to the Smith Family. (L-R) John Foster, John Turner, Kim Smith, and Grace Smith.

We are looking forward to the upcoming years as we celebrate a great life that was cut too short. Also the family would like to thank the AMVETS for their continued generous donations to help build Zach's scholarship fund to be able to award these scholarships to deserving individuals for many years to come.

Several members of the HHS Class of 1983, who also attended and graduated from St. Ann School, recently celebrated their 40<sup>th</sup> Reunion from St. Ann School. The classmates gathered at Savor Vineyard & Wines, in Arkport, NY on Sunday, September 29, 2019. Classmate, Suzanne Roselli Piatt and her husband, Bill Piatt, are the owners of Savor Wines and were happy to host the get together. While the numbers of those attending their 40<sup>th</sup> Reunion may have been small, those present had so much fun reminiscing and sharing good times, food, beverages and many memories. As the photos reveal, a good time was had by all!

### 5th Annual Sock Drive Sponsored by Van Chevalier '88

Van Chevalier '88, currently resides in Rochester, NY. He held his fifth annual "Sock It to Me" sock drive this year. Over the years, his "sock drive" has helped collect more than 12,000 pairs of socks for those in need.

Van collects new men's, women's and children's socks to support the Veterans Outreach Center and the Open Door Mission in the Rochester area. News of his charitable drive reached WHAM 13 News and he was interviewed for the *Bright Spot Segment* that aired on Jan. 15, 2020.

"I'd kind of like to inspire other people to do this," Chevalier told 13WHAM, "whether it's in the Rochester area or across the country - whether it's hats, gloves, toiletries, anything - or the socks." At the time of the segment airing, Chevalier shared he had already collected nearly 3,500 pairs of socks this season.

On Feb. 5, 2020, Van shared on his Facebook page that not only had he reached the goal of 4,000 pairs of socks he set for the year, but with the generosity of those who donated, the goal was surpassed with a total of 4,013 pairs! On that day, Van was proud to deliver the pairs of socks to Open Door Mission and Veterans Outreach Center. For those interested, Van plans to begin his 6th annual sock drive on November 1, 2020.

### Celebrating the Holidays!

The Hornell High School Alumni Association Board of Directors celebrated another holiday party at The Main Place this past year. The usual shenanigans of "gift-stealing" and "throwing shade" continued while they laughed through the evening with spouses and guests. As usual John Carbone's catering and service never disappoints. We hope everyone is having a wonderful 2020!

## Storybook scene greets restaurant visitors

*This display of "Snow White and the Seven Dwarfs" will be available through Christmas for the public to see in the entrance to the Victorian Room at the Big Elms Restaurant. The dwarfs are antiques and are made of Staffordshire.*

Walking in the entrance to the Victorian room is like taking a step back into storybook land.

George Fawcett owner of the Seneca St. restaurant, has set up an unusual display featuring seven Staffordshire dwarfs and a hand-made house.

Fawcett said the display will be up through the Christmas season and the public is invited to see it.

The dwarfs are accompanied by a doll Fawcett added to the display so viewers could see the miniature "Snow White" and the Seven Dwarfs." The dwarfs and doll are all antiques. Fawcett bought the dwarfs last spring in Bath. The house was made by Kenneth Mider of Belle Haven.

Fawcett said, "The work put into these dwarfs is really something. The guy who made them really did a lot of work. I've never seen anything like it before." Fawcett estimated the dwarfs are about 100 years old. "I can't tell if they are one-of-a-kind. I think their expressions are what makes them interesting," Fawcett added.

## Time piece: 45-year-old paper turns up in North Hornell

### Second-grade students in 1954-55 bury jar that turns up when a new home is built

By ROBERT J. ROBERTS  
CANISTEO VALLEY EDITOR

**NORTH HORNELL** — It looks like a baby-food jar, with a metal lid rusted beyond recognition. Inside is a folded up piece of school notebook paper, pale blue lines still visible against the yellowing white.

The glass jar is a time capsule, buried inside what used to be the old North Hornell School along Seneca Road. The jar was found intact — amazingly enough — as the building was being

ROBERT J. ROBERTS  
The jar, above, and the signatures inside, at left.

demolished last year by contractor Mike Caruso, in order to build his new home there. The paper inside is from the North Hornell school's 2nd-grade class in 1954-55, taught

the jar had been recovered, he said he "very vaguely remember talking about a time capsule" in class so long ago. "I remember I signed the paper, but I can't remember any more about it. I had forgotten

totally about it until Mike Caruso found it," Rutski said today.

There is one sad historical note on the list: Included on it is Joey Barillo, who later was killed while serving in Vietnam. The North Hornell village park, across from the old school, is named after Barillo.

Also on the list: Alana Lohm, Robert Moons, Michael Rickard, Thomas Weirick, Katharine Rohrer, John Strobel, Terry Meacham, Rodney Clark, Raymond Kring, Billy Albright, David Doty, Sandra Louise Clark, Carol Curtis, Stephanie Barton, Thomas Lauterborn, Jerry Goodwin, Robert Landman, John Patton and Richard Campbell.

The old school was in service until the new North Hornell Elementary School, still in use today, debuted in 1962.

Boys in the public schools, grade 6, were able to participate in the "Crossing Boys Program". They were responsible for being the "crossing guards" at various stations throughout the city in the morning and afterschool. They were given some authority by being given a pad and pencil; if a car didn't stop, they could write down the license plate number and give it to one of the Hornell Police Officers. Officer Clifford E. Dillon (Right) was in charge of the program.

## It Isn't the Town—It's You.

If you want to live in the kind of a town,  
 Like the kind of a town you like,  
 You needn't slip your clothes in a grip  
 And away from Hornell hike.  
 You'll only find what you left behind  
 For there's nothing that's really new.  
 It's a knock at yourself when you knock this town.  
 For it isn't the town—it's you.

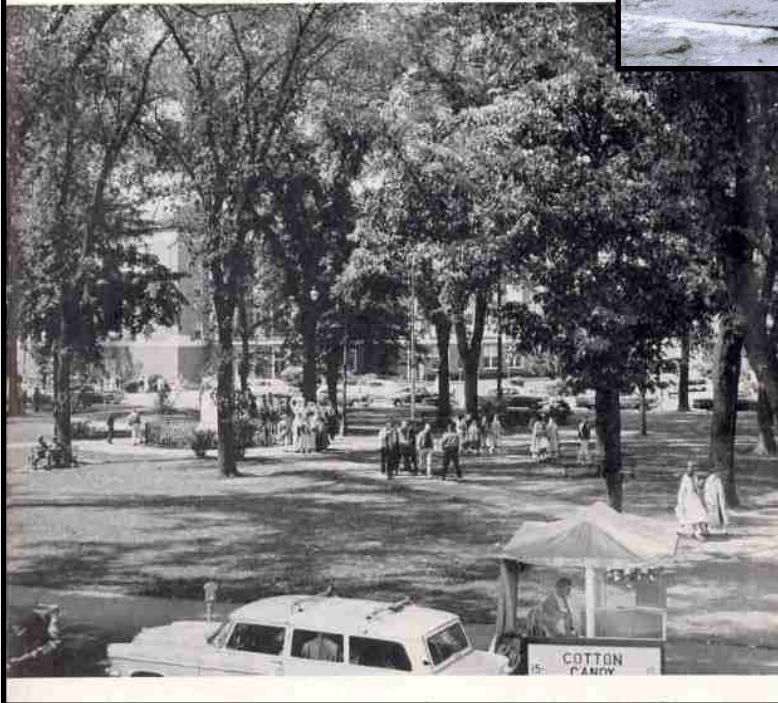

Real towns are not made by men afraid  
 Lest somebody gets ahead.  
 When everyone works and nobody shirks  
 You can raise the town from the dead,  
 And if while you make your personal stake  
 Your neighbors can make one, too,  
 Your town will be what you want to see,  
 For it isn't the town—it's you.

Flowers are beautiful,  
 Music is fine.  
 Say it with Jewelry,  
 And say it with mine.

## Little League Legacy

### Memories reported by Mike Collins Class of 1960

Roy and Leila Collins were both instrumental in the establishment of The Hornell Little League Baseball Association in the early 50's. Roy was the coach of the Elks team for about 5 years, while Leila helped with the establishment of the concession stand, helping to staff it often. Roy was one of the coaches who was honored to take an all-star team to Williamsport, Pa. in an early round of the Little League World Series. Unfortunately, it was a "one-night stand", losing the game in the first round. Many of the '60's grads played on these teams and it is believed that Pete Curtis went on to play semi pro ball for a team in Jacksonville, FL. It's easy to appreciate how important it was for all of the kids back then to have coaching and support for their interests in baseball. Needless to say, after playing for 4-5 years most of them wanted to try out and play for the HHS Baseball team. Roy has graciously donated to the Alumni Association in memory of his parents to honor their efforts in The Hornell Little League.

The class gifted \$2,000.00 to the HHS Alumni Association Scholarship Fund in memory of our eighty-eight deceased classmates. The HHSAA Selection Committee chose two recipients this year. Julia Ashworth received a \$1,000.00 grant and is currently attending Genesee Community College in Batavia, New York and is enrolled in the two-year Fashion Business curriculum. **The Class of 1969 Celebrates 50 Years**

Some members of the class of 1969 at Saturday night's alumni banquet.

On Alumni Weekend, the Class of 1969 gathered together to celebrate 50 years...and, what a weekend it was!! Friendships rekindled...memories revisited...and, new memories made.

On Friday, June 28, our kick-off party was held at The Main Place with over 130 (80+ classmates and their spouses/partners) attending. For those who worried the night would be uncomfortable or awkward...most would agree that soon we settled back in to "the way we were". So much laughter as we remembered our past... and so many smiles (and likely a few tears) as we shared as much as we could of our last 50 years. Bob and Bill Nash performed live, starting our evening out with a bang! The food was delicious (thanks, Johnny Carbone!), the decorations festive, and the 60s music that played throughout the night was the best! In addition to providing music, DJ John Lewis kept us amused with "Name That Tune". Those of us who attended St. Ann's School enjoyed Kathy Sheedy VandenBergh's amazing memory table loaded with pictures and memorabilia from our St. Ann's days. Our last minute homemade photo booth was definitely a hit (thank you, Mep!) and our mantle recalling our deceased classmates gave us the opportunity to honor their lives and have a piece of each of them with us. It was a late night for us Seniors, but many of us went to bed that night looking forward to continuing the party the following evening.

**The Class of 1969 Celebrates 50 Years**

At Saturday night's Alumni Banquet, the Class of '69 was well-represented. Theresa Brzozowski Bracken gave the Invocation, welcoming HHS alumni from all classes to dinner. Our own Mark Landman was an honored speaker and we proudly listened to his humble words, again reminding us how very lucky we were to grow up together, live in Hornell and walk the halls of Hornell High School. A delicious dinner was followed with music by DJ John Lewis. Our Alumni Association outdid themselves organizing this outstanding event for Alumni of all classes.

Finally, our weekend wrapped up with a few of us getting together at Pollywogg Holler for a few hours on Sunday afternoon, once again reminiscing, laughing, and just enjoying being together. That last weekend in June was definitely a highlight of the year for many of us. It brought back heartwarming memories of when we all lived a simpler life in a small town in the valley. We took a trip back in time...we remembered, and we smiled.

Class of 1969 enjoyed having their photos taken with their homemade photobooth.

So...Class of '69...get out your calendars right now...and reserve the weekend of June 28th, 2024 for our next walk down memory lane!!! See you there!!!

**Class of 1971— 48<sup>th</sup> Reunion**

The class of 1971 gathered at Loon Lake as they usually do for their annual get together at the cottage of Jimmy & Patty Dagon. Every year the Dagon's graciously open up their cottage for those who can attend for a day/night of food, drinks and laughter. It was held the last weekend of July and about 35 classmates were able to attend. A special tribute was made to Dennis "Chooch" Burns who passed away earlier in 2019. The reunion was attended by his wife, Mary Sue who came from Florida. Everyone enjoyed their time together and look forward to their reunion this upcoming year...be on the lookout when a weekend is locked in.

**Class of 1972— 47<sup>th</sup> Reunion**

About 45 members of the great HHS class of 1972 gathered for their third annual picnic, graciously hosted once more by classmate Steve Binder, and his wife, Maureen. A wonderful time was had by all, as we reminisced of our days at HHS and shared stories of our lives since graduating. Our plan is to have an annual picnic the Saturday after Labor Day, except for our 50<sup>th</sup> reunion which we will coordinate with the Hornell Alumni Association banquet in June of 2022. This banquet is always held the last Saturday in June, so plan ahead! If you have not already done so, please join our Facebook group, "Hornell High School Class of 1972" for any updates or class member news, along with updated addresses for our records and future mailings.

## Letters to the Editor

(Letters of Appreciation from Alumni)

Dear Cathy,

I thank you and the HHS Alumni Association for your thoughtfulness and generosity in having us members of the Class of 1949 as your guests at the annual banquet. In addition, the beautiful bouquet of carnations is appreciated.

As always it was a happy experience to be with classmates especially in such a pleasant, joyful environment.

Again, your thoughtfulness and generosity are appreciated.

Sincerely,

**Sister Veronica Casey**

Dear HHS Alumni Association,

This Thank you is long overdue. I have been trying to find the right words that would truly express our appreciation of giving a scholarship in Eric's name. I still haven't found more perfect words but knew I couldn't hold off sending this card.

Eric loved his time at HHS. His stories are endless. He was a proud member of the Class of '85 as well as a proud member of the HHS Alumni Association. He spoke highly of his time on the HHS Alumni Board and was sad when he gave it up to follow new adventures. He missed it, especially the company and the laughs.

The scholarship is a beautiful gift to both his family (us & extended) and to the recipient. I am happy that Eric can be remembered for the love he had for Hornell, for his wonderful personality, and for how much he loved giving back to his community.

The Eric you knew is the same Eric we knew, funny, kind, caring supportive and devoted. We miss him every day but we are grateful for the years we had with him. He filled our lives with love and laughter. Thank you for your kind gift. It means the world to us.

**Laura Buisch**

You really do great work!!

**Tom McCarthy '49**

Thanks for all you do! The newsletter this year was exceptional!!!

**Keegan Johnson Manchester '96**

I look forward to receiving the HHS Alumni News Journal every year. You do such an enjoyable publication. I am always amazed about the time that must be put into it.

Thank you

**Dolores Mastriani DeMuth '53**

Thanks for your hard work. This year's news journal is great.

**Mary Hammond Fagnan '64**

Dear HHS Alumni Association,

I wanted to thank you for the beautiful bracelet & recognition at the banquet. I truly enjoy working as the typesetter for our Hornell Alumni News Journal. Thank you for your kind words on my behalf.

Once a raider...always a raider!!

**Beth McDermott Jacobs '83**

The news journal (5/19) looks amazing! Congrats to all who made that possible. Thanks for printing my Irving School class photo. Some great memories there!

**Mary Jo Kramer Astrachan '66**

Wishing you all well! Hope the banquet and reunions are especially meaningful!

Sincerely,

**Dianna L. Swift '65**

Dear Alumni Association:

Thank you everyone for your time and dedication in creating the recent HHSAA News Journal. Hours were spent absorbed in going from cover to cover taking me back to Hornell and happier times. The best medicine at the right time. What a Blessing!

Thanks again,

**George Prior '55**

Dear HHS Alumni:

Thank you for all your hard work and amazing publication.

**William K. Young '64**  
**CAPT USN (Ret)**

Dear HHSAA,

So thankful to get this reminder in the mail this week. Dug out my 2019 checkbook and indeed, I neglected to send in dues and scholarships donations for our family. I usually give the memberships card to our girl at Christmas. It really is a gift that keeps on giving.

HHSAA you are awesome!

**Doug and Melody Carrier**

Dear Hornell High School Alumni Association:

As a former member of the Hornell High School Faculty, I appreciate the dedicated and hardworking staff of the HHS Alumni Assoc. Your commitment provides scholarships for many students assisting them attain a college degree. I am sure many students would need to borrow more funds to attend college or change their choice of college curriculum without your scholarships.

Thanks,

**Francis Norton 'Assoc Member**

Dear Alumni Association:

As I read the 2019 News Journal for about the 4th time I am amazed at the information placed at the fingertips of each and every HHS graduate. You are to be truly commended for publishing such an excellent magazine year after year.

While I thoroughly enjoy reading the magazine each year, the 2019 edition was special. My sister Dorothy Daniels Ryan graduated in 1969 two years after me. Sadly, she did not have the opportunity to attend her 50th reunion as she passed in 2015. To remember her dedication to nursing, her two daughters and I established a \$1,500 scholarship that we've proudly given away since her passing. It is my hope that the scholarship will be awarded for many, many years to come.

It was especially heartening to see the pictures on pages 72 and 73 of the 2019 edition. The picture and phone book advertisement of the liquor stored owned by my two uncles brought back lots of wonderful family memories. Also, I was a member of the original drum line in the Tiersmen and remember that 1966 show. The corps was sponsored by the VFW and to attend practice, I used to walk under "the subway." I also loved seeing the picture on page 39 of three of my beautiful cousins, JoAnn, Rita and Angela.

Please continue to publish this excellent magazine.

HHS Alumni Directors,

Thank you for the good you do on behalf of our graduating seniors! Please accept this gift towards the Hornell Area Business Scholarship.

## Mandated Quarantine or Quality Time with Family?

The recent Corona Virus pandemic has found our community in a situation like no other. A majority of our population has never experienced a situation like the last few months. Quarantine and social distancing have become everyday lingo and taken new meaning to our culture. During a time of uncertainty our schools have done their best to keep our students engaged. Almost overnight parents have become homeschool teachers helping their children work through their assignments. The Hornell City Schools are fortunate enough to provide access to their students online using Google Classrooms and other internet applications. This has allowed students to complete work on the computer and even video chat with their teachers and classmates. Some families used their quarantine as a way to create enrichment and quality time with the family. Family game night has become popular again and video chatting with other family members has become a novelty.
